Zwillenberg D (see Hockstein et al). 2000;123:654-50
Zwillenberg D (see Mao et al). 2000;122:56-60

SUBJECT INDEX

A

21-aminosteroid
Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8
AAO Resident Research Award, 2001;125:71-6
Abducens nerve
Morphometric analysis of horizontal canal nerves of chronically diabetic rats (Myers et al). 1999;120:174-9
Abductor spasmodic dysphonia
Abductor muscle activity abnormalities in abductor spasmodic dysphonia (Cyrus et al). 2001;124:23–30
Ablation; see Catheter ablation
Abnormalities
A myringeal web associated with first branchial cleft sinus (Sichel et al). 1998;118:286-7 (Clin. photo.)
Aberrant internal carotid artery causing erosion of the otic capsule: an unusual cause of pulsatile tinnitus (Yao et al). 1998; 118:678-9 (Case rep.)
Clinical significance of compound cilia (McAuley and Anand). 1998;118:685-7 (Case rep.)
Congenital nasal pyriform aperture stenosis in the monozygotic twin of a child with holoprosencephaly (Krol et al). 1998; 118:679-81 (Case rep.)
Abnormalities, congenital
Cryptotia (Ho et al). 2000;123:339 (Clin. photo.)
Abnormalities, radiation-induced
Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32
Radiation-induced malignant fibrous histiocytoma of the head and neck (Fell et al). 1998;118:529-31 (Case rep.)
Abscess
Brain stem abscess with direct extension through the internal auditory canal (McFeely et al). 1999;121:474-5 (Case rep.)
Cavernous sinus thrombosis complicating odontogenic parapharyngeal space neck abscess: a case report and discussion (Feldman et al). 2000;123:744-6 (Case rep.)
Deep neck abscess masquerading hypopharyngeal carcinoma (Ridder et al). 2000;123:659 (Case rep.)
Fatal meningitis and brain abscess resulting from foreign body-induced otomastoiditis (Goldman et al). 1998;118:6-8
Fibrous dysplasia as a cause of periorbital abscess (Stoeckli et al). 1999;120:283-5 (Case rep.)
Inferior pole peritonsillar abscess (Licameli and Grillone). 1998; 118:95-9 (Case rep.)
Internal carotid artery thrombosis and Horner's syndrome as complications of parapharyngeal abscess (Koivunen et al). 1999;121:160-2 (Case rep)
Otorrhea from lateral extension of retropharyngeal abscess (Lee et al). 2000;123:639-40 (Case rep.)
Selection of antibiotics after incision and drainage of peritonsillar abscesses (Kieff et al). 1999;120:57-61
Accessory nerve
Patient outcome after surgical management of an accessory nerve injury (Novak and Mackinnon). 2002;127:221-4
Stress fracture of the clavicle after selective neck dissection (Hao and Chang). 1998;118:732-3 (Int. case rep.)
Accidents, traffic
Automobile airbag impulse noise: otologic symptoms in six patients (Saunders et al). 1998;118:228-34
Maxillofacial injuries caused by all-terrain vehicle accidents (Touma et al). 1999;121:736-9
Neurotologic complications associated with deployment of airbags (Cunningham et al). 2000;123:637-8 (Case rep.)
Otologic injuries caused by airbag deployment (McFeely et al). 1999;121:367-73
Achalasia
Acute upper airway obstruction in achalasia (Requena et al). 1999;120:105-8 (Case rep.)
Achondroplasia
Obstructive sleep apnea in children with achondroplasia: surgical and anesthetic considerations (Sisk et al). 1999;120:248-54
Acid suppressive therapy
Outcomes of acid suppressive therapy in patients with posterior laryngitis (Ulualp et al). 2001;124:16–22
Acid-base equilibrium
Pharyngeal pH monitoring in patients with posterior laryngitis (Ulualp et al). 1999;120:672-77
Acinic cell carcinoma. see Carcinoma, acinar cell
Acoustic impedance tests
Acoustic mechanisms: canal wall-up versus canal wall-down mastoidectomy (Whittemore Jr et al). 1998;118:751-61
Audiologic manifestations of Noonan syndrome (Qiu et al). 1998; 118:319-23
Explaining the Weber test (Sichel et al) (Letter); (Blakley and Siddique) (Reply). 2000;122:465
Management of otitis media using Agency for Health Care Policy and Research guidelines (Hsu et al). 1998;118:437-43
Multiple-frequency tympanometry in children with acute otitis media (Ferekidis et al). 1999;121:797-801
Prospective study of tympanic membrane retraction, hearing loss, and multifrequency tympanometry (Li et al). 1999;121:514-22
Validation by magnetic resonance imaging of tympanometry for diagnosing middle ear effusion (Alper et al). 1999;121:523-7
Acoustic nerve
Auditory-nerve integrity after middle-fossa acoustic-tumor removal (Friedman et al). 1998;119:588-92
Acoustic neuroma
Cost-effective screening for acoustic neuroma (Fitzgerald and Mark) (Letter); (Shelton) (Reply). 1999;121:846
See also Neuroma, acoustic
Acoustic rhinometry
Nasal patency and the effectiveness of nasal continuous positive air pressure in obstructive sleep apnea (Schechter et al). 1998;118:643-7
Normative standards for nasal cross-sectional areas by race as measured by acoustic rhinometry (Corey et al). 1998;119: 389-93
Protection against aminoglycoside otic drop-induced ototoxicity by a spin trap: I. acute effects (Hester et al). 1998;119:581-7
Acoustic stimulation
Vestibular function in the fetal sheep (Antonelli et al). 1998;118: 571-5
Acoustic trauma; see Hearing loss, noise-induced
Acoustics
Acoustic mechanisms: canal wall-up versus canal wall-down mastoidectomy (Whittemore Jr et al). 1998;118:751-61
Acoustic rhinometry and computed tomography scans for the diagnosis of nasal septal deviation, with clinical correlation (Mamikoglu et al). 2000;123:61-8
Anatomic correlates of acoustic rhinometry as measured by rigid nasal endoscopy (Corey et al). 1999;121:572-6
Detection of the nasal cycle with acoustic rhinometry: techniques and applications (Gungor et al). 1999;120:238-47

Effect of increased inner ear pressure on middle ear mechanics (Murakami et al). 1998;118:703-8
Effect of nasal surgery on the nasal cavity as determined by acoustic rhinometry (Kemker et al). 1999;121:567-71

Acquired immunodeficiency syndrome
Acquired immunodeficiency syndrome with massive *Aspergillus fumigatus* infection (Diop et al). 1998;118:283-5 (Clin. path.)
Head and neck manifestation of *Mycobacterium avium* complex disease as a consequence of return of immunocompetency in AIDS (Bloom et al). 2001;125:668-9 (Case rep.)
Isolated cervical tuberculosis in patients with HIV infection (Singh et al). 1998;118:766-70
Otologic surgery in patients with HIV-1 and AIDS (Kohan and Giacchi). 1999;121:355-60

Action potentials
Comparison of concentric needle versus hooked-wire electrodes in the canine larynx (Jaffe et al). 1998;118:655-62
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998;118:338-43
Protection against aminoglycoside otic drop-induced ototoxicity by a spin trap: I. acute effects (Hester et al). 1998;119:581-7

ACUSTAR I system
Sublabial, transseptal, transsphenoidal approach to the pituitary region guided by the ACUSTAR I system (Burkey et al). 1998;118:191-4

Adaptation, psychological
Psychological distress: linking impairment with disability in facial neuromotor disorders (VanSwearingen et al). 1998;118:790-6

Adenocarcinoma
Adenocarcinoma of the rectum with metastasis to the palatine tonsil (Goldenberg et al). 1999;121:653-4 (Case rep.)
Disfiguring nasal metastasis from colorectal adenocarcinoma: a case report (Robiony et al). 2001;125:103-4 (Case rep.)
Expression of the adenocarcinoma-related antigen recognized by monoclonal antibody 44-3A6 in salivary gland neoplasias (Bentz et al). 1998;118:603-9
Histopathology of multiple temporal bone metastasis from pancreatic adenocarcinoma: a case showing bilateral hearing loss and Bechterew's (Wu et al). 2000;122:613-4 (Case rep.)
Intraductal papillary adenocarcinoma of the submandibular gland (Kojima et al). 1998;118:404-7 (Int. case rep.)
Intratumoral cisplatin/epinephrine-injectable gel as a palliative treatment for accessible solid tumors: a multicenter pilot study (Burris III et al). 1998;118:496-503
Management of advanced adenocarcinoma of maxillary sinus in a young woman during pregnancy: a case report (Fetoni et al). 2002;126:432-3 (Case rep.)
Metastatic prostatic adenocarcinoma of the temporal bone (Schwetschenau et al). 2001;125:561-2 (Case rep.)
Polymorphous low-grade adenocarcinoma of the submandibular gland (Cinamon et al). 2000;123:337-8 (Case rep.)
Presentation of prostatic adenocarcinoma with cervical lymphadenopathy: two case reports and review of literature (Chitale et al). 2001;125:431-2 (Case rep.)

Adenoidectomy
Brain stem stroke associated with bupivacaine injection for adenotonsillectomy (Alsarraf and Sie). 2000;122:572 (Case rep.)
Complications of tonsillectomy and adenoidectomy (Randall and Hoffer). 1998;118:61-8
Endoscopic-assisted adenoidectomy (Cannon et al). 1999;121:740-4
Molecular typing of paired bacterial isolates from the adenoid and lateral wall of the nose in children undergoing adenoidectomy: implications in acute rhinosinusitis (Bernstein et al). 2001;125:593-7
Pathologic analysis of routine tonsillectomy and adenoidectomy specimens (Strong et al). 2001;125:473-7
The case for an outpatient "approach" for all pediatric tonsillectomies and/or adenoidectomies: a 4-year review of 1419 cases at a community hospital (Postma and Folsom). 2002;127:101-8
The use of preoperative lidocaine to prevent stridor and laryngospasm after tonsillectomy and adenoidectomy (Koç et al). 1998;118:880-2

Adenoids
Do adenoids regrow after excision? (Buchinsky et al). 2000;123:576-81

Adenoma
A parathyroid cyst with mediastinal extension: report of a case (Hockstein et al). 2002;126:578-80 (Case rep.)
Approaches to the sellar and parasellar region: a retrospective comparison of the endonasal-transsphenoidal and sublabial-transsphenoidal approaches (Spencer et al). 2000;122:367-9
Endoscopic surgery for a parathyroid functioning adenoma resection with the neck region-lifting method (Kitano et al). 2000;123:465-6
Neuroendocrine adenoma of the middle ear (Aquino et al). 2002;127:477-9 (Case rep.)
Sebaceous adenoma in the submandibular gland (Liu et al). 2002;126:199-200 (Case rep.)

Adenoma, oxyphilic
Oncocytoma of the nasal septum: a rare cause of epistaxis (Hamdan et al). 2002;126:440-1 (Case rep.)

Adenoma, pleomorphic
Pleomorphic adenoma of the lateral nasal wall (Jackson and Rosenberg). 2002;127:474-6 (Case rep.)
Pleomorphic adenoma of the parotid gland metastasizing to the cervical lymph node (Chen and Tu). 2000;122:455-7 (Case rep.)
Pleomorphic adenoma of the pediatric tongue (Bayles et al). 1999;120:934-6 (Case rep.)
Pleomorphic adenoma of the soft palate (Lomeo and Finneman). 2001;125:122 (Clin. photo.)
Pleomorphic adenoma of the trachea (Kim et al). 2000;123:147-8 (Case rep.)
Treatment of recurrent pleomorphic adenomas of the parotid gland (Carew et al). 1999;121:539-42

Adenotonsillar hypertrophy
Adenotonsillar enlargement in pediatric organ transplant recipients: a cross-sectional analysis (Chiang et al). 2002;127:109-14
Adenotonsillar histopathology after organ transplantation (Williamson et al). 2001;125:231-40

Adenoviridae
The temporal course of adenovirus-mediated gene transfer in the rat larynx (Jacobs et al). 2002;126:281-9
Tumor reduction in vivo after adenoviral mediated gene transfer of the herpes simplex virus thymidine kinase gene and ganciclovir treatment in human head and neck squamous cell carcinoma (Goebel et al). 1998;119:331-6

Adhesions
Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3
Mitomycin C for the prevention of adhesion formation after

endoscopic sinus surgery: a randomized, controlled study (Chung et al). 2002;126:468-74
Surgical management of nasal and sinus sarcoidosis (Marks and Goodman). 1998;118:856-8 (Case rep.)

Adjuvants, immunologic
Adjuvant radiotherapy influences the survival of patients with squamous carcinoma of the head and neck who have poor prognoses (De Stefani et al). 2000;123:630-6
Healing large tympanic membrane perforations using hyaluronic acid, basic fibroblast growth factor, and epidermal growth factor (Chauvin et al). 1999;121:43-7

Administration, intranasal
Assessment by nasal biopsy of long-term use of mometasone furoate aqueous nasal spray (Nasonex) in the treatment of perennial rhinitis (Minshall et al). 1998;118:648-54

Administration, topical
A new dosage regimen for topical application of ciprofloxacin in the management of chronic suppurative otitis media (Aslan et al). 1998;118:883-5
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5
Protection against aminoglycoside otic drop-induced ototoxicity by a spin trap: I. acute effects (Hester et al). 1998;119:581-7
The use of preoperative lidocaine to prevent stridor and laryngospasm after tonsillectomy and adenoidectomy (Koç et al). 1998;118:880-2

Adrenal cortex hormones
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998;118:338-43
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5

Adrenalectomy
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998;118:338-43

Adrenergic beta receptor blockaders
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7

Adult
Occult laryngeal pathology in a community-based cohort (Reulbach et al). 2001;124:448–50

Aerophagy
Aerophagia resulting in acute airway obstruction (Haben et al). 2000;123:650 (Case rep.)

Aerosol propellants
Acute upper airway obstruction after recreational inhalation of a hydrofluorocarbon propellant (Kuhn and Lassen). 1999;120:587-90 (Case rep.)

Aerosols
Dosage regimens of intranasal aerosolized surfactant on otitis media with effusion in an animal model (Venkatayan et al). 2001;124:388–93

Aerospace medicine
Cardiovascular effects of microgravity: evolution of understanding (Short). 1998;118:S52-4
Computerized dynamic posturography: What have we learned from space? (Black and Paloski). 1998;118:S45-51
Countermeasures for vestibular dysfunction (Holt). 1998;118:S29-30
Historical ties between otolaryngology–head and neck surgery and aviation and space medicine (Alford and Atkins Jr). 1998;118:S2-4
Molecules, motion, and man (Wackym and Balaban). 1998;118:S16-24
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15
Spaceflight influences on ocular counterrolling and other neurovestibular reactions (Young and Sinha). 1998;118:S31-4
Stapedectomy in military aircrew (Thiringer and Arriaga). 1998;118:9-14
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8
Vestibular dysfunction: lessons and legacies from space—forward (Black). 1998;118:S1
Vestibulospinal adaptation to microgravity (Paloski). 1998;118:S39-44

Aftercare
Treatment of benign paroxysmal positional vertigo: no need for postmaneuver restrictions (Nuti et al). 2000;122:440-4

Age factors
Age- and gender-related elastin distribution changes in human vocal folds (Hammond et al). 1998;119:314-22

Aged
A comparison of radiation-induced and presbylaryngeal dysphonia (Behrman et al). 2001;125:193-200
Balance disorders in older persons: quantification with posturography (Baloh et al). 1998;119:89-92
Benefits of cochlear implantation in elderly patients (Shin et al). 2000;122:602-6
Cause of hoarseness in elderly patients (Lundy et al). 1998;118:481-5
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7
Management of cancer in the elderly: therapeutic dilemmas (Hirano and Mori). 1998;118:110-4
Randomized controlled trial of vestibular rehabilitation combined with cognitive-behavioral therapy for dizziness in older people (Johansson et al). 2001;125:151-6
Surgical labyrinthectomy in the older patient (Langman and Lindeman). 1998;118:739-42
Unrecognized benign paroxysmal positional vertigo in elderly patients (Oghalai et al). 2000;122:630-4

Aged, 80 and over
Octogenarian free flap reconstruction: complications and cost of therapy (Blackwell et al). 2002;126:301-6

Agency for Health Care Policy and Research
Management of otitis media using Agency for Health Care Policy and Research guidelines (Hsu et al). 1998;118:437-43

Aging
Influence of lecithin on mitochondrial DNA and age-related hearing loss (Seidman et al). 2002;127:138-44

AIDS. see Acquired immunodeficiency syndrome

Air bags
Airbag deployment and hearing loss (Morris et al). 1999;121:165-6 (Letter)
Automobile airbag impulse noise (Benecke). 1999;121:166 (Letter)
Automobile airbag impulse noise: otologic symptoms in six patients (Saunders et al). 1998;118:228-34
Neurotologic complications associated with deployment of airbags (Cunningham et al). 2000;123:637-8 (Case rep.)
Otologic injuries caused by airbag deployment (McFeely et al). 1999;121:367-73

Otologic injuries from airbag deployment (Yaremchuk and Dobie). 2001;125:130-4

Air pollution

Malignant neoplasms of the nasal cavity and paranasal sinuses (Fajardo-Dolci) (Letter); (Calderón-Garcidueñas) (Reply). 2000;123:786-7

Air pressure

Nasal patency and the effectiveness of nasal continuous positive air pressure in obstructive sleep apnea (Schechter et al). 1998;118:643-7

Airsickness; see Motion sickness

Airway obstruction

Acute upper airway obstruction after recreational inhalation of a hydrofluorocarbon propellant (Kuhn and Lassen). 1999;120:587-90 (Case rep.)

Acute upper airway obstruction in achalasia (Requena et al). 1999;120:105-8 (Case rep.)

Aerophagia resulting in acute airway obstruction (Haben et al). 2000;123:650 (Case rep.)

Aggressive cervical lymphoma presenting as airway obstruction (Oghalai et al). 1999;120:610-3 (Case rep.)

Airway management in Pierre Robin sequence (Myer III et al). 1998;118:630-5

Airway obstruction caused by bee sting macroglossia (Vaughn and Koch). 2000;122:778 (Clin. photo.)

Angiolipoma presenting as a nasal mass (Shohet et al). 1998;118:848-9 (Case rep.)

Approach to branchial pouch anomalies that cause airway obstruction during infancy (Jacobs et al). 1998;118:682-5 (Case rep.)

Assessment of the airway in obstructive sleep apnea syndrome with 3-dimensional airway computed tomography (Bhattacharyya et al). 2000;123:444-9

Carbon dioxide laser surgery for snoring: results in 192 patients (Cheng et al). 1998;118:486-9

Cherubism and upper airway obstruction (Battaglia et al). 2000;122:573-4 (Case rep.)

Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9

Complications of radiofrequency ablation in the treatment of sleep-disordered breathing (Pazos and Mair). 2001;125:462-7

Complications of radiofrequency ablation in the treatment of sleep-disordered breathing (Stuck) (Letter); (Pazos and Mair) (Reply). 2002;126:697-700

Congenital cervical teratoma: airway management and complications (Shah et al). 2001;124:53–5 (Case rep.)

Congenital nasal pyriform aperture stenosis in the monozygotic twin of a child with holoprosencephaly (Krol et al). 1998;118:679-81 (Case rep.)

Granular cell tumor of the larynx presenting with airway obstruction (Farmer and Scher). 1998;118:874-6 (Case rep.)

Hemorrhagic thymopharyngeal duct cyst causing airway obstruction in an infant (Lowry and O'Hare). 2002;127:467-9 (Case rep.)

Isolated laryngeal sarcoidosis (Fortune and Courey). 1998;118:868-70 (Case rep.)

Laryngeal amyloidosis with airway obstruction (Tsai et al). 2002;126:329-30 (Clin. photo.)

Laryngeal obstruction after inhalation of a penny from a metered-dose inhaler (Dayan et al). 1999;120:548-51 (Case rep.)

Laryngotracheal reconstruction in subglottic stenosis: an ancient problem still present (Peña et al). 2001;125:397-400

Lymphangiomatous macroglossia causing upper airway obstruction and associated Plummer-Vinson syndrome (Shetty et al). 2001;124:477–8 (Case rep.)

Nasal patency and the effectiveness of nasal continuous positive air pressure in obstructive sleep apnea (Schechter et al). 1998;118:643-7

Nasopharyngeal Burkitt's lymphoma causing acute airway obstruction (Sobol and Kost). 2001;124:334–5 (Case rep.)

New "seeing" stylet-scope and method for the management of the difficult airway (Shikani). 1999;120:113-6 (Drug/device)

Normal standard curve for acoustic pharyngometry (Kamal). 2001;124:323–30

Obstructing laryngeal granuloma (Shapiro et al). 1999;121:164 (Clin. photo.)

Occult mucosal injuries with radiofrequency ablation of the palate (Terris and Chen). 2001;125:468-72

Predicting airway risk in angioedema: Staging system based on presentation (Ishoo et al). 1999;121:263-8

Predictors of airway intervention in angioedema of the head and neck (Zirkle et al). 2000;123:240-5

Surgical management of nasal and sinus sarcoidosis (Marks and Goodman). 1998;118:856-8 (Case rep.)

Treatment of the patient with upper airway obstruction caused by cancer of the larynx (Bradley). 1999;120:737-41

Unusual otolaryngic presentations of ameloblastoma (Schmidt et al). 1999;121:285-9 (Case rep.)

Airway resistance

The effect of esophageal pressure monitoring on nasal airway resistance (Virkkula et al). 2001;125:261-4

Alcohol drinking

A case/control study of risk factors for major salivary gland cancer (Muscat and Wynder). 1998;118:195-8

Alleles

Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70

Allen's test

Preoperative evaluation of the radial forearm free flap patient with the objective Allen's test (Nuckols et al). 2000;123:553-7

Allergens

Comparison of Multi-Test device skin testing and modified RAST results (Levine et al). 1998;118:797-9

Electrocochleographic changes after intranasal allergen challenge: a possible diagnostic tool in patients with Meniere's disease (Gibbs et al). 1999;121:283-4 (Case rep.)

ImmunoCAP and HY•TEC enzyme immunoassays in the detection of allergen-specfic IgE compared with serial skin endpoint titration by receiver operating characteristic analysis (Corey et al). 2000;122:64-70

Mold testing by RAST and skin test methods in patients with allergic fungal sinusitis (Mabry et al). 1999;121:252-4 (Case rep.)

Allergic fungal sinusitis

Immunotherapy for allergic fungal sinusitis: three years' experience (Mabry et al). 1998;119:648-51

Allergic rhinitis. see Rhinitis, allergic, perennial

Allergy

Action of histamine on eustachian tube function (Downs et al). 2001;124:414–20

Allergy testing and immunotherapy in an academic otolaryngology practice: a 20-year review (Lane et al). 2001;124:9–15

Characteristics of bony erosion in allergic fungal rhinosinusitis (Nussenbaum et al). 2001;124:150–4

See also Hypersensitivity

AlloDerm
Tympanic membrane perforation repair using AlloDerm (McFeely et al). 2000;123:17-21
Use of Alloderm as a barrier to treat Frey's syndrome (Clayman and Clayman). 2001;124:687 (Case rep.)
All-terrain vehicles; see Off-road motor vehicles
Ambulatory care
Office-based treatment of laryngeal papillomatosis with percutaneous injection of cidofovir (Chhetri et al). 2002;126:642-8
The case for an outpatient "approach" for all pediatric tonsillectomies and/or adenoidectomies: a 4-year review of 1419 cases at a community hospital (Postma and Folsom). 2002;127:101-8
Ambulatory surgery
Analysis of short-term outcome after office-based laser-assisted uvulopalatoplasty (Astor et al). 1998;118:478-80
Ambulatory surgical procedures
Outpatient cochlear implantation in the pediatric population (Liu et al). 2000;122:19-22
Ameloblastoma
Unusual otolaryngic presentations of ameloblastoma (Schmidt et al). 1999;121:285-9 (Case rep.)
American Academy of Otolaryngology–Head and Neck Surgery Foundation
Box and whisker plots for graphic presentation of audiometric results of conductive hearing loss treatment (Govaerts et al). 1998;118:892-5
Obstructive sleep apnea treatment outcomes pilot study (Piccirillo et al). 1998;118:833-44 (Clin. epid./research)
Publication rate of abstracts presented at the annual meeting of the American Academy of Otolaryngology-Head and Neck Surgery (Larian et al). 2001;125:166-9
Vestibular dysfunction: lessons and legacies from space. 1998;118:S1-54
American Neurotology Society
Vestibular dysfunction: lessons and legacies from space. 1998;118:S1-54
Aminoglycosides
Aminoglycoside ototoxicity: prevention in sight? (Schacht). 1998;118:674-7 (Review article)
Intratympanic gentamicin treatment for Meniere's disease (McFeely Jr et al). 1998;118:589-96
Protection against aminoglycoside otic drop-induced ototoxicity by a spin trap: I. acute effects (Hester et al). 1998;119:581-7
Transforming growth factor-α with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24
Vancomycin administration in continuous ambulatory peritoneal dialysis: the risk of ototoxicity (Gendeh et al). 1998;118:551-8
Ammonia
Ammonia capsule ingestion causing upper aerodigestive tract injury (Rosenbaum et al). 1998;119:678-80 (Case rep.)
Amoxicillin
Comparison of the effectiveness of levofloxacin and amoxicillin-clavulanate for the treatment of acute sinusitis in adults (Adelglass et al). 1999;120:320-7
Amoxicillin-potassium clavulanate combination
Bacteriology of chronic sinusitis after amoxicillin-clavulanate potassium therapy (Jiang et al). 2001;124:683-6
Amyloidosis
Amyloidosis of the palate (Alvi and Goldstein). 1999;120:287 (Clin. photo.)
Head and neck manifestations of amyloidosis (Zundel et al). 1999;120:553-7 (Case rep.)
Laryngeal amyloidosis with airway obstruction (Tsai et al). 2002;126:329-30 (Clin. photo.)
Localized amyloid tumor of the nasopharynx (Pitäranta and Malmberg). 2000;122:309-10 (Case rep.)
Localized laryngeal amyloidosis (Friedman et al). 2002;127:487-9 (Case rep.)
Primary amyloidosis presenting as massive cervical lymphadenopathy with severe dyspnea: a case report and review of the literature (Leach et al). 1999;120:560-4 (Case rep.)
Analgesia
Sucralfate for posttonsillectomy analgesia (Özcan et al). 1998;119:700-4
Anaplastic carcinoma; see Carcinoma
Anemia, Fanconi's; see Fanconi's anemia
Analgesics
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7
Anesthesia
A new anesthetic system for microlaryngeal surgery (Brooker et al). 1998;118:55-60
Complications of tonsillectomy and adenoidectomy (Randall and Hoffer). 1998;118:61-8
Fine-needle aspiration biopsy: Is anesthesia necessary? (Cannon and Replogle). 1999;120:458-60
Anesthesia recovery period
Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9
Anesthesia, general
Operative times, postanesthesia recovery times, and complications during sinonasal surgery using general anesthesia and local anesthesia with sedation (Fedok et al). 2000;122:560-6
Anesthesia, inhalation
Comparison of 3 different anesthetic techniques on 24-hour recovery after otologic surgical procedures (Jellish et al). 1999;120:406-11
Anesthesia, intravenous
Comparison of 3 different anesthetic techniques on 24-hour recovery after otologic surgical procedures (Jellish et al). 1999;120:406-11
The use of preoperative lidocaine to prevent stridor and laryngospasm after tonsillectomy and adenoidectomy (Koç et al). 1998;118:880-2
Anesthesia, local
Operative times, postanesthesia recovery times, and complications during sinonasal surgery using general anesthesia and local anesthesia with sedation (Fedok et al). 2000;122:560-6
Anesthetics, intravenous
Remifentanil-based anesthesia versus a propofol technique for otologic surgical procedures (Jellish et al). 2000;122:222-7
Anesthetics, local
Efficacy of a eutectic mixture of local anesthetics as a topical anesthetic in minor otologic procedures (Koutnouyan et al). 1999;121:38-42
The use of preoperative lidocaine to prevent stridor and laryngospasm after tonsillectomy and adenoidectomy (Koç et al). 1998;118:880-2
Aneurysm
Giant extracranial internal carotid artery aneurysm: a rare presentation with an oropharyngeal mass (Oruckaptan and Ozcan). 2001;125:571-3 (Case rep.)

Aneurysm, false
False aneurysm after rhinoplasty: an unusual complication (Hamdan et al). 2000;122:923-4 (Case rep.)
Giant external carotid artery pseudoaneurysm presenting as a parotid mass (Uğuz et al). 2000;122:307-8 (Case rep.)
Traumatic pseudoaneurysm of the external carotid artery with parotid mass and delayed facial nerve palsy (Rhee et al). 1999;121:158-60 (Case rep.)

Angioedema
Predictors of airway intervention in angioedema of the head and neck (Zirkle et al). 2000;123:240-5

Angiofibroma
Anterior approaches in juvenile nasopharyngeal angiofibromas with intracranial extension (Danesi et al). 2000;122:277-83
Endonasal endoscopic surgery for nasopharyngeal angiofibroma (Khalifa). 2001;124:336–7 (Case rep.)
Indium 111 octreotide scintigraphy in angiofibroma (Guneri et al). 1998;118:137-9 (Int. case rep.)
The nature of juvenile nasopharyngeal angiofibroma (Liang et al). 2000;123:475-81

Angiogenesis
Protein phosphatases 1 and 2A maintain endothelial cells in a resting state, limiting the motility that is needed for the morphogenic process of angiogenesis (Gabel et al). 1999;121:463-8
See also Neovascularization

Angiolipoma
Angiolipoma presenting as a nasal mass (Shohet et al). 1998;118:848-9 (Case rep.)

Angiolymphoid hyperplasia with eosinophilia
Kimura's disease of the auricle (Chan et al). 2001;124:598–9 (Clin. photo.)

Angiomyoma
Angioleiomyoma in the submandibular region: an unusual tumor in an unusual tumor in an unusual site (Wong et al). 2000;122:144-5 (Case rep.)
Angioleiomyoma of the auricle (Choe et al). 2001;125:109-10 (Case rep.)
Recurrent angiomyoma (vascular leiomyoma) of the larynx after laser excision (Anderson et al). 2000;123:646 (Case rep.)

Angioneurotic edema
Predicting airway risk in angioedema: Staging system based on presentation (Ishoo et al). 1999;121:263-8

Angiotensin II
Sarthran preserves cochlear microcirculation and reduces temporary threshold shifts after noise exposure (Goldwyn et al). 1998;118:576-83

Animal models
Biomechanics of combined arytenoid adduction and medialization laryngoplasty in an ex vivo canine model (Noordzij et al). 1998;119:634-42
End-to-side neurorraphy: a long-term study of neural regeneration in a rat model (Tarasidis et al). 1998;119:337-41
Experimental model of cisplatin ototoxicity in chinchillas (Janning et al). 1998;119:574-80

Anisocoria
Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)

Ankyloglossia
The effect of ankyloglossia on speech in children (Messner and Lalakea). 2002;127:539-45

Ankylosis
Bilateral cricoarytenoid joint ankylosis in scleroderma (Viner et al). 2001;124:696-7 (Case rep.)

Annexin II
Expression of annexin II in human middle ear cholesteatoma (Kim et al). 1998;118:324-8

Anosmia
Anosmia after nasal surgery: a malpractice emergency (Biedlingmaier). 1999;121:510 (Letter)
Proposed classification scheme for quantitative olfactory function alterations (Gil-Carcedo et al). 1999;121:820-5

Anoxia
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998;118:338-43
Is tracheotomy decannulation possible in oxygen-dependent children? (Picerno et al). 2000;263-8

Anthrax
Anthrax: ENT manifestations and current concepts (Wirtschafter et al). 2002;126:8-13

Anti-antibodies; see Antibodies, anti-idiotypic

Anti-anxiety agents; see Tranquilizing agents, minor

Anti-infective agents, local
Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118:625-9

Anti-inflammatory agents, non-steroidal
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7

Antibiotic prophylaxis
Effect of topical antibiotic therapy on recovery after tonsillectomy in adults (Mann et al). 1999;121:277-82

Antibiotics
A prospective observational study of 5-, 7-, and 10-day antibiotic treatment for acute otitis media (Pichichero et al). 2001;124:381–7
Antimicrobial treatment guidelines for acute bacterial rhinosinusitis (Sinus and Allergy Health Partnership). 2000;123:S14-31
Effect of topical antibiotic therapy on recovery after tonsillectomy in adults (Mann et al). 1999;121:277-82
Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118:625-9
Facial nerve paralysis in acute otitis media: cause and management revisited (Joseph and Sperling). 1998;118:694-6 (Case rep.)
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7
Issues in the management of bacterial sinusitis (Bishai). 2002;127:S3-S9
Permeability of tympanotomy tubes to ototopical preparations (Arnold and Bressler). 1999;121:35-7
Selection of antibiotics after incision and drainage of peritonsillar abscesses (Kieff et al). 1999;120:57-61
Tympanic membrane perforations in the diabetic rat: a model of impaired wound healing (Vrabec). 1998;118:304-8
Tympanostomy tubes and otic suspensions: Do they reach the middle ear space? (Hebert et al). 2000;122:330-3
Use of nebulized antibiotics for acute infections in chronic sinusitis (Vaughan and Carvalho). 2002;127:558-68
Use of ototopical antibiotics in treating 3 common ear diseases (Consensus Panel et al). 2000;122:934-40

Antibiotics, aminoglycoside
Aminoglycoside ototoxicity: prevention in sight? (Schacht). 1998;118:674-7 (Review article)
Intratympanic gentamicin treatment for Meniere's disease (McFeely Jr et al). 1998;118:589-96

Protection against aminoglycoside otic drop-induced ototoxicity by a spin trap: I. acute effects (Hester et al). 1998;119:581-7
Vancomycin administration in continuous ambulatory peritoneal dialysis: the risk of ototoxicity (Gendeh et al). 1998;118:551-8

Antibiotics, antineoplastic
Use of mitomycin C for maintaining myringotomy patency (Estrem et al). 2000;122:8-10

Antibodies, anti-idiotypic
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9

Antibodies, monoclonal
Expression of the adenocarcinoma-related antigen recognized by monoclonal antibody 44-3A6 in salivary gland neoplasias (Bentz et al). 1998;118:603-9
Monoclonal antibodies against squamous cell carcinoma of the upper aerodigestive mucous membranes (Folz et al). 2000;122:124-8

Antibody specificity
Evidence of possible localized specific immunoglobulin E production in middle ear fluid as demonstrated by ELISA testing (Hurst et al). 1999;121:224-30

Anticoagulants
Possible role of anticoagulation in the treatment of rhinocerebral mucormycosis (Hong and Koch). 2000;122:577-8 (Case rep.)

Antidepressive agents
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7

Antiemetics
Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9

Antigens
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9
Comparison of Multi-Test device skin testing and modified RAST results (Levine et al). 1998;118:797-9
Expression of the adenocarcinoma-related antigen recognized by monoclonal antibody 44-3A6 in salivary gland neoplasias (Bentz et al). 1998;118:603-9
Mold testing by RAST and skin test methods in patients with allergic fungal sinusitis (Mabry et al). 1999;121:252-4 (Case rep.)

Antigens, bacterial
Systemic reactivation of otitis media with effusion in a rat model (Jewett et al). 1999;121:7-12

Antigens, CD18
Circulating neutrophil CD18 receptor expression and ischemic flap neutrophil infiltration in a guinea pig model (Dolan et al). 2000;122:374-7

Antigens, CD34
Increased levels of immune inhibitory CD34+ progenitor cells in the peripheral blood of patients with node positive head and neck squamous cell carcinomas and the ability of these Cd34+ cells to differentiate into immune stimulatory dendritic cells (Lathers et al). 2001;125:205-12

Antigens, CD44
A novel CD44 v3 isoform is involved in head and neck squamous cell carcinoma progression (Franzmann et al). 2001;124:426–32

Antigens, CD95
Aspirin-sensitive versus non-aspirin-sensitive nasal polyp patients: analysis of leukotrienes/Fas and Fas-ligand expression (Ziroli et al). 2002;126:141-6

Antigens, fungal
Outcomes after discontinuing immunotherapy for allergic fungal sinusitis (Mabry et al). 2000;122:104-6

Antigens, Ly
Differential expression of the murine Ly-6A/E antigen homolog of human squamous cell carcinoma antigen E48 during malignant transformation and tumor progression of squamous cell carcinoma line Pam 212 (Kato et al). 1998;119:408-11 (Brief comm.)

Antihistamines; see Histamine H1 receptor blockaders

Antihypertensive agents
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7

Antimalarials
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7

Antineoplastic agents
Antiepidermal growth factor receptor antibodies augment cytotoxicity of chemotherapeutic agents on squamous cell carcinoma cell lines (Brown et al). 2000;122:75-83

Antisense elements
Inhibition of cell proliferation in head and neck squamous cell carcinoma cell lines with antisense cyclin D1 (Wang et al). 1998;119:593-9

Antiseptics; see Anti-infective agents, local

Antrum; see Maxillary sinus

Anxiety
Psychological distress: linking impairment with disability in facial neuromotor disorders (VanSwearingen et al). 1998;118:790-6

Aortic coarctation
Management of epistaxis complicated by a previously undiagnosed aortic coarctation (Pulli). 1999;120:584-7 (Case rep.)

Apnea
Laryngeal chemoreflex severity and end-apnea Pao2 and Paco2 (Heman-Ackah et al). 2000;123:157-63

Apoptosis
Apoptosis in the developing human cricoid cartilage: a pilot study (Mankarious et al). 2000;123:677-81
Brain-derived neurotrophic factor gene therapy prevents spiral ganglion degeneration after hair cell loss (Staecker et al). 1998;119:7-13
Fenretinide-induced apoptosis of human head and neck squamous carcinoma cell lines (Scher et al). 1998;118:464-71
Muscle fiber and satellite cell apoptosis in the aging human thyroarytenoid muscle: a stereological study with confocal laser scanning microscopy (Malmgren et al). 2001;125:34-9
Sodium nitroprusside/nitric oxide causes apoptosis in spiral ganglion cells (Pai et al). 1998;119:323-30
Thermoprotective mechanisms of irrigation during bipolar cautery (Donzelli et al). 1998;119:153-8

Arachidonic acid
Synergistic effects of 13-*cis* retinoic acid and arachidonic acid cascade inhibitors on growth of head and neck squamous cell carcinoma in vitro (Spingarn et al). 1998;118:159-64

Arachnoid cysts
Arachnoid cysts of the petrous apex in a patient with vestibular schwannoma (Falcioni et al). 2000;123:657 (Case rep.)

Arginine vasopressin; see Argipressin

Argipressin

Inappropriate secretion of antidiuretic hormone caused by the local regional recurrence of hypopharyngeal cancer (Suzuki et al). 1998;118:412-4 (Int. case rep.)

Argon

Argon beam coagulation for post-tonsillectomy hemostasis (Bowling). 2002;126:316-20

Arnold-Chiari malformation

Airway abnormalities in patients with Arnold-Chiari malformation (Choi et al). 1999;121:720-4

Art

Adam Politzer as an art collector (Pappas et al). 1999;121:772-5

Arteries

Glabellar frown lines as a reliable landmark for the supratrochlear artery (Vural et al). 2000;123:543-6

Persistent stapedial artery and chronic otitis media (Zanetti et al). 2000;123:663-4 (Clin. photo.)

Arterioles

Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32

Arteriovenous fistula

Nontraumatic arteriovenous fistula of the superficial temporal artery (Morandi et al). 2001;124:588–9 (Case rep.)

Arthritis, infectious

Septic arthritis of the temporomandibular joint (Hekkenberg et al). 1999;120:780-2 (Case rep.)

Septic arthritis of the temporomandibular joint (Hincapie et al). 1999;121:836-7 (Case rep.)

Arytenoid cartilage

A new concept in laryngeal muscle: multiple myosin isoform types in single muscle fibers of the lateral cricoarytenoid (Wu et al). 1998;118:86-94

An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81

Biomechanics of combined arytenoid adduction and medialization laryngoplasty in an ex vivo canine model (Noordzij et al). 1998;119:634-42

Ascher syndrome

Ascher syndrome (Kara and Kara). 2001;124:236–7 (Clin. photo.)

Aspergilloma

Benign *Aspergillus* colonization (aspergilloma) in the middle ear (Supiyaphun et al). 2001;125:281-2 (Case rep.)

Aspergillosis

A case of invasive aspergillosis of the paranasal sinuses with a feature of allergic *Aspergillus* sinusitis (Nakamaru et al). 2002;126:204-5 (Case rep.)

Clinical findings of laryngeal aspergillosis (Gallo et al). 2000; 123:661-2 (Clin. photo.)

Aspergillus

Benign *Aspergillus* colonization (Aspergilloma) in the middle ear (Supiyaphun et al). 2001;125:281-2 (Case rep.)

Aspergillus fumigatus

Acquired immunodeficiency syndrome with massive *Aspergillus fumigatus* infection (Diop et al). 1998;118:283-5 (Clin. path.)

Superior orbital fissure syndrome caused by indolent *Aspergillus sphenoid* sinusitis (Bikhazi and Sloan). 1998;118:102-4 (Case rep.)

Asphyxia

Dumon silicone stents in obstructive tracheobronchial lesions: the Hong Kong experience (Abdullah et al). 1998;118:256-60

Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998; 118:338-43

Aspiration

Aspiration: cause and implications (Lundy et al). 1999;120:474-8

Complications of tonsillectomy and adenoidectomy (Randall and Hoffer). 1998;118:61-8

Fine-needle aspiration: survey of clinical utility (Cannon et al). 2000;123:563-5

Foreign body aspiration: an unusual presentation of myasthenia gravis (Patel and Forsen). 2001;124:698-9 (Case rep.)

Laryngopharyngeal sensory deficits as a predictor of aspiration (Setzen et al). 2001;124:622-24

Ultrasound-guided fine-needle aspiration and thyroid disease (Newkirk et al). 2000;123:700-5

Unrecognized aspiration of a dental retainer: a case report (Klein and Schoem). 2002;126:438-9 (Case rep.)

Value of flow cytometry with fine needle aspiration biopsy in patients with head and neck lymphoma (Cannon et al). 2000; 123:699

Watching aspiration after radiation therapy (Meleca et al). 1999; 120:551-3 (Case rep.)

Aspiration biopsy; see Biopsy, needle

Aspirin

Aspirin-sensitive versus non-aspirin-sensitive nasal polyp patients: analysis of leukotrienes/Fas and Fas-ligand expression (Ziroli et al). 2002;126:141-6

Astemizole

Comparative efficacy of terfenadine, loratadine and astemizole in perennial allergic rhinitis (Crawford et al). 1998;118:668-73

Asthma

Aspirin-sensitive versus non-aspirin-sensitive nasal polyp patients: analysis of leukotrienes/Fas and Fas-ligand expression (Ziroli et al). 2002;126:141-6

Effect of endoscopic sinus surgery on asthmatic patients with chronic rhinosinusitis (Dhong et al). 2001;124:99–104

Electrocochleographic changes after intranasal allergen challenge: a possible diagnostic tool in patients with Meniere's disease (Gibbs et al). 1999;121:283-4 (Case rep.)

Long-term impact of functional endoscopic sinus surgery on asthma (Senior et al). 1999;121:66-8

Ozone effects on the immediate-phase response to allergen in the nasal airways of allergic asthmatic subjects (Michelson et al). 1999;120:225-32

Primary tracheal papillomatosis presenting as reactive airway disease (Valentino et al). 2002;126:79-80 (Case rep.)

Astronaut; see Aerospace medicine

Ataxia

Titration streptomycin therapy in Meniere's disease: long-term results (Balyan et al). 1998;118:261-6

Vestibulospinal adaptation to microgravity (Paloski). 1998;118: S39-44

Atlas

Color Atlas of Diagnostic Endoscopy in Otorhinolaryngology (Rassekh). 2000;122:621 (Book rev.)

Usefulness of the C1 transverse process as a reference guide in the dissection of the upper lateral neck (Sheen et al). 2000; 122:284-9

Audiology; see Audiometry

Audiometry

Audiologic manifestations of Noonan syndrome (Qiu et al). 1998; 118:319-23

Aural symptoms and hearing loss in patients with lupus (Sperling et al). 1998;118:762-5

Box and whisker plots for graphic presentation of audiometric

results of conductive hearing loss treatment (Govaerts et al). 1998;118:892-5
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7
Normal audiologic presentations in patients with acoustic neuroma: an evaluation using strict audiologic parameters (Magdziarz et al). 2000;122:157-62
Transient-evoked otoacoustic emissions in children after cisplatin chemotherapy (Allen et al). 1998;118:584-8
Vancomycin administration in continuous ambulatory peritoneal dialysis: the risk of ototoxicity (Gendeh et al). 1998;118:551-8

Audiometry, evoked-response
Inhalant allergy and Meniere's disease: use of electrocochleography and intranasal allergen challenge as investigational tools (Noell et al). 2001;125:346-50

Auditory canal, external
Giant schwannoma of external auditory canal: a case report (Galli et al). 2001;124:473–4 (Case rep.)
Malignancy of the temporal bone and external auditory canal (Lim et al). 2000;122:882-6
See also Ear canal

Auditory cortex
Assessment of auditory cortex activation with functional magnetic resonance imaging (Ulualp et al). 2000;122:241-5

Auditory pathways
Modification of auditory pathway functions in patients with hearing improvement after middle ear surgery (Vasama et al). 1998;119:125-30
Vestibular function in the fetal sheep (Antonelli et al). 1998;118:571-5

Auditory stimulation; see Acoustic stimulation

Auditory threshold
Inhibition of nitric oxide synthase causes elevation of hearing thresholds (Zdanski et al). 1998;119:159-63
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998;118:338-43
Sarthran preserves cochlear microcirculation and reduces temporary threshold shifts after noise exposure (Goldwyn et al). 1998;118:576-83

Auricular cancer. see Ear neoplasms

Auricle
Auricular pseudocysts: a treatment with the Chulalongkorn University vacuum device (Supiyaphun et al). 2001;124:213–16

Autoantibodies
Relationship between progression of disease and immunoglobulin A-anti-Fab-/F(ab′)$_2$ autoantibodies in patients with head and neck cancer (Lorenz et al). 1998;118:130-6

Autoimmune diseases
Immune-mediated sensorineural hearing loss in a patient with ankylosing spondylitis (Yeo and Park). 2001;125:113-14 (Case rep.)
Risk of progressive sensorineural hearing loss and Meniere's disease after breast implantation (Kim and Harris). 1998;118:747-50
Unusual and instructive case of immune-mediated inner ear disease associated with central nervous system vasculitis (Ruckenstein et al). 2000;122:109-11 (Case rep.)

Automobile driving
Approach to the vestibular patient and driving: a patient perspective. (Sindwani et al). 1999;121:13-7
Neurotologic complications associated with deployment of airbags (Cunningham et al). 2000;123:637-8 (Case rep.)
Sleepy driving: accidents and injury (Powell et al). 2002;126:217-27

Automobiles
Automobile airbag impulse noise: otologic symptoms in six patients (Saunders et al). 1998;118:228-34

Autonomic nervous system
Autonomic dysfunction, vasomotor rhinitis, and extraesophageal manifestations of gastroesophageal reflux (Loehrl et al). 2002;126:382-7
Autonomic reaction to vestibular damage (Yates). 1998;119:106-12
Cardiovascular effects of microgravity: evolution of understanding (Short). 1998;118:S52-4
Molecules, motion, and man (Wackym and Balaban). 1998;118:S16-24

Autoradiography
Transforming growth factor-α with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24

Aviation medicine; see Aerospace medicine

Awards and prizes
Age- and gender-related elastin distribution changes in human vocal folds (Hammond et al). 1998;119:314-22
Brain-derived neurotrophic factor gene therapy prevents spiral ganglion degeneration after hair cell loss (Staecker et al). 1998;119:7-13
Contribution of membrane cholesterol to outer hair cell lateral wall stiffness (Nguyen and Brownell). 1998;119:14-20
Germline screening of the NF-2 gene in families with unilateral vestibular schwannoma (Bikhazi et al). 1998;119:1-6
Inhibition of nitric oxide synthase causes elevation of hearing thresholds (Zdanski et al). 1998;119:159-63
Lack of *BRCA2* alterations in primary head and neck squamous cell carcinoma (Nawroz-Danish et al). 1998;119:21-5

B

Bacteria
In vitro resistance to bacterial biofilm formation on coated fluoroplastic tympanostomy tubes (Berry et al). 2000;123:246-51

Bacteria, aerobic
Analysis of aerobic bacterial strains found in chronic rhinosinusitis using the polymerase chain reaction (Keech et al). 2000;123:363-7

Bacteria, anaerobic
Role of anaerobes in chronic sinusitis: will polymerase chain reaction solve the debate (Ramadan et al). 2002;127:384-6
Sphenoid sinusitis caused by clostridium perfringens (Rosenblum et al). 2001;125:101-2 (Case rep.)

Bacterial adhesion
Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51

Bacterial count; see Colony count, microbial

Bacterial infections
Antimicrobial treatment guidelines for acute bacterial rhinosinusitis (Sinus and Allergy Health Partnership). 2000;123:S14-31
Chronic rhinosinusitis: allergy and sinus computed tomography relationships (Emanuel et al). 2000;123:687-91
Devastating complications of acute pediatric bacterial sinusitis (Broberg et al). 1999;120:575-9 (Case rep.)
Diagnosis and treatment of uncomplicated acute bacterial rhinosinusitis: summary of the Agency on Health Care Policy and Research evidence-based report (Benninger et al). 2000;122:1-7
In vivo resistance to bacterial biofilm formation on tympanos-

tomy tubes as a function of tube material (Saidi et al). 1999; 120:621-7

Recommendations for the treatment of acute bacterial rhinosinusitis are NOT based on current microbial resistance patterns (Ferguson) (Letter); (Benninger) (Reply). 2000;123:665-6

Sphenoid sinusitis caused by clostridium perfringens (Rosenblum et al). 2001;125:101-2 (Case rep.)

Bacteriological techniques

Endoscopically guided sinonasal cultures: a directed comparison with maxillary sinus aspirate cultures (Vogan et al). 2000; 122:370-3

Bacteroides fragilis

Localized sinus inflammation induced by Bacteroides fragilis is accompanied by rigorous immune response (Jyonouchi et al). 1999;120:869-75

Balance; see Equilibrium

Bariatric surgery

Bariatric surgery for treatment of sleep apnea syndrome in 15 morbidly obese patients: long-term results (Scheuller and Weider). 2001;125:299-302

Baroreceptors; see Pressoreceptors

Basement membrane

Analysis of cellular location and concentration in vocal fold lamina propria (Catten et al). 1998;118:663-7

Assessment by nasal biopsy of long-term use of mometasone furoate aqueous nasal spray (Nasonex) in the treatment of perennial rhinitis (Minshall et al). 1998;118:648-54

Basic science review

Basic science review. 1998;118:674-7

Battle's sign; see Ecchymosis

Bees

Airway obstruction caused by bee sting macroglossia (Vaughn and Koch). 2000;122:778 (Clin. photo.)

Behavior

From genes to behavior in the vestibular system (Baker). 1998; 119:263-75

Bell palsy

Bell's palsy in pregnancy: a study of recovery outcomes (Gillman et al). 2002;126:26-30

Electroneurographic facial muscle pattern in Bell's palsy (Engström et al). 2000;122:290-7

No evidence of *Chlamydia pneumoniae* infection in patients with Bell's palsy (Pitkäranta et al). 2002;126:415-16

See also Facial paralysis

Transmastoid decompression as treatment of Bell palsy (Yanagihara et al). 2001;124:282–6

Betahistine

Betahistine increases vestibular blood flow (Dziadziola et al). 1999;120:400-5

Bicillin

Fatality after an injection of Bicillin into the tonsillar fossa during and adenotonsillectomy (Gerber and Apseloff). 2002;126: 321-2 (Case rep.)

Biocompatible materials

Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51

The histologic fate of autologous collagen injected into the canine vocal fold (Staskowski et al). 1998;118:187-90

Biofilms

In vivo resistance to bacterial biofilm formation on tympanostomy tubes as a function of tube material (Saidi et al). 1999; 120:621-7

Biologic markers

Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91

Passage to India: the search for genes causing autosomal recessive nonsyndromic hearing loss (Zbar et al). 1998;118:333-7

Sudden deafness: lack of evidence for systemic viral infection (Pitkäranta and Julkunen). 1998;118:397-9

Biomechanics

Biomechanics of combined arytenoid adduction and medialization laryngoplasty in an ex vivo canine model (Noordzij et al). 1998;119:634-42

Quantitative biochemical analysis of samples from squamous cell carcinoma (Ross and Medina). 1998;119:455-9

Biopsy

Assessment by nasal biopsy of long-term use of mometasone furoate aqueous nasal spray (Nasonex) in the treatment of perennial rhinitis (Minshall et al). 1998;118:648-54

Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9

Minimally invasive approach for biopsy of an optic nerve sheath tumor (Leonard and Bolger). 1999;120:776-9 (Case rep.)

Biopsy, needle

Accuracy of fine-needle aspiration biopsy of the thyroid combined with an evaluation of clinical and radiologic factors (Carrillo et al). 2000;122:917-21

Basaloid squamous cell carcinoma and fine-needle aspiration: a potential diagnostic pitfall (Hoang et al). 1998;119:655-7 (Case rep.)

Cannula aspiration of peritonsillar abscesses (Olarinde and Choa). 2001;124:172–3

Comparison of ThinPrep versus conventional smear cytopreparatory techniques for fine-needle aspiration of specimens of head and neck masses (Ford et al). 2002;126:554-61

Cystic cervical metastases: incidence and diagnosis using fine needle aspiration biopsy (Sheahan et al). 2002;127:294-8

Diagnostic accuracy of fine needle aspiration and frozen section in nodular thyroid disease (Mandell et al). 2001;124:531–6

Fine-needle aspiration biopsy diagnosis of follicular variant of papillary thyroid cancer: therapeutic implications (Shemen and Chess). 1998;119:600-2

Fine-needle aspiration biopsy: Is anesthesia necessary? (Cannon and Replogle). 1999;120:458-60

Isolated cervical tuberculosis in patients with HIV infection (Singh et al). 1998;118:766-70

Simple, new device for needle aspiration biopsy (Cannon and Richardson). 1998;119:691-4 (Drug/device)

Value of flow cytometry in the evaluation of head and neck fine-needle lymphoid aspirates: a 3-year retrospective review of a community-based practice (Cannon and Richardson). 2001;124:544–8

Value of repeated fine-needle aspiration cytology and cytologic experience on the management of thyroid nodules (Aguilar et al). 1998;119:121-4

Biotechnology

Biodiversity: our greatest natural resource (Bailey). 1999;120: 291-5 (Editorial)

Bipolar cautery; see Cautery

Blast injuries

The otologic consequences of the Omagh bomb disaster (Miller et al). 2002;126:127-8

Blastomycosis
Blastomycosis of the petrous apex (Blackledge and Newlands). 2001;124:347–9 (Case rep.)
Disseminated blastomycosis presenting as a neck mass (Bergman et al). 2000;122:270-1 (Case rep.)
Blindness
Endoscopic optic nerve decompression for traumatic blindness (Kountakis et al). 2000;123:34-7
Blinking
Prognostic value of the blink reflex in acoustic neuroma surgery (Darrouzet et al). 2002;127:153-62
Blister
Esophageal presentation of cicatrical pemphigoid (Isenberg). 1998;118:845-7 (Case rep.)
Blood cells, red; see Erythrocytes
Blood circulation
Sarthran preserves cochlear microcirculation and reduces temporary threshold shifts after noise exposure (Goldwyn et al). 1998;118:576-83
Blood flow velocity
Betahistine increases vestibular blood flow (Dziadziola et al). 1999;120:400-5
Measurement of peripheral vestibular blood flow in a gerbil model of endolymphatic hydrops (Reddy et al). 2000;123:97-100
Blood pressure
Assessment of the otolith-autonomic response using spectral analysis of the R-R interval and blood pressure (Yamamoto et al). 2000;123:582-6
Inappropriate secretion of antidiuretic hormone caused by the local regional recurrence of hypopharyngeal cancer (Suzuki et al). 1998;118:412-4 (Int. case rep.)
Blood vessel prosthesis
Prosthesis size in stapedectomy (Fucci et al). 1998;118:1-5
Blotting, Western
A new concept in laryngeal muscle: multiple myosin isoform types in single muscle fibers of the lateral cricoarytenoid (Wu et al). 1998;118:86-94
Expression of annexin II in human middle ear cholesteatoma (Kim et al). 1998;118:324-8
Sudden deafness: lack of evidence for systemic viral infection (Pitkäranta and Julkunen). 1998;118:397-9
Body height
Influence of height on the spatial orientation and equilibrium of the body (Nakahara et al). 2000;123:501-4
Body weight
Carbon dioxide laser surgery for snoring: results in 192 patients (Cheng et al). 1998;118:486-9
Bone and bones
Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21
Secondary intention healing of exposed scalp and forehead bone (Charnock) (Letter); (Becker et al) (Reply). 2000;123:524-5
Bone conduction
Improvement in bone conduction threshold after tympanoplasty (Tüz et al). 2000;123:775-8
Bone cysts, aneurysmal
Aneurysmal bone cyst of the temporal bone (Park et al). 1999;120:606-10 (Case rep.)
Bone diseases
Giant cell reparative granuloma of the temporal bone: case report and review of the literature (Ung et al). 1998;118:525-9 (Case rep.)
Bone marrow transplantation
Microbiology of sinusitis in patients undergoing bone marrow transplantation (Imamura et al). 1999;120:279-82
Otologic and laryngologic manifestations of mucopolysaccharidoses after bone marrow transplantation (Papsin et al). 1998;118:30-6
Bone morphogenetic proteins
Metaplastic bone formation in nasal polyps with histologic presence of transforming growth factor β-1 (TGF β-1) and bone morphogenetic proteins (BMPs) (Jacono et al). 2001;125:96-7 (Case rep.)
Bone neoplasms
Central giant cell granuloma of the hard palate (Hernandez et al). 1998;118:871-3 (Case rep.)
Intraosseus zygomatic hemangioma (Konior et al). 1999;121:122-5 (Case rep.)
Primary extracranial meningioma of the temporal bone (O'Reilly et al). 1998;118:690-4 (Case rep.)
Bone plates
Assessment of plate use for mandibular reconstruction: Has changing technology made a difference? (Klotch et al). 1999;121:388-92
Torsional strength of the radius after osteofasciocutaneous free flap harvest with and without primary bone plating (Edmonds et al). 2000;123:400-8
Bone remodeling
Effects of leukotriene and cyclo-oxygenase inhibition on adaptive bone remodeling in the middle ear (Sherman et al). 2000;123:1-8
Bone resorption
Cytochrome P-450 inhibition blocks bone resorption in vitro and in vivo (Choo and Chole). 1999;120:84-91
Cytokine-mediated bone resorption is cytochrome P-450 dependent (Young and Chole). 1999;121:708-12
Bone screws
Bone-screw mandible fixation: an intraoperative alternative to arch bars (Vartanian et al). 2000;123:718-21
Pharyngeal suspension suture with Repose bone screw for obstructive sleep apnea (Woodson et al). 2000;122:395-401
Bone transplantation
Calvarial bone graft harvest in children (Frodel). 1999;121:78-81
Calvarial bone graft harvest: a new technique (Strong et al). 2000;123:547-52
Influence of the prosthetic restoration modality on bone loss around dental implants placed in vascularized iliac bone grafts for mandibular reconstruction (Kovács). 2000;123:598-602
Book reviews
Atlas of dynamic laryngeal pathology, by Stasney (Sataloff). 1999;120:924
Atlas of Head and Neck Surgery–Otolaryngology, by Bailey, Calhoun, Coffey, and Neely (McQuone). 1998;118:422
Atlas on the Surgical Anatomy of Laryngeal Cancer, by Kirchner (Esclamado). 1999;121:677-8
Book reviews. 2000;122:621-3
Clinical audiology: the Jerger perspective, by Alford and Jerger (Alberti). 1999;120:751
Color atlas of ENT diagnosis, by Bull (Stewart).1999;120:288
Cosmetic Laser Surgery: A Practitioner's Guide, by Alster and Apfelberg (Beeson). 1999;121:678
Craniofacial trauma: an interdisciplinary approach, by Jones (Shumrick). 1999;120:924
Current therapy in otolaryngology–head and neck surgery, 6th ed., by Gates (Eisele). 1999;120:141

Diseases of the ear, 6th ed., by Ludman and Wright (Jung). 1999;120:752-3
Diseases of the head and neck, nose and throat, by Jones, Phillips, and Hilgers (Kuppersmith). 1999;120:925
Dizziness, Hearing Loss, and Tinnitus, by Baloh (Manolidis). 1999;121:680
Endoscopic plastic surgery, by Bostwick, Eaves, and Nahai (Frodel). 1999;120:140
Excision and reconstruction in head and neck cancer, by Soutar and Tiwari (Papel). 1999;120:141-2
Facial skin resurfacing, by Baker, Stuzin, and Baker (Repucci). 1999;120:289
Fundamentals of maxillofacial surgery, by Ferraro (Donald). 1999;120:290
Grabb and Smith's plastic surgery, 5th ed, by Aston, Beasley, and Thrne (Baker). 1999;120:283-9
Grabb's encyclopedia of flaps, by Strauch, Vasconez, and Hall-Findlay (Futran). 1999;120:450
Hall and Colman's diseases of the nose, throat and ear, and head and neck: a handbook for students and practitioners, by Colman (Donovan). 1999;120:751-2
Handbook of olfaction and gustation, by Doty (Jafek). 1999;120:752
Head and neck surgery, vol. 2: Ear, by Jahrsdoerfer and Helms (Niparko). 1999;120:139
Hearing loss, by Roland, Marple, and Meyerhoff (Niparko). 1998;118:422
Hyperbaric oxygen therapy in otorhinolaryngology, by Yanagita and Nakashima (Fife). 1999;120:753
Managed care, outcomes, and quality: a practical guide, by Isenberg (Lee). 1999;120:450
Microsurgical reconstruction of the cancer patient, by Schusterman (Brown). 1999;120:142
Mohs Surgery: Fundamentals and Techniques, by Gross, Steinman, and Rapini (Lewis and Orengo). 1999;121:679-80
Nasal polyps: epidemiology, pathogenesis and treatment, by Settipane, Lund, Bernstein and Tos (Osguthorpe). 1999;120:288
Office-based surgery of the head and neck, by Krespi (Eisele). 1999;120:142
Operative otolaryngology–head and neck surgery, by Myers (Eisele). 1999;120:140-1
Otolaryngology–Head and Neck Surgery (CD-ROM version), by Cummings, Fredrickson, Harker, Krause, Richardson, and Schuller (Kuppersmith). 1999;121:677
Pediatric otology and neurotology, by Lalwani and Grundfast (Hill). 1999;120:752
Professional voice, 2nd ed., by Sataloff (Stasney). 1999;120:924-5
Renewal of Certification Study Guide in Otolaryngology–Head and Neck Surgery, by Gluckman (Shockley). 1999;121:679
Rhinologic diagnosis and treatment, by McCaffrey (Calhoun). 1999;120:289
Skull base surgery: anatomy, biology, and technology, by Janecka and Tiedemann (Niparko). 1999;120:139
Surgery of the upper respiratory system, 3rd ed, by Montgomery (Williams). 1999;120:290
The Accent Method of Voice Therapy, by Ktoby (McKee). 1999;121:678
Thyroid disease: endocrinology, surgery, nuclear medicine and radiotherapy, 2nd ed., by Falk (Eisele). 1999;120:141

Botulinum toxin type A
Botulinum toxin type A (BOTOX) for treatment of migraine headaches: an open-label study (Binder et al). 2000;123:669-76
Videostroboscopy of the pharyngoesophageal segment in laryngectomy patients treated with botulinum toxin (Meleca et al). 2000;123:38-43

Botulinum toxins
Association of adhesive macromolecules with terminal sprouts at the neuromuscular junction after botulinum treatment (Lee et al). 1999;120:255-61
Botulinum toxin decreases salivation from canine submandibular glands (Shaari et al). 1998;118:452-7
Botulinum toxin injection of the cricopharyngeus muscle for the treatment of dysphagia (Ahsan et al). 2000;122:691-5
Botulinum toxin injection to improve tracheoesophageal speech after total laryngectomy (Zormeier et al). 1999;120:314-9
Botulinum toxin treatment for symptomatic Frey's syndrome (Arad-Cohen and Blitzer). 2000;122:237-40
Botulinum toxin type B (MyoBloc) in the management of hyperkinetic facial lines (Ramirez et al). 2002;126:459-67
Frey syndrome treatment with botulinum toxin (Dulguerov et al). 2000;122:821-7
Muscle fiber-type changes induced by botulinum toxin injection in the rat larynx (Inagi et al). 1999;120:876-83
Vocal fold granulomas: successful treatment with botulinum toxin (Orloff and Goldman). 1999;121:410-3

Botulism
Airway complications of infant botulism: ten-year experience with 60 cases (Anderson et al). 2002;126:234-9

Brachial plexus neuropathies
Laryngeal paresis as a presenting feature of idiopathic brachial plexopathy (Hyde et al). 2001;124:575–6 (Case rep.)

Brain
Brain stem abscess with direct extension through the internal auditory canal (McFeely et al). 1999;121:474-5 (Case rep.)
Colloid cyst of third ventricle: a rare cause of episodic vertigo (Arunachalam and Johnson). 2002;126:450-2 (Case rep.)
Effects of discrimination difficulty on cognitive event-related brain potentials in patients with cochlear implants (Okusa et al). 1999;121:610-5
Vestibular function in the fetal sheep (Antonelli et al). 1998;118:571-5

Brain abscess
Fatal meningitis and brain abscess resulting from foreign body-induced otomastoiditis (Goldman et al). 1998;118:6-8
Otogenic brain abscess: review of 41 cases (Sennaroglu et al). 2000;123:751-5

Brain diseases
Neurosarcoidosis: An unusual case presenting as a cerebellopontine angle tumor (Wani et al). 1999;121:301-2 (Case rep.)

Brain infarction
Sudden bilateral hearing loss and dizziness occurred with cerebellar infarction (Sunose et al). 2000;122:146 (Case rep.)

Brain neoplasms
Intracranial tumors mimicking benign paroxysmal positional vertigo (Dunniway and Welling). 1998;118:429-36
Subcranial approach to tumors of the anterior cranial base: analysis of current and traditional surgical techniques (Moore et al). 1999;120:387-90
Treatment of malignant neoplasms of the lateral cranial base with the combined frontotemporal-anterolateral approach. (Bigelow et al). 1999;120:17-24

Brain stem
Auditory brainstem implantation: the University of Verona experience (Colletti et al). 2002;127:84-96
Brain stem stroke associated with bupivacaine injection for adenotonsillectomy (Alsarraf and Sie). 2000;122:572 (Case rep.)

Bronchoscopes
Cerebellar encephalomalacia on magnetic resonance imaging after removal of acoustic tumor (Bordure et al). 1999;121:144-9
Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44
Clinical experience of removing foreign bodies in the airway and esophagus with a rigid endoscope: a series of 3217 cases from 1970 to 1996 (Hsu et al). 2000;122:450-4
Effects of vestibular and cerebellar deficits on gaze and torso stability during ambulation (Crane et al). 2000;123:22-9
Partial labyrinthectomy with hearing preservation: frequency-specific data using tone-burst auditory brain stem response (Smouha and Inouye). 1999;120:146-52
The multichannel auditory brain stem implant: performance in twenty patients (Otto et al). 1998;118:291-303
Transfacial excision of brainstem plasmacytoma (Ducic). 2002;127:243-4 (Case rep.)

Brain-derived neurotrophic factor
Brain-derived neurotrophic factor gene therapy prevents spiral ganglion degeneration after hair cell loss (Staecker et al). 1998;119:7-13

Branchial region
A myringeal web associated with first branchial cleft sinus (Sichel et al). 1998;118:286-7 (Clin. photo.)
Approach to branchial pouch anomalies that cause airway obstruction during infancy (Jacobs et al). 1998;118:682-5 (Case rep.)
Type 2 first branchial cleft anomaly (Keefe). 1999;120:534-5 (Clin. photo.)

Branchio-oto-renal syndrome
Ossicular chain dystopia and dilation of vestibules in branchio-oto-renal syndrome: a new phenotypic association? (D'Eredita and Marchi). 2002;126:206-8 (Case rep.)

Branchioma
Cartilaginous choristoma of the neck associated with a branchial cleft cyst (Kao et al). 2001;124:705-6 (Case rep.)
Cystic cervical metastases: incidence and diagnosis using fine needle aspiration biopsy (Sheahan et al). 2002;127:294-8

***BRCA2* gene**
Lack of *BRCA2* alterations in primary head and neck squamous cell carcinoma (Nawroz-Danish et al). 1998;119:21-5

Breast reconstruction; see Mammaplasty

Breathing; see Respiration

Brief communications
Brief communications. 1998;119:408-11
Brief communications. 1999;120:499-501

Bronchi
Broken glass mercury thermometer: a difficult airway foreign body (Moxham and Lee). 2002;127:339-41 (Case rep.)

Bronchogenic cyst
Bronchogenic cyst of the oropharynx and hypopharynx in a neonate (Sedwick and Giannoni). 2001;125:105-6 (Case rep.)

Bronchus sinus
Tracheal bronchus: classification, endoscopic analysis, and airway management (Doolittle and Mair). 2002;126:240-3

Brucellosis
Hearing status in brucellosis (Bayazit et al). 2002;127:97-100

Budesonide
Effects of systemic steroid treatment in chronic polypoid rhinosinusitis evaluated with magnetic imaging (Damm et al). 1999;120:517-23

Bullfrog; see *Rana catesbeiana*

Bupivacaine
Brain stem stroke associated with bupivacaine injection for adenotonsillectomy (Alsarraf and Sie). 2000;122:572 (Case rep.)

Burkitt(s) lymphoma
Burkitt's lymphoma of the nasal ala (Paleri et al). 1998;118:142 (Clin. photo.)
Nasopharyngeal Burkitt's lymphoma causing acute airway obstruction (Sobol and Kost). 2001;124:334–5 (Case rep.)
Pediatric American Burkitt's lymphoma of the sphenoid sinus (Lewis et al). 2000;123:642-3 (Case rep.)

Burns, chemical
Airway compromise caused by disk battery ingestion (Wall et al). 1999;121:302-3 (Case rep.)

Buttress
Acoustic role of the buttress and posterior incudal ligament in human temporal bones (Hato et al). 2001;124:274–8

C

13-cis-retinoic acid; see Isotretinoin

Calcitonin gene-related peptide
Effect of intravenous calcitonin gene-related peptide antagonist on the laryngeal chemoreflex in piglet (Bauman et al). 1999;121:1-6

Calcium
Predicting calcium status post thyroidectomy with early calcium levels (Husein et al). 2002;127:289-93

Calcium channel blockers
Effect of verapamil on cholesteatoma migration in vitro (Kountakis et al). 2000;122:91-5
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7

Calculi
Vascular lesion of the masseter presenting with phlebolith (Hessel et al). 1999;120:545-8 (Case rep.)

Caloric test
Evaluation of the caloric test by combining 3 response parameters (Maire et al). 2000;122:814-20
Influence of the multichannel cochlear implant on vestibular function (Ito). 1998;118:900-2
Vestibular function in the fetal sheep (Antonelli et al). 1998;118:571-5

Canalith
Short- and long-term outcomes of canalith repositioning for benign paroxysmal positional vertigo (Nunez et al). 2000;122:647-52

Cannula
Cannula aspiration of peritonsillar abscesses (Olarinde and Choa). 2001;124:172–3

Capillary hemangioma. see Hemangioma, capillary

Carbohydrates
Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91

Carbon dioxide
Carbon dioxide laser and silver halide infrared transmitting fibers for tympanoplasty: an experimental animal model (Zilker et al). 2001;125:157-60
Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44
Endoscopic CO_2 laser excision for Tis, T1, and T2 glottic carcinomas: cure rate and prognostic factors (Peretti et al). 2000;123:124-31

Experimental carbon dioxide laser myringotomy (Valtonen et al). 2001;125:161-5

Management of Zenker's diverticulum and postlaryngectomy pseudodiverticulum with the CO2 laser (Lippert et al). 1999; 121:809-14

Surgical treatment of Zenker's diverticulum: transcutaneous diverticulectomy versus microendoscopic myotomy of the cricopharyngeal muscle with CO2 laser (Zbären et al). 1999; 121:482-7

Carbon dioxide laser; see Laser surgery

Carcinogenicity tests

Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70

The HPV 6 E6/E7 transforming genes are expressed in inverted papilloma (Harris et al). 1998;118:312-8

Carcinoid tumor

Case study of well-differentiated carcinoid tumor of the larynx and review of laryngeal neuroendocrine tumors (McBride et al). 1999;120:536-9 (Case rep.)

Carcinoma

2(^{18}F)-fluoro-2-deoxy-D-glucose positron emission tomography is a sensitive tool for the detection of occult primary cancer (carcinoma of unknown primary syndrome) with head and neck lymph node manifestation (Jungehülsing et al). 2000; 123:294-301

Bullous pemphigoid associated with parotid carcinoma (Cakmak et al). 2002;127:354-6

Carcinoma of the buccal mucosa (Chhetri et al). 2000;123:566-71

Cell proliferation activity and kinetic profile in the prognosis and therapeutic management of carcinoma of the pharynx and larynx (Sampedro et al). 1999;121:476-81

Completion thyroidectomy for differentiated thyroid carcinoma (Chao et al). 1998;118:896-9

Correlation of laryngeal and pharyngeal carcinomas and 24-hour pH monitoring of the esophagus and pharynx [retraction of Chen MY, ott DJ, Casolo BJ, Moghazy KM, Koufman JA. In: Otolaryngol Head Neck Surg 1998 Nov;119(5):460-2]. 1999; 121:168

Deep neck abscess masquerading hypopharyngeal carcinoma (Ridder et al). 2000;123:659 (Case rep.)

Diagnostic value of Epstein-Barr viral serology in nasopharnyngeal carcinoma (Low et al). 2000;123:505-7

Does surgery improve the survival of patients with advanced anaplastic thyroid carcinoma? (Lu et al). 1998;118:728-31

Endoscopic CO_2 laser excision for Tis, T1, and T2 glottic carcinomas: cure rate and prognostic factors (Peretti et al). 2000; 123:124-31

Intrathyroidal parathyroid carcinoma presenting with only hypercalcemia (Schmidt et al). 2002;127:352-3 (Case rep.)

Lymphoid cell infiltration into Epstein-Barr virus–positive nasopharyngeal carcinomas (Shpitzer et al). 2001;124:188–94

Management and outcome of early glottic carcinoma (Smith et al). 2002;126:356-64

Management of cancer of the supraglottis (Scola et al). 2001;124: 195–8

Microcystic adnexal carcinoma of external auditory canal: report of a case (Chi et al). 2002;127:241-2 (Case rep.)

Microsatellite analyses of loci at 7q31.3-q36 reveal a minimum of two common regions of deletion in nasopharyngeal carcinoma (Tan et al). 2002;126:296-300

Middle ear recurrence in two patients with nasopharyngeal carcinoma (Kwong et al). 1998;118:280-2 (Int. case rep.)

Nasopharyngeal lith (Chen et al). 2001;125:576-8 (Case rep.)

Nitric oxide synthase type 3 in reflux-induced esophageal lesions (Chandra et al). 2001;124:442–7

Organ preservation by transoral laser microsurgery in piriform sinus carcinoma (Steiner et al). 2001;124:58–67

Predictive markers for response to chemotherapy, organ preservation, and survival in patients with advanced laryngeal carcinoma (Bradford et al). 1999;121:534-8

Recurrent epithelial-myoepithelial carcinoma of the parotid with direct intracranial extension (Amin et al). 2002;126:83-4 (Case rep.)

Salvage surgery for recurrent nasopharyngeal carcinoma in anterior marginal miss after radiotherapy (Shu et al). 1999;121: 622-6

Skin: an unusual site of metastases in nasopharyngeal carcinoma (Yücel et al). 1999;121:833-4 (Case rep.)

Surgical treatments for hypopharyngeal carcinoma: feasibility, mortality, and results (Eckel et al). 2001;124:561–9

Synchronous ipsilateral cerebellopontine angle glossopharyngeal schwannoma and parotid adenoid cystic carcinoma (Lin et al). 2002;126:423-5 (Case rep.)

Telomerase assay and nested polymerase chain reaction from nasopharyngeal swabs for early noninvasive detection of nasopharyngeal carcinoma (Kerekhanjanarong et al). 2000;123: 624-9

Carcinoma, acinar cell

Acinic cell carcinoma of the nasal cavity (von Biberstein et al). 1999;120:759-62 (Case rep.)

Carcinoma, adenoid cystic

Adenoid cystic carcinoma of the nasal septum (Schneiderman and Chaudhury). 2002;127:251-2 (Clin. photo.)

Adenoid cystic carcinoma of the nasal septum (Schneidermann). 2002;126: (Clin. photo.)

Carcinoma, basal cell

Auricular carcinoma with temporal bone invasion: outcome analysis (Gal et al). 1999;121:62-5

Basaloid squamous cell carcinoma of the larynx (Sheen et al). 1999;121:647-52 (Case rep.)

Carcinoma, basosquamous

Carcinoma, medullary

A unique combination of pre- and intraoperative modalities for the diagnosis and localization of recurrent medullary thyroid carcinoma (Bitterman et al). 2002;126:188-90 (Case rep.)

Carcinoma, Merkel cell

Merkel cell carcinoma of the pinna (Gangopadhyay and Abuzeid). 1999;120:286 (Clin. photo.)

Carcinoma, mucoepidermoid

Isolated mucoepidermoid carcinoma in the neck (Wani et al). 1998;119:398-9 (Case rep.)

Nasopharyngectomy for recurrent high-grade mucoepidermoid carcinoma after radiation failure (Brown et al). 1999;120: 564-6 (Case rep.)

Carcinoma, neuroendocrine

Sinonasal neuroendocrine carcinoma presenting as a nasopharyngeal mass (Galera-Ruiz et al). 2001;124:475–6 (Case rep.)

Carcinoma, non-small-cell lung

Lingual metastasis as the initial presentation of a large cell lung carcinoma (Mui and Smith). 1999;121:305-6 (Case rep.)

Carcinoma, papillary

Cyclin D1 expression as a prognostic parameter in papillary carcinoma of the thyroid (Muro-Cacho et al). 1999;120:200-7

Exophytic and papillary squamous cell carcinomas of the larynx: a clinicopathologic series of 104 cases (Thompson et al). 1999;120:718-24

Extrathyroid spread in papillary carcinoma of the thyroid: clini-

copathological and prognostic study (Ortiz et al). 2001;124: 261–5

Tall cell variant: an aggressive form of papillary thyroid carcinoma (Prendiville et al). 2000;122:352-7

Carcinoma, papillary, follicular

Fine-needle aspiration biopsy diagnosis of follicular variant of papillary thyroid cancer: therapeutic implications (Shemen and Chess). 1998;119:600-2

Carcinoma, renal cell

Metastatic renal cell carcinoma to the nose (Cheng et al). 2000; 122:464 (Clin. photo.)

Renal carcinoma metastasis: and unusual cerebellopontine angle tumor (Panarese et al). 2002;127:245-7 (Case rep.)

Renal cell carcinoma presenting as a mandibular mass (Yoskovitch et al). 2001;125:654-6 (Case rep.)

Carcinoma, small cell

Small cell neuroendocrine carcinoma of the parotid gland (Vural et al). 2000;122:151-2 (Case rep.)

Carcinoma, squamous cell

A novel CD44 v3 isoform is involved in head and neck squamous cell carcinoma progression (Franzmann et al). 2001;124:426–32

Adjuvant radiotherapy influences the survival of patients with squamous carcinoma of the head and neck who have poor prognoses (De Stefani et al). 2000;123:630-6

Aerophagia resulting in acute airway obstruction (Haben et al). 2000;123:650 (Case rep.)

Antiepidermal growth factor receptor antibodies augment cytotoxicity of chemotherapeutic agents on squamous cell carcinoma cell lines (Brown et al). 2000;122:75-83

Antisense cyclin D1 inhibits growth of head and neck cancer xenografts in nude mice (Wang et al). 2001;124:656-62

Arachnoid cysts of the petrous apex in a patient with vestibular schwannoma (Falcioni et al). 2000;123:657 (Case rep.)

Auricular carcinoma with temporal bone invasion: outcome analysis (Gal et al). 1999;121:62-5

Basaloid squamous carcinoma: a clinical comparison of two histologic types with poorly differentiated squamous cell carcinoma (Winzenburg et al). 1998;119:471-5

Basaloid squamous cell carcinoma and fine-needle aspiration: a potential diagnostic pitfall (Hoang et al). 1998;119:655-7 (Case rep.)

Bilateral Le Fort I fracture from a lightning strike injury to the face (Tibesar et al). 2000;123:647-9 (Case rep.)

Cancerous seeding of the tracheotomy site in patients with upper aerodigestive tract squamous cell carcinoma (Campbell et al). 1999;120:601-3 (Case rep.)

Cavernous sinus metastasis from laryngeal squamous cell carcinoma (Curry et al). 2001;125:567-8 (Case rep.)

Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70

Complications after total laryngectomy in nonradiated laryngeal and hypopharyngeal carcinomas (Herranz et al). 2000;122: 892-8

Complications of postoperative radiation therapy after partial laryngectomy in supraglottic cancer: a long-term evaluation (Laccourreye et al). 2000;122:752-7

Correlation of galectin-3/galectin-3-binding sites with low differentiation status in head and neck squamous cell carcinomas (Delorge et al). 2000;122:834-41

Correlation of neural cell adhesion molecules with perineural spread of squamous cell carcinoma of the head and neck (Vural et al). 2000;122:717-20

Deep neck abscess masquerading hypopharyngeal carcinoma (Ridder et al). 2000;123:659 (Case rep.)

Differential expression of the murine Ly-6A/E antigen homolog of human squamous cell carcinoma antigen E48 during malignant transformation and tumor progression of squamous cell carcinoma line Pam 212 (Kato et al). 1998;119:408-11 (Brief comm.)

Effect of interleukin-2 and selenium on the growth of squamous cell carcinoma cells (Thikkurissy et al). 2001;124:142–9

Effects of glutamine on head and neck squamous cell carcinoma (Erickson et al). 1999;121:348-54

Efficacy of selective lymph node dissection in clinically negative neck (Mira et al). 2002;127:279-83

Efficacy of selective neck dissection: a review of 503 cases of elective and therapeutic treatment of the neck in squamous cell carcinoma of the upper aerodigestive tract (Ambrosch et al). 2001;124:180–7

Elective neck dissection versus observation in stage I squamous cell carcinomas of the tongue and floor of the mouth (Dias et al). 2001;125:23-9

Exophytic and papillary squamous cell carcinomas of the larynx: a clinicopathologic series of 104 cases (Thompson et al). 1999;120:718-24

Expression of major histocompatibility complex antigens in squamous cell carcinomas of the head and neck (Arosarena et al). 1999;120:665-71

Expression of matrix metalloproteinases and tissue inhibitor of metalloproteinases in laryngeal and pharyngeal squamous cell carcinoma: a quantitative analysis (Magary et al). 2000;122: 712-6

Expression on nm23 antimetastatic gene product in head and neck squamous cell carcinoma (Song et al). 2000;122:96-9

Factors affecting survival for floor-of-mouth carcinoma (Klotch et al). 2000;122:495-8

Factors related to outcome of salvage therapy for isolated cervical recurrence of squamous cell carcinoma in the previously treated neck: a multi-institutional study (Krol et al). 2000; 123:368-76

Fenretinide-induced apoptosis of human head and neck squamous carcinoma cell lines (Scher et al). 1998;118:464-71

Head and neck squamous cell carcinoma: better to be young (Lacy et al). 2000;122:253-8

Head and neck squamous cell carcinoma: measurement of plasma parathyroid hormone-related protein and serum and urine calcium concentrations (Sellers et al). 2000;123:558-62

Heat shock protein and p53 expression in head and neck squamous cell carcinoma (Gandour-Edwards et al). 1998;118: 610-5

Hepatocyte growth factor/scatter factor stimulates mitogenesis and migration of a head and neck squamous cell carcinoma cell line (Fleigel et al). 2002;127:271-8

High-risk human papillomavirus types and squamous cell carcinoma in patients with respiratory papillomas (Moore et al). 1999;120:698-705

Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32

Human papillomavirus infection and survival in oral squamous cell cancer: a population-based study (Schwartz et al). 2001; 125:1-9

Immunomodulating effects of surgical intervention in tumors of the head and neck (Dietz et al). 2000;123:132-9

Inappropriate secretion of antidiuretic hormone caused by the local regional recurrence of hypopharyngeal cancer (Suzuki et al). 1998;118:412-4 (Int. case rep.)

Increased levels of immune inhibitory CD34+ progenitor cells in the peripheral blood of patients with node positive head and neck squamous cell carcinomas and the ability of these CD34+ cells to differentiate into immune stimulatory dendritic cells (Lathers et al). 2001;125:205-12

Inhibition of cell proliferation in head and neck squamous cell carcinoma cell lines with antisense cyclin D1 (Wang et al). 1998;119:593-9

Intracranial metastases in patients with squamous cell carcinoma of the head and neck (de Bree et al). 2001;124:217–21

Intraoperative radiolymphoscintigraphy for detection of occult nodal metastasis in patients with head and neck squamous cell carcinoma (Zitsch et al). 2000;122:662-6

Intratumoral cisplatin/epinephrine-injectable gel as a palliative treatment for accessible solid tumors: a multicenter pilot study (Burris III et al). 1998;118:496-503

Lack of *BRCA2* alterations in primary head and neck squamous cell carcinoma (Nawroz-Danish et al). 1998;119:21-5

Larynx preservation: the discussion is not closed (Lefebvre). 1998;118:389-93

Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91

Migration of intradural epidermoid matrix: embryologic implications (Kountakis et al). 2000;123:170-3

Monoclonal antibodies against squamous cell carcinoma of the upper aerodigestive mucous membranes (Folz et al). 2000; 122:124-8

MUC4 (sialomucin complex) expression in salivary gland tumors and squamous cell carcinoma of the upper aerodigestive tract (Weed et al). 2001;124:127–41

Occult cervical metastases: immunoperoxidase analysis of the pathologically negative neck (Enepekides et al). 1999;120: 713-7

Oncologic rationale for bilateral tonsillectomy in head and neck squamous cell carcinoma of unknown primary source (Koch et al). 2001;124:331–3

Oral and oropharyngeal squamous cell carcinoma in young adults: a report on 13 cases and review of the literature (Kristina et al). 1999;120:823-33

p53 expression and p53 gene mutation in oral cancer and dysplasia (Rowley et al). 1998;118:115-23

Patterns of nodal metastasis and surgical management of the neck in supraglottic laryngeal carcinoma (Hicks et al). 1999;121: 57-61

Patterns of spread in recurrent head and neck squamous cell carcinoma (Vaidya et al). 2001;125:393-6

Phase I trial of retinoic acid and *cis*-platinum for advanced squamous cell cancer of the head and neck based on experimental evidence of drug synergism (Weisman et al). 1998; 118:597-602

Prognostic significance of postoperative wound infection on head and neck cancer (Rodrigo and Suárez). 1998;118:272-5

Promoter hypermethylation: an important epigenetic mechanism for *hMLH1* gene inactivation in head and neck squamous cell carcinoma (Liu et al). 2002;126:548-53

Quantitative biochemical analysis of samples from squamous cell carcinoma (Ross and Medina). 1998;119:455-9

Relationship of human papillomavirus to ploidy in squamous cell carcinomas of the head and neck (Rodrigo et al). 1999;121: 318-22

Rise of oxygenation in cervical lymph node metastasis during the initial course of radio chemotherapy (Dietz et al). 1999;121: 789-96

Role of membrane type 1-matrix metalloproteinase and gelatinase A in head and neck squamous cell carcinoma invasion in vitro (Rosenthal et al). 1999;121:337-43

Role of panendoscopy in cancer of the upper aerodigestive tract (Stoeckli et al). 2001;124:208–12

Sentinel lymph node evaluation in squamous cell carcinoma of the head and neck (Stoeckli et al). 2001;125:221-6

Skin metastases in squamous cell carcinoma of the head and neck (Yoskovitch et al). 2001;124:248–52

Squamous cell carcinoma arising in a dentigerous cyst in a 16-month-old girl (Gulbranson et al). 2002;127:463-4 (Case rep.)

Squamous cell carcinoma arising in lymphangioma of the tongue (Berry et al). 2002;127:458-60 (Case rep.)

Squamous cell carcinoma of the anterior nasal cavity: a dual institution review (Fornelli et al). 2000;123:207-10

Squamous cell carcinoma of the buccal mucosa (Strome et al). 1999;120:375-9

Squamous cell carcinoma of the supraglottic larynx in a patient with Fanconi's anemia (Doerr et al). 1998;118:523-5 (Case rep.)

Squamous cell carcinoma of the tongue in young adults: increasing incidence and factors that predict treatment outcomes (Myers et al). 2000;122:44-51

Squamous cell metastasis from the tongue to the myocardium presenting as pericardial effusion (Rivkin et al). 1999;120: 593-5 (Case rep.)

Stomal recurrence after total laryngectomy for squamous cell carcinoma of the larynx (Imauchi et al). 2002;126:63-6

Submucosal squamous cell carcinoma of the subglottis (Porter et al). 1999;120:745-6 (Case rep.)

Synergistic effects of 13-*cis* retinoic acid and arachidonic acid cascade inhibitors on growth of head and neck squamous cell carcinoma in vitro (Spingarn et al). 1998;118:159-64

The role of *Helicobacter pylori* in the cause of squamous cell carcinoma of the larynx (Aygenc et al). 2001;125:520-1

Tongue base suspension (Persky) (Letter); (DeRowe) (Reply). 2000;123:667-8

Tonsillectomy in diagnosis of the unknown primary tumor of the head and neck (Randall et al). 2000;122:52-5

Tumor grade, microvessel density, and activities of malate dehydrogenase, lactate dehydrogenase, and hexokinase in squamous cell carcinoma (Ross et al). 2000;122:195-200

Tumor reduction in vivo after adenoviral mediated gene transfer of the herpes simplex virus thymidine kinase gene and ganciclovir treatment in human head and neck squamous cell carcinoma (Goebel et al). 1998;119:331-6

Tumor thickness as a predictor of cervical lymph node metastasis in squamous cell carcinoma of the lower lip (Önerci et al). 2000;122:139-42

Cardiac glycosides

Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7

Cardiovascular system

Cardiovascular effects of microgravity: evolution of understanding (Short). 1998;118:S52-4

Carotid arteries

Aberrant internal carotid artery causing erosion of the otic capsule: an unusual cause of pulsatile tinnitus (Yao et al). 1998; 118:678-9 (Case rep.)

Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44

Giant extracranial internal carotid artery aneurysm: a rare presentation with an oropharyngeal mass (Oruckaptan and Ozcan). 2001;125:571-3 (Case rep.)

Internal carotid artery hemorrhage after irradiation and osteoradionecrosis of the skull base (Lam et al). 2001;125:522-7
Intrasaccular detachable platinum coil embolization for traumatic pseudoaneurysm treatment of a cavernous carotid artery (Chae et al). 2001;124:230–1
Is carotid reconstruction for advanced neck cancer a safe procedure? (Katsuno et al). 2001;124:222–4
Surgical management of carotid body tumors (Wang et al). 2000;123:202-6
Temporal bone histopathology of aberrant carotid artery (Tian). 1998;119:506-7
The cochlear aqueduct: an important landmark in lateral skull base surgery (Aslan et al). 1998;118:532-6
Vagus nerve imaging with ultrasound: anatomic and in vivo validation (Knappertz et al). 1998;118:82-5
Variations of the great arteries in the carotid triangle (Lucev et al). 2000;122:590-1

Carotid artery diseases
Traumatic pseudoaneurysm of the external carotid artery with parotid mass and delayed facial nerve palsy (Rhee et al). 1999;121:158-60 (Case rep.)

Carotid artery injuries
Management of aberrant internal carotid artery injury: a real emergency (Jain et al). 2002;127:470-3 (Case rep.)

Carotid artery thrombosis
Internal carotid artery thrombosis and Horner's syndrome as complications of parapharyngeal abscess (Koivunen et al). 1999;121:160-2 (Case rep.)

Carotid artery, external
Giant external carotid artery pseudoaneurysm presenting as a parotid mass (Uğuz et al). 2000;122:307-8 (Case rep.)

Carotid artery, internal
A wattle (cervical accessory tragus) (Bendet). 1999;121:508-9 (Clin. photo.)
Aberrant carotid artery of the middle ear (Chang). 2000;122:154 (Clin. photo.)

Carotid sinus
Postoperative hypertension effect of carotid sinus denervation (Koc et al). 1999;121:150-2

Carotid stenosis
Tracheal transplantation: defining the vascular territory of the canine cranial thyroid artery (Shaari et al). 1999;120:180-3

Cartilage
Biomechanical properties of tissue-engineered cartilage from human and rabbit chondrocytes (Park et al). 2002;126:52-7
Chondrocyte repopulation of allograft cartilage: a preliminary investigation and strategy for developing cartilage matrices for reconstruction (Kelley et al). 2002;127:265-70
Cryptotia (Ho et al). 2000;123:339 (Clin. photo.)
Effects of serial expansion of septal chondrocytes on tissue-engineered neocartilage composition (Homicz et al). 2002;127:398-408
Growth and development of the human cricoid cartilage: an immunohistochemical analysis of the maturation sequence of the chondrocytes and surrounding cartilage matrix (Mankarious et al). 2000;123:174-8
Inlay butterfly cartilage tympanoplasty (Eavey technique) modified for adults (Lubianca-Neto). 2000;123:492-4
Reconstruction of tracheal defects with dehydrated human costal cartilage: an experimental study in rats (Dal et al). 2000;123:607-12

Cartilaginous tumors
Long-term follow-up of cartilaginous tumors of the larynx (Thomé et al). 2001;124:634-40

Case reports
Case reports. 1998;118:95-109, 242-4, 381-8, 523-31, 678-702, 845-79
Case reports. 1998;119:134-43, 276-7, 398-407, 508-27, 652-90, 705-8
Case reports. 1999;120:92-108, 283-5, 445-6, 528-31, 536-618, 745-8, 926-56
Case reports. 1999;121:122-32, 157-62, 285-306, 327-33, 474-5, 499-505, 826-43
Case reports. 2000;122:107-14, 267-71, 572-8
Case reports. 2000;123:276-82, 334-8, 514-21, 637-60, 742-4-748-9
Case reports. 2001;124:51–5, 115–20, 170–3, 230–5, 334–51, 471–8, 573–97, 674-82–705-6
Case reports. 2001;125:96-119, 270-82, 401-32, 557-78, 649-70
Case reports. 2002;126:74-94, 188-208, 321-ð, 423-54, 578-90, 690-2, 693-4
Case reports. 2002;127:119-26, 238-50, 339-58, 458-86, 569-84
Does it take a village to write a case report? (Syms) (Letter); (Har-El) (Reply). 2000;122:619
International 2000;122:143-52, 302-10, 455-62, 611-6, 768-74, 922-33
International case reports. 1998;118:137-9, 276-82, 404-18, 589-61, 732-3, 903-6

Case-control studies
A case/control study of risk factors for major salivary gland cancer (Muscat and Wynder). 1998;118:195-8

Cat-scratch disease
Atypical presentations of cat scratch disease in the head and neck (Chiu et al). 2001;125:414-16 (Case rep.)

Catheter ablation
Surgical labyrinthectomy in the older patient (Langman and Lindeman). 1998;118:739-42

Cats
Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44
Changes in laryngeal muscle activities during hypercapnia in the cat (Kuna) (Letter); (Adachi and Umezaki) (Reply). 1999;120:449
Pharyngeal branch of the vagus nerve carries intraepithelial afferent fibers in the cat pharynx: an elucidation of the origin and central and peripheral distribution of these components (Miyazaki et al). 1999;120:905-13
Retrograde degeneration of the facial nerve after acute traction on parotid gland: an experimental investigation (Wang et al). 2002;127:55-9

Caustics
Caustic injury of the larynx (Soo and van Hasselt). 1998;119:425-6 (Clin. photo.)

Cautery
Cautery-assisted palatal stiffening operation (Mair and Day). 2000;122:547-55
Cautery-assisted palatal stiffening operation for the treatment of obstructive sleep apnea syndrome (Wassmuth et al). 2000;123:55-60
Chisel tip suction cautery device for tonsillectomy (Armstrong). 1999;121:119-21 (Drug/Device)
Thermoprotective mechanisms of irrigation during bipolar cautery (Donzelli et al). 1998;119:153-8

Cavernous sinus
Cavernous sinus metastasis from laryngeal squamous cell carcinoma (Curry et al). 2001;125:567-8 (Case rep.)

CD3 complex; see Antigens
CD4 molecule; see Antigens
CD62L antigens, see L-selectin
Cefdinir
Management update of acute bacterial rhinosinusitis and the use of cefdinir (Gwaltney). 2002;127:S24-S29
Celiac disease
Hypocalcemia complicating total thyroidectomy in patients with celiac sprue (Agrama et al). 2002;127:461-2 (Case rep.)
Cell adhesion molecules
Cell adhesion molecules in normal laryngeal development (Soliman et al). 1999;120:73-7
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5
Cell count
Numerical densities of myonuclei and satellite cells in muscle fiber types in the aging human thyroarytenoid muscle: an immunohistochemical and stereological study using confocal laser scanning microscopy (Malmgren et al). 2000;123:377-84
Cell division
Cell proliferation activity and kinetic profile in the prognosis and therapeutic management of carcinoma of the pharynx and larynx (Sampedro et al). 1999;121:476-81
Cell membrane
Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91
Cell transformation, neoplastic
Expression of Ki-67, tumor suppressor proteins, growth factor, and growth factor receptor in juvenile respiratory papillomatosis: Ki-67 and p53 as predictors of aggressive disease (Stern et al). 2000;122:378-86
Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91
Central nervous system
Bilateral isolated metastases of malignant melanoma to the cerebellopontine angle (Shinogami et al). 1998;118:276-9 (Int. case rep.)
Cardiovascular effects of microgravity: evolution of understanding (Short). 1998;118:S52-4
Central nervous system metabolic activity after cochlear implantation in the feline neonatal model (Baylor et al). 1999;121:361-6
Computerized dynamic posturography: What have we learned from space? (Black and Paloski). 1998;118:S45-51
Diagnosis and documentation of central nervous system dysfunctions with craniocorpography after surgical removal of acoustic neurinomas (Gomez-Angel et al). 2000;122:592-5
Intracranial tumors mimicking benign paroxysmal positional vertigo (Dunniway and Welling). 1998;118:429-36
Necrotizing granulomatous inflammation of the superior vestibular nerve mimicking an acoustic neuroma (Marple et al). 1998;118:862-5 (Case rep.)
Vestibular function in the fetal sheep (Antonelli et al). 1998;118:571-5
Vestibulospinal adaptation to microgravity (Paloski). 1998;118:S39-44
Central nervous system cysts
Rathke's cleft cyst presenting as sphenoid sinusitis (Nader et al). 2001;124:174–9
Cephalosporin resistance
Otogenic meningitis caused by the pneumococci that had acquired resistance to cephalosporins (Sakamoto et al). 2001;124:350–1 (Case rep.)
Cephalosporins
Penicillin-nonsusceptible pneumococcus in acute otitis media in New York City (Haddadet al). 1999;121:27-30
Pharmacodynamic considerations for the selection of oral cephalosporins in the treatment of rhinosinusitis (Dandekar and Nicolau). 2002;127:S10-S16
Cerebellar artery, anterior inferior
Unusual course of the anterior inferior cerebellar artery through the facial nerve in the cerebellopontine angle (Liu and Fagan). 2001;124:479 (Clin. photo.)
Cerebellar diseases
Sudden bilateral hearing loss and dizziness occurred with cerebellar infarction (Sunose et al). 2000;122:146 (Case rep.)
Cerebellar neoplasms
Neurosarcoidosis: An unusual case presenting as a cerebellopontine angle tumor (Wani et al). 1999;121:301-2 (Case rep.)
Cerebellopontine angle
Bilateral isolated metastases of malignant melanoma to the cerebellopontine angle (Shinogami et al). 1998;118:276-9 (Int. case rep.)
Distortion-product otoacoustic emissions in nonacoustic tumors of the cerebellopontine angle (Mobley et al). 2002;126:115-20
Intracranial tumors mimicking benign paroxysmal positional vertigo (Dunniway and Welling). 1998;118:429-36
Necrotizing granulomatous inflammation of the superior vestibular nerve mimicking an acoustic neuroma (Marple et al). 1998;118:862-5 (Case rep.)
Neurosarcoidosis: An unusual case presenting as a cerebellopontine angle tumor (Wani et al). 1999;121:301-2 (Case rep.)
Renal carcinoma metastasis: and unusual cerebellopontine angle tumor (Panarese et al). 2002;127:245-7 (Case rep.)
Synchronous ipsilateral cerebellopontine angle glossopharyngeal schwannoma and parotid adenoid cystic carcinoma (Lin et al). 2002;126:423-5 (Case rep.)
Cerebellum
Cerebellar encephalomalacia on magnetic resonance imaging after removal of acoustic tumor (Bordure et al). 1999;121:144-9
Effects of vestibular and cerebellar deficits on gaze and torso stability during ambulation (Crane et al). 2000;123:22-9
Noradrenergic influences on the cerebellar cortex: effects on vestibular reflexes under basic and adaptive conditions (Pompeiano). 1998;119:93-105
Recording eye movements in mice: a new approach to investigate the molecular basis of cerebellar control of motor learning and motor timing (De Zeeuw et al). 1998;119:193-203
Role of the flocculus of the cerebellum in motor learning of the vestibulo-ocular reflex (Highstein). 1998;119:212-20
Cerebrospinal fluid
Cerebrospinal fluid fistula after transtemporal skull base surgery (Leonetti et al). 2001;124:511–14
Hydroxyapatite cement cranioplasty in translabyrinthine acoustic neuroma surgery (Arriaga and Chen). 2002;126:512-17
Skull base CSF fistulae: a comprehensive diagnostic algorithm (Zapalac et al). 2002;126:669-76
Cerebrospinal fluid otorrhea
Adult onset spontaneous cerebrospinal fluid otorrhea with oval window fistula and recurrent meningitis: MRI findings (Rupa et al). 2001;124:344–6 (Case rep.)
Endoscopic repair of cerebrospinal fluid leaks to the sinonasal tract: predictors of success (Zweig et al). 2000;123:195-201
Cerebrospinal fluid rhinorrhea
Endoscopic repair of cerebrospinal fluid rhinorrhea (Mao et al). 2000;122:56-60
Management of sphenoid sinus cerebrospinal fluid rhinorrhea:

making use of an extended approach to the sphenoid sinus (Mehendale et al). 2002;126:147-53

Cerebrospinal rhinorrhea

Endoscopic cerebrospinal fluid rhinorrhea repair: Is a lumbar drain necessary? (Casiano and Jassir) 1999;121:745-50

Cerebrovascular disorders

Brain stem stroke associated with bupivacaine injection for adenotonsillectomy (Alsarraf and Sie). 2000;122:572 (Case rep.)

Cervical sympathetic chain

Horner's syndrome after excision of cervical sympathetic chain schwannoma (Kara and Topuz). 2002;127:127-8 (Clin. photo.)

Cervical vertebrae

Vertebral hydatid disease presenting as a parapharyngeal and neck mass: as case report (Bilgen et al). 2002;126:89-90 (Case rep.)

Chemoreceptors

Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44

Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9

Chemotherapy

Oxygenation of advanced head and neck cancer: prognostic marker for the response to primary radiochemotherapy (Vanselow et al). 2000;122:856-62

See also Drug therapy

Cherubism

Cherubism and upper airway obstruction (Battaglia et al). 2000; 122:573-4 (Case rep.)

Chest x-ray. see Radiography, thoracic

Child

A comparison of screening methods in school-aged children (Krueger and Ferguson). 2002;127:516-19

Accuracy of clinical evaluation in pediatric obstructive sleep apnea (Wang et al). 1998;118:69-73

Adenotonsillar enlargement in pediatric organ transplant recipients: a cross-sectional analysis (Chiang et al). 2002;127: 109-14

Adenotonsillar histopathology after organ transplantation (Williamson et al). 2001;125:231-40

Airway complications of infant botulism: ten-year experience with 60 cases (Anderson et al). 2002;126:234-9

Airway management in Pierre Robin sequence (Myer III et al). 1998;118:630-5

Alternative to endoscopic sinus surgery in the management of pediatric chronic rhinosinusitis refractory to oral antimicrobial therapy (Buchman et al). 1999;120:219-24

Approach to branchial pouch anomalies that cause airway obstruction during infancy (Jacobs et al). 1998;118:682-5 (Case rep.)

Atypical tuberculosis (nontuberculous mycobacterium) of the parotid region in children (Harley). 1998;119:294 (Clin. photo.)

Audiologic manifestations of Noonan syndrome (Qiu et al). 1998; 118:319-23

Bilateral occurrence of congenital middle ear cholesteatoma (El-Bitar and Choi). 2002;127:480-2 (Case rep.)

Burkitt's lymphoma of the nasal ala (Paleri et al). 1998;118:142 (Clin. photo.)

Central neck dissection for the treatment of recurrent thyroglossal duct cysts in childhood (Kim et al). 1999;121:543-7

Clinical practice guidelines for the management of chronic sinusitis in children (Chan et al). 1999;120:328-34

Computed tomography in the evaluation of pediatric neck infections (Wetmore et al). 1998;119:624-7

Congenital middle ear cholesteatomas in children: our experience in 34 cases (Darrouzet et al). 2002;126:34-40

Congenital nasal pyriform aperture stenosis in the monozygotic twin of a child with holoprosencephaly (Krol et al). 1998; 118:679-81 (Case rep.)

Devastating complications of acute pediatric bacterial sinusitis (Broberg et al). 1999;120:575-9 (Case rep.)

Diagnosing and treating pediatric allergy (Cook et al). 1998;118: 350-5

Distortion-product otoacoustic emissions hearing screening in high-risk newborns (Salata et al). 1998;118:37-43

Does dexamethasone with preemptive analgesia improve pediatric tonsillectomy pain? (Giannoni et al). 2002;126:307-15

Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8

Effects of middle ear effusion on the vestibular system in children (Golz et al). 1998;119:695-9

Effects of otitis media with effusion on the vestibular system in children (Koyuncu et al). 1999;120:117-21

Embryonal rhabdomyosarcoma of the middle ear (Hu et al). 2002;126:690-2 (Case rep.)

Endoscopic management of an inverted nasal papilloma in a child (Cooter et al). 1998;118:876-9 (Case rep.)

Epidermal growth factor and transforming growth factor-a in middle ear effusion (Nassif et al). 1998;119:564-8

Establishing the etiology of childhood hearing loss (Ohlms et al). 1999;120:159-63

Ethics of cochlear implantation in young children (Eisenman) (Letter); (Lane) (Reply). 1999;121:668-70

Ethics of cochlear implantation in young children (Harris and Anderson). 1999;121:675-6 (Letter)

Ethics of cochlear implantation in young children (Lane) (Letter); (Balkany) (Reply). 1999;121:672-5

Ethics of cochlear implantation in young children (Tellez). 1999; 121:676 (Letter)

Ethics of cochlear implantation in young children: a review and reply from a Deaf-World perspective (Lane and Bahan). 1998;119:297-313

Free flap reconstruction after near-total glossectomy in the child (Sajjadian et al). 1999;120:614-6 (Case rep.)

Gastroesophageal reflux: a critical factor in pediatric subglottic stenosis (Halstead). 1999;120:683-8

Hearing results in pediatric patients after canal-wall-up and canal-wall-down mastoid surgery (Murphy and Wallis). 1998;119: 439-43

Huge congenital cholesteatoma simulating an intracranial abscess (Rapoport et al). 2000;123:148-9 (Case rep.)

Ibuprofen for tonsillectomy pain in children: efficacy and complications (Harley and Dattolo). 1998;119:492-6

In vitro testing in pediatric food allergy (Herr et al). 1999;120: 233-7

Intratemporal complications of acute otitis media in infants and children (Goldstein et al). 1998;119:444-54

Is parental perception an accurate predictor of childhood hearing loss? A prospective study (Stewart et al). 1999;120:340-4

Is tracheotomy decannulation possible in oxygen-dependent children? (Picerno et al). 2000;263-8

Juvenile xanthogranuloma of the tongue (Tanyeri et al). 2000; 123:641 (Case rep.)

Lack of utility of postoperative chest radiograph in pediatric tracheotomy (Pinto et al). 2001;125:241-4

Laser therapy for refractory myringitis in children (Fechner et al). 2002;127:163-8
Long-term effect of cochlear implants in children (Waltzman et al). 2002;126:505-11
Long-term follow-up of submandibular duct rerouting for the treatment of sialorrhea in the pediatric population (Mankarious et al). 1999;120:303-7
Long-term outcome of facial growth after functional endoscopic sinus surgery (Bothwell et al). 2002;126:628-34
Major aphthous ulcer in an HIV-positive child (Allen et al). 2000;123:340 (Clin. photo.)
Malignant melanoma of the ear in a child (Anderson and Rao). 1999;120:135 (Clin. photo.)
Management of acute inflammatory childhood stridor (Damm et al). 1999;121:633-8
Management of otitis media using Agency for Health Care Policy and Research guidelines (Hsu et al). 1998;118:437-43
Management of pediatric ranula (Pandit and Park). 2002;127:115-18
Multiple-frequency tympanometry in children with acute otitis media (Ferekidis et al). 1999;121:797-801
Myringoplasty in children: factors influencing surgical outcome (Caylan et al). 1998;118:709-13
Neurofibromatosis of the head and neck: atypical presentation in a child (Sobol et al). 1999;120:763-5 (Case rep.)
Obstructive sleep apnea in children with achondroplasia: surgical and anesthetic considerations (Sisk et al). 1999;120:248-54
Osseointegrated implants in children: experience from our first 100 patients (Granström et al). 2001;125:85-92
Otogenic brain abscess: review of 41 cases (Sennaroglu et al). 2000;123:751-5
Otologic and laryngologic manifestations of mucopolysaccharidoses after bone marrow transplantation (Papsin et al). 1998;118:30-6
Parents cannot detect mild hearing loss in children (Brody et al). 1999;121:681-6
Passage to India: the search for genes causing autosomal recessive nonsyndromic hearing loss (Zbar et al). 1998;118:333-7
Passive smoking and nonrecurrent acute otitis media in children (Lubianca et al). 1999;121:805-8
Pediatric external auditory canal foreign bodies: a review of 698 cases (Schulze et al). 2002;127:73-8
Penetrating neck trauma in children: an urban hospital's experience (Kim et al). 2000;123:439-43
Pilomatrixoma of the head and neck in children (Agarwal et al). 2001;125:510-15
Pleomorphic adenoma of the pediatric tongue (Bayles et al). 1999;120:934-6 (Case rep.)
Predictive value of an adherence test for acute otitis media (Danino et al). 1998;118:400-3
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5
Quality of life for children with obstructive sleep apnea (Franco et al). 2000;123:9-16
Rare complication of nasal packing: alar region necrosis (Civelek et al). 2000;123:656 (Case rep.)
Recurrence of attic cholesteatoma: different methods of estimating recurrence rates (Stangerup et al). 2000;123:283-7
Reflux in infants with laryngomalacia: results of 24-hour double-probe pH monitoring (Matthews et al). 1999;120:860-4
Retropharyngeal abscess management in children: current practices (Lalakea ML and Messner). 1999;121:398-405
Role of gastroesophageal reflux in pediatric upper airway disorders (Halstead). 1999;120:208-14
Single-stage laryngotracheal reconstruction in children: a review of 200 cases (Gustafson et al). 2000;123:430-4
Sinus histiocytosis: a rare cause of progressive pediatric cervical adenopathy (Lasak et al). 1999;120:765-9 (Case rep.)
Sinusitis in neurologically impaired children (Brook and Shah). 1998;119:357-60
Skeletal expansion combined with soft-tissue reduction in the treatment of obstructive sleep apnea in children: physiologic results (Cohen et al). 1998;119:476-85
Smoke exposure and outcome of endoscopic sinus surgery in children (Ramadan and Hinerman). 2002;127:546-8
Stapedectomy in children (De la Cruz et al). 1999;120:487-92
The case for an outpatient "approach" for all pediatric tonsillectomies and/or adenoidectomies: a 4-year review of 1419 cases at a community hospital (Postma and Folsom). 2002;127:101-8
The effect of ankyloglossia on speech in children (Messner and Lalakea). 2002;127:539-45
The effects of age on auditory speech perception development in cochlear-implanted prelingually deaf children (Hassanzadeh et al). 2002;126:524-7
The nature of juvenile nasopharyngeal angiofibroma (Liang et al). 2000;123:475-81
Tongue lesions in the pediatric population (Horn et al). 2001;124:164–9
Transient-evoked otoacoustic emissions in children after cisplatin chemotherapy (Allen et al). 1998;118:584-8
Treatment of lymphangiomas in children: an update of Picibanil (OK-432) sclerotherapy (Greinwald et al). 1999;121:381-7

Chin augmentation
Respiratory implantation cyst of the mandible after chin augmentation (Imholte and Schwartz). 2001;124:586–7 (Case rep.)

Chinchilla
Experimental model of cisplatin ototoxicity in chinchillas (Janning et al). 1998;119:574-80
Hair cell recovery in the chinchilla crista ampullaris after gentamicin treatment: a quantitative approach (López et al). 1998;119:255-62
Kinetics of gentamicin uptake in the inner ear of *Chinchilla langier* after middle-ear administration in a sustained-release vehicle (Balough et al). 1998;119:427-31
Morphologic changes in the inner ear of *Chinchilla laniger* after middle ear administration of gentamicin in a sustained-release vehicle (Hoffer et al). 1999;120:643-8

Chlamydia pneumoniae
No evidence of *Chlamydia pneumoniae* infection in patients with Bell's palsy (Pitkaranta et al). 2002;126:415-16

Chlorhexidine
Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118:625-9

Chlorpheniramine
Comparative efficacy of terfenadine, loratadine and astemizole in perennial allergic rhinitis (Crawford et al). 1998;118:668-73

Chlorpromazine
Chlorpromazine alters outer hair cell electromotility (Lue et al). 2001;125:71-6

Choanal atresia
Huge nasopharyngeal teratoma with cleft palate and lip and unilateral choanal atresia (Choulakis et al). 2001;124:584–5 (Case rep.)
Transnasal mucosal flap rotation technique for repair of posterior choanal atresia (Dedo). 2001;124:674-82

Cholesteatoma
Congenital cholesteatoma of the mastoid region (Mevio et al). 2002;127:346-8 (Case rep.)
Endoscopic management of cholesteatoma: long-term results (Tarabichi). 2000;122:874-81
Expression of annexin II in human middle ear cholesteatoma (Kim et al). 1998;118:324-8
External auditory canal cholesteatoma with erosion into the mastoid (Martin et al). 1999;121:298-300 (Case rep.)
Huge congenital cholesteatoma simulating an intracranial abscess (Rapoport et al). 2000;123:148-9 (Case rep.)
Otogenic brain abscess: review of 41 cases (Sennaroglu et al). 2000;123:751-5
Recurrence of attic cholesteatoma: different methods of estimating recurrence rates (Stangerup et al). 2000;123:283-7
Surgical treatment of labyrinthine fistula caused by cholesteatoma (Soda-Merhy and Betancourt-Suárez). 2000;122:739-42

Cholesteatoma, middle ear
Bilateral occurrence of congenital middle ear cholesteatoma (El-Bitar and Choi). 2002;127:480-2 (Case rep.)
Congenital cholesteatoma of the tympanic membrane (Kim and Haupert). 2002;127:359-60 (Clin. photo.)
Congenital cholesteatoma: 20 years' experience at The Children's Hospital of Philadelphia (Potsic et al). 2002;126:409-14
Congenital middle ear cholesteatomas in children: our experience in 34 cases (Darrouzet et al). 2002;126:34-40
Effect of verapamil on cholesteatoma migration in vitro (Kountakis et al). 2000;122:91-5
Inhibition of matrix metalloproteinases in gerbil cholesteatoma: preliminary findings (Lehman et al). 2002;126:404-8
Localized cryptococcal infection combined with cholesteatoma of the ear (Choo et al). 2002;126:453-4 (Case rep.)

Cholesterol
Cholesterol granuloma of the frontal bone (Aferzon et al). 2002;127:578-81 (Case rep.)
Contribution of membrane cholesterol to outer hair cell lateral wall stiffness (Nguyen and Brownell). 1998;119:14-20
Postoperative cholesterol cyst of the mastoid (Bizakis et al). 2000;122:312 (Clin. photo.)
Subcochlear petrous cholesterol granuloma involving the infratemporal fossa (Lustig et al). 1998;119:685-9 (Case rep.)

Chondroblastoma
Temporal bone chondroblastoma (Watanabe et al) 1999;121:327-30 (Case rep.)

Chondrocytes
Biomechanical properties of tissue-engineered cartilage from human and rabbit chondrocytes (Park et al). 2002;126:52-7
Chondrocyte repopulation of allograft cartilage: a preliminary investigation and strategy for developing cartilage matrices for reconstruction (Kelley et al). 2002;127:265-70
Effects of serial expansion of septal chondrocytes on tissue-engineered neocartilage composition (Homicz et al). 2002;127:398-408
Growth and development of the human cricoid cartilage: an immunohistochemical analysis of the maturation sequence of the chondrocytes and surrounding cartilage matrix (Mankarious et al). 2000;123:174-8

Chondroma
Chondroma of the bony external auditory canal (Lee and Chao). 2001;125:406-7 (Case rep.)

Chondromyxoid fibroma
Chondromyxoid fibroma of the skull base (Patino-Cordoba et al). 1998;118:415-8 (Int. case rep.)

Chondrosarcoma
Chondrosarcoma of the larynx (Friedlander and Lyons). 2000;122:617 (Clin. photo.)
Chondrosarcoma of the nasal septum (Downey et al). 2001;125:98-100 (Case rep.)
Chondrosarcoma of the temporomandibular joint (Batra et al). 1999;120:951-4 (Case rep.)
Clear cell chondrosarcoma of the larynx (Said et al). 2001;125:107-8 (Case rep.)
Endoscopic resection of chondrosarcomas of the nasal septum: a report of 2 cases (Coppit et al). 2002;127:569-71 (Case rep.)

Chordoma
Cervicothoracic chordoma presenting as progressive dyspnea and dysphagia (Hester et al). 1999;120:97-100 (Case rep.)
Chordoma of the oropharynx: an unusual presentation and review of the literature (Gladstone et al). 1998;118:104-7 (Case rep.)

Choristoma
Cartilaginous choristoma of the neck associated with a branchial cleft cyst (Kao et al). 2001;124:705-6 (Case rep.)
Choristoma of the nasopharynx (Downs et al). 2000;123:523 (Clin. photo.)
Endoscopic approach to nasal glioma (Burckhardt and Tobon). 1999;120:747-8 (Case rep.)
Extensive salivary gland choristoma of the pterygopalatine fossa (Harar et al). 2000;122:611-2 (Case rep.)
Heterotopic gastrointestinal mucosa of the oral cavity (Drennen and Myers). 1998;118:99-101 (Case rep.)

Chromosome mapping
Passage to India: the search for genes causing autosomal recessive nonsyndromic hearing loss (Zbar et al). 1998;118:333-7

Chromosomes
Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70

Chronic ear surgery
Facial nerve monitoring in chronic ear surgery: US practice patterns (Greenberg et al). 2002;126:108-14

Chulalongkorn University vacuum device
Auricular pseudocysts: a treatment with the Chulalongkorn University vacuum device (Supiyaphun et al). 2001;124:213–16

Chyle
Management of chyle fistulization in association with neck dissection (Gregor). 2000;122:434-9
Systemic management of chyle fistula: the Southwestern experience and review of the literature 2000;122:31-8

Chylous fistula
Objective and early diagnosis of chylous fistula in the postoperative period (Erisen et al). 2002;126:172-5

Cicatrical pemphigoid; see Pemphigoid, benign mucous membrane

Cicatrix
Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3
Mitomycin C for the prevention of adhesion formation after endoscopic sinus surgery: a randomized, controlled study (Chung et al). 2002;126:468-74

Cidofovir
Office-based treatment of laryngeal papillomatosis with percutaneous injection of cidofovir (Chhetri et al). 2002;126:642-8

Cigar smoking
Cigar smoking (McGuirt). 1998;119:151-2

Cilia
Clinical significance of compound cilia (McAuley and Anand). 1998;118:685-7 (Case rep.)

Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73

Hypertonic saline decreases ciliary movement in human nasal epithelium in vitro (Min et al). 2001;124:313–16

Leukotrienes C_4 and D_4 increase the ciliary beat frequency in human upper airway mucosa in vitro (Cyrus et al). 1998;118:472-7

Ciliary motility disorders

Clinical significance of compound cilia (McAuley and Anand). 1998;118:685-7 (Case rep.)

Ciprofloxacin

A new dosage regimen for topical application of ciprofloxacin in the management of chronic suppurative otitis media (Aslan et al). 1998;118:883-5

Controlled multicenter study on chronic suppurative otitis media treated with topical applications of ciprofloxacin 0.2% solution in single-dose containers or combination of polymyxin B, neomycin, and hydrocortisone suspension (Miró et al). 2000;123:617-23

Cisplatin

Effects of cis-platinum chemotherapy on otoacoustic emissions: the development of an objective screening protocol (Ress et al). 1999;121:693-701

Experimental model of cisplatin ototoxicity in chinchillas (Janning et al). 1998;119:574-80

Extended high-frequency ototoxicity induced by the first administration of the cisplatin (Sakamoto et al). 2000;122:828-33

Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32

Intratumoral cisplatin/epinephrine-injectable gel as a palliative treatment for accessible solid tumors: a multicenter pilot study (Burris III et al). 1998;118:496-503

Round window application of D-methionine provides complete cisplatin otoprotection (Korver et al). 2002;126:683-9

Temporal bone histopathology after treatment by a large amount of cisplatin: a case study (Cheng et al). 2001;125:411-13 (Case rep.)

Transient-evoked otoacoustic emissions in children after cisplatin chemotherapy (Allen et al). 1998;118:584-8

Classification

Proposed classification scheme for quantitative olfactory function alterations (Gil-Carcedo et al). 1999;121:820-5

Temporal bone necrosis: diagnosis, classification, and management (Pathak et al). 2000;123:252-7

Clavicle

Stress fracture of the clavicle after selective neck dissection (Hao and Chang). 1998;118:732-3 (Int. case rep.)

Clavulanic acids

Comparison of the effectiveness of levofloxacin and amoxicillin-clavulanate for the treatment of acute sinusitis in adults (Adelglass et al). 1999;120:320-7

Cleft palate

Clinical photographs. 2001;124:121–2, 236–7, 352–4, 479–80, 598–9, 707-8

Huge nasopharyngeal teratoma with cleft palate and lip and unilateral choanal atresia (Choulakis et al). 2001;124:584–5 (Case rep.)

Tympanoplasty results in patients with cleft palate: an age- and procedure-matched comparison of preliminary results with patients without cleft palate (Gardner and Dornhoffer). 2002;126:518-23

Clindamycin

Effect of topical antibiotic therapy on recovery after tonsillectomy in adults (Mann et al). 1999;121:277-82

Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118:625-9

Clinic

Model for optimal space and staff efficiency in an otolaryngology clinic (Benninger and Strode). 1998;119:394-7

Clinical epidemiology/outcomes research. 1998;118:833-44

Clinical pathology

Clinical pathology. 1998;118:283-5

Clinical pathology. 1998;119:506-7

Clinical pathology. 1999;120:265-8

Clinical photographs

Clinical photographs. 1998;118:140-2, 286-7, 419-21, 562-3, 734-5, 907-8

Clinical photographs. 1998;119:144-6, 293-4, 425-6

Clinical photographs. 1999;120:134-6, 286-7, 447-8, 534-5, 749-50, 922-3

Clinical photographs. 1999;121:163-4, 334-6, 506-9, 844-5

Clinical photographs. 2000;122:153-5, 311-2, 463-4, 617-8, 775-8, 941-2

Clinical photographs. 2000;123:151-6, 339-40, 522-3, 661-4, 750

Clinical photographs. 2001; 2001;125:120-2, 283-4, 433-4

Clinical photographs. 2002;126:329-30, 455-6, 590-1

Clinical photographs. 2002;127:127-8, 251-2, 585-6

Clinical protocols

Rhinosinusitis treatment protocol: changing provider habits in primary care (Kinney). 2002;126:614-22

Clinical trials

Analysis of short-term outcome after office-based laser-assisted uvulopalatoplasty (Astor et al). 1998;118:478-80

Intratumoral cisplatin/epinephrine-injectable gel as a palliative treatment for accessible solid tumors: a multicenter pilot study (Burris III et al). 1998;118:496-503

Neurotoxic effects of doxycycline sclerotherapy (Kirse et al). 1998;118:356-62

Phase I trial of retinoic acid and *cis*-platinum for advanced squamous cell cancer of the head and neck based on experimental evidence of drug synergism (Weisman et al). 1998;118:597-602

Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5

So where's the evidence? (Gates). 1999;120:619-20

The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90 (Editorial)

Clinicopathology

2000;122:567-71

Clostridium perfringens

Sphenoid sinusitis caused by clostridium perfringens (Rosenblum et al). 2001;125:101-2 (Case rep.)

Cocaine

Bilateral saccular cysts after cocaine use (Desai et al). 1999;120:754-7 (Case rep.)

Cocaine-induced sinonasal destruction (Gupta et al). 2001;124:480 (Clin. photo.)

Cocaine-related disorders

Tension orbital pneumocele secondary to nasal obstruction from cocaine abuse: a case report (Ayala et al). 2002;127:572-4 (Case rep.)

Coccidioidomycosis

Reactivated laryngeal coccidioidomycosis (Rosen et al). 2001;125:120-1 (Clin. photo.)

Cochlea

Aberrant internal carotid artery causing erosion of the otic capsule: an unusual cause of pulsatile tinnitus (Yao et al). 1998; 118:678-9 (Case rep.)

Aminoglycoside ototoxicity: prevention in sight? (Schacht). 1998;118:674-7 (Review article)

Effect of increased inner ear pressure on middle ear mechanics (Murakami et al). 1998;118:703-8

Effects of intracochlear factors on spiral ganglion cells and auditory brain stem response after long-term electrical stimulation in deafened kittens (Araki et al). 2000;122:425-33

Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32

Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21

Inhibition of nitric oxide synthase causes elevation of hearing thresholds (Zdanski et al). 1998;119:159-63

Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998; 118:338-43

Intracochlear schwannoma (Roland and Gilmore). 1998;119:681-4 (Case rep.)

Investigation of the ototoxic effects of interferon α2A on the mouse cochlea (Akyol et al). 2001;124:107–10

Postmeningitic ossification in pediatric cochlear implantation (Young et al). 2000;122:183-8

Prosthesis size in stapedectomy (Fucci et al). 1998;118:1-5

Protection against aminoglycoside otic drop-induced ototoxicity by a spin trap: I. acute effects (Hester et al). 1998;119:581-7

Sarthran preserves cochlear microcirculation and reduces temporary threshold shifts after noise exposure (Goldwyn et al). 1998;118:576-83

Steroid-responsive cochlear dysfunction in the MRL/lpr autoimmune mouse (Wobig et al). 1999;121:344-7

Subcochlear petrous cholesterol granuloma involving the infratemporal fossa (Lustig et al). 1998;119:685-9 (Case rep.)

Titration streptomycin therapy in Meniere's disease: long-term results (Balyan et al). 1998;118:261-6

Transient-evoked otoacoustic emissions in children after cisplatin chemotherapy (Allen et al). 1998;118:584-8

Ultrastructural aspects of the microvasculature of the cochlea: the internal spiral network (Penha et al). 1999;120:725-9

Cochlear aqueduct

The cochlear aqueduct: an important landmark in lateral skull base surgery (Aslan et al). 1998;118:532-6

Cochlear diseases

Viral cochleitis with gadolinium enhancement of the cochlea on magnetic resonance imaging scan (Fitzgerald and Mark). 1999;121:130-2 (Case rep.)

Cochlear duct

Effects of endolymphatic-perilymphatic fistula on endolymphatic hydrops in guinea pig (Yazawa et al). 2000;122:119-23

Cochlear implant

Biomechanical influences of magnetic resonance imaging on the SOUNDTEC Direct System implant (Dyer et al). 2002;127: 520-30

Central nervous system metabolic activity after cochlear implantation in the feline neonatal model (Baylor et al). 1999;121: 361-6

Cochlear implant performance in senior citizens (Labadie et al). 2000;123:419-24

Cochlear implantation in patients with compromised healing (Odabasi et al). 2000;123:738-41

Design for an inexpensive but effective cochlear implant (Wilson et al). 1998;118:235-41

Development and application of a health-related quality-of-life instrument for adults with cochlear implants: the Nijmegen Cochlear Implant Questionnaire (Hinderink et al). 2000;123: 756-65

Effects of discrimination difficulty on cognitive event-related brain potentials in patients with cochlear implants (Okusa et al). 1999;121:610-5

Ethics of cochlear implantation in young children (Eisenman) (Letter); (Lane) (Reply). 1999;121:668-70

Ethics of cochlear implantation in young children (Harris and Anderson). 1999;121:675-6 (Letter)

Ethics of cochlear implantation in young children (Lane) (Letter); (Balkany) (Reply). 1999;121:672-5

Ethics of cochlear implantation in young children (Tellez). 1999; 121:676 (Letter)

Ethics of cochlear implantation in young children: a review and reply from a Deaf-World perspective (Lane and Bahan). 1998;119:297-313

Fluoride treatment for facial nerve stimulation caused by cochlear implants in otosclerosis (Gold et al). 1998;119:521-3 (Case rep.)

Hearing ability by telephone of patients with cochlear implants (Ito et al). 1999;121:802-4

Influence of the multichannel cochlear implant on vestibular function (Ito). 1998;118:900-2

Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998; 118:338-43

New approach for cochlear implantation: cochleostomy through the middle fossa (Colletti et al). 2000;123:467-74

Speech perception results in children with cochlear implants: contributing factors (Hodges et al). 1999;121:31-4

Surgical considerations regarding cochlear implantation in the congenitally malformed cochlea (Ito et al). 1999;121:495-8

Use of rotation flap in the treatment of cutaneous ulceration after cochlear implantation (Ito et al). 1999;121:830-2 (Case rep.)

Cochlear implantation

A new technique for securing cochlear implants (Lane and Carrasco). 1999;120:897-8 (Drug/device)

Air caloric computer system application in monitoring vestibular function changes after cochlear implantation (Szirmai et al). 2001;125:631-4

Benefits of cochlear implantation in elderly patients (Shin et al). 2000;122:602-6

Cochlear implant for deafness and blindness from meningitis (Harris et al). 2001;125:403-5 (Case rep.)

Cochlear implantation/Deaf World dispute: different bottom elephants (Gonsoulin). 2001;125:552-6

Cochlear implantation: minimal hair removal technique (Roberson et al). 2000;122:625-9

Conservative management of infections in cochlear implant recipients (Yu et al). 2001;125:66-70

Effects of intracochlear factors on spiral ganglion cells and auditory brain stem response after long-term electrical stimulation in deafened kittens (Araki et al). 2000;122:425-33

Fetal central auditory system metabolic response to cochlear implant stimulation (Antonelli et al). 2002;127:131-7

Histopathologic changes in the vestibule after cochlear implantation (Tien and Linthicum). 2002;127:260-4

Long-term effect of cochlear implants in children (Waltzman et al). 2002;126:505-11

Minimum speech test battery for postlingually deafened adult cochlear implant patients (Luxford). 2001;124:125–6

Multichannel cochlear implantation in radical mastoidectomy cavities (Pasanisi et al). 2002;127:432-6
Outpatient cochlear implantation in the pediatric population (Liu et al). 2000;122:19-22
Postmeningitic ossification in pediatric cochlear implantation (Young et al). 2000;122:183-8
Speech recognition in background noise of cochlear implant patients (Fetterman and Domico). 2002;126:257-63
The effects of age on auditory speech perception development in cochlear-implanted prelingually deaf children (Hassanzadeh et al). 2002;126:524-7
Use of a superficial temporal fascia flap for coverage of an exposed cochlear implant (Beckenstein et al). 1999;120:940-2 (Case rep.)
Vestibular stimulation after cochlear implantation in common cavity deformity (Sennaroglu et al). 2001;125:408-10 (Case rep.)

Cochlear nucleus
Multichannel cochlear nucleus stimulation (El-kashlan). 1999;121:169-75

Cognitive therapy
Randomized controlled trial of vestibular rehabilitation combined with cognitive-behavioral therapy for dizziness in older people (Johansson et al). 2001;125:151-6

Collagen
An unusual late reaction to facial injections (Constantinides et al). 1999;120:557-60
Percutaneous laryngeal collagen augmentation for treatment of Parkinsonian hypophonia (Kim et al). 2002;126:653-6
The histologic fate of autologous collagen injected into the canine vocal fold (Staskowski et al). 1998;118:187-90

Colloid cysts
Colloid cyst of third ventricle: a rare cause of episodic vertigo (Arunachalam and Johnson). 2002;126:450-2 (Case rep.)

Colony count, microbial
Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118:625-9

Columella. see Nasal septum

Commentary
A qualitative explanation of the Weber test (Blakley and Siddique). 1999;120:1-4
Cigar smoking (McGuirt). 1998;119:151-2
Cochlear implantation/Deaf World dispute: different bottom elephants (Gonsoulin). 2001;125:552-6
Commentary. (Benninger et al). 2000;122:1-7
Commentary. (Holt and Myers). 2000;122:781
Does it take a village to write a case report? (Har-El). 1999;120:787-8
Ethics of cochlear implantation in young children: a review and reply from a Deaf-World perspective (Lane and Bahan). 1998;119:297-313
Organized otolaryngology: the sister societies (Johnson). 2001;125:582-7
So where's the evidence? (Gates). 1999;120:619-20
Surgical outcomes in rhinosinusitis: what we know (Osguthorpe). 1999;120:451-3

Committee on Hearing and Equilibrium
Box and whisker plots for graphic presentation of audiometric results of conductive hearing loss treatment (Govaerts et al). 1998;118:892-5

Communication
Communication after laryngectomy: an assessment of quality of life (Carr et al). 2000;122:39-43

Communications media
Otolaryngology—Head and Neck Surgery: moving further into the electronic media (Benninger). 2000;123:33A (Editorial)

Communicative disorders
The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90 (Editorial)

Cost-effective diagnosis of acoustic neuromas: a philosophical, macroeconomic, and technological decision (Murphy and Selesnick). 2002;127:253-9

Costs and cost analysis
A new dosage regimen for topical application of ciprofloxacin in the management of chronic suppurative otitis media (Aslan et al). 1998;118:883-5
Cost-effective screening for acoustic neuroma (Fitzgerald and Mark) (Letter); (Shelton) (Reply). 1999;121:846
Cost-identification analysis in oral cavity cancer management (Funk et al). 1998;118:211-20
Economic implications of chronic sinusitis (Gliklich and Metson). 1998;118:344-9
Ultra high resolution nonenhanced fast spin echo magnetic resonance imaging: cost-effective screening for acoustic neuroma in patients with sudden sensorineural hearing loss (Daniels et al). 1998;119:364-9

Cough
Cough and paradoxical vocal fold motion (Altman et al). 2002; 127:501-11
Lingual thyroid associated with chronic cough (Oppenheimer). 2001;125:433-4 (Clin. photo.)

Cowden syndrome
Otolaryngologic manifestations of Cowden syndrome (Malone et al). 2000;123:644-5 (Case rep.)

CPA-HAp cement
Applications of fast-setting hydroxyapatite cement: cranioplasty (Constantino et al). 2000;123:409-12
Salvage of an infected hydroxyapatite cement cranioplasty with preservation of the implant material (Johnson et al). 2000; 123:515-7 (Case rep.)

Cranial fossa, posterior
New approach for cochlear implantation: cochleostomy through the middle fossa (Colletti et al). 2000;123:467-74
Sac-vein decompression for intractable Meniere's disease: two-year treatment results (Gianoli et al). 1998;118:22-9

Cranial irradiation
Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32
Speech and swallowing in irradiated and nonirradiated postsurgical oral cancer patients (Pauloski et al). 1998;118:616-24

Cranial nerve neoplasms
Minimally invasive approach for biopsy of an optic nerve sheath tumor (Leonard and Bolger). 1999;120:776-9 (Case rep.)
Neurofibromatosis type 2 associated with cranial nerve schwannomas (Minamino et al). 2001;124:581–3 (Case rep.)
Schwannoma of the greater superficial petrosal nerve. (Michel et al). 2000;122:302-3 (Case rep.)
Trigeminal schwannomas: the role of the neurotologist in multidisciplinary management (Friedman et al). 1999;120:355-60

Cranial nerves
Duration of neuronal stretch correlates with functional loss (Fowler et al). 2001;124:641-44
Extracranial lower cranial nerve sheath tumors (Leonetti et al). 2001;125:640-4
The cochlear aqueduct: an important landmark in lateral skull base surgery (Aslan et al). 1998;118:532-6
Craniofacial abnormalities
Fate of rigid fixation in pediatric craniofacial surgery (Berryhill et al). 1999;121:269-73
Histologic evaluation of retrieved craniofacial implants (Bolind et al). 2000;123:140-6
Craniopharyngioma
Approaches to the sellar and parasellar region: a retrospective comparison of the endonasal-transsphenoidal and sublabial-transsphenoidal approaches (Spencer et al). 2000;122:367-9
Cranioplasty; see Methylmethacrylate
Craniotomy
Subcranial approach to tumors of the anterior cranial base (Darrouzet) (Letter); (Moore and Marentette) (Reply). 2000;122:466
Cricoarytenoid joint
Bilateral cricoarytenoid joint ankylosis in scleroderma (Viner et al). 2001;124:696-7 (Case rep.)
Cricoarytenoid muscle
A new concept in laryngeal muscle: multiple myosin isoform types in single muscle fibers of the lateral cricoarytenoid (Wu et al). 1998;118:86-94
An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81
Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44
Cricohiodoepiglottopexy
Supracricoid laryngectomy with CHEP: functional results and outcome (Lima et al). 2001;124:258–60
Cricohyoidoepiglottopexy
Complications and functional outcome after supracricoid partial laryngectomy with cricohyoidoepiglottopexy (Naudo et al). 1998;118:124-9
Cricoid cartilage
A new concept in laryngeal muscle: multiple myosin isoform types in single muscle fibers of the lateral cricoarytenoid (Wu et al). 1998;118:86-94
An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81
Apoptosis in the developing human cricoid cartilage: a pilot study (Mankarious et al). 2000;123:677-81
Complications and functional outcome after supracricoid partial laryngectomy with cricohyoidoepiglottopexy (Naudo et al). 1998;118:124-9
Functional differences between the two bellies of the cricothyroid muscle (Hong et al). 1998;118:714-22
Gross and histologic changes in the developing rabbit subglottis in response to a controlled depth of injury (Mankarious et al). 2002;127:442-7
Growth and development of the human cricoid cartilage: an immunohistochemical analysis of the maturation sequence of the chondrocytes and surrounding cartilage matrix (Mankarious et al). 2000;123:174-8
Modified supracricoid partial laryngectomy with cricohyoidopexy: series report and analysis of results (Adamopoulos et al). 2000;123:288-93
Postcricoid sarcoid mimicking a malignancy: a lesson to remember (Vaz et al). 2000;123:150 (Case rep.)
Relationship of the posterior cricoarytenoid muscle to the posterior cricoid lamina (Godding and Bierbaum). 1999;120:493-8
Cricopharyngeal intrabolus pressure
Comparison of methods for determining cricopharyngeal intrabolus pressure in normal patients as possible indicator for cricopharyngeal myotomy (Bammer et al). 2002;127:299-308
Cricothyroid cartilage
Long-term model of induced canine phonation (Paniello and Dahm). 1998;118:512-22
Cricothyroid membrane
Vocal cord polypectomy with fiberoptic sinus endoscopes (Bhattacharya and Caputo). 1998;118:381-2 (Case rep.)
Cricothyroid muscle
Functional differences between the two bellies of the cricothyroid muscle (Hong et al). 1998;118:714-22
Crista ampullaris
Evolutionary trends in the organization of the vertebrate crista ampullaris (Goldberg and Brichta). 1998;119:165-71
Hair cell recovery in the chinchilla crista ampullaris after gentamicin treatment: a quantitative approach (López et al). 1998;119:255-62
Critical pathways
Clinical care pathways: decreasing resource utilization in head and neck surgical patients (Husbands et al). 1999;121:755-9
Critical pathways in anterior cranial base surgery (Moore et al). 1999;121:113-8
Cryptococcus
Localized cryptococcal infection combined with cholesteatoma of the ear (Choo et al). 2002;126:453-4 (Case rep.)
Curcumin
Synergistic effects of 13-*cis* retinoic acid and arachidonic acid cascade inhibitors on growth of head and neck squamous cell carcinoma in vitro (Spingarn et al). 1998;118:159-64
Curriculum
Needs assessment for an undergraduate otolaryngology curriculum (Carr et al). 1999;120:865-8
Cutaneous fistula
Early detection and treatment of postoperative pharyngocutaneous fistula (Friedman et al). 1999;121:378-80
Management of chyle fistulization in association with neck dissection (Gregor). 2000;122:434-9
Pharyngocutaneous fistula as a complication of total laryngectomy: review of the literature and analysis of case records (Cavalot et al). 2000;123:587-92
Cyanoacrylates
Securing meshed split-thickness skin grafts with 2-octylcyanoacrylate (Tamez et al). 1999;121:562-6
Cyclandelate
Cyclandelate in the management of tinnitus: a randomized, placebo-controlled study (Hester et al). 1998;118:329-32
Cyclin D1
Antisense cyclin D1 inhibits growth of head and neck cancer xenografts in nude mice (Wang et al). 2001;124:656-62
Cyclin D1 expression as a prognostic parameter in papillary carcinoma of the thyroid (Muro-Cacho et al). 1999;120:200-7
Cyclo-oxygenase; see Prostaglandin-endoperoxide synthase
Cystic fibrosis
Cystic fibrosis: an update for the otolaryngologist (Halvorson). 1999;120:502-6 (Rev. art.)
Unusual presentation of a rare nasal tumor (Crow et al). 2000;123:746-8 (Case rep.)
Cysts
A rare case of nasal glioma in adult age (Pasquini et al). 1998;118:905-6 (Int. case rep.)

Bilateral saccular cysts after cocaine use (Desai et al). 1999;120: 754-7 (Case rep.)
Cartilaginous choristoma of the neck associated with a branchial cleft cyst (Kao et al). 2001;124:705-6 (Case rep.)
Chest wall mass after pectoralis major myocutaneous flap reconstruction (Kandula et al). 2000;122:267-8 (Case rep.)
Colloid cyst of third ventricle: a rare cause of episodic vertigo (Arunachalam and Johnson). 2002;126:450-2 (Case rep.)
Cystic cervical metastases: incidence and diagnosis using fine needle aspiration biopsy (Sheahan et al). 2002;127:294-8
Dermoid cyst of the floor of the mouth (Quraishi et al). 1998; 118:562-3 (Clin. photo.)
Diplophonia in unilateral vocal fold paralysis and intracordal cyst (Hong and Kim). 1999;121:815-9
Epiglottic cyst (Lam et al). 2000;122:311 (Clin. photo.)
Facial nerve dysfunction associated with cystic lesions of the mastoid (Hwang and Jackler). 1998;119:668-72 (Case rep.)
Hemorrhagic thymopharyngeal duct cyst causing airway obstruction in an infant (Lowry and O'Hare). 2002;127:467-9 (Case rep.)
Heterotopic gastrointestinal mucosa of the oral cavity (Drennen and Myers). 1998;118:99-101 (Case rep.)
Infected neonatal cervical thymic cyst (Billings et al). 2000;123: 651-3 (Case rep.)
Postoperative cholesterol cyst of the mastoid (Bizakis et al). 2000;122:312 (Clin. photo.)
Unusual presentation of a saccular cyst in a teenager (Garrett et al). 2001;124:577–8 (Case rep.)

Cytochrome P-450
Cytochrome P-450 inhibition blocks bone resorption in vitro and in vivo (Choo and Chole). 1999;120:84-91
Cytokine-mediated bone resorption is cytochrome P-450 dependent (Young and Chole). 1999;121:708-12

Cytokines
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9
Cytokine-mediated bone resorption is cytochrome P-450 dependent (Young and Chole). 1999;121:708-12
Early-response cytokine expression in adult middle ear effusions (Ondrey et al). 1998;119:342-5
Immune mediators in allergic rhinitis and sleep (Krouse et al). 2002;126:607-13
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5
Systemic reactivation of otitis media with effusion in a rat model (Jewett et al). 1999;121:7-12

Cytoscan model E-II
The Cytoscan model E-II in intraoperative parathyroid gland identification in a rabbit model (Sofola et al). 2001;125:635-9

Cytoskeletal proteins
Molecules, motion, and man (Wackym and Balaban). 1998;118: S16-24

D

Dacryocystitis
Primary bilateral tuberculosis dacryocystitis with preauricular lymphadenopathy: a diagnostic difficulty of recent times (Abrol et al). 2002;126:201-3 (Case rep.)

Dacryocystography
Injury to the lacrimal apparatus after endoscopic sinus surgery: surgical implications from active transport dacryocystography (Unlu et al). 2001;124:308–12

Dacryocystorhinostomy
Comparative external versus endoscopic dacryocystorhinostomy: results in 115 patients (130 eyes) (Cokkeser et al). 2000;123: 488-91
Intranasal anatomy of the nasolacrimal sac in endoscopic dacryocystorhinostomy (Wormald et al). 2000;123:307-10

Data interpretation
Box and whisker plots for graphic presentation of audiometric results of conductive hearing loss treatment (Govaerts et al). 1998;118:892-5
The seven habits of highly effective data users (Rosenfeld). 1998;118:144-58 (Editorial)

Deafness
Cochlear implant for deafness and blindness from meningitis (Harris et al). 2001;125:403-5 (Case rep.)
Cochlear implantation/Deaf World dispute: different bottom elephants (Gonsoulin). 2001;125:552-6
Ethics of cochlear implantation in young children: a review and reply from a Deaf-World perspective (Lane and Bahan). 1998;119:297-313
Fetal central auditory system metabolic response to cochlear implant stimulation (Antonelli et al). 2002;127:131-7
Management of unilateral acoustic neuroma in a 72-year-old patient with contralateral congenital deafness (Branch and Hirsch). 2002;127:483-6 (Case rep.)
Minimum speech test battery for postlingually deafened adult cochlear implant patients (Luxford). 2001;124:125–6
Passage to India: the search for genes causing autosomal recessive nonsyndromic hearing loss (Zbar et al). 1998;118:333-7
The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90 (Editorial)
The effects of age on auditory speech perception development in cochlear-implanted prelingually deaf children (Hassanzadeh et al). 2002;126:524-7
The multichannel auditory brain stem implant: performance in twenty patients (Otto et al). 1998;118:291-303
Unilateral deafness with persistent otoacoustic emissions after neurosurgical removal of a cerebellar astrocytoma (Oeken et al). 2001;124:234–5

Deafness, sudden
Does the addition of hyperbaric oxygen therapy to the conventional treatment modalities influence the outcome of sudden deafness? (Aslan et al). 2002;126:121-6
Sudden deafness: lack of evidence for systemic viral infection (Pitkäranta and Julkunen). 1998;118:397-9
Sudden hearing loss as a presenting manifestation of leukemia (Veling et al). 1999;120:954-6 (Case rep.)

Death
Fatal meningitis and brain abscess resulting from foreign body-induced otomastoiditis (Goldman et al). 1998;118:6-8

Debridement
Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3
Microdebrider-assisted uvulopalatoplasty (Tarabichi). 1998;119: 131-3
Necrotizing fasciitis of the neck (Mastros and Broniatowski). 1998;118:140-1 (Clin. photo.)

Decision making
Clinical care pathways: decreasing resource utilization in head and neck surgical patients (Husbands et al). 1999;121:755-9
Decompression
Sac-vein decompression for intractable Meniere's disease: two-year treatment results (Gianoli et al). 1998;118:22-9
Decompression, surgical
Bilateral simultaneous orbital decompression for Graves' orbitopathy with a combined endoscopic and Caldwell-Luc approach (Rizk et al). 2000;122:216-21
Endoscope-assisted microvascular decompression of the trigeminal nerve (Jarrahy et al). 2000;123:218-23
Endoscopic optic nerve decompression for traumatic blindness (Kountakis et al). 2000;123:34-7
Dedication
In memory of Ruth ("Ruthe") C. Enquist (1937-1997) (Smith). 1998;118:143
Deep venous thrombosis; see Thrombophlebitis
Deglutition
Behaviors of bulbar respiratory interneurons during fictive swallowing and vomiting (Nakazawa et al). 1999;120:412-8
Comparison of methods for determining cricopharyngeal intrabolus pressure in normal patients as possible indicator for cricopharyngeal myotomy (Bammer et al). 2002;127:299-308
Speech and swallowing in irradiated and nonirradiated postsurgical oral cancer patients (Pauloski et al). 1998;118:616-24
Deglutition disorders
Current evaluation and treatment of patients with swallowing disorders (Broniatowski et al). 1999;120:464-73
Depression
Psychological distress: linking impairment with disability in facial neuromotor disorders (VanSwearingen et al). 1998;118:790-6
Dehydration
Reconstruction of tracheal defects with dehydrated human costal cartilage: an experimental study in rats (Dal et al). 2000;123:607-12
Delayed-action preparations
Morphologic changes in the inner ear of *Chinchilla laniger* after middle ear administration of gentamicin in a sustained-release vehicle (Hoffer et al). 1999;120:643-8
Dendrites
Vestibular nerve regeneration in the bullfrog, *Rana catesbeiana*: peripheral dendrites (Hernandez et al). 1998;119:244-54
Denervation
Investigation of skeletal muscle denervation and reinnervation using magnetic resonance spectroscopy (Dort et al). 2001;125:617-22
Postoperative hypertension effect of carotid sinus denervation (Koc et al). 1999;121:150-2
Denker's procedure
Refractory chronic sinusitis: evaluation of symptom improvement after Denker's procedure (Wreesmann et al). 2001;125:495-500
Dental implants
Influence of the prosthetic restoration modality on bone loss around dental implants placed in vascularized iliac bone grafts for mandibular reconstruction (Kovács). 2000;123:598-602
Dental procedures
Subcutaneous cervicofacial and mediastinal emphysema after dental instrumentation (Josephson et al). 2001;124:170–1
Dentigerous cyst
Squamous cell carcinoma arising in a dentigerous cyst in a 16-month-old girl (Gulbranson et al). 2002;127:463-4 (Case rep.)
Dermatofibroma
Radiation-induced malignant fibrous histiocytoma of the head and neck (Fell et al). 1998;118:529-31 (Case rep.)
Dermatophytes
Dermatophytid reaction and chronic otitis externa (Busch). 1998;118:420 (Clin. photo.)
Dermoid cyst
A rare case of nasal glioma in adult age (Pasquini et al). 1998;118:905-6 (Int. case rep.)
Dermoid cyst of the floor of the mouth (Quraishi et al). 1998;118:562-3 (Clin. photo.)
Dermoid of the eustachian tube (Gourin and Sofferman). 1999;120:772-5 (Case rep.)
Dexamethasone
A meta-analysis of dexamethasone use with tonsillectomy (Goldman et al). 2000;123:682-6
Dexamethasone pharmacokinetics in the inner ear: comparison of route of administration and use of facilitating agents (Chandrasekhar et al). 2000;122:521-8
Does dexamethasone with preemptive analgesia improve pediatric tonsillectomy pain? (Giannoni et al). 2002;126:307-15
Diabetes mellitus, experimental
Morphometric analysis of horizontal canal nerves of chronically diabetic rats (Myers et al). 1999;120:174-9
Myelin-sheath abnormalities in the vestibular nerves of chronically diabetic rats (Myers). 1998;119:432-8
Tympanic membrane perforations in the diabetic rat: a model of impaired wound healing (Vrabec). 1998;118:304-8
Diagnosis, differential
Multiple otopathologic disorders: a diagnostic dilemma (Jaisinghani et al). 1999;120:265-8 (Clin. path.)
Diagnosis, nasal septal deviation
Acoustic rhinometry and computed tomography scans for the diagnosis of nasal septal deviation, with clinical correlation (Mamikoglu et al). 2000;123:61-8
Diagnostic accuracy
Diagnostic accuracy of fine needle aspiration and frozen section in nodular thyroid disease (Mandell et al). 2001;124:531–6
Diagnostic imaging
Differential Diagnosis in Head and Neck Imaging (Sandlin). 2000;122:622 (Book rev.)
Indium 111 octreotide scintigraphy in angiofibroma (Guneri et al). 1998;118:137-9 (Int. case rep.)
Sublabial, transseptal, transsphenoidal approach to the pituitary region guided by the ACUSTAR I system (Burkey et al). 1998;118:191-4
Three-dimensional ultrasound evaluation in the head and neck (Klimek et al). 1998;118:267-71
Vagus nerve imaging with ultrasound: anatomic and in vivo validation (Knappertz et al). 1998;118:82-5
Dialysis
Surgery for secondary hyperparathyroidism in patients undergoing dialysis (Garcia-Pallares et al). 2000;122:908-19
Differential mRNA display analysis
Identification of differentially expressed genes in human papillomavirus type-16 infected oral cancer cells (Brown et al). 2001;124:663-8
Digestive tract
Ammonia capsule ingestion causing upper aerodigestive tract injury (Rosenbaum et al). 1998;119:678-80 (Case rep.)

Dilatation
Chest radiographs after dilatational percutaneous tracheotomy: are they necessary? (Donaldson et al). 2000;123:236-9
Dinoprostone
Synergistic effects of 13-*cis* retinoic acid and arachidonic acid cascade inhibitors on growth of head and neck squamous cell carcinoma in vitro (Spingarn et al). 1998;118:159-64
Diplophonia; see Voice quality
Disabled
Psychological distress: linking impairment with disability in facial neuromotor disorders (VanSwearingen et al). 1998;118:790-6
Discrimination
Effects of discrimination difficulty on cognitive event-related brain potentials in patients with cochlear implants (Okusa et al). 1999;121:610-5
Disease models, animal
A new concept in laryngeal muscle: multiple myosin isoform types in single muscle fibers of the lateral cricoarytenoid (Wu et al). 1998;118:86-94
An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81
Botulinum toxin decreases salivation from canine submandibular glands (Shaari et al). 1998;118:452-7
Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44
Does slow-release 5-fluorouracil and triamcinolone reduce subglottic stenosis? (Ingrams et al). 1998;118:174-7
Effect of the Palmaz balloon-expandable metallic stent in the trachea of pigs (Ruegemer et al). 1999;121:92-7
Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8
Growth of human paragangliomas in the subrenal capsule of the nude mouse (Gulya). 1998;118:309-11
Higher rates of pressure decrease in inflamed compared with noninflamed middle ears (Alper et al). 1999;121:98-102
Improved canine model for laryngotracheal stenosis (Eliashar et al). 2000;122:84-90
Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998;118:338-43
Long-term model of induced canine phonation (Paniello and Dahm). 1998;118:512-22
Neurotoxic effects of doxycycline sclerotherapy (Kirse et al). 1998;118:356-62
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8
Systemic reactivation of otitis media with effusion in a rat model (Jewett et al). 1999;121:7-12
The effect of endothelial cell growth factor on peripheral nerve regeneration (Smith and Browne). 1998;118:178-82
The histologic fate of autologous collagen injected into the canine vocal fold (Staskowski et al). 1998;118:187-90
Time course of hearing loss in an animal model of pneumococcal meningitis (Kesser et al). 1999;120:628-37
Tracheostomy for long-term laryngeal experimentation (Dahm and Paniello). 1998;118:376-80
Tympanic membrane perforations in the diabetic rat: a model of impaired wound healing (Vrabec). 1998;118:304-8
Ultrastructural aspects of the microvasculature of the cochlea: the internal spiral network (Penha et al). 1999;120:725-9
XeCl laser surgery of the vocal cords: a histologic comparison with CO_2 laser in a porcine model (Wong et al). 1998;118:371-5
Disequilibrium; see Equilibrium
Dissection
Virtual temporal bone dissection: an interactive surgical simulator (Wiet et al). 2002;127:79-83
Distortion-product emissions
Distortion-product otoacoustic emissions hearing screening in high-risk newborns (Salata et al). 1998;118:37-43
Diuretics
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7
Diverticulum
Congenital tracheal diverticulum (Early and Bothwell). 2002;127:119-21 (Case rep.)
Jugular diverticulum: Clinical significance (El-Kashlan et al). 2000;122:575-6 (Case rep.)
Long-term results of endoscopic stapling diverticulotomy for pharyngeal pouches (Raut and Primrose). 2002;127:225-9
Diving
Diving after stapedectomy: clinical experience and recommendations (House et al). 2001;125:356-60
Dizziness
Approach to the vestibular patient and driving: a patient perspective. (Sindwani et al). 1999;121:13-7
Battle's sign in temporal bone trauma (Alvi). 1998;118:908 (Clin. photo.)
Computerized dynamic posturography: What have we learned from space? (Black and Paloski). 1998;118:S45-51
Influence of the multichannel cochlear implant on vestibular function (Ito). 1998;118:900-2
Intracranial tumors mimicking benign paroxysmal positional vertigo (Dunniway and Welling). 1998;118:429-36
Posturographic performance in patients with the potential for secondary gain (Gianoli et al). 2000;122:11-8
Randomized controlled trial of vestibular rehabilitation combined with cognitive-behavioral therapy for dizziness in older people (Johansson et al). 2001;125:151-6
Sac-vein decompression for intractable Meniere's disease: two-year treatment results (Gianoli et al). 1998;118:22-9
Surgical labyrinthectomy in the older patient (Langman and Lindeman). 1998;118:739-42
Susac syndrome (Turner et al). 1998;118:866-7 (Case rep.)
The Basic Symptom Inventory—53 and its use in the management of patients with psychogenic dizziness (Ruckenstein and Staab). 2001;125:533-6
Titration streptomycin therapy in Meniere's disease: long-term results (Balyan et al). 1998;118:261-6
Unrecognized benign paroxysmal positional vertigo in elderly patients (Oghalai et al). 2000;122:630-4
Dizziness Handicap Inventory
Efficacy of vestibular rehabilitation (Cowand et al). 1998;118:49-54
DNA
Expression of annexin II in human middle ear cholesteatoma (Kim et al). 1998;118:324-8
Fenretinide-induced apoptosis of human head and neck squamous carcinoma cell lines (Scher et al). 1998;118:464-71
Molecules, motion, and man (Wackym and Balaban). 1998;118:S16-24
The HPV 6 E6/E7 transforming genes are expressed in inverted papilloma (Harris et al). 1998;118:312-8 DNA, mitochondrial

DNA, mitochondrial
Influence of lecithin on mitochondrial DNA and age-related hearing loss (Seidman et al). 2002;127:138-44
DNA microarrays
DNA microarrays in otolaryngology–head and neck surgery (Whipple and Kuo). 2002;127:192-204
DNA probes
Rapid diagnosis of cervical tuberculous lymphadenitis by application of DNA probe (Yokoyama et al). 1999;121:501-4 (Case rep.)
DNA topoisomerase
Amplification of herpes simplex virus type 1 DNA in human geniculate ganglia from formalin-fixed, nonembedded temporal bones (Carreño et al). 2000;123:508-11
Dogs
A new concept in laryngeal muscle: multiple myosin isoform types in single muscle fibers of the lateral cricoarytenoid (Wu et al). 1998;118:86-94
Biomechanics of combined arytenoid adduction and medialization laryngoplasty in an ex vivo canine model (Noordzij et al). 1998;119:634-42
Botulinum toxin decreases salivation from canine submandibular glands (Shaari et al). 1998;118:452-7
Comparison of concentric needle versus hooked-wire electrodes in the canine larynx (Jaffe et al). 1998;118:655-62
Long-term model of induced canine phonation (Paniello and Dahm). 1998;118:512-22
The histologic fate of autologous collagen injected into the canine vocal fold (Staskowski et al). 1998;118:187-90
Tracheal transplantation: defining the vascular territory of the canine cranial thyroid artery (Shaari et al). 1999;120:180-3
Tracheostomy for long-term laryngeal experimentation (Dahm and Paniello). 1998;118:376-80
Doxycycline
Neurotoxic effects of doxycycline sclerotherapy (Kirse et al). 1998;118:356-62
Drainage
Approach to branchial pouch anomalies that cause airway obstruction during infancy (Jacobs et al). 1998;118:682-5 (Case rep.)
Endoscopic cerebrospinal fluid rhinorrhea repair: Is a lumbar drain necessary? (Casiano and Jassir) 1999;121:745-50
Postauricular myocutaneous flap in otologic surgery (Farrior). 1998;118:743-6
Quantitative analysis of the drainage after neck dissection (Erişen et al). 2000;123:603-6
Drop attack. see Syncope
Droperidol
Drug/device capsules. 2001;124:56–7, 600–2
Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9
Small doses of propofol, droperidol, and metoclopramide for the preservation of postoperative nausea and vomiting after thyroidectomy (Fujii et al). 2001;124:266–9
Drug resistance, microbial
Recommendations for the treatment of acute bacterial rhinosinusitis are NOT based on current microbial resistance patterns (Ferguson) (Letter); (Benninger) (Reply). 2000;123:665-6
Drug synergism
Phase I trial of retinoic acid and *cis*-platinum for advanced squamous cell cancer of the head and neck based on experimental evidence of drug synergism (Weisman et al). 1998; 118:597-602
Synergistic effects of 13-*cis* retinoic acid and arachidonic acid cascade inhibitors on growth of head and neck squamous cell carcinoma in vitro (Spingarn et al). 1998;118:159-64
Drug therapy
Factors predictive of poor functional outcome after chemoradiation for advanced laryngeal cancer (Staton et al). 2002;127: 43-7
Fenretinide-induced apoptosis of human head and neck squamous carcinoma cell lines (Scher et al). 1998;118:464-71
Heat shock protein and p53 expression in head and neck squamous cell carcinoma (Gandour-Edwards et al). 1998;118:610-5
Histopathology of human temporal bone after cis-platinum, radiation, or both (Hoistad et al). 1998;118:825-32
Induction chemotherapy followed by concomitant chemoradiation-induced regression of advanced cervical lymphadenopathy in head and neck cancer as a predictor of outcome (Ampil et al). 2002;126:602-6
Intratumoral cisplatin/epinephrine-injectable gel as a palliative treatment for accessible solid tumors: a multicenter pilot study (Burris III et al). 1998;118:496-503
Phase I trial of retinoic acid and *cis*-platinum for advanced squamous cell cancer of the head and neck based on experimental evidence of drug synergism (Weisman et al). 1998;118:597-602
Round window application of d-methionine provides complete cisplatin otoprotection (Korver et al). 2002;126:683-9
Transient-evoked otoacoustic emissions in children after cisplatin chemotherapy (Allen et al). 1998;118:584-8
Drug toxicity
Experimental model of cisplatin ototoxicity in chinchillas (Janning et al). 1998;119:574-80
Protection against aminoglycoside otic drop-induced ototoxicity by a spin trap: I. acute effects (Hester et al). 1998;119:581-7
Drug/device capsules
Drug/device capsules. 1998;118:245-52
Drug/device capsules. 1998;119:528-39, 691-4
Drug/device capsules. 1999;120:109-16, 897-8
Drug/device capsules. 1999;121:119-21, 776-80
Drug/device capsules. 2000;122:263-6
Drug/device capsules. 2000;123:103-13, 750
Duplicate publication
Duplicate publication in the field of otolaryngology- head and neck surgery (Bailey). 2002;126:211-16
Duplicate publications in peer-reviewed journals (Benninger). 2002;126:209-10 (Editorial)
Dura mater
Revision myringoplasty with solvent-dehydrated human dura mater (Tutoplast) (Yeti,ser et al). 2001;124:518–21
Durapatite
Long-term results with hydroxylapatite middle ear implants (Goldenberg and Driver). 2000;122:635-42
Dysgeusia
Dysgeusia associated with tonsillectomy (Vories) 1999;121:303-4 (Case rep.)
Dysphagia
Botulinum toxin injection of the cricopharyngeus muscle for the treatment of dysphagia (Ahsan et al). 2000;122:691-5
Cervicothoracic chordoma presenting as progressive dyspnea and dysphagia (Hester et al). 1999;120:97-100 (Case rep.)
Dysphagia caused by cervical osteophytes: three cases treated successfully by surgery (Goel et al). 1999;120:92-6 (Case rep.)
Dysphonia; see Voice disorders
Dysplasia
p53 expression and p53 gene mutation in oral cancer and dysplasia (Rowley et al). 1998;118:115-23

Dyspnea
Cervicothoracic chordoma presenting as progressive dyspnea and dysphagia (Hester et al). 1999;120:97-100 (Case rep.)
Primary amyloidosis presenting as massive cervical lymphadenopathy with severe dyspnea: a case report and review of the literature (Leach et al). 1999;120:560-4 (Case rep.)

Dystonic disorders
Nager acrofacial dysostosis with autosomal dominant inheritance: implications for the otolaryngologist (Battaglia et al). 2000; 123:276-7 (Case rep.)

E

5,8,11,14-Eicosatetraynoic acid
Synergistic effects of 13-*cis* retinoic acid and arachidonic acid cascade inhibitors on growth of head and neck squamous cell carcinoma in vitro (Spingarn et al). 1998;118:159-64

Ear
Human aural myiasis (Magliulo et al). 2000;122:777 (Clin. photo.)

Ear canal
Brain stem abscess with direct extension through the internal auditory canal (McFeely et al). 1999;121:474-5 (Case rep.)
Chondroma of the bony external auditory canal (Lee and Chao). 2001;125:406-7
Ear canal granulation in malignant external otitis (Leonard et al). 1999;121:506 (Clin. photo.)
External auditory canal cholesteatoma with erosion into the mastoid (Martin et al). 1999;121:298-300 (Case rep.)
Head and neck manifestations of amyloidosis (Zundel et al). 1999;120:553-7 (Case rep.)
Hemangioma of the external auditory canal (Limb et al). 2002; 126:74-5 (Case rep.)
Hydroxyapatite canal wall reconstruction mastoid obliteration (Estrem and Highfill). 1999;120:345-9
Inflammatory reaction into the external auditory canal followed by spontaneous extrusion of alloplastic implant in the temporomandibular joint (Escada and Madeira da Silva). 2001; 125:559-60 (Case rep.)
Microcystic adnexal carcinoma of external auditory canal: report of a case (Chi et al). 2002;127:241-2 (Case rep.)
Near synchronous methicillin-resistant *Staphylococcus aureus* external auditory canal abscesses in 2 pediatric siblings (Buchalter). 2002;127:238-40 (Case rep.)
Nodular fasciitis arising in the external auditory canal (Milo et al). 1999;120:591-2 (Case rep.)
Pediatric external auditory canal foreign bodies: a review of 698 cases (Schulze et al). 2002;127:73-8
Surfer's ear: external auditory exostoses are more prevalent in cold water surfers (Kroon et al). 2002;126:499-504

Ear cartilage
Long-term growth of a vascularized auricular perichondrocutaneous flap in laryngotracheal reconstruction (Hoff and Esclamado). 1999;120:693-7

Ear diseases
Aural symptoms and hearing loss in patients with lupus (Sperling et al). 1998;118:762-5
Exploring health-related quality of life in patients with diseases of the ear, nose, and throat: a multicenter observational study (Witsell et al). 2001;125:288-98
Postauricular myocutaneous flap in otologic surgery (Farrior). 1998;118:743-6
Use of ototopical antibiotics in treating 3 common ear diseases (Consensus Panel et al). 2000;122:934-40

Ear neoplasms
Angioleiomyoma of the auricle (Choe et al). 2001;125:109-10 (Case rep.)
Auricular carcinoma with temporal bone invasion: outcome analysis (Gal et al). 1999;121:62-5
Bilateral occurrence of congenital middle ear cholesteatoma (El-Bitar and Choi). 2002;127:480-2 (Case rep.)
Brain stem abscess with direct extension through the internal auditory canal (McFeely et al). 1999;121:474-5 (Case rep.)
Cavernous hemangioma of the auricle (Yücel). 2000;122:153 (Clin. photo.)
Chondroma of the bony external auditory canal (Lee and Chao). 2001;125:406-7 (Case rep.)
Congenital cholesteatoma of the tympanic membrane (Kim and Haupert). 2002;127:359-60 (Clin. photo.)
Glomus jugulare (Miman et al). 2002;127:585-6 (Clin. photo.)
Hemangioma of the tympanic membrane (Bijelic et al). 2001; 125:272-3 (Case rep.)
Intracanalicular meningiomas (Caylan et al). 2000;122:147-50 (Case rep.)
Kimura's disease of the auricle (Chan et al). 2001;124:598–9 (Clin. photo.)
Long-term study of quality and safety of osseointegration for the retention of auricular prostheses (Westin and Rangert). 1999; 121:133-43
Merkel cell carcinoma of the pinna (Gangopadhyay and Abuzeid). 1999;120:286 (Clin. photo.)
Neuroendocrine adenoma of the middle ear (Aquino et al). 2002; 127:477-9 (Case rep.)

Ear ossicles
Effect of increased inner ear pressure on middle ear mechanics (Murakami et al). 1998;118:703-8
Ossicular chain dystopia and dilation of vestibules in branchio-oto-renal syndrome: a new phenotypic association? (D'Eredita and Marchi). 2002;126:206-8 (Case rep.)
Revision stapedectomy for incus erosion: long-term hearing (Krieger et al). 1998;119:370-3

Ear piercing
Ear piercing for individuals with metal hypersensitivity (Cornetta and Reiter). 2001;125:93-5

Ear, external
A myringeal web associated with first branchial cleft sinus (Sichel et al). 1998;118:286-7 (Clin. photo.)
Accessory auricle (Akyol). 2000;122:155 (Clin. photo.)
Cavernous hemangioma of the auricle (Yücel). 2000;122:153 (Clin. photo.)
Changes in external ear resonance after 3 types of surgery in the patients with chronic otitis media (Cho et al). 2001;125:364-9
Cryptotia (Ho et al). 2000;123:339 (Clin. photo.)
Cutaneous horn of the auricle (Kastanioudakis et al). 1998;118: 735 (Clin. photo.)
Effects of dimethylthiourea, melatonin, and hyperbaric oxygen therapy on the survival of reimplanted rabbit auricular composite grafts (Lim et al). 1999;121:231-7
Evaluation of implant losses and skin reactions around extraoral bone-anchored implants: a 0- to 8-year follow-up (Reyes et al). 2000;122:272-6
External and middle ear effects on infant hearing screening test results (Doyle et al). 2000;122:477-81
External ear involvement in epidermolysis bullosa (Kastanioudakis et al). 2000;122:618 (Clin. photo.)
Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32
Impression-material foreign bodies of the middle ear and external

auditory canal (Syms III and Nelson). 1998;119:406-7 (Case rep.)
Long-term study of quality and safety of osseointegration for the retention of auricular prostheses (Westin and Rangert). 1999; 121:133-43
Malignant melanoma of the ear in a child (Anderson and Rao). 1999;120:135 (Clin. photo.)
Merkel cell carcinoma of the pinna (Gangopadhyay and Abuzeid). 1999;120:286 (Clin. photo.)
Microtia associated with the Kabuki (Niikawa-Kuroki) syndrome (Fong et al). 2001;125:557-8
Microtia repair: creation of a functional postauricular sulcus (Eavey). 1999;120:789-93
Y modification of the Fisch meatoplasty (Suskind et al). 1999; 121:126-7 (Case rep.)

Ear, inner
Dexamethasone pharmacokinetics in the inner ear: comparison of route of administration and use of facilitating agents (Chandrasekhar et al). 2000;122:521-8

Ear, internal; see Labyrinth

Ear, middle
Aberrant carotid artery of the middle ear (Chang). 2000;122:154 (Clin. photo.)
Acoustic mechanisms: canal wall-up versus canal wall-down mastoidectomy (Whittemore Jr et al). 1998;118:751-61
Audiologic manifestations of Noonan syndrome (Qiu et al). 1998; 118:319-23
Benign *Aspergillus* colonization (Aspergilloma) in the middle ear (Supiyaphun et al). 2001;125:281-2 (Case rep.)
Box and whisker plots for graphic presentation of audiometric results of conductive hearing loss treatment (Govaerts et al). 1998;118:892-5
Comparison of 3 different anesthetic techniques on 24-hour recovery after otologic surgical procedures (Jellish et al). 1999; 120:406-11
Early-response cytokine expression in adult middle ear effusions (Ondrey et al). 1998;119:342-5
Eavey technique
Effect of increased inner ear pressure on middle ear mechanics (Murakami et al). 1998;118:703-8
Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8
Effects of leukotriene and cyclo-oxygenase inhibition on adaptive bone remodeling in the middle ear (Sherman et al). 2000;123: 1-8
Effects of middle ear effusion on the vestibular system in children (Golz et al). 1998;119:695-9
Epidermal growth factor and transforming growth factor-α in middle ear effusion (Nassif et al). 1998;119:564-8
Epithelial differentiation in developing murine eustachian tube and middle ear (Park et al). 2000;122:902-7
Expression of annexin II in human middle ear cholesteatoma (Kim et al). 1998;118:324-8
External and middle ear effects on infant hearing screening test results (Doyle et al). 2000;122:477-81
Impression-material foreign bodies of the middle ear and external auditory canal (Syms III and Nelson). 1998;119:406-7 (Case rep.)
Increased expression of major basic protein (MBP) and interleukin-5 (IL-5) in middle ear biopsy specimens from atopic patients with persistent otitis media with effusion (Wright et al). 2000;123:533-8
Inlay butterfly cartilage tympanoplasty (Eavey technique) modified for adults (Lubianca-Neto). 2000;123:492-4
Interactive effects of the middle ear pathology and the associated hearing loss on transient-evoked otoacoustic emission measures (Koike and Wetmore). 1999;121:238-44
Kinetics of gentamicin uptake in the inner ear of *Chinchilla langier* after middle-ear administration in a sustained-release vehicle (Balough et al). 1998;119:427-31
Middle ear recurrence in two patients with nasopharyngeal carcinoma (Kwong et al). 1998;118:280-2 (Int. case rep.)
Modification of auditory pathway functions in patients with hearing improvement after middle ear surgery (Vasama et al). 1998;119:125-30
Mucin production in the middle ear in response to lipopolysaccharides (Hunter et al). 1999;120:884-8
Neuroendocrine adenoma of the middle ear (Aquino et al). 2002; 127:477-9 (Case rep.)
Pilot study to evaluate the efficacy of hyperbaric oxygen therapy in improving the survival of reattached auricular composite grafts in the New Zealand White rabbit (McClane et al). 2000;123:539-42
Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51
Round window obliteration by osteoma of the middle ear (Britt et al). 2000;123:514-5 (Case rep.)
Sinus tympani endoscopic anatomy (Abdel Baki et al). 2002;127: 158-62
Transient-evoked otoacoustic emissions in children after cisplatin chemotherapy (Allen et al). 1998;118:584-8
Tympanic membrane and middle ear pathologic correlates in mucoid otitis media (Tekin et al). 2000;123:258-62

Ecchymosis
Battle's sign in temporal bone trauma (Alvi). 1998;118:908 (Clin. photo.)

Eccrine glands
Malignant eccrine spiradenoma of the neck: a case report (Otero-Garcia et al). 2001;125:428 (Case rep.)

Echinococcosis
Vertebral hydatid disease presenting as a parapharyngeal and neck mass: as case report (Bilgen et al). 2002;126:89-90 (Case rep.)

Economics
Economic implications of chronic sinusitis (Gliklich and Metson). 1998;118:344-9

Economics, medical
Accuracy of terminology and methodology in economic analyses in otolaryngology (Kezirian and Yeuh). 2001;124:496–502

Ecosystem
Biodiversity: our greatest natural resource (Bailey). 1999;120: 291-5 (Editorial)

Ectropion
Survey: management of paralytic lagophthalmos and paralytic ectropion (Tucker and Santos). 1999;120:944-5 (Case rep.)

Edema
Incidence of pulmonary edema after tracheotomy for obstructive sleep apnea (Burke et al). 2001;125:319-23
Quantification of rebound edema after steroid treatment (Odland et al). 2000;123:44-7
Unilateral supraglottic edema after the use of laryngeal mask airway (Kaylie and Wax). 2002;126:583-4 (Case rep.)

Editorials
A glimpse into otolaryngology's past (Benninger). 2002;127:493
Authorship, publication and being a good doctor (Casler). 2002; 126:457-8
Biodiversity: our greatest natural resource (Bailey). 1999;120: 291-5

Conflict of interest in peer-reviewed journals (Benninger). 2001; 125:285-7
Duplicate publications in peer-reviewed journals (Benninger). 2002;126:209-10
Editorial. 2000;122:782-93
Editor's choice (Benninger). 2001;125:439
Endolymphatic sac
Intratympanic gentamicin therapy for persistent vertigo after endolymphatic sac surgery (Marzo and Leonetti). 2002;126: 31-3
Otolaryngology—Head and Neck Surgery moving into the millennium: the changing of the guard (Holt et al). 2000;123: 30-2A (Editorial)
Otolaryngology—Head and Neck Surgery: moving further into the electronic media (Benninger). 2000;123:33A (Editorial)
Rescuing the doctor: swimming lessons for physician-educators (Geppert). 1998;118:423-8
Reviewers and editors: thank you for all the efforts (Benninger). 2001;125:581
The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90
The seven habits of highly effective data users (Rosenfeld). 1998;118:144-58

Education
Educational outcomes of an otitis media workshop for primary care providers in Latin America (Villaseñor et al). 1998;118: 394-6
Rescuing the doctor: swimming lessons for physician-educators (Geppert). 1998;118:423-8 (Editorial)

Education, medical
The educational process in otolaryngology (House). 1999;120: 143-6
Training the physician-scholar in otolaryngology–head and neck surgery (Nadol). 1999;121:214-9

Education, medical, undergraduate
Needs assessment for an undergraduate otolaryngology curriculum (Carr et al). 1999;120:865-8

Efficiency
Model for optimal space and staff efficiency in an otolaryngology clinic (Benninger and Strode). 1998;119:394-7

Elastin
Age- and gender-related elastin distribution changes in human vocal folds (Hammond et al). 1998;119:314-22

Elderly; see Aged

Electric stimulation
Botulinum toxin decreases salivation from canine submandibular glands (Shaari et al). 1998;118:452-7
Comparison of concentric needle versus hooked-wire electrodes in the canine larynx (Jaffe et al). 1998;118:655-62
Determination of the optimal conditions for laryngeal pacing with the Itrel II implantable stimulator (Zealear et al). 2001;125: 183-92
Influence of the multichannel cochlear implant on vestibular function (Ito). 1998;118:900-2
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998; 118:338-43
Long-term model of induced canine phonation (Paniello and Dahm). 1998;118:512-22
Neurotoxic effects of doxycycline sclerotherapy (Kirse et al). 1998;118:356-62
The multichannel auditory brain stem implant: performance in twenty patients (Otto et al). 1998;118:291-303
Treatment of tinnitus with electrical stimulation (Steenerson and Cronin). 1999;121:511-3

Electric stimulation therapy
Effect of long-term electrical stimulation on motor recovery and improvement of clinical residuals in patients with unresolved facial nerve palsy (Targan et al). 2000;122:246-52
Multichannel cochlear nucleus stimulation (El-kashlan). 1999; 121:169-75

Electrocoagulation
A comparison of tonsillectomy with the harmonic scalpel versus electrocautery (Morgenstein et al). 2002;127:333-8
Comparison of postoperative pain between laser-assisted uvulopalatoplasty, uvulopalatopharyngoplasty, and radiofrequency volumetric tissue reduction of the palate (Troell et al). 2000; 122:402-9
Dysgeusia associated with tonsillectomy (Vories) 1999;121:303-4 (Case rep.)
Midline radiofrequency tissue reduction of the palate for bothersome snoring and sleep-disordered breathing: a clinical trial (Coleman and Smith). 2000;122:387-94
Radiofrequency volumetric reduction of the palate: an extended follow-up study (Li et al). 2000;122:410-4

Electrodes
Comparison of concentric needle versus hooked-wire electrodes in the canine larynx (Jaffe et al). 1998;118:655-62
Electroneurography during facial nerve expansion (Dakin et al). 1998;119:603-8
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998; 118:338-43
Long-term model of induced canine phonation (Paniello and Dahm). 1998;118:512-22
Neurotoxic effects of doxycycline sclerotherapy (Kirse et al). 1998;118:356-62

Electrolarynx; see Larynx, artificial

Electromyography
Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44
Comparison of concentric needle versus hooked-wire electrodes in the canine larynx (Jaffe et al). 1998;118:655-62
Diagnostic laryngeal electromyography: the Wake Forest experience (Koufman et al). 2001;124:603-6
Role of motor unit number estimate electromyography in experimental canine laryngeal reinnervation (Peterson et al). 1999; 121:180-4

Electroneurography
Electroneurography during facial nerve expansion (Dakin et al). 1998;119:603-8

Electronystagmography
Current status of electronystagmography testing (Bhansali et al). 1999;120:419-26

Electrooculography
Vestibular function in the fetal sheep (Antonelli et al). 1998;118: 571-5

Electrophoresis
A new concept in laryngeal muscle: multiple myosin isoform types in single muscle fibers of the lateral cricoarytenoid (Wu et al). 1998;118:86-94
Expression of annexin II in human middle ear cholesteatoma (Kim et al). 1998;118:324-8

Electrosurgery
Common myths about electrosurgery (Zinder). 2000;123:450-5

Embolization, therapeutic
Comparison of internal maxillary artery ligation versus embolization for refractory posterior epistaxis (Cullen and Tami). 1998;118:636-42
Intrasaccular detachable platinum coil embolization for traumatic pseudoaneurysm treatment of a cavernous carotid artery (Chae et al). 2001;124:230–1
Postauricular myocutaneous flap in otologic surgery (Farrior). 1998;118:743-6

Embryo
Migration of intradural epidermoid matrix: embryologic implications (Kountakis et al). 2000;123:170-3

Emphysema
Factitious orbital emphysema: an unusual presentation of Munchausen's syndrome (Greene and Murr). 1998;119:512-4 (Case rep.)
Subcutaneous cervicofacial and mediastinal emphysema after dental instrumentation (Josephson et al). 2001;124:170–1

Encephalocele
A rare case of nasal glioma in adult age (Pasquini et al). 1998; 118:905-6 (Int. case rep.)

Encephalomalacia
Cerebellar encephalomalacia on magnetic resonance imaging after removal of acoustic tumor (Bordure et al). 1999;121:144-9

Endodermal sinus tumor
Endodermal sinus tumor of the maxillary sinus (Westerveld et al). 2001;124:691-2 (Case rep.)

Endolymph
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998; 118:338-43

Endolymphatic hydrops
Effects of endolymphatic-perilymphatic fistula on endolymphatic hydrops in guinea pig (Yazawa et al). 2000;122:119-23
Measurement of peripheral vestibular blood flow in a gerbil model of endolymphatic hydrops (Reddy et al). 2000;123:97-100

Endolymphatic sac
Sac-vein decompression for intractable Meniere's disease: two-year treatment results (Gianoli et al). 1998;118:22-9

Endolymphatic shunt
Endolymphatic mastoid shunt: a reevaluation of efficacy (Welling and Nagaraja). 2000;122:340-5

Endonasal surgery
Endoscope-microscope combination for endonasal surgery (Klimek et al). 1998;119:533-5 (Drug/device)

Endoscopes
Endoscopically guided sinonasal cultures: a directed comparison with maxillary sinus aspirate cultures (Vogan et al). 2000; 122:370-3

Endoscopy
A new device for frontal sinus endoscopy: first clinical report (Iro and Zenk). 2001;125:613-16
A rare case of nasal glioma in adult age (Pasquini et al). 1998; 118:905-6 (Int. case rep.)
Aggressive endoscopic resection of inverted papilloma: an update (Schlosser et al). 2001;125:49-53
Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)
Approaches to the sellar and parasellar region: a retrospective comparison of the endonasal-transsphenoidal and sublabial-transsphenoidal approaches (Spencer et al). 2000;122:367-9
Bilateral simultaneous orbital decompression for Graves' orbitopathy with a combined endoscopic and Caldwell-Luc approach (Rizk et al). 2000;122:216-21
Color Atlas of Diagnostic Endoscopy in Otorhinolaryngology (Rassekh). 2000;122:621 (Book rev.)
Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73
Effect of endoscopic sinus surgery on asthmatic patients with chronic rhinosinusitis (Dhong et al). 2001;124:99–104
Endonasal endoscopic surgery for nasopharyngeal angiofibroma (Khalifa). 2001;124:336–7 (Case rep.)
Endoscope-microscope combination for endonasal surgery (Klimek et al). 1998;119:533-5 (Drug/device)
Endoscopic approach to nasal glioma (Burckhardt and Tobon). 1999;120:747-8 (Case rep.)
Endoscopic image-guided transethmoid pituitary surgery (Thomas et al). 2002;127:409-16
Endoscopic ligature of the sphenopalatine artery for severe posterior epistaxis (Voegels et al). 2001;124:464–7
Endoscopic management of a chronic ethmoid and sphenoid sinus foreign body (Bhattacharyya and Wenokur). 1998;118:687-90 (Case rep.)
Endoscopic management of an inverted nasal papilloma in a child (Cooter et al). 1998;118:876-9 (Case rep.)
Endoscopic management of cholesteatoma: long-term results (Tarabichi). 2000;122:874-81
Endoscopic repair of anterior cranial fossa dural defect in an unusual case of frontal sinus trauma (Ünal et al). 2000;122: 771-2 (Case rep.)
Endoscopic repair of cerebrospinal fluid rhinorrhea (Mao et al). 2000;122:56-60
Endoscopic repair of tension pneumocephalus (Aferzon et al). 2001;124:688-9 (Case rep.)
Endoscopic resection of chondrosarcomas of the nasal septum: a report of 2 cases (Coppit et al). 2002;127:569-71 (Case rep.)
Endoscopic septoplasty: indications, technique, and results (Hwang et al). 1999;120:678-82
Endoscopic sinus surgery with magnetic resonance imaging guidance: initial patient experience (Fried et al). 1998;119:374-80
Endoscopic surgery for the removal of a nasal glioma: case report (Dimov et al). 2001;124:690 (Case rep.)
Endoscopic treatment of Zenker's diverticulum using CO_2 laser (Krespi et al). 2002;127:309-14
Evaluation of the internal auditory canal with virtual endoscopy (Vrabec et al). 2002;127:145-52
Frameless computer-aided surgery system for revision endoscopic sinus surgery (Caversaccio et al). 2000;122:808-13
Impact of endoscopic sinus surgery on global health perception: an outcomes study (Winstead and Barnett). 1998;119:486-91
Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118: 800-3
Injury to the lacrimal apparatus after endoscopic sinus surgery: surgical implications from active transport dacryocystography (Unlu et al). 2001;124:308–12
Long-term outcome of facial growth after functional endoscopic sinus surgery (Bothwell et al). 2002;126:628-34
Long-term results of endoscopic stapling diverticulotomy for pharyngeal pouches (Raut and Primrose). 2002;127:225-9
Mitomycin C for the prevention of adhesion formation after endoscopic sinus surgery: a randomized, controlled study (Chung et al). 2002;126:468-74
Nasal endoscopy and the definition and diagnosis of chronic rhinosinusitis (Stankiewicz and Chow). 2002;126:623-7

New armless image-guidance system for endoscopic sinus surgery (Fried et al). 1998;119:528-32 (Drug/device)
Ocular motility complications after endoscopic sinus surgery with powered cutting instruments (Bhatti et al). 2001;125:501-9
Orbital paraffinoma as a complication of endoscopic sinus surgery (Keefe et al). 2002;127:575-7 (Case rep.)
Outcome predictors for endoscopic sinus surgery (Wang et al). 2002;126:154-9
Role of panendoscopy in cancer of the upper aerodigestive tract (Stoeckli et al). 2001;124:208–12
Sepragel sinus (hylan B) as a postsurgical dressing for endoscopic sinus surgery (Kimmelman et al). 2001;125:603-8
Sinus tympani endoscopic anatomy (Abdel Baki et al). 2002;127:158-62
Smoke exposure and outcome of endoscopic sinus surgery in children (Ramadan and Hinerman). 2002;127:546-8
Tele-3-dimensional computer-assisted functional endoscopic sinus surgery: new dimension in the surgery of the nose and paranasal sinuses (Klapan et al). 2002;127:549-57
Tracheal bronchus: classification, endoscopic analysis, and airway management (Doolittle and Mair). 2002;126:240-3
Virtual endoscopy in otorhinolaryngology by postprocessing of helical computed tomography (Pototschnig et al). 1998;119:536-9 (Drug/device)
Vocal cord polypectomy with fiberoptic sinus endoscopes (Bhattacharya and Caputo). 1998;118:381-2 (Case rep.)

Endostitch
Use of the Endostitch device for closure of pharyngeal traumatic lacerations (Hardeman et al). 2000;122:942 (Clin. photo.)

Endothelial cell
Interrelationship between protein phosphatase-2A and cytoskeletal architecture during the endothelial cell response to soluble products produced by human head and neck cancer (Witt et al). 2000;122:721-7
Protein phosphatases 1 and 2A maintain endothelial cells in a resting state, limiting the motility that is needed for the morphogenic process of angiogenesis (Gabel et al). 1999;121:463-8

Endothelial growth factors
The effect of endothelial cell growth factor on peripheral nerve regeneration (Smith and Browne). 1998;118:178-82

Endotracheal tube
Using an endotracheal tube in difficult secondary tracheoesophageal puncture: a novel technique (Cannon). 2001;125:117-19 (Case rep.)
Utility of portable chest radiographs as a predictor of endotracheal tube cuff pressure (Valentino et al). 1999;120:51-6

Enquist, Ruth C
In memory of Ruth ("Ruthe") C. Enquist (1937-1997) (Smith). 1998;118:143 (Dedication)

Enteral nutrition
Early postoperative esophageal obstruction caused by enteral feeding concretions in patients who have undergone laryngectomy (Lentsch and Bumpous). 1999;120:617-8 (Case rep.)
Timing of percutaneous endoscopic gastrostomy tube placement in head and neck cancer patients (Raynor et al). 1999;120:479-82

Enterotoxin B, staphylococcal
Active ion secretion and permeability of rabbit maxillary sinus epithelium, impact of staphylococcal enterotoxin B (Yang et al). 2000;123:120-3

Environmental pollutants
Pollutants in our water: effects on human health and the environment (Hicks). 1998;119:502-5 (Review article)

Enzyme-linked immunosorbent assay
Evidence of possible localized specific immunoglobulin E production in middle ear fluid as demonstrated by ELISA testing (Hurst et al). 1999;121:224-30

Eosinophilia
Assessment by nasal biopsy of long-term use of mometasone furoate aqueous nasal spray (Nasonex) in the treatment of perennial rhinitis (Minshall et al). 1998;118:648-54
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9

Eosinophils
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5
Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11

Ephedrine
Comparative efficacy and safety of terfenadine with pseudoephedrine and terfenadine alone in allergic rhinitis (Panda and Mann). 1998;118:253-5
Comparative efficacy of terfenadine, loratadine and astemizole in perennial allergic rhinitis (Crawford et al). 1998;118:668-73

Epidemic hemorrhagic fever; see Hantavirus

Epidemiology
Clinicoepidemiologic features of sudden deafness diagnosed and treated at university hospitals in Japan (Nakashima et al). 2000;1223:593-7

Epidermal growth factor-urogastrone
Epidermal growth factor and transforming growth factor-α in middle ear effusion (Nassif et al). 1998;119:564-8
Healing large tympanic membrane perforations using hyaluronic acid, basic fibroblast growth factor, and epidermal growth factor (Chauvin et al). 1999;121:43-7

Epidermolysis bullosa
External ear involvement in epidermolysis bullosa (Kastanioudakis et al). 2000;122:618 (Clin. photo.)

Epidermolysis bullosa acquisita
Laryngeal epidermolysis bullosa acquisita requiring tracheostomy presenting with an acquired factor VIII coagulopathy (Hurley et al). 2001;125:270-1 (Case rep.)

Epidural abscess
Huge congenital cholesteatoma simulating an intracranial abscess (Rapoport et al). 2000;123:148-9 (Case rep.)
Retropharyngeal abscess associated with vertebral osteomyelitis and spinal epidural abscess (Jang and Rhee). 1998;119:705-8 (Int. case rep.)

Epigastric arteries
Anomaly of deep inferior epigastric vessels (Ogawa et al). 1999;121:499-501 (Case rep.)

Epiglottis
Complications and functional outcome after supracricoid partial laryngectomy with cricohyoidoepiglottopexy (Naudo et al). 1998;118:124-9
Epiglottic cyst (Lam et al). 2000;122:311 (Clin. photo.)

Epiglottitis
Acute necrotizing epiglottitis resulting in necrotizing fasciitis (Kraus et al). 2001;124:700-1 (Case rep.)

Epinephrine
Intratumoral cisplatin/epinephrine-injectable gel as a palliative treatment for accessible solid tumors: a multicenter pilot study (Burris III et al). 1998;118:496-503

Epistaxis
Comparison of computer-assisted instruction and seminar instruction to acquire psychomotor and cognitive knowledge of epistaxis management (Carr et al). 1999;121:430-4
Comparison of internal maxillary artery ligation versus embolization for refractory posterior epistaxis (Cullen and Tami). 1998;118:636-42
Endoscopic ligature of the sphenopalatine artery for severe posterior epistaxis (Voegels et al). 2001;124:464–7
Epistaxis: new approach (Adornato). 2000;123:524 (Letter)
Management of epistaxis complicated by a previously undiagnosed aortic coarctation (Pulli). 1999;120:584-7 (Case rep.)
Management paradigms for posterior epistaxis: a comparison of costs and complications (Monte et al). 1999;121:103-6
Oncocytoma of the nasal septum: a rare cause of epistaxis (Hamdan et al). 2002;126:440-1 (Case rep.)
Rare complication of nasal packing: alar region necrosis (Civelek et al). 2000;123:656 (Case rep.)
Traumatic optic neuropathy after posterior ethmoidal artery ligation for epistaxis (Brouzas et al). 2002;126:323-5 (Case rep.)

Epithelial cells
Epidermal growth factor and transforming growth factor-a in middle ear effusion (Nassif et al). 1998;119:564-8

Epithelium
Escherichia coli osteomyelitis of the skull base (Genden and Goebel). 1998;118:853-5 (Case rep.)
Active ion secretion and permeability of rabbit maxillary sinus epithelium, impact of staphylococcal enterotoxin B (Yang et al). 2000;123:120-3
Assessment by nasal biopsy of long-term use of mometasone furoate aqueous nasal spray (Nasonex) in the treatment of perennial rhinitis (Minshall et al). 1998;118:648-54
Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73
Epithelial differentiation in developing murine eustachian tube and middle ear (Park et al). 2000;122:902-7
Expression of annexin II in human middle ear cholesteatoma (Kim et al). 1998;118:324-8
Heterotopic gastrointestinal mucosa of the oral cavity (Drennen and Myers). 1998;118:99-101 (Case rep.)
Hypertonic saline decreases ciliary movement in human nasal epithelium in vitro (Min et al). 2001;124:313–16
Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11
Intraductal papilloma of the minor salivary gland involving the nasal cavity: Is it a distinct histopathologic entity? (Saleh and Abbarah). 1998;118:850-2 (Case rep.)
Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91
Postauricular myocutaneous flap in otologic surgery (Farrior). 1998;118:743-6
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5
Transforming growth factor-α with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24

Epstein-Barr viral infections
Diagnostic value of Epstein-Barr viral serology in nasopharnyngeal carcinoma (Low et al). 2000;123:505-7

Epstein-Barr virus
Lymphoid cell infiltration into Epstein-Barr virus–positive nasopharyngeal carcinomas (Shpitzer et al). 2001;124:188–94
See also Herpesvirus 4, human

Epulis, congenital. see Gingival neoplasms

Equilibrium
Balance disorders in older persons: quantification with posturography (Baloh et al). 1998;119:89-92
Computerized dynamic posturography: What have we learned from space? (Black and Paloski). 1998;118:S45-51
Efficacy of vestibular rehabilitation (Cowand et al). 1998;118:49-54
Equipment contamination
Influence of height on the spatial orientation and equilibrium of the body (Nakahara et al). 2000;123:501-4
Influence of the multichannel cochlear implant on vestibular function (Ito). 1998;118:900-2
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15
Posturography does not test vestibulospinal function (Evans and Krebs). 1999;120:164-73
Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51
Surgical labyrinthectomy in the older patient (Langman and Lindeman). 1998;118:739-42
The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90 (Editorial)
Vestibulospinal adaptation to microgravity (Paloski). 1998;118:S39-44

Equipment and supplies
New armless image-guidance system for endoscopic sinus surgery (Fried et al). 1998;119:528-32 (Drug/device)

Equipment failure
Platinum ribbon-Teflon piston reduces device failure after stapes surgery (Mangham). 2000;123:108-13 (Drug/Device)

Erythrocytes
Sarthran preserves cochlear microcirculation and reduces temporary threshold shifts after noise exposure (Goldwyn et al). 1998;118:576-83

Erythromycin
One-year low-dose erythromycin treatment of persistent chronic sinusitis after sinus surgery: clinical outcome and effects on mucociliary parameters and nasal nitric oxide (Cervin et al). 2002;126:481-9

Escherichia coli
Escherichia coli osteomyelitis of the skull base (Genden and Goebel). 1998;118:853-5 (Case rep.)

Esophageal catheter
The effect of esophageal pressure monitoring on nasal airway resistance (Virkkula et al). 2001;125:261-4

Esophageal neoplasms
Dumon silicone stents in obstructive tracheobronchial lesions: the Hong Kong experience (Abdullah et al). 1998;118:256-60
Early postoperative esophageal obstruction caused by enteral feeding concretions in patients who have undergone laryngectomy (Lentsch and Bumpous). 1999;120:617-8 (Case rep.)
Giant esophageal fibrolipoma (Pérez et al). 1999;120:445-6 (Case rep.)

Esophagoscopes
Clinical experience of removing foreign bodies in the airway and esophagus with a rigid endoscope: a series of 3217 cases from 1970 to 1996 (Hsu et al). 2000;122:450-4
Esophagoscopy
Office-based esophagoscopy: a preliminary report (Aviv et al). 2001;125:170-5
Transnasal esophagoscopy (Belafsky et al). 2001;125:588-9
Esophagus
Complications of foreign bodies in the esophagus (Loh et al). 2000;123:613-6
Correlation of laryngeal and pharyngeal carcinomas and 24-hour pH monitoring of the esophagus and pharynx (Chen et al). 1998;119:460-2
Correlation of laryngeal and pharyngeal carcinomas and 24-hour pH monitoring of the esophagus and pharynx [retraction of Chen MY, ott DJ, Casolo BJ, Moghazy KM, Koufman JA. In: Otolaryngol Head Neck Surg 1998 Nov;119(5):460-2]. 1999; 121:168
Esophageal presentation of cicatrical pemphigoid (Isenberg). 1998;118:845-7 (Case rep.)
Fibrovascular polyp of the esophagus (Eliashar et al). 1998;118: 734-5 (Clin. photo.)
Videostroboscopy of the pharyngoesophageal segment in laryngectomy patients treated with botulinum toxin (Meleca et al). 2000;123:38-43
Estradiol
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5
Estrogen
Estrogen metabolism as a risk factor for head and neck cancer (Yoo et al). 2001;124:241–7
Estrogens
Effects of estrogen and tamoxifen on growth of human vestibular schwannomas in the nude mouse (Stidham and Roberson). 1999;120:262-4
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5
Ethics
Ethics of cochlear implantation in young children (Eisenman) (Letter); (Lane) (Reply). 1999;121:668-70
Ethics of cochlear implantation in young children (Harris and Anderson). 1999;121:675-6 (Letter)
Ethics of cochlear implantation in young children (Lane) (Letter); (Balkany) (Reply). 1999;121:672-5
Ethics of cochlear implantation in young children (Tellez). 1999; 121:676 (Letter)
Ethics of cochlear implantation in young children: a review and reply from a Deaf-World perspective (Lane and Bahan). 1998;119:297-313
Ethics, medical
Appearance and morality: ethics and otolaryngology- head and neck surgery (Sulmasy). 2002;126:4-7
Ethmoid bone
An anatomic classification of the ethmoidal bulla (Setliff et al). 2001;125:598-602
Growing cribiform plate fracture in a young adult patient: a case report (Gómez et al). 2001;124:232–3
Ethmoid sinus
Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9
Computed tomography imaging of the maxillary and ethmoid sinuses in children with short-duration purulent rhinorrhea (Schwartz et al). 2001;124:160–3
Endoscopic management of a chronic ethmoid and sphenoid sinus foreign body (Bhattacharyya and Wenokur). 1998;118:687-90 (Case rep.)
Hemangioma of the ethmoid sinus (Kim et al). 2000;123:517-9 (Case rep.)
Juvenile aggressive ossifying fibroma presenting as an ethmoid sinus mucocele (Vaidya et al). 1998;119:665-8 (Case rep.)
Two faces of orbital hematoma in intranasal (endoscopic) sinus surgery (Stankiewicz and Chow). 1999;120:841-7
Ethmoidal artery
Traumatic optic neuropathy after posterior ethmoidal artery ligation for epistaxis (Brouzas et al). 2002;126:323-5 (Case rep.)
Ethmoidal bulla
An anatomic classification of the ethmoidal bulla (Setliff et al). 2001;125:598-602
Eustachian tube
A rat model of otitis media with effusion caused by eustachian tube obstruction with and without *Streptococcus pneumoniae* infection: methods and disease course (Piltcher et al). 2002; 126:490-8
Action of histamine on eustachian tube function (Downs et al). 2001;124:414–20
Dermoid of the eustachian tube (Gourin and Sofferman). 1999; 120:772-5 (Case rep.)
Epithelial differentiation in developing murine eustachian tube and middle ear (Park et al). 2000;122:902-7
Eustachian tube dysfunction after tobacco smoke exposure (Dubin et al). 2002;126:14-19
Function of the eustachian tube after weekly exposure to pepsin/ hydrochloric acid (Heavner et al). 2001;125:123-9
Late-phase allergy and eustachian tube dysfunction (Hardy et al). 2001;125:339-45
Myringoplasty in children: factors influencing surgical outcome (Caylan et al). 1998;118:709-13
Ossification of eustachian tube cartilage and Ostmann's fatty tissue in chronic renal failure (Takasaki et al). 2000;122: 567-71
The role of soluble interleukin-4 receptor and interleukin-5 antibody in preventing late-phase allergy-induced eustachian tube dysfunction (Pollock et al). 2002;127:169-76
Thermal myringotomy for eustachian tube dysfunction in hyperbaric oxygen therapy (Potocki and Hoffman). 1999;121:185-9
Tympanoplasty results in patients with cleft palate: an age- and procedure-matched comparison of preliminary results with patients without cleft palate (Gardner and Dornhoffer). 2002; 126:518-23
Evidence-based medicine
Evidence, outcomes, and common sense (Rosenfeld). 2001;124: 123–4
Evidence-based medicine in otolaryngology journals (Bentsianov et al). 2002;126:371-6
Implications of the AHRQ evidence report on acute otitis media (Rosenfeld et al). 2001;125:440-8
So where's the evidence? (Gates). 1999;120:619-20
Evoked potentials, auditory
Effects of discrimination difficulty on cognitive event-related brain potentials in patients with cochlear implants (Okusa et al). 1999;121:610-5

Multichannel cochlear nucleus stimulation (El-kashlan). 1999; 121:169-75
Partial labyrinthectomy with hearing preservation: frequency-specific data using tone-burst auditory brain stem response (Smouha and Inouye). 1999;120:146-52

Evoked potentials, auditory, brain stem
Audiologic manifestations of Noonan syndrome (Qiu et al). 1998; 118:319-23
Auditory brainstem implantation: the University of Verona experience (Colletti et al). 2002;127:84-96
Distortion-product otoacoustic emissions hearing screening in high-risk newborns (Salata et al). 1998;118:37-43
Effects of intracochlear factors on spiral ganglion cells and auditory brain stem response after long-term electrical stimulation in deafened kittens (Araki et al). 2000;122:425-33
The multichannel auditory brain stem implant: performance in twenty patients (Otto et al). 1998;118:291-303
Transient-evoked otoacoustic emissions in children after cisplatin chemotherapy (Allen et al). 1998;118:584-8

Executive summaries
Executive Summary (Sinus and Allergy Health Partnership). 2000;123:S1-3

Exercise
Impact of laryngeal paralysis and its treatment on the glottic aperture and upper airway flow characteristics during exercise (Beaty and Hoffman). 1999;120:819-23

Exophthalmos
Burkitt's lymphoma of the nasal ala (Paleri et al). 1998;118:142 (Clin. photo.)

Exostoses
Surfer's ear: external auditory exostoses are more prevalent in cold water surfers (Kroon et al). 2002;126:499-504

Explosive tinnitus
Explosive tinnitus: an underrecognized disorder (Teixido and Connolly). 1998;118:108-9 (Case rep.)

Extracellular matrix
Analysis of cellular location and concentration in vocal fold lamina propria (Catten et al). 1998;118:663-7
Potential role of growth factors and extracellular matrix in wound healing after laryngotracheal reconstruction (Walner et al). 2000;122:363-6

Extrathyroid spread
Extrathyroid spread in papillary carcinoma of the thyroid: clinicopathological and prognostic study (Ortiz et al). 2001;124: 261–5

Eye
Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)
Comparative external versus endoscopic dacryocystorhinostomy: results in 115 patients (130 eyes) (Cokkeser et al). 2000;123: 488-91
Esophageal presentation of cicatrical pemphigoid (Isenberg). 1998;118:845-7 (Case rep.)

Eye enucleation
Intracapsular enucleation of vagus nerve-originated tumors for preservation of neural function (Fujino et al). 2000;123:334-6 (Case rep.)

Eye movements
Clinical use of three-dimensional video measurements of eye movements (Merfeld et al). 1998;118:S35-8
Influence of the multichannel cochlear implant on vestibular function (Ito). 1998;118:900-2
Objective scaling of facial nerve function based on area analysis (OSCAR) (Meier-Gallati et al). 1998;118:545-50
Recording eye movements in mice: a new approach to investigate the molecular basis of cerebellar control of motor learning and motor timing (De Zeeuw et al). 1998;119:193-203
Spaceflight influences on ocular counterrolling and other neurovestibular reactions (Young and Sinha). 1998;118:S31-4
Vestibular adaptation to space in monkeys (Dai et al). 1998;119: 65-77
Vestibular function in the fetal sheep (Antonelli et al). 1998;118: 571-5

Eye muscles
Evolution of the vestibulo-ocular system (Fritzsch). 1998;119: 182-92

F

Face
An unusual late reaction to facial injections (Constantinides et al). 1999;120:557-60
Calvarial bone graft harvest in children (Frodel). 1999;121:78-81
Emerging perceptions of facial plastic surgery among medical students (Rosenthal et al). 2001;125:478-82
Facial vein thrombophlebitis: a rare but potentially lethal entity (Goldenberg et al). 2000;122:769-70 (Case rep.)
Long-term outcome of facial growth after functional endoscopic sinus surgery (Bothwell et al). 2002;126:628-34
Nager acrofacial dysostosis with autosomal dominant inheritance: implications for the otolaryngologist (Battaglia et al). 2000; 123:276-7 (Case rep.)
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8

Facial bones
Experimental trauma to the malar eminence: fracture biomechanics and injury patterns (Rhee et al). 2001;125:351-5
Fate of rigid fixation in pediatric craniofacial surgery (Berryhill et al). 1999;121:269-73

Facial expression
Objective scaling of facial nerve function based on area analysis (OSCAR) (Meier-Gallati et al). 1998;118:545-50

Facial injuries
Battle's sign in temporal bone trauma (Alvi). 1998;118:908 (Clin. photo.)
Bilateral Le Fort I fracture from a lightning strike injury to the face (Tibesar et al). 2000;123:647-9 (Case rep.)
Calvarial bone graft harvest in children (Frodel). 1999;121:78-81
Traumatic pseudoaneurysm of the external carotid artery with parotid mass and delayed facial nerve palsy (Rhee et al). 1999;121:158-60 (Case rep.)

Facial lines
Botulinum toxin type B (MyoBloc) in the management of hyperkinetic facial lines (Ramirez et al). 2002;126:459-67

Facial muscles
Electroneurographic facial muscle pattern in Bell's palsy (Engström et al). 2000;122:290-7
Psychological distress: linking impairment with disability in facial neuromotor disorders (VanSwearingen et al). 1998;118: 790-6

Facial neoplasms
Calvarial bone graft harvest in children (Frodel). 1999;121:78-81
Globe sparing orbital exenteration (Catalano et al). 2001;125: 379-84

Facial nerve
Battle's sign in temporal bone trauma (Alvi). 1998;118:908 (Clin. photo.)
Bell's palsy in pregnancy: a study of recovery outcomes (Gillman et al). 2002;126:26-30

Dehiscence of the tympanic segment of the facial nerve (Park et al). 2000;123:522 (Clin. photo.)
Electroneurography during facial nerve expansion (Dakin et al). 1998;119:603-8
Facial nerve dysfunction associated with cystic lesions of the mastoid (Hwang and Jackler). 1998;119:668-72 (Case rep.)
Facial nerve function after partial superficial parotidectomy: an 11-year review (1987-1997) (Witt). 1999;121:210-3
Facial nerve monitoring in chronic ear surgery: US practice patterns (Greenberg et al). 2002;126:108-14
Facial nerve monitoring in parotid surgery: the standard of care? (Witt). 1998;119:468-70
Facial nerve paralysis in acute otitis media: cause and management revisited (Joseph and Sperling). 1998;118:694-6 (Case rep.)
Fluoride treatment for facial nerve stimulation caused by cochlear implants in otosclerosis (Gold et al). 1998;119:521-3 (Case rep.)
Identification of the facial nerve in the translabyrinthine approach: an alternative technique (Sanna et al). 2001;124:105–6
Magnetic resonance imaging of the facial nerve in children with idiopathic facial paralysis (Burgio et al). 2000;122:556-9
Objective scaling of facial nerve function based on area analysis (OSCAR) (Meier-Gallati et al). 1998;118:545-50
Psychological distress: linking impairment with disability in facial neuromotor disorders (VanSwearingen et al). 1998;118:790-6
Stapedotomy above the facial nerve in a congenitally malformed ear: a case report (Boone and Dornhoffer). 2002;127:342-5 (Case rep.)
Transtympanic stimulation of the facial nerve to assess nerve integrity in iatrogenic facial nerve paralysis (Limb et al). 2001;124:600–2
Unusual course of the anterior inferior cerebellar artery through the facial nerve in the cerebellopontine angle (Liu and Fagan). 2001;124:479 (Clin. photo.)

Facial nerve diseases
Schwannoma of the greater superficial petrosal nerve. (Michel et al). 2000;122:302-3 (Case rep.)
Toronto Facial Grading System: interobserver reliability (Kayhan et al). 2000;122:212-5

Facial nerve injuries
Management of facial paralysis resulting from temporal bone fractures: our experience in 115 cases (Darrouzet et al). 2001; 125:77-84
Retrograde degeneration of the facial nerve after acute traction on parotid gland: an experimental investigation (Wang et al). 2002;127:55-9
Silver nitrate injury in the rat sciatic nerve: a model of facial nerve injury (Wachter et al). 2002;127:48-54

Facial pain
Characteristics of sinus-related pain (Tarabichi). 2000;122:842-7

Facial paralysis
Escherichia coli osteomyelitis of the skull base (Genden and Goebel). 1998;118:853-5 (Case rep.)
Battle's sign in temporal bone trauma (Alvi). 1998;118:908 (Clin. photo.)
Effect of long-term electrical stimulation on motor recovery and improvement of clinical residuals in patients with unresolved facial nerve palsy (Targan et al). 2000;122:246-52
Facial nerve paralysis in acute otitis media: cause and management revisited (Joseph and Sperling). 1998;118:694-6 (Case rep.)
Familial recurrent facial paresis: four generations (Bruns and Burgess). 1998;118:859-62 (Case rep.)
Magnetic resonance imaging of the facial nerve in children with idiopathic facial paralysis (Burgio et al). 2000;122:556-9
Objective scaling of facial nerve function based on area analysis (OSCAR) (Meier-Gallati et al). 1998;118:545-50
Seasonal patterns of idiopathic facial paralysis: a 16-year study (De Diego et al). 1999;120:269-71
Survey: management of paralytic lagophthalmos and paralytic ectropion (Tucker and Santos). 1999;120:944-5 (Case rep.)
Traumatic pseudoaneurysm of the external carotid artery with parotid mass and delayed facial nerve palsy (Rhee et al). 1999;121:158-60 (Case rep.)
Viral titers and delayed facial palsy after acoustic neuroma surgery (Gianoli). 2002;127:427-31

Facial translocation approach
Facial translocation approach to the skull base: the viability of translocated facial bone graft (Hao). 2001;124:292-6

Facility design and construction
Model for optimal space and staff efficiency in an otolaryngology clinic (Benninger and Strode). 1998;119:394-7

Factor VIII
Laryngeal epidermolysis bullosa acquisita requiring tracheostomy presenting with an acquired factor VIII coagulopathy (Hurley et al). 2001;125:270-1 (Case rep.)

Familial hypokalemic periodic paralysis; see Paralysis, familial periodic

Familial transmission; see Hereditary diseases

Fanconi's anemia
Squamous cell carcinoma of the supraglottic larynx in a patient with Fanconi's anemia (Doerr et al). 1998;118:523-5 (Case rep.)

Fasciitis
Necrotizing fasciitis of the neck (Mastros and Broniatowski). 1998;118:140-1 (Clin. photo.)
Nodular fasciitis arising in the external auditory canal (Milo et al). 1999;120:591-2 (Case rep.)

Fasciitis, necrotizing
Acute necrotizing epiglottitis resulting in necrotizing fasciitis (Kraus et al). 2001;124:700-1 (Case rep.)
Cervical necrotizing fasciitis as a complication of tonsillectomy (Sonne et al). 2001;125:670 (Case rep.)
Craniocervical necrotizing fasciitis: an 11-year experience (Bahu et al). 2001;125:245-52

Fatigue syndrome, chronic
A tender sinus does not always mean rhinosinusitis (Naranch et al). 2002;127:387-97

Femoral artery
Lateral thigh flap reconstruction in the head and neck (Truelson and Leach). 1998;118:203-10

Fenestration
Prosthesis size in stapedectomy (Fucci et al). 1998;118:1-5

Fenestration, labyrinth
Labyrinthine fenestration in the guinea pig (Isaacson and Antonelli). 1999;120:394-9
Robot-assisted stapedotomy: micropick fenestration of the stapes footplate (Rothbaum et al). 2002;127:417-26

Fenretinide
Fenretinide-induced apoptosis of human head and neck squamous carcinoma cell lines (Scher et al). 1998;118:464-71

Fetal development
Vestibular function in the fetal sheep (Antonelli et al). 1998;118: 571-5

Fetus
Transplanted fetal fibroblasts: survival and distribution over time in normal adult dermis compared with autogenic, allogenic,

and xenogenic adult fibroblasts (Hebda and Dohar). 1999; 121:245-51

Fiber optics

Vocal cord polypectomy with fiberoptic sinus endoscopes (Bhattacharya and Caputo). 1998;118:381-2 (Case rep.)

Fibrin tissue adhesive

Effectiveness of second-generation fibrin glue in endonasal surgery (Vaiman et al). 2002;126:388-91

Fibroblast growth factor, basic

Healing large tympanic membrane perforations using hyaluronic acid, basic fibroblast growth factor, and epidermal growth factor (Chauvin et al). 1999;121:43-7

Fibroblasts

Analysis of cellular location and concentration in vocal fold lamina propria (Catten et al). 1998;118:663-7

Epidermal growth factor and transforming growth factor-α in middle ear effusion (Nassif et al). 1998;119:564-8

Growth of keloid-producing fibroblasts in commercially available serum-free media (Hong et al). 1999;121:469-73

Fibroma

Cemento-ossifying fibroma of the upper gingivae (Martín-Granizo et al). 2000;122:775 (Clin. photo.)

Fibromatosis of the head and neck region (Tse et al). 2001;125: 516-19

Fibroma, desmoplastic

Desmoplastic fibroma of the maxillary sinus (Cupero et al). 2001;125:661-2 (Case rep.)

Fibroma, ossifying

Juvenile aggressive ossifying fibroma presenting as an ethmoid sinus mucocele (Vaidya et al). 1998;119:665-8 (Case rep.)

Psammomatoid ossifying fibroma of the temporal bone (Affleck et al). 2002;126:585-7 (Case rep.)

Fibromatosis, aggressive

Desmoid tumor of the neck (Gerek et al). 2000;122:930-1 (Case rep.)

Hypopharyngeal desmoid tumor (Anderson et al). 2000;123:279-81 (Case rep.)

Fibrosis

Histopathology of human temporal bone after cis-platinum, radiation, or both (Hoistad et al). 1998;118:825-32

Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21

Fibrous dysplasia of bone

A case of fibrous dysplasia of the temporal bone: evaluation of treatment performed 23 years ago (Sakamoto et al). 2001;125: 563-4 (Case rep.)

Fibrous dysplasia as a cause of periorbital abscess (Stoeckli et al). 1999;120:283-5 (Case rep.)

Fine-needle aspiration biopsy; see Biopsy, needle

Fishes

Use of plain radiography and computed tomography to identify fish bone foreign bodies (Lue et al). 2000;123:435-8

Fistula

Adult onset spontaneous cerebrospinal fluid otorrhea with oval window fistula and recurrent meningitis: MRI findings (Rupa et al). 2001;124:344–6 (Case rep.)

Air in the vestibule: computed tomography scan finding in traumatic perilymph fistula (Malis et al). 1998;119:689-90 (Case rep.)

Complications associated with labyrinthine fistula in surgery for chronic otitis media (Manolidis). 2000;123:733-7

External auditory canal cholesteatoma with erosion into the mastoid (Martin et al). 1999;121:298-300 (Case rep.)

Pharyngocutaneous fistula as a complication of total laryngectomy: review of the literature and analysis of case records (Cavalot et al). 2000;123:587-92

Skull base CSF fistulae: a comprehensive diagnostic algorithm (Zapalac et al). 2002;126:669-76

Stapedectomy in military aircrew (Thiringer and Arriaga). 1998; 118:9-14

Stapes footplate fistula and recurrent meningitis (Hester et al). 1999;121:289-92 (Case rep.)

Systemic management of chyle fistula: the Southwestern experience and review of the literature 2000;122:31-8

Flaps

Acute reconstruction of massive cervicofacial necrotizing fasciitis with Estlander and free scapular/parascapular flaps (Whetzel et al). 1999;120:101-4 (Case rep.)

See also Surgical flaps

Flocculus

Role of the flocculus of the cerebellum in motor learning of the vestibulo-ocular reflex (Highstein). 1998;119:212-20

Flow cytometry

Value of flow cytometry in the evaluation of head and neck fine-needle lymphoid aspirates: a 3-year retrospective review of a community-based practice (Cannon and Richardson). 2001;

Value of flow cytometry with fine needle aspiration biopsy in patients with head and neck lymphoma (Cannon et al). 2000; 123:699

Fludeoxyglucose F 18

2(^{18}F)-fluoro-2-deoxy-D-glucose positron emission tomography is a sensitive tool for the detection of occult primary cancer (carcinoma of unknown primary syndrome) with head and neck lymph node manifestation (Jungehülsing et al). 2000; 123:294-301

Fluocortolones

Effects of systemic steroid treatment in chronic polypoid rhinosinusitis evaluated with magnetic imaging (Damm et al). 1999;120:517-23

Fluoresceins

Detection of fungal organisms in eosinophilic mucin using a fluorescein-labeled chitin-specific binding protein (Taylor et al). 2002;127:377-83

Fluorides

Fluoride treatment for facial nerve stimulation caused by cochlear implants in otosclerosis (Gold et al). 1998;119:521-3 (Case rep.)

Fluorodeoxyglucose F 18

Use of (^{18}F)-fluorodeoxyglucose positron emission tomography in monitoring response of recurrent neurotropic desmoplastic melanoma to radiotherapy (Hannah et al). 2000;122:304-6 (Case rep.)

Fluoroplastics

Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51

Fluorouracil

Does slow-release 5-fluorouracil and triamcinolone reduce subglottic stenosis? (Ingrams et al). 1998;118:174-7

Food contamination

Food pollution (Trevino). 1999;120:889-96

Food pollution (Wallace and Suchard) (Letter); (Trevino) (Reply). 2000;122:467

Food hypersensitivity

Dysphonia and delayed food allergy: a provocation/neutralization study with strobovideolaryngoscopy (Dixon). 1999;121:418-29

In vitro testing in pediatric food allergy (Herr et al). 1999;120: 233-7

Nasal polyposis: role of subclinical delayed food hypersensitivity (Pang et al). 2000;122:298-301
Skin prick test reactivity to foods in adult Malaysians with rhinitis (Gendeh et al). 2000;122:758-62
Treatment of delayed food allergy based on specific immunoglobulin G RAST testing (Dixon). 2000;123:48-54

Forearm
Osteocutaneous radial forearm free flap: its use without significant donor site morbidity (Werle et al). 2000;123:711-7
Preoperative evaluation of the radial forearm free flap patient with the objective Allen's test (Nuckols et al). 2000;123:553-7

Forecasting
Otolaryngology—Head and Neck Surgery moving into the millennium: the changing of the guard (Holt et al). 2000;123:30-2A (Editorial)
Otolaryngology—Head and Neck Surgery: moving further into the electronic media (Benninger). 2000;123:33A (Editorial)
Predictors of airway intervention in angioedema of the head and neck (Zirkle et al). 2000;123:240-5
The workforce in otolaryngology-head and neck surgery: moving into the next millennium (Pillsbury et al). 2000;123:341-356

Forehead
Secondary intention healing of exposed scalp and forehead bone (Charnock) (Letter); (Becker et al) (Reply). 2000;123:524-5
Secondary intention healing of exposed scalp and forehead bone after Mohs surgery (Becker et al). 1999;121:751-4

Foreign bodies
Airway compromise caused by disk battery ingestion (Wall et al). 1999;121:302-3 (Case rep.)
Broken glass mercury thermometer: a difficult airway foreign body (Moxham and Lee). 2002;127:339-41 (Case rep.)
Clinical experience of removing foreign bodies in the airway and esophagus with a rigid endoscope: a series of 3217 cases from 1970 to 1996 (Hsu et al). 2000;122:450-4
Complications of foreign bodies in the esophagus (Loh et al). 2000;123:613-6
Endobronchial placement of a safety pin during intubation (Wax). 2000;123:742-4 (Case rep.)
Endoscopic management of a chronic ethmoid and sphenoid sinus foreign body (Bhattacharyya and Wenokur). 1998;118:687-90 (Case rep.)
Endoscopic management of foreign bodies in the tracheobronchial tree: predictive factors for complications (Zaytoun et al). 2000;123:311-6
Fatal meningitis and brain abscess resulting from foreign body-induced otomastoiditis (Goldman et al). 1998;118:6-8
Foreign body aspiration: an unusual presentation of myasthenia gravis (Patel and Forsen). 2001;124:698-9 (Case rep.)
How did it get there? a coiled metal foreign body in an unusual cervical position (Barzilai et al). 2001;124:590–1 (Case rep.)
Impression-material foreign bodies of the middle ear and external auditory canal (Syms III and Nelson). 1998;119:406-7 (Case rep.)
Laryngeal obstruction after inhalation of a penny from a metered-dose inhaler (Dayan et al). 1999;120:548-51 (Case rep.)
Parapharyngeal foreign body (Aydogan et al). 2001;125:424-5 (Case rep.)
Pediatric external auditory canal foreign bodies: a review of 698 cases (Schulze et al). 2002;127:73-8
Practical approach to foreign bodies in the frontal sinus (Tosun and Özkaptan). 2000;122:928-9 (Case rep.)
Sternal ossification masquerading as foreign bodies in the infant (Syms et al). 2000;122:107-8 (Case rep.)
Use of plain radiography and computed tomography to identify fish bone foreign bodies (Lue et al). 2000;123:435-8

Forestier disease; see Hyperostosis, diffuse idiopathic skeletal

Formaldehyde
Amplification of herpes simplex virus type 1 DNA in human geniculate ganglia from formalin-fixed, nonembedded temporal bones (Carreño et al). 2000;123:508-11

Fracture
Battle's sign in temporal bone trauma (Alvi). 1998;118:908 (Clin. photo.)
Bilateral Le Fort I fracture from a lightning strike injury to the face (Tibesar et al). 2000;123:647-9 (Case rep.)
Stress fracture of the clavicle after selective neck dissection (Hao and Chang). 1998;118:732-3 (Int. case rep.)

Free radical scavengers
Effects of dimethylthiourea, melatonin, and hyperbaric oxygen therapy on the survival of reimplanted rabbit auricular composite grafts (Lim et al). 1999;121:231-7

Free radicals
Aminoglycoside ototoxicity: prevention in sight? (Schacht). 1998;118:674-7 (Review article)
Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8
Evidence of oxygen free radical damage in human otitis media (Takoudes and Haddad). 1999;120:638-42
Free radical damage in nasal polyp tissue (Doğru et al). 2001;124:570–2

Frey syndrome
Frey syndrome treatment with botulinum toxin (Dulguerov et al). 2000;122:821-7

Frogs
Steps toward recovery of function after hemilabyrinthectomy in frogs (Dieringer and Straka). 1998;119:27-33

Frontal bone
Cholesterol granuloma of the frontal bone (Aferzon et al). 2002;127:578-81 (Case rep.)

Frontal sinus
A new device for frontal sinus endoscopy: first clinical report (Iro and Zenk). 2001;125:613-16
Clinical anatomy of the nasal process of the frontal bone (spina nasalis interna) (Hosemann et al). 2001;125:60-5
Endoscopic repair of anterior cranial fossa dural defect in an unusual case of frontal sinus trauma (Ünal et al). 2000;122:771-2 (Case rep.)
Frontal sinus mucocele presenting as oculomotor nerve palsy (Lin et al). 2002;126:588-90 (Case rep.)
Frontal sinus obliteration with the pericranial flap (Parhiscar and Har-El). 2001;124:304–7
Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3
Isolated frontal sinus aspergillosis (Chen and Chen). 2000;122:460 (Case rep.)
Practical approach to foreign bodies in the frontal sinus (Tosun and Özkaptan). 2000;122:928-9 (Case rep.)
Quality-of-life outcomes after osteoplastic frontal sinus obliteration (Alsarraf et al). 1999;121:435-40
Tension pneumocephalus after frontal sinus gunshot wound (Gönül et al). 1998;118:559-61 (Int. case rep.)
Toxic shock syndrome associated with frontal sinus stents (Chadwell et al). 2001;124:573–4 (Case rep.)

Frontal sinusitis
Osteoplastic flap for obliteration of the frontal sinus: five years' experience (Correa et al). 1999;121:731-5

Frozen sections
Diagnostic accuracy of fine needle aspiration and frozen section in nodular thyroid disease (Mandell et al). 2001;124:531–6
Fungi
Characteristics of bony erosion in allergic fungal rhinosinusitis (Nussenbaum et al). 2001;124:150–4
Detection of fungal organisms in eosinophilic mucin using a fluorescein-labeled chitin-specific binding protein (Taylor et al). 2002;127:377-83
Fungus-specific IgG and IgE in allergic fungal rhinosinusitis (Stewart and Hunsaker). 2002;127:324-32
Natural history of allergic fungal rhinosinusitis (Marple et al). 2002;127:361-6
Prevalence of hypersensitivity to specific fungal allergens as determined by intradermal dilutional testing (Stroud et al). 2001;125:491-4
Skull base fungal osteomyelitis in an immunocompetent host (Shelton et al). 2002;126:76-8 (Case rep.)
Use of immunotherapy in previously treated patients with allergic fungal sinusitis (Bassichis et al). 2001;125:487-90
Fungus ball
Benign *Aspergillus* colonization (Aspergilloma) in the middle ear (Supiyaphun et al). 2001;125:281-2 (Case rep.)

G

Gadolinium DTPA
Viral cochleitis with gadolinium enhancement of the cochlea on magnetic resonance imaging scan (Fitzgerald and Mark). 1999;121:130-2 (Case rep.)
Gammagraphy
Relation of biochemical, cytologic, and morphologic parameters to the result of gammagraphy with technetium 99m sestamibi in primary hyperparathyroidism (Piñero et al). 2000;122:851-5
Ganciclovir
Tumor reduction in vivo after adenoviral mediated gene transfer of the herpes simplex virus thymidine kinase gene and ganciclovir treatment in human head and neck squamous cell carcinoma (Goebel et al). 1998;119:331-6
Ganglia, parasympathetic
Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)
Ganglioneuroma
Cervical ganglioneuroma: report of a case (Califano et al). 2001;124:115–16
Ganglioneuroma of the parapharyngeal space in a pediatric patient (Kaufman et al). 2001;124:702-4 (Case rep.)
Gangrene
Necrotizing fasciitis of the neck (Mastros and Broniatowski). 1998;118:140-1 (Clin. photo.)
Gastric mucosa
Heterotopic gastrointestinal mucosa of the oral cavity (Drennen and Myers). 1998;118:99-101 (Case rep.)
Gastroesophageal reflux
Autonomic dysfunction, vasomotor rhinitis, and extraesophageal manifestations of gastroesophageal reflux (Loehrl et al). 2002;126:382-7
Cough and paradoxical vocal fold motion (Altman et al). 2002;127:501-11
Effects of gastroesophageal reflux on hypertrophy of the base of the tongue (Mamede et al). 2000;122:607-10
Gastroesophageal reflux: a critical factor in pediatric subglottic stenosis (Halstead). 1999;120:683-8
Laryngopharyngeal reflux: a possible risk factor in laryngeal and hypopharyngeal carcinoma (Harrill et al). 1999;210:598-601 (Case rep.)
Laryngopharyngeal reflux: position statement of the Committee on Speech, Voice, and Swallowing Disorders of the American Academy of Otolaryngology–Head and Neck Surgery (Koufman et al). 2002;127:32-5
Nitric oxide synthase type 3 in reflux-induced esophageal lesions (Chandra et al). 2001;124:442–7
Outcome of reflux therapy on pediatric chronic sinusitis (Bothwell et al). 1999;121:255-62
Pharyngeal acid reflux in patients with single and multiple otolaryngologic disorders (Ulualp et al). 1999;121:725-30
Prevalence of reflux in 113 consecutive patients with laryngeal and voice disorders (Koufman et al). 2000;123:385-8
Reflux in infants with larygomalacia: results of 24-hour double-probe pH monitoring (Matthews et al). 1999;120:860-4
Role of gastroesophageal reflux in pediatric upper airway disorders (Halstead). 1999;120:208-14
Gastrostomy
Percutaneous endoscopic gastrostomy: avoiding complications (Santos and McDonald). 1999;120:195-9
Timing of percutaneous endoscopic gastrostomy tube placement in head and neck cancer patients (Raynor et al). 1999;120:479-82
Gatifloxacin
Community-based treatment of acute uncomplicated bacterial rhinosinusitis with gatifloxacin (Sher et al). 2002;127:182-9
Gaussian distribution; see Normal distribution
Gelatinases
Role of membrane type 1-matrix metalloproteinase and gelatinase A in head and neck squamous cell carcinoma invasion in vitro (Rosenthal et al). 1999;121:337-43
Gels
Intratumoral cisplatin/epinephrine-injectable gel as a palliative treatment for accessible solid tumors: a multicenter pilot study (Burris III et al). 1998;118:496-503
Gemifloxacin
Short treatment durations for acute bacterial rhinosinusitis: five days of gemifloxacin versus 7 days of gemifloxacin (Ferguson et al). 2002;127:1-6
Gender; see Sex; Sex factors
Gene expression
Analysis of the human neurofibromatosis type 2 gene promoter and its expression (Welling et al). 2000;123:413-8
Growth-related oncogene-aexpression in human nasal polyps (Klein et al). 2000;123:85-90
Heat shock protein and p53 expression in head and neck squamous cell carcinoma (Gandour-Edwards et al). 1998;118:610-5
p53 expression and p53 gene mutation in oral cancer and dysplasia (Rowley et al). 1998;118:115-23
The HPV 6 E6/E7 transforming genes are expressed in inverted papilloma (Harris et al). 1998;118:312-8
Gene mapping; see Chromosome mapping
Gene therapy
Brain-derived neurotrophic factor gene therapy prevents spiral ganglion degeneration after hair cell loss (Staecker et al). 1998;119:7-13
Gene transfer
Expression of major histocompatibility complex antigens in squamous cell carcinomas of the head and neck (Arosarena et al). 1999;120:665-71
The temporal course of adenovirus-mediated gene transfer in the rat larynx (Jacobs et al). 2002;126:281-9

Tumor reduction in vivo after adenoviral mediated gene transfer of the herpes simplex virus thymidine kinase gene and ganciclovir treatment in human head and neck squamous cell carcinoma (Goebel et al). 1998;119:331-6

Genes

From genes to behavior in the vestibular system (Baker). 1998; 119:263-75

Passage to India: the search for genes causing autosomal recessive nonsyndromic hearing loss (Zbar et al). 1998;118:333-7

Genes, p53

p53 expression and p53 gene mutation in oral cancer and dysplasia (Rowley et al). 1998;118:115-23

Prognostic value of p53, proliferating cell nuclear antigen, and Ki-67 expression in undifferentiated nasopharyngeal carcinomas (Genç et al). 2000;122:868-73

Genes, suppressor, tumor

Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70

Expression on nm23 antimetastatic gene product in head and neck squamous cell carcinoma (Song et al). 2000;122:96-9

Heat shock protein and p53 expression in head and neck squamous cell carcinoma (Gandour-Edwards et al). 1998;118:610-5

p53 expression and p53 gene mutation in oral cancer and dysplasia (Rowley et al). 1998;118:115-23

Genetic markers

Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70

Geniculate ganglion

Amplification of herpes simplex virus type 1 DNA in human geniculate ganglia from formalin-fixed, nonembedded temporal bones (Carreño et al). 2000;123:508-11

Gentamicin

Aminoglycoside ototoxicity: prevention in sight? (Schacht). 1998;118:674-7 (Review article)

Continuous gentamicin therapy using and IntraEAR microcatheter for Meniere's disease: a retrospective study (Seidman). 2002;126:244-56

Continuous intratympanic infusion of gentamicin via a microcatheter in Menière's disease (Schoendorf et al). 2001;124: 203–7

Direct round window membrane application of gentamicin in the treatment of Meniere's disease (Silverstein et al). 1999;120: 649-55

Hair cell recovery in the chinchilla crista ampullaris after gentamicin treatment: a quantitative approach (López et al). 1998; 119:255-62

Intratympanic gentamicin therapy for persistent vertigo after endolymphatic sac surgery (Marzo and Leonetti). 2002;126: 31-3

Intratympanic gentamicin treatment for Meniere's disease (McFeely Jr et al). 1998;118:589-96

Kinetics of gentamicin uptake (Blakley). 1999;121:510 (Letter)

Kinetics of gentamicin uptake in the inner ear of *Chinchilla langier* after middle-ear administration in a sustained-release vehicle (Balough et al). 1998;119:427-31

Morphologic changes in the inner ear of *Chinchilla laniger* after middle ear administration of gentamicin in a sustained-release vehicle (Hoffer et al). 1999;120:643-8

Transforming growth factor-a with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24

Gerbil

Measurement of peripheral vestibular blood flow in a gerbil model of endolymphatic hydrops (Reddy et al). 2000;123:97-100

Gerbillinae

Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21

Geriatric patient; see Aged

Germ-line mutation

Germline screening of the NF-2 gene in families with unilateral vestibular schwannoma (Bikhazi et al). 1998;119:1-6

Giant cell reparative granuloma; see Granuloma, giant cell

Gingiva

Cemento-ossifying fibroma of the upper gingivae (Martín-Granizo et al). 2000;122:775 (Clin. photo.)

Non-Hodgkin's lymphoma of the anterior maxillary gingiva (Park). 1998;119:146 (Clin. photo.)

Gingival neoplasms

Congenital epulis (Evans). 2001;125:283-4 (Clin. photo.)

Glabellar frown lines

Glabellar frown lines as a reliable landmark for the supratrochlear artery (Vural et al). 2000;123:543-6

Glioma

A rare case of nasal glioma in adult age (Pasquini et al). 1998; 118:905-6 (Int. case rep.)

Endoscopic surgery for the removal of a nasal glioma: case report (Dimov et al). 2001;124:690 (Case rep.)

Globe

Globe sparing orbital exenteration (Catalano et al). 2001;125: 379-84

Glomus jugulare tumors

Glomus jugulare (Miman et al). 2002;127:585-6 (Clin. photo.)

Metastatic carcinoma to the jugular foramen (Chao et al). 2000; 122:922 (Case rep.)

Glomus tumor

Growth of human paragangliomas in the subrenal capsule of the nude mouse (Gulya). 1998;118:309-11

Glorig, Aram

Aram Glorig, MD (1906-1998) (House). 1998;119:295-6

Glossectomy

Free flap reconstruction after near-total glossectomy in the child (Sajjadian et al). 1999;120:614-6 (Case rep.)

Glottis

Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44

Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70

Complications and functional outcome after supracricoid partial laryngectomy with cricohyoidoepiglottopexy (Naudo et al). 1998;118:124-9

Does slow-release 5-fluorouracil and triamcinolone reduce subglottic stenosis? (Ingrams et al). 1998;118:174-7

Endoscopic CO_2 laser excision for Tis, T1, and T2 glottic carcinomas: cure rate and prognostic factors (Peretti et al). 2000; 123:124-31

Impact of laryngeal paralysis and its treatment on the glottic aperture and upper airway flow characteristics during exercise (Beaty and Hoffman). 1999;120:819-23

Isolated laryngeal sarcoidosis (Fortune and Courey). 1998;118: 868-70 (Case rep.)

Management and outcome of early glottic carcinoma (Smith et al). 2002;126:356-64

Minimally invasive surgery for posterior glottic stenosis (Róvo et al). 1999;121:153-6

Muscle tension dysphonia as a sign of underlying glottal insufficiency (Belafsky et al). 2002;127:448-51
Phonatory results after laser surgery for glottic carcinoma (Sittel et al). 1998;119:418-24
Primary radiation therapy for early glottic cancer (Barthel and Esclamado). 2001;124:35–9
Self-expanding and self-retaining spiral coil stent for the treatment of severe subglottic stenosis in adults: initial clinical experience (DeRowe et al). 1998;118:249-52 (Drug/device)
Squamous cell carcinoma of the supraglottic larynx in a patient with Fanconi's anemia (Doerr et al). 1998;118:523-5 (Case rep.)
T3 glottic cancer: oncologic results and prognostic factors (Lassaletta et al). 2001;124:556–60
Use of the laryngeal mask airway for laser treatment of the subglottis (Jameson et al). 2000;123:101-2

Glucocorticoids
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998;118:338-43

Glucose
Fetal central auditory system metabolic response to cochlear implant stimulation (Antonelli et al). 2002;127:131-7

Glutamine
Effects of glutamine on head and neck squamous cell carcinoma (Erickson et al). 1999;121:348-54

Glycerol
The importance of glycerin-containing negative control tests in allergy research studies that use intradermal skin tests (Hurst et al). 2002;127:177-81

Glycoconjugates
Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91

Glycosylation
Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91

Goiter
Multinodular goiter: the surgical procedure of choice (Cohen-Kerem et al). 2000;122:848-59

Graft survival
Effects of dimethylthiourea, melatonin, and hyperbaric oxygen therapy on the survival of reimplanted rabbit auricular composite grafts (Lim et al). 1999;121:231-7
Effects of external beam radiation on the allograft dermal implant (Ibrahim et al). 2000;122:189-94
Effects of vasoactive topical agents on the survival of dorsal skin flaps in rats (Smith and Dolan). 1999;121:220-3
Pilot study to evaluate the efficacy of hyperbaric oxygen therapy in improving the survival of reattached auricular composite grafts in the New Zealand White rabbit (McClane et al). 2000;123:539-42

Grafts
Auricular composite grafting to repair nasal vestibular stenosis (Karen et al). 2000;122:529-32
See also Transplants

Granular cell tumor
Congenital granular cell tumor in the newborn (Olson et al). 1998;118:907 (Clin. photo.)
Granular cell tumor of the larynx presenting with airway obstruction (Farmer and Scher). 1998;118:874-6 (Case rep.)
Granular cell tumor of the trachea (Desai et al). 1999;120:595-8 (Case rep.)
Lingual granular cell tumor (Kyrmizakis et al). 2001;125:422-3 (Case rep.)

Granulocyte-macrophage colony-stimulating factor
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5

Granuloma
Giant cell reparative granuloma of the hyoid bone (Khademi and Gandomi). 2001;124:117–18
Intubation granuloma in a neonate (Keefe). 1999;120:447-8 (Clin. photo.)
Isolated laryngeal sarcoidosis (Fortune and Courey). 1998;118:868-70 (Case rep.)
Nasal granuloma gravidarum (Park). 2002;126:590-1 (Clin. photo.)
Necrotizing granulomatous inflammation of the superior vestibular nerve mimicking an acoustic neuroma (Marple et al). 1998;118:862-5 (Case rep.)
Subcochlear petrous cholesterol granuloma involving the infratemporal fossa (Lustig et al). 1998;119:685-9 (Case rep.)
Surgical management of nasal and sinus sarcoidosis (Marks and Goodman). 1998;118:856-8 (Case rep.)

Granuloma, foreign-body
Chest wall mass after pectoralis major myocutaneous flap reconstruction (Kandula et al). 2000;122:267-8 (Case rep.)
Cholesterol granuloma of the frontal bone (Aferzon et al). 2002;127:578-81 (Case rep.)

Granuloma, giant cell
Central giant cell granuloma of the hard palate (Hernandez et al). 1998;118:871-3 (Case rep.)
Giant cell reparative granuloma of the temporal bone: case report and review of the literature (Ung et al). 1998;118:525-9 (Case rep.)

Granuloma, laryngeal
Obstructing laryngeal granuloma (Shapiro et al). 1999;121:164 (Clin. photo.)
Vocal fold granulomas: successful treatment with botulinum toxin (Orloff and Goldman). 1999;121:410-3

Granuloma, plasma cell
Inflammatory pseudotumor of the maxillary sinus (Lee et al). 2001;125:565-6 (Case rep.)

Graphic presentation
Box and whisker plots for graphic presentation of audiometric results of conductive hearing loss treatment (Govaerts et al). 1998;118:892-5

Gravity
Cardiovascular effects of microgravity: evolution of understanding (Short). 1998;118:S52-4
Countermeasures for vestibular dysfunction (Holt). 1998;118:S29-30
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8
Vestibular dysfunction: lessons and legacies from space—forward (Black). 1998;118:S1
Vestibulospinal adaptation to microgravity (Paloski). 1998;118:S39-44

Growth and development
Do adenoids regrow after excision? (Buchinsky et al). 2000;123:576-81
Growth and development of the human cricoid cartilage: an immunohistochemical analysis of the maturation sequence of the chondrocytes and surrounding cartilage matrix (Mankarious et al). 2000;123:174-8

Growth-related oncogene-aexpression in human nasal polyps (Klein et al). 2000;123:85-90

Growth factors

Model for evaluating the effect of growth factors on the larynx (Walner et al). 1999;120:78-83

Growth inhibitors

Synergistic effects of 13-*cis* retinoic acid and arachidonic acid cascade inhibitors on growth of head and neck squamous cell carcinoma in vitro (Spingarn et al). 1998;118:159-64

Growth substances

Potential role of growth factors and extracellular matrix in wound healing after laryngotracheal reconstruction (Walner et al). 2000;122:363-6

The effect of endothelial cell growth factor on peripheral nerve regeneration (Smith and Browne). 1998;118:178-82

Transforming growth factor-α with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24

Guided imaging

Endoscopic sinus surgery with magnetic resonance imaging guidance: initial patient experience (Fried et al). 1998;119:374-80

New armless image-guidance system for endoscopic sinus surgery (Fried et al). 1998;119:528-32 (Drug/device)

Guidelines

Management of otitis media using Agency for Health Care Policy and Research guidelines (Hsu et al). 1998;118:437-43

Guillain-Barré syndrome

Guillain-Barré syndrome presenting as a neck mass (Yoskovitch et al). 2000;122:269 (Case rep.)

Guinea pigs

Effect of temperature on lateral wall mechanics of the guinea pig outer hair cell (Chen and Brownell). 1999;120:46-50

Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8

Labyrinthine fenestration in the guinea pig (Isaacson and Antonelli). 1999;120:394-9

Protection against aminoglycoside otic drop-induced ototoxicity by a spin trap: I. acute effects (Hester et al). 1998;119:581-7

Ultrastructural aspects of the microvasculature of the cochlea: the internal spiral network (Penha et al). 1999;120:725-9

Gulf War syndrome

Vestibular toxicity is upriver as the cause of Gulf War syndrome (Sartin) (Letter); (Roland et al) (Reply). 2001;124:238–40

H

5-HT3 antagonists; see Serotonin antagonists

8p23

Association of 8p23 deletions with poor survival in head and neck cancer (Bockmühl et al). 2001;124:451–5

Haemophilus influenzae

Issues in the management of bacterial sinusitis (Bishai). 2002; 127:S3-S9

Issues in the management of bacterial sinusitis (Bishai). 2002; 127:S3-S9

Management update of acute bacterial rhinosinusitis and the use of cefdinir (Gwaltney). 2002;127:S24-S29

Pharmacodynamic considerations for the selection of oral cephalosporins in the treatment of rhinosinusitis (Dandekar and Nicolau). 2002;127:S10-S16

Hair

Cochlear implantation: minimal hair removal technique (Roberson et al). 2000;122:625-9

Hair cells

Brain-derived neurotrophic factor gene therapy prevents spiral ganglion degeneration after hair cell loss (Staecker et al). 1998;119:7-13

Contribution of membrane cholesterol to outer hair cell lateral wall stiffness (Nguyen and Brownell). 1998;119:14-20

Effect of temperature on lateral wall mechanics of the guinea pig outer hair cell (Chen and Brownell). 1999;120:46-50

Evolutionary trends in the organization of the vertebrate crista ampullaris (Goldberg and Brichta). 1998;119:165-71

Hair cell recovery in the chinchilla crista ampullaris after gentamicin treatment: a quantitative approach (López et al). 1998; 119:255-62

Hair cells in mammalian utricles (Eatock et al). 1998;119:172-81

Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32

Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15

Round window membrane permeability to transforming growth factor-α an in vitro study (Witte et al). 2000;123:91-6

Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8

Transforming growth factor-a with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24

Unilateral deafness with persistent otoacoustic emissions after neurosurgical removal of a cerebellar astrocytoma (Oeken et al). 2001;124:234–5

Hair cells, outer

Chlorpromazine alters outer hair cell electromotility (Lue et al). 2001;125:71-6

Hantavirus

Hantavirus infection: a possible cause of delayed sensorineural hearing loss (Javer et al). 1998;118:697-701 (Case rep.)

Haplorhini

Vestibular adaptation to space in monkeys (Dai et al). 1998;119: 65-77

Hay fever

Immune mediators in allergic rhinitis and sleep (Krouse et al). 2002;126:607-13

Head

Advances in Otolaryngology-Head and Neck Surgery, Volume 12 (Lowry). 2000;122:623 (Book rev.)

Differential Diagnosis in Head and Neck Imaging (Sandlin). 2000;122:622 (Book rev.)

Head and Neck Surgery-Otolaryngology, 2nd edition (Gates). 2000;122:622 (Book rev.)

Isolated cervical tuberculosis in patients with HIV infection (Singh et al). 1998;118:766-70

Three-dimensional ultrasound evaluation in the head and neck (Klimek et al). 1998;118:267-71

Head and neck neoplasms

A novel CD44 v3 isoform is involved in head and neck squamous cell carcinoma progression (Franzmann et al). 2001;124:426–32

Adjuvant radiotherapy influences the survival of patients with squamous carcinoma of the head and neck who have poor prognoses (De Stefani et al). 2000;123:630-6

Aggressive cervical lymphoma presenting as airway obstruction (Oghalai et al). 1999;120:610-3 (Case rep.)

Angioleiomyoma in the submandibular region: an unusual tumor in an unusual tumor in an unusual site (Wong et al). 2000; 122:144-5 (Case rep.)

Angiolipoma presenting as a nasal mass (Shohet et al). 1998;118: 848-9 (Case rep.)

Association of 8p23 deletions with poor survival in head and neck cancer (Bockmühl et al). 2001;124:451–5

Cellular immune defect caused by postsurgical radiation therapy in patients with head and neck cancer (Tisch et al). 1998;119: 412-7

Central giant cell granuloma of the hard palate (Hernandez et al). 1998;118:871-3 (Case rep.)

Cervical ganglioneuroma: report of a case (Califano et al). 2001; 124:115–16

Chemoprevention of head and neck cancer (Armstrong and Meyskens). 2000;122:728-35

Chordoma of the oropharynx: an unusual presentation and review of the literature (Gladstone et al). 1998;118:104-7 (Case rep.)

Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70

Comparison of ThinPrep versus conventional smear cytopreparatory techniques for fine-needle aspiration of specimens of head and neck masses (Ford et al). 2002;126:554-61

Complicated cirrhosis of the liver in patients with head and neck cancer (Ampil et al). 2001;125:417-19 (Case rep.)

Congenital cervical teratoma: airway management and complications (Shah et al). 2001;124:53–5 (Case rep.)

Correlation of galectin-3/galectin-3-binding sites with low differentiation status in head and neck squamous cell carcinomas (Delorge et al). 2000;122:834-41

Correlation of neural cell adhesion molecules with perineural spread of squamous cell carcinoma of the head and neck (Vural et al). 2000;122:717-20

Cystic cervical metastases: incidence and diagnosis using fine needle aspiration biopsy (Sheahan et al). 2002;127:294-8

Desmoid tumor of the neck (Gerek et al). 2000;122:930-1 (Case rep.)

Effects of glutamine on head and neck squamous cell carcinoma (Erickson et al). 1999;121:348-54

Efficacy of selective lymph node dissection in clinically negative neck (Mira et al). 2002;127:279-83

Estrogen metabolism as a risk factor for head and neck cancer (Yoo et al). 2001;124:241–7

Expression of major histocompatibility complex antigens in squamous cell carcinomas of the head and neck (Arosarena et al). 1999;120:665-71

Expression of the proto-oncogene eIF4E in inflammation of the oral cavity (Chandy et al). 2002;126:290-5

Extramedullary plasmacytoma in the anterior cervical region (Kakarlapudi et al). 1999;121:296-7 (Case rep.)

Extramedullary plasmacytoma of the nasal cavity (Shreif et al). 2001;124:119–20

Facial translocation approach to the skull base: the viability of translocated facial bone graft (Hao). 2001;124:292–6

Factors related to dropout in a study of head and neck cancer patients after surgery (Colangelo et al). 1999;120:368-74

Factors related to outcome of salvage therapy for isolated cervical recurrence of squamous cell carcinoma in the previously treated neck: a multi-institutional study (Krol et al). 2000; 123:368-76

Fenretinide-induced apoptosis of human head and neck squamous carcinoma cell lines (Scher et al). 1998;118:464-71

Fibromatosis of the head and neck: a challenging lesion (Siegel et al). 2000;123:269-75

Free tissue transfer versus pedicled flap cost in head and neck cancer (Funk et al). 2002;127:205-12

Giant cell reparative granuloma of the hyoid bone (Khademi and Gandomi). 2001;124:117–18

Granular cell tumor of the larynx presenting with airway obstruction (Farmer and Scher). 1998;118:874-6 (Case rep.)

Head and neck manifestations of B-cell chronic lymphocytic leukemia (Cohen-Kerem et al). 2000;123:784-5 (Clin. photo.)

Head and neck squamous cell carcinoma: better to be young (Lacy et al). 2000;122:253-8

Head and neck squamous cell carcinoma: measurement of plasma parathyroid hormone-related protein and serum and urine calcium concentrations (Sellers et al). 2000;123:558-62

Health impact of head and neck cancer (Terrell et al). 1999;120: 852-9

Heat shock protein and p53 expression in head and neck squamous cell carcinoma (Gandour-Edwards et al). 1998;118: 610-5

Hepatocyte growth factor/scatter factor stimulates mitogenesis and migration of a head and neck squamous cell carcinoma cell line (Fleigel et al). 2002;127:271-8

Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32

Identification of differentially expressed genes in human papillomavirus type-16 infected oral cancer cells (Brown et al). 2001;124:663-8

Immunomodulating effects of surgical intervention in tumors of the head and neck (Dietz et al). 2000;123:132-9

Increased levels of immune inhibitory CD34+ progenitor cells in the peripheral blood of patients with node positive head and neck squamous cell carcinomas and the ability of these CD34+ cells to differentiate into immune stimulatory dendritic cells (Lathers et al). 2001;125:205-12

Induction chemotherapy followed by concomitant chemoradiation-induced regression of advanced cervical lymphadenopathy in head and neck cancer as a predictor of outcome (Ampil et al). 2002;126:602-6

Influence of computed tomography on pretherapeutic tumor staging in head and neck cancer patients (Prehn et al). 1998;119: 628-33

Inhibition of cell proliferation in head and neck squamous cell carcinoma cell lines with antisense cyclin D1 (Wang et al). 1998;119:593-9

Intracranial metastases in patients with squamous cell carcinoma of the head and neck (de Bree et al). 2001;124:217–21

Intraoperative radiolymphoscintigraphy for detection of occult nodal metastasis in patients with head and neck squamous cell carcinoma (Zitsch et al). 2000;122:662-6

Intravascular lobular capillary hemangioma arising in an hemangioma: a much disputed entity (Panchagnula and Kili). 2001; 125:574-5 (Case rep.)

Is carotid reconstruction for advanced neck cancer a safe procedure? (Katsuno et al). 2001;124:222–4

Isolated mucoepidermoid carcinoma in the neck (Wani et al). 1998;119:398-9 (Case rep.)

Lack of *BRCA2* alterations in primary head and neck squamous cell carcinoma (Nawroz-Danish et al). 1998;119:21-5

Larynx preservation: the discussion is not closed (Lefebvre). 1998;118:389-93

Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91

Madelung's lipomatosis associated with head and neck neoplasia: a study of 2 cases (Guastella et al). 2002;126:191-2

Magnetic resonance imaging versus clinical palpation in evaluating cervical metastasis from head and neck cancer (Hao et al). 2000;123:324-7

Malignant eccrine spiradenoma of the neck: a case report (Otero-Garcia et al). 2001;125:428 (Case rep.)

Malignant myoepithelioma arising within the masticator space ectopically (Minota et al). 2001;124:342–3 (Case rep.)
Malignant peripheral nerve sheath tumors of the head and neck: analysis of prognostic factors (Loree et al). 2000;122:667-72
Management of cancer in the elderly: therapeutic dilemmas (Hirano and Mori). 1998;118:110-4
Microcystic adnexal carcinoma of external auditory canal: report of a case (Chi et al). 2002;127:241-2 (Case rep.)
Monoclonal antibodies against squamous cell carcinoma of the upper aerodigestive mucous membranes (Folz et al). 2000; 122:124-8
Nasal septal tumor as a sole presentation in the head and neck region in Rosai-Dorfman disease (Sheen et al). 1998;118: 408-11 (Int. case rep.)
Neck mass as primary manifestation of multiple myeloma originating in the thyroid cartilage (Gross et al). 2002;126:326-8 (Case rep.)
Neck-dissection surgical specimens treated by lymph node revealing solution (Koren et al). 2001;124:72–5
Necrotizing fasciitis of the neck (Mastros and Broniatowski). 1998;118:140-1 (Clin. photo.)
Neurofibromatosis of the head and neck: atypical presentation in a child (Sobol et al). 1999;120:763-5 (Case rep.)
Node counts in radical neck dissection: are they useful in outcomes research (Agrama et al). 2001;124:433–5
Oncologic rationale for bilateral tonsillectomy in head and neck squamous cell carcinoma of unknown primary source (Koch et al). 2001;124:331–3
Oxygenation of advanced head and neck cancer: prognostic marker for the response to primary radiochemotherapy (Vanselow et al). 2000;122:856-62
Patients with head and neck tumors excrete a chondroitin sulfate with a low degree of sulfation: a new tool for diagnosis and follow-up of cancer therapy (Martins et al). 2000;122:115-8
Patterns of spread in recurrent head and neck squamous cell carcinoma (Vaidya et al). 2001;125:393-6
Phase I trial of retinoic acid and *cis*-platinum for advanced squamous cell cancer of the head and neck based on experimental evidence of drug synergism (Weisman et al). 1998; 118:597-602
Physical and psychosocial correlates of head and neck cancer: a review of the literature (De Boer et al). 1999;120:427-36
Pilomatrixoma of the head and neck in children (Agarwal et al). 2001;125:510-15
Plasmacytomas of the head and neck (Miller et al). 1998;119: 614-8
Potent effector function of tumor-sensitized L-^{selectinlow} T cells against subcutaneous tumors requires LFA-1 co-stimulation (Seeley et al). 2001;124:436–41
Presentation of prostatic adenocarcinoma with cervical lymphadenopathy: two case reports and review of literature (Chitale et al). 2001;125:431-2 (Case rep.)
Primary melanoma of the sphenoid sinus (Busaba). 2000;123: 748-9 (Case rep.)
Primary radiation therapy for early glottic cancer (Barthel and Esclamado). 2001;124:35–9
Prognostic assessment of sonography and tumor volumetry in advanced cancer of the head and neck by use of Doppler ultrasonography (Dietz et al). 2000;122:596-601
Prognostic significance of postoperative wound infection on head and neck cancer (Rodrigo and Suárez). 1998;118:272-5
Progression difference between cancers of the larynx and hypopharynx is not due to tumor size and vascularization (Lukits et al). 2001;125:18-22
Promoter hypermethylation: an important epigenetic mechanism for *hMLH1* gene inactivation in head and neck squamous cell carcinoma (Liu et al). 2002;126:548-53
Quality-of-life effects of psychosocial intervention in patients with head and neck cancer (Hammerlid et al). 1999;120: 507-16
Radiation-induced malignant fibrous histiocytoma of the head and neck (Fell et al). 1998;118:529-31 (Case rep.)
Reassessment of CD62L as a marker of pre-effector T cells in the tumor draining lymph nodes of head and neck cancer patients (Strome et al). 2002;126:180-7
Recurrent cutaneous melanoma of the head and neck (Zitsch et al). 1999;120:391-3
Relating speech and swallow function to dropout in a longitudinal study of head and neck cancer (Colangelo et al). 1999;121: 713-9
Relationship between progression of disease and immunoglobulin A-anti-Fab-/F(ab′)$_2$ autoantibodies in patients with head and neck cancer (Lorenz et al). 1998;118:130-6
Renal carcinoma metastasis: and unusual cerebellopontine angle tumor (Panarese et al). 2002;127:245-7 (Case rep.)
Role of membrane type 1-matrix metalloproteinase and gelatinase A in head and neck squamous cell carcinoma invasion in vitro (Rosenthal et al). 1999;121:337-43
Role of screening chest computed tomography in patients with advanced head and neck cancer (Tan et al). 1999;120:689-92
Sentinel lymph node evaluation in squamous cell carcinoma of the head and neck (Stoeckli et al). 2001;125:221-6
Sinonasal neuroendocrine carcinoma presenting as a nasopharyngeal mass (Galera-Ruiz et al). 2001;124:475–6 (Case rep.)
Skin metastases in squamous cell carcinoma of the head and neck (Yoskovitch et al). 2001;124:248–52
Speech and swallowing in irradiated and nonirradiated postsurgical oral cancer patients (Pauloski et al). 1998;118:616-24
Squamous cell carcinoma of the supraglottic larynx in a patient with Fanconi's anemia (Doerr et al). 1998;118:523-5 (Case rep.)
Symptoms as an index of biologic behavior in head and neck cancer (Pugliano et al). 1999;120:380-6
Symptoms in early head and neck cancer: an inadequate indicator (Dolan et al). 1998;119:463-7
Synergistic effects of 13-*cis* retinoic acid and arachidonic acid cascade inhibitors on growth of head and neck squamous cell carcinoma in vitro (Spingarn et al). 1998;118:159-64
The HPV 6 E6/E7 transforming genes are expressed in inverted papilloma (Harris et al). 1998;118:312-8
The use of lymphoscintigraphy and PET in the management of head and neck melanoma (Kokoska et al). 2001;125:213-20
Tonsillectomy in diagnosis of the unknown primary tumor of the head and neck (Randall et al). 2000;122:52-5
Tumor reduction in vivo after adenoviral mediated gene transfer of the herpes simplex virus thymidine kinase gene and ganciclovir treatment in human head and neck squamous cell carcinoma (Goebel et al). 1998;119:331-6
Unique characteristics of malignant schneiderian papilloma (Nachitgal et al). 1999;121:766-71
Value of flow cytometry with fine needle aspiration biopsy in patients with head and neck lymphoma (Cannon et al). 2000; 123:699

Head injuries

Aural symptoms and hearing loss in patients with lupus (Sperling et al). 1998;118:762-5
Battle's sign in temporal bone trauma (Alvi). 1998;118:908 (Clin. photo.)

Headache
Characteristics of sinus-related pain (Tarabichi). 2000;122:842-7
Health care costs
Health care utilization and cost among adults with chronic rhinosinusitis enrolled in a health maintenance organization (Murphy et al). 2002;127:367-76
Health maintenance organizations
Health care utilization and cost among adults with chronic rhinosinusitis enrolled in a health maintenance organization (Murphy et al). 2002;127:367-76
Health manpower
The workforce in otolaryngology-head and neck surgery: moving into the next millennium (Pillsbury et al). 2000;123:341-356
Health policy
Biodiversity: our greatest natural resource (Bailey). 1999;120:291-5 (Editorial)
Health resources
Clinical care pathways: decreasing resource utilization in head and neck surgical patients (Husbands et al). 1999;121:755-9
Health status
Health impact of head and neck cancer (Terrell et al). 1999;120:852-9
Health status in allergic rhinitis (Corey et al). 2000;122:681-5
Health status in patients with disturbed sleep and obstructive sleep apnea (Gliklich et al). 2000;122:542-6
Health surveys
In search of a hammer (Alsarraf) (Letter); (Becker et al) (Reply). 2000;123:525-6
Hearing
Audiologic manifestations of Noonan syndrome (Qiu et al). 1998;118:319-23
Chronic tinnitus as phantom auditory pain (Folmer et al). 2001;124:394–9
Extrusion rates and hearing results in ossicular reconstruction (House and Teufert). 2001;125:135-41
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7
Hearing ability by telephone of patients with cochlear implants (Ito et al). 1999;121:802-4
Hearing preservation in solitary vestibular schwannoma surgery using the retrosigmoid approach (Moffatt et al). 1999;121:781-8
Hearing results in pediatric patients after canal-wall-up and canal-wall-down mastoid surgery (Murphy and Wallis). 1998;119:439-43
Hearing results in the second stage of open mastoidectomy: a comparison of the different techniques (Cristóbal et al). 2000;122:748-51
Hearing status in brucellosis (Bayazit et al). 2002;127:97-100
Influence of lecithin on mitochondrial DNA and age-related hearing loss (Seidman et al). 2002;127:138-44
Management of otitis media using Agency for Health Care Policy and Research guidelines (Hsu et al). 1998;118:437-43
Otologic and laryngologic manifestations of mucopolysaccharidoses after bone marrow transplantation (Papsin et al). 1998;118:30-6
Partial labyrinthectomy with hearing preservation: frequency-specific data using tone-burst auditory brain stem response (Smouha and Inouye). 1999;120:146-52
Preoperative hearing predicts postoperative hearing (Blakley et al). 1998;119:559-63
Prosthesis size in stapedectomy (Fucci et al). 1998;118:1-5
Revision stapedectomy for incus erosion: long-term hearing (Krieger et al). 1998;119:370-3
Sac-vein decompression for intractable Meniere's disease: two-year treatment results (Gianoli et al). 1998;118:22-9
Standardized format for depicting hearing preservation results in the management of acoustic neuroma (Rappaport et al). 1999;121:176-9
The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90 (Editorial)
The multichannel auditory brain stem implant: performance in twenty patients (Otto et al). 1998;118:291-303
Titration streptomycin therapy in Meniere's disease: long-term results (Balyan et al). 1998;118:261-6
Hearing aids
Evaluation of implant losses and skin reactions around extraoral bone-anchored implants: a 0- to 8-year follow-up (Reyes et al). 2000;122:272-6
Osseointegrated implants in children: experience from our first 100 patients (Granström et al). 2001;125:85-92
Percutaneous bone-anchored hearing aids at a pediatric institution (Béjar-Solar et al). 2000;122:887-91
Phase III clinical trial results with the Vibrant Soundbridge implantable middle ear hearing device: a prospective controlled multicenter study (Luetje et al). 2002;126:97-107
Hearing disorders
Interactive effects of the middle ear pathology and the associated hearing loss on transient-evoked otoacoustic emission measures (Koike and Wetmore). 1999;121:238-44
Sudden hearing loss and the need for immediate referral (Grossan). 1999;121:166-7 (Letter)
Hearing impaired persons
Clinicoepidemiologic features of sudden deafness diagnosed and treated at university hospitals in Japan (Nakashima et al). 2000;1223:593-7
Hearing loss
Airbag deployment and hearing loss (Morris et al). 1999;121:165-6 (Letter)
Effects of cis-platinum chemotherapy on otoacoustic emissions: the development of an objective screening protocol (Ress et al). 1999;121:693-701
Neurotologic complications associated with deployment of airbags (Cunningham et al). 2000;123:637-8 (Case rep.)
Ossiculoplasty in canal wall down mastoidectomy (Berenholz et al). 2000;123:30-3
Outcomes and quality of life in conductive hearing loss (Stewart et al). 2000;123:527-32
Parents cannot detect mild hearing loss in children (Brody et al). 1999;121:681-6
Prospective study of tympanic membrane retraction, hearing loss, and multifrequency tympanometry (Li et al). 1999;121:514-22
Round window obliteration by osteoma of the middle ear (Britt et al). 2000;123:514-5 (Case rep.)
Hearing loss, autosomal recessive nonsyndromic
Passage to India: the search for genes causing autosomal recessive nonsyndromic hearing loss (Zbar et al). 1998;118:333-7
Hearing loss, bilateral
Aural symptoms and hearing loss in patients with lupus (Sperling et al). 1998;118:762-5
Bilateral sensorineural hearing loss and spastic paraparesis in Lyme disease (Bertholon et al). 2000;122:458-9 (Case rep.)
Facial paralysis: an unusual presentation of congenital cholesteatoma (Melero et al). 2000;122:615-6 (Case rep.)
Histopathology of multiple temporal bone metastasis from pancreatic adenocarcinoma: a case showing bilateral hearing loss and Bechterew's (Wu et al). 2000;122:613-4 (Case rep.)

Sudden bilateral hearing loss and dizziness occurred with cerebellar infarction (Sunose et al). 2000;122:146 (Case rep.)

Hearing loss, conductive

Battle's sign in temporal bone trauma (Alvi). 1998;118:908 (Clin. photo.)

Box and whisker plots for graphic presentation of audiometric results of conductive hearing loss treatment (Govaerts et al). 1998;118:892-5

Conductive hearing loss associated with pressure equalization tubes (Estrem and Batra). 2000;122:349-51

Conductive hearing loss in osteopathia striata-cranial sclerosis (Berenholz et al). 2002;127:124-6 (Case rep.)

Explaining the Weber test (Sichel et al) (Letter); (Blakley and Siddique) (Reply). 2000;122:465

Stapedotomy above the facial nerve in a congenitally malformed ear: a case report (Boone and Dornhoffer). 2002;127:342-5 (Case rep.)

The oto-palato-digital syndrome: variable clinical expressions (Zaytoun et al). 2002;126:129-40

Hearing loss, functional

Aural symptoms and hearing loss in patients with lupus (Sperling et al). 1998;118:762-5

Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32

Susac syndrome (Turner et al). 1998;118:866-7 (Case rep.)

Hearing loss, high-frequency

Audiologic manifestations of Noonan syndrome (Qiu et al). 1998;118:319-23

Hearing loss, noise-induced

Automobile airbag impulse noise: otologic symptoms in six patients (Saunders et al). 1998;118:228-34

Explosive tinnitus: an underrecognized disorder (Teixido and Connolly). 1998;118:108-9 (Case rep.)

Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998;118:338-43

Sarthran preserves cochlear microcirculation and reduces temporary threshold shifts after noise exposure (Goldwyn et al). 1998;118:576-83

Hearing loss, partial

Automobile airbag impulse noise (Benecke). 1999;121:166 (Letter)

Hearing loss, sensorineural

Acute bilateral sensorineural hearing loss as the presenting symptom of metastatic lung cancer (Snyder and Heywood). 2001;124:592–4 (Case rep.)

Asymmetric sensorineural hearing loss (Biedlingmaier). 2000;122:780 (Letter)

Asymmetric sensorineural hearing loss in a community-based population (Urben et al). 1999;120:809-14

Audiologic manifestations of Noonan syndrome (Qiu et al). 1998;118:319-23

Battle's sign in temporal bone trauma (Alvi). 1998;118:908 (Clin. photo.)

Bilateral sensorineural hearing loss and spastic paraparesis in Lyme disease (Bertholon et al). 2000;122:458-9 (Case rep.)

Cost and cost-effectiveness of universal screening for hearing loss in newborns (Kezirian et al). 2001;124:359–67

Design for an inexpensive but effective cochlear implant (Wilson et al). 1998;118:235-41

Effect of increased inner ear pressure on middle ear mechanics (Murakami et al). 1998;118:703-8

Efficacy of evaluation of audiometric results after stapes surgery in otosclerosis. I. The effects of using different audiologic parameters and criteria on success rates (de Bruijn et al). 2001;124:76–83

Efficacy of evaluation of audiometric results after stapes surgery in otosclerosis. II. A method of reporting results from individual cases (de Bruijn et al). 2001;124:84–9

Efficacy of serologic testing in a asymmetric sensorineural hearing loss (Sabini and Sclafani). 2000;122:469-76

Establishing the etiology of childhood hearing loss (Ohlms et al). 1999;120:159-63

Hantavirus infection: a possible cause of delayed sensorineural hearing loss (Javer et al). 1998;118:697-701 (Case rep.)

Hearing loss in progressive systemic sclerosis patients: a comparative study (Kastanioudakis et al). 2001;124:522–5

Hearing preservation in patients with vestibular schwannomas and with sensorineural hearing loss (Friedman et al). 2001;125:544-51

Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32

Immune-mediated sensorineural hearing loss in a patient with ankylosing spondylitis (Yeo and Park). 2001;125:113-14 (Case rep.)

Implications of sound levels generated by otologic devices (Michaelides and Kartush). 2001;125:361-3

Is parental perception an accurate predictor of childhood hearing loss? A prospective study (Stewart et al). 1999;120:340-4

Management of unilateral acoustic neuroma in a 72-year-old patient with contralateral congenital deafness (Branch and Hirsch). 2002;127:483-6 (Case rep.)

Noonan's syndrome with sensorineural hearing loss and vestibular abnormalities (Foster and Dyhrkopp). 1998;119:508-11 (Case rep.)

Phase III clinical trial results with the Vibrant Soundbridge implantable middle ear hearing device: a prospective controlled multicenter study (Luetje et al). 2002;126:97-107

Risk of progressive sensorineural hearing loss and Meniere's disease after breast implantation (Kim and Harris). 1998;118:747-50

Stapedectomy in military aircrew (Thiringer and Arriaga). 1998;118:9-14

Sympathetic cochleolabyrinthitis in revision stapedectomy surgery (Richards et al). 2002;126:273-80

Time course of hearing loss in an animal model of pneumococcal meningitis (Kesser et al). 1999;120:628-37

Transient-evoked otoacoustic emissions in children after cisplatin chemotherapy (Allen et al). 1998;118:584-8

Transtympanic steroids for treatment of sudden hearing loss (Gianoli and Li). 2001;125:142-6

Ultra high resolution nonenhanced fast spin echo magnetic resonance imaging: cost-effective screening for acoustic neuroma in patients with sudden sensorineural hearing loss (Daniels et al). 1998;119:364-9

Hearing preservation

The transmastoid retrolabyrinthine approach in vestibular schwannoma surgery (Bento et al). 2002;127:437-41

Hearing tests

A comparison of screening methods in school-aged children (Krueger and Ferguson). 2002;127:516-19

Distortion-product otoacoustic emissions hearing screening in high-risk newborns (Salata et al). 1998;118:37-43

Does choice of hearing selection criterion and reporting criteria affect the hearing preservation rate in vestibular schwannoma surgery? (Da Cruz et al). 1999;121:313-7

External and middle ear effects on infant hearing screening test results (Doyle et al). 2000;122:477-81

Hearing screening in the newborn intensive care nursery: comparison of methods (Rhodes et al). 1999;120:799-808

Hearing threshold; see Auditory threshold

Heart defects, congenital

Aberrant internal carotid artery causing erosion of the otic capsule: an unusual cause of pulsatile tinnitus (Yao et al). 1998; 118:678-9 (Case rep.)

Heat-shock proteins

Heat shock protein and p53 expression in head and neck squamous cell carcinoma (Gandour-Edwards et al). 1998;118: 610-5

Prevalence of heat shock protein in patients with Meniere's disease and allergy (Derebery). 2002;126:677-82

Helicobacter pylori

The role of *Helicobacter pylori* in the cause of squamous cell carcinoma of the larynx (Aygenc et al). 2001;125:520-1

Helper cells; see T lymphocytes

Hemangioendothelioma

Interferon in the treatment of base of the skull hemangioendothelioma (Freeman et al). 1999;121:842-3 (Case rep.)

Hemangioma

Hemangioma of the ethmoid sinus (Kim et al). 2000;123:517-9 (Case rep.)

Hemangioma of the external auditory canal (Limb et al). 2002; 126:74-5 (Case rep.)

Hemangioma of the intratemporal vestibular nerve (Raney et al). 1999;120:946-7 (Case rep.)

Hemangioma of the pyriform sinus (Guo et al). 2001;124:707-8 (Clin. photo.)

Hemangioma of the tympanic membrane (Bijelic et al). 2001; 125:272-3 (Case rep.)

Intraosseus zygomatic hemangioma (Konior et al). 1999;121: 122-5 (Case rep.)

Vascular lesion of the masseter presenting with phlebolith (Hessel et al). 1999;120:545-8 (Case rep.)

Hemangioma, capillary

Intravascular lobular capillary hemangioma arising in an hemangioma: a much disputed entity (Panchagnula and Kini). 2001; 125:574-5 (Case rep.)

Lobular capillary hemangioma of the nasal cavity (Miller et al). 1999;120:783-6 (Case rep.)

Hemangioma, cavernous

Cavernous hemangioma of the auricle (Yücel). 2000;122:153 (Clin. photo.)

Hemangiopericytoma

Hemangiopericytoma of the parapharyngeal space (Llorente et al). 1999;120:531-3 (Case rep.)

Hematoma

Laryngeal hematoma after thrombolytic therapy for myocardial infarction (Kaye and Kost). 1998;119:276-7 (Case rep.)

Two faces of orbital hematoma in intranasal (endoscopic) sinus surgery (Stankiewicz and Chow). 1999;120:841-7

Hematoma, subdural

Spinal subdural hematoma after resection of an acoustic neuroma (Marx et al). 1999;120:540-2 (Case rep.)

Hemilabyrinthectomy

Steps toward recovery of function after hemilabyrinthectomy in frogs (Dieringer and Straka). 1998;119:27-33

Hemorrhage

Complications of tonsillectomy and adenoidectomy (Randall and Hoffer). 1998;118:61-8

Evaluation of posttonsillectomy hemorrhage and risk factors (Wei et al). 2000;123:229-35

Spontaneous tonsillar hemorrhage (Kumra et al). 2001;124:51–2 (Case rep.)

The use of preoperative lidocaine to prevent stridor and laryngospasm after tonsillectomy and adenoidectomy (Koç et al). 1998;118:880-2

Hemorrhagic fever, epidemic; see Hantavirus

Hemostasis

Hemostatic alterations in patients with acute, unilateral vestibular paresis (Fattori et al). 2001;124:401–7

Hemostatic alterations in patients with acute, unilateral vestibular paresis (Katsarkas) (Letter); (Fattori) (Reply). 2002;127:490-1

Hemostasis, surgical

Argon beam coagulation for post-tonsillectomy hemostasis (Bowling). 2002;126:316-20

Hepatocyte growth factor

Hepatocyte growth factor/scatter factor stimulates mitogenesis and migration of a head and neck squamous cell carcinoma cell line (Fleigel et al). 2002;127:271-8

Hereditary diseases

Audiologic manifestations of Noonan syndrome (Qiu et al). 1998; 118:319-23

Familial recurrent facial paresis: four generations (Bruns and Burgess). 1998;118:859-62 (Case rep.)

Germline screening of the NF-2 gene in families with unilateral vestibular schwannoma (Bikhazi et al). 1998;119:1-6

Passage to India: the search for genes causing autosomal recessive nonsyndromic hearing loss (Zbar et al). 1998;118:333-7

Hermissenda crassicornis

Evolution of adaptive neural networks: the role of voltage-dependent K+ channels (Alkon et al). 1998;119:204-11

Herpes simplex

Amplification of herpes simplex virus type 1 DNA in human geniculate ganglia from formalin-fixed, nonembedded temporal bones (Carreño et al). 2000;123:508-11

Herpes Zoster Oticus

Endoscopy during neurotomy of the nervus intermedius for geniculate neuralgia (Alcaraz et al). 1999;121:334-5 (Clin. photo.)

Herpesvirus 4, human

Lymphoepithelioma-like carcinoma of the larynx associated with an Epstein-Barr viral infection (Sone et al). 1998;119:134-7 (Case rep.)

Heterotopic tissue; see Choristoma

Hexokinase

Tumor grade, microvessel density, and activities of malate dehydrogenase, lactate dehydrogenase, and hexokinase in squamous cell carcinoma (Ross et al). 2000;122:195-200

Histamine

Action of histamine on eustachian tube function (Downs et al). 2001;124:414–20

Histamine antagonists

Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7

Histamine H1 receptor blockaders

Comparative efficacy and safety of terfenadine with pseudoephedrine and terfenadine alone in allergic rhinitis (Panda and Mann). 1998;118:253-5

Comparative efficacy of terfenadine, loratadine and astemizole in perennial allergic rhinitis (Crawford et al). 1998;118:668-73

Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7

Histiocytic necrotizing lymphadenitis

Kikuchi-Fujimoto's disease: an easily misdiagnosed clinical entity (Ramírez et al). 2001;125:651-3 (Case rep.)

Histiocytoma, fibrous
Benign fibrous histiocytoma of the floor of the mouth (Hong et al). 1999;121:330-3 (Case rep.)
Radiation-induced malignant fibrous histiocytoma of the head and neck (Fell et al). 1998;118:529-31 (Case rep.)
Histiocytosis, sinus
Nasal septal tumor as a sole presentation in the head and neck region in Rosai-Dorfman disease (Sheen et al). 1998;118:408-11 (Int. case rep.)
Sinus histiocytosis with massive lymphadenopathy (Yigitbasi et al). 1999;121:507 (Clin. photo.)
Sinus histiocytosis: a rare cause of progressive pediatric cervical adenopathy (Lasak et al). 1999;120:765-9 (Case rep.)
Histocompatability antigens class I
Expression of major histocompatibility complex antigens in squamous cell carcinomas of the head and neck (Arosarena et al). 1999;120:665-71
Histology
Basaloid squamous carcinoma: a clinical comparison of two histologic types with poorly differentiated squamous cell carcinoma (Winzenburg et al). 1998;119:471-5
History
Historical ties between otolaryngology–head and neck surgery and aviation and space medicine (Alford and Atkins Jr). 1998;118:S2-4
History of medicine
Adam Politzer as an art collector (Pappas et al). 1999;121:772-5
Surgery on the larynx and pharynx in Byzantium (AD 324-1453): early scientific descriptions of these operations (Lascaratos and Assimakopoulos). 2000;122:579-83
HIV
Major aphthous ulcer in an HIV-positive child (Allen et al). 2000;123:340 (Clin. photo.)
Oral lymphoma in human immunodeficiency virus infection: a report of six cases and review of the literature (Jordan et al). 1998;119:672-7 (Case rep.)
HIV infections
Isolated cervical tuberculosis in patients with HIV infection (Singh et al). 1998;118:766-70
HIV-1
Otologic surgery in patients with HIV-1 and AIDS (Kohan and Giacchi). 1999;121:355-60
***HMLH1* gene**
Promoter hypermethylation: an important epigenetic mechanism for *hMLH1* gene inactivation in head and neck squamous cell carcinoma (Liu et al). 2002;126:548-53
Hoarseness
Cause of hoarseness in elderly patients (Lundy et al). 1998;118:481-5
Concurrent respiratory and cutaneous papillomatosis with human papillomavirus type 6 (Brown and Wiatrak). 2002;127:465-6
Hodgkin disease
Malignant neoplasms of the nasal cavity and paranasal sinuses (Fajardo-Dolci) (Letter); (Calderón-Garcidueñas) (Reply). 2000;123:786-7
Holoprosencephaly
Congenital nasal pyriform aperture stenosis in the monozygotic twin of a child with holoprosencephaly (Krol et al). 1998;118:679-81 (Case rep.)
Home care services
Airway management in Pierre Robin sequence (Myer III et al). 1998;118:630-5
Homeostasis
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998;118:338-43
Hong Kong
Dumon silicone stents in obstructive tracheobronchial lesions: the Hong Kong experience (Abdullah et al). 1998;118:256-60
Hormones
Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7
Horner's syndrome
Horner's syndrome after excision of cervical sympathetic chain schwannoma (Kara and Topuz). 2002;127:127-8 (Clin. photo.)
Internal carotid artery thrombosis and Horner's syndrome as complications of parapharyngeal abscess (Koivunen et al). 1999;121:160-2 (Case rep.)
Hospital costs
Management paradigms for posterior epistaxis: a comparison of costs and complications (Monte et al). 1999;121:103-6
Hospitals
Clinicoepidemiologic features of sudden deafness diagnosed and treated at university hospitals in Japan (Nakashima et al). 2000;1223:593-7
Penetrating neck trauma in children: an urban hospital's experience (Kim et al). 2000;123:439-43
HPR; see Fenretinide
Human immunodeficiency virus; see HIV
Human papilloma virus; see Papillomavirus, human
Hunsaker Mon-Jet tube
A new anesthetic system for microlaryngeal surgery (Brooker et al). 1998;118:55-60
Hutchinson's melanotic freckle
Q-switched neodymium:yttrium-aluminum-garnet laser treatment of lentigo maligna (Orten et al). 1999;120:296-302
Hyaluronic acid
Healing large tympanic membrane perforations using hyaluronic acid, basic fibroblast growth factor, and epidermal growth factor (Chauvin et al). 1999;121:43-7
Importance of hyaluronic acid in vocal fold mechanics (Chan et al). 2001;124:607-14
Hydrocarbons, fluorinated
Acute upper airway obstruction after recreational inhalation of a hydrofluorocarbon propellant (Kuhn and Lassen). 1999;120:587-90 (Case rep.)
Hydrochloric acid
Function of the eustachian tube after weekly exposure to pepsin/hydrochloric acid (Heavner et al). 2001;125:123-9
Hydrocortisone
Controlled multicenter study on chronic suppurative otitis media treated with topical applications of ciprofloxacin 0.2% solution in single-dose containers or combination of polymyxin B, neomycin, and hydrocortisone suspension (Miró et al). 2000;123:617-23
Hydrostatic pressure
Effect of increased inner ear pressure on middle ear mechanics (Murakami et al). 1998;118:703-8
Hydroxyapatites
Evaluation of hydroxyapatite ossicular chain prostheses (Pasha et al). 2000;123:425-9
Hydroxyapatite canal wall reconstruction mastoid obliteration (Estrem and Highfill). 1999;120:345-9

Hydroxylation

Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5

Hyoid bone

Fusion of the thyrohyoid interval in a patient with a thyroglossal duct cyst (Urben and Ranson). 1999;120:757-9 (Case rep.)

Giant cell reparative granuloma of the hyoid bone (Khademi and Gandomi). 2001;124:117–18

Osteosarcoma of the hyoid bone (Anderson and Kearney). 2002;126:81-2 (Case rep.)

Solitary plasmacytoma of the hyoid bone (Danaci et al). 1999;121:835-6 (Case rep.)

Hyperbaric oxygenation

Does the addition of hyperbaric oxygen therapy to the conventional treatment modalities influence the outcome of sudden deafness? (Aslan et al). 2002;126:121-6

Effects of dimethylthiourea, melatonin, and hyperbaric oxygen therapy on the survival of reimplanted rabbit auricular composite grafts (Lim et al). 1999;121:231-7

Pilot study to evaluate the efficacy of hyperbaric oxygen therapy in improving the survival of reattached auricular composite grafts in the New Zealand White rabbit (McClane et al). 2000;123:539-42

Thermal myringotomy for eustachian tube dysfunction in hyperbaric oxygen therapy (Potocki and Hoffman). 1999;121:185-9

Hypercalcemia

A parathyroid cyst with mediastinal extension: report of a case (Hockstein et al). 2002;126:578-80 (Case rep.)

Intrathyroidal parathyroid carcinoma presenting with only hypercalcemia (Schmidt et al). 2002;127:352-3 (Case rep.)

Hypercapnia

Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44

Changes in laryngeal muscle activities during hypercapnia in the cat (Kuna) (Letter); (Adachi and Umezaki) (Reply). 1999;120:449

Hypermethylation

Promoter hypermethylation: an important epigenetic mechanism for *hMLH1* gene inactivation in head and neck squamous cell carcinoma (Liu et al). 2002;126:548-53

Hyperostosis frontalis interna

Renal osteodystrophy with leontiasis ossea deformity (Reidy et al). 1998;119:525-7 (Case rep.)

Hyperostosis, diffuse idiopathic skeletal

Hyponasality caused by retronasopharyngeal air as a symptom of pneumomediastinum (Braverman et al). 1998;118:903-4 (Int. case rep.)

Hyperparathyroidism

Reduced-time-window sestamibi scanning for nonlocalized primary hyperparathyroidism (Kacker et al). 2000;123:456-8

Relation of biochemical, cytologic, and morphologic parameters to the result of gammagraphy with technetium 99m sestamibi in primary hyperparathyroidism (Piñero et al). 2000;122:851-5

Success of preoperative imaging and unilateral neck exploration for primary hyperparathyroidism (Song et al). 1999;121:393-7

Surgery for secondary hyperparathyroidism in patients undergoing dialysis (Garcia-Pallares et al). 2000;122:908-19

Hypersensitivity

Allergic management of Meniere's disease: an outcome study (Derebery). 2000;122:174-82

Allergy and health-related quality of life (Derebery et al). 2000;123:393-9

Allergy increases susceptibility to otitis media with effusion in a rat model (Labadie et al). 1999;121:687-92

Chronic rhinosinusitis: allergy and sinus computed tomography relationships (Emanuel et al). 2000;123:687-91

Clinical significance of compound cilia (McAuley and Anand). 1998;118:685-7 (Case rep.)

Comparative efficacy and safety of terfenadine with pseudoephedrine and terfenadine alone in allergic rhinitis (Panda and Mann). 1998;118:253-5

Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9

Comparison of Multi-Test device skin testing and modified RAST results (Levine et al). 1998;118:797-9

Computed tomography stage, allergy testing, and quality of life in patients with sinusitis (Krouse). 2000;123:389-92

Diagnosing and treating pediatric allergy (Cook et al). 1998;118:350-5

Ear piercing for individuals with metal hypersensitivity (Cornetta and Reiter). 2001;125:93-5

Inhalant allergy and Meniere's disease: use of electrocochleography and intranasal allergen challenge as investigational tools (Noell et al). 2001;125:346-50

Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5

Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11

Late-phase allergy and eustachian tube dysfunction (Hardy et al). 2001;125:339-45

Leukotrienes C_4 and D_4 increase the ciliary beat frequency in human upper airway mucosa in vitro (Cyrus et al). 1998;118:472-7

Natural history of allergic fungal rhinosinusitis (Marple et al). 2002;127:361-6

Nitric oxide is a mediator of the late-phase response in an animal model of nasal allergy (Durland et al). 2000;122:706-11

Prevalence of allergy in Meniere's disease (Derebery et al). 2000;123:69-75

Prevalence of hypersensitivity to specific fungal allergens as determined by intradermal dilutional testing (Stroud et al). 2001;125:491-4

The effects of sensitization and hypersensitivity reaction on transepithelial antigen transport of rat nasal mucosa (Yang et al). 2001;125:54-9

The importance of glycerin-containing negative control tests in allergy research studies that use intradermal skin tests (Hurst et al). 2002;127:177-81

Treatment of delayed food allergy based on specific immunoglobulin G RAST testing (Dixon). 2000;123:48-54

Hypertension

Inappropriate secretion of antidiuretic hormone caused by the local regional recurrence of hypopharyngeal cancer (Suzuki et al). 1998;118:412-4 (Int. case rep.)

Postoperative hypertension effect of carotid sinus denervation (Koc et al). 1999;121:150-2

Hypertrophy

Radiofrequency volumetric tissue reduction for treatment of turbinate hypertrophy: a pilot study (Li et al). 1998;119:569-73

Hypnotics and sedatives

The use of preoperative lidocaine to prevent stridor and laryngospasm after tonsillectomy and adenoidectomy (Koç et al). 1998;118:880-2

Hypocalcemia
Factors related to nerve injury and hypocalcemia in thyroid gland surgery (Prim et al). 2001;124:111–14
Hypocalcemia complicating total thyroidectomy in patients with celiac sprue (Agrama et al). 2002;127:461-2 (Case rep.)
Predicting calcium status post thyroidectomy with early calcium levels (Husein et al). 2002;127:289-93

Hyponasality
Hyponasality caused by retronasopharyngeal air as a symptom of pneumomediastinum (Braverman et al). 1998;118:903-4 (Int. case rep.)

Hypoparathyroidism
Completion thyroidectomy for differentiated thyroid carcinoma (Chao et al). 1998;118:896-9

Hypopharyngeal neoplasms
Deep neck abscess masquerading hypopharyngeal carcinoma (Ridder et al). 2000;123:659 (Case rep.)
Hypopharyngeal desmoid tumor (Anderson et al). 2000;123:279-81 (Case rep.)
Inappropriate secretion of antidiuretic hormone caused by the local regional recurrence of hypopharyngeal cancer (Suzuki et al). 1998;118:412-4 (Int. case rep.)
Laryngopharyngeal reflux: a possible risk factor in laryngeal and hypopharyngeal carcinoma (Harrill et al). 1999;210:598-601 (Case rep.)
Progression difference between cancers of the larynx and hypopharynx is not due to tumor size and vascularization (Lukits et al). 2001;125:18-22
Surgical treatments for hypopharyngeal carcinoma: feasibility, mortality, and results (Eckel et al). 2001;124:561–9
T-cell non-Hodgkin's lymphoma of the larynx and hypopharynx (Pak et al). 1999;121:335-6 (Clin. photo.)

Hypopharynx
Bronchogenic cyst of the oropharynx and hypopharynx in a neonate (Sedwick and Giannoni). 2001;125:105-6 (Case rep.)
Endobronchial placement of a safety pin during intubation (Wax). 2000;123:742-4 (Case rep.)
Laryngopharyngeal sensory deficits as a predictor of aspiration (Setzen et al). 2001;124:622-24
Quantitative and qualitative analysis of tracheoesophageal voice after pectoralis major flap reconstruction of the neopharynx (Deschler et al). 1998;118:771-6

Hypophonia
Percutaneous laryngeal collagen augmentation for treatment of Parkinsonian hypophonia (Kim et al). 2002;126:653-6

Hypophysectomy
Approaches to the sellar and parasellar region: a retrospective comparison of the endonasal-transsphenoidal and sublabial-transsphenoidal approaches (Spencer et al). 2000;122:367-9
Transnasal transsphenoidal hypophysectomy: choice of approach for the otolaryngologist (Dew et al). 1999;120:824-7

Hypopnea
Nasal patency and the effectiveness of nasal continuous positive air pressure in obstructive sleep apnea (Schechter et al). 1998;118:643-7

Hypothyroidism
Risk factors associated with hypothyroidism after laryngectomy (Gal et al). 2000;123:211-7

Hypoxia
Rise of oxygenation in cervical lymph node metastasis during the initial course of radio chemotherapy (Dietz et al). 1999;121:789-96

I

Iatrogenic disease
Facial nerve monitoring in chronic ear surgery: US practice patterns (Greenberg et al). 2002;126:108-14
Management of aberrant internal carotid artery injury: a real emergency (Jain et al). 2002;127:470-3 (Case rep.)

Ibuprofen
Ibuprofen for tonsillectomy pain in children: efficacy and complications (Harley and Dattolo). 1998;119:492-6

IgE
Evidence of possible localized specific immunoglobulin E production in middle ear fluid as demonstrated by ELISA testing (Hurst et al). 1999;121:224-30

Image enhancement
Glabellar frown lines as a reliable landmark for the supratrochlear artery (Vural et al). 2000;123:543-6
Image-guided functional endoscopic sinus surgery (Olson et al). 2000;123:188-94
Magnetic resonance imaging versus clinical palpation in evaluating cervical metastasis from head and neck cancer (Hao et al). 2000;123:324-7
Practical approach to digital photography and its applications (Spiegel et al). 2000;123:152-6 (Clin. photo.)
Role of the new imaging modalities in the investigation of Meniere's disease (Xenellis et al). 2000;123:114-9
Viral cochleitis with gadolinium enhancement of the cochlea on magnetic resonance imaging scan (Fitzgerald and Mark). 1999;121:130-2 (Case rep.)

Image guidance
Endoscopic sinus surgery with magnetic resonance imaging guidance: initial patient experience (Fried et al). 1998;119:374-80
New armless image-guidance system for endoscopic sinus surgery (Fried et al). 1998;119:528-32 (Drug/device)

Image processing, computer-assisted
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8

Imbalance; see Equilibrium

Immune complex diseases
Aural symptoms and hearing loss in patients with lupus (Sperling et al). 1998;118:762-5

Immune system
Aural symptoms and hearing loss in patients with lupus (Sperling et al). 1998;118:762-5
Immunomodulating effects of surgical intervention in tumors of the head and neck (Dietz et al). 2000;123:132-9
Relationship between progression of disease and immunoglobulin A-anti-Fab-/F(ab′)$_2$ autoantibodies in patients with head and neck cancer (Lorenz et al). 1998;118:130-6
Risk of progressive sensorineural hearing loss and Meniere's disease after breast implantation (Kim and Harris). 1998;118:747-50

Immunity, cellular
Cellular immune defect caused by postsurgical radiation therapy in patients with head and neck cancer (Tisch et al). 1998;119:412-7
Localized sinus inflammation induced by *Bacteroides fragilis* is accompanied by rigorous immune response (Jyonouchi et al). 1999;120:869-75

Immunoassay
ImmunoCAP and HY•TEC enzyme immunoassays in the detection of allergen-specfic IgE compared with serial skin endpoint titration by receiver operating characteristic analysis (Corey et al). 2000;122:64-70

Immunoblotting
A new concept in laryngeal muscle: multiple myosin isoform types in single muscle fibers of the lateral cricoarytenoid (Wu et al). 1998;118:86-94
Expression of annexin II in human middle ear cholesteatoma (Kim et al). 1998;118:324-8
Sudden deafness: lack of evidence for systemic viral infection (Pitkäranta and Julkunen). 1998;118:397-9
Immunocompromised host
Bilateral acute coalescent mastoiditis in an immunocompromised infant with a rare leukocyte adhesion deficiency (McNellis et al). 1999;120:926-8 (Case rep.)
Rhino-orbital and rhino-orbito-cerebral mucormycosis (Talmi et al). 2002;127:22-31
Immunoenzyme techniques
ImmunoCAP and HY•TEC enzyme immunoassays in the detection of allergen-specfic IgE compared with serial skin end-point titration by receiver operating characteristic analysis (Corey et al). 2000;122:64-70
Occult cervical metastases: immunoperoxidase analysis of the pathologically negative neck (Enepekides et al). 1999;120:713-7
Immunoglobulin G
Treatment of delayed food allergy based on specific immunoglobulin G RAST testing (Dixon). 2000;123:48-54
Immunoglobulins
Fungus-specific IgG and IgE in allergic fungal rhinosinusitis (Stewart and Hunsaker). 2002;127:324-32
Relationship between progression of disease and immunoglobulin A-anti-Fab-/F(ab′)$_2$ autoantibodies in patients with head and neck cancer (Lorenz et al). 1998;118:130-6
Immunohistochemistry
A new concept in laryngeal muscle: multiple myosin isoform types in single muscle fibers of the lateral cricoarytenoid (Wu et al). 1998;118:86-94
Assessment by nasal biopsy of long-term use of mometasone furoate aqueous nasal spray (Nasonex) in the treatment of perennial rhinitis (Minshall et al). 1998;118:648-54
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9
Expression of annexin II in human middle ear cholesteatoma (Kim et al). 1998;118:324-8
Growth and development of the human cricoid cartilage: an immunohistochemical analysis of the maturation sequence of the chondrocytes and surrounding cartilage matrix (Mankarious et al). 2000;123:174-8
Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11
Intraductal papilloma of the minor salivary gland involving the nasal cavity: Is it a distinct histopathologic entity? (Saleh and Abbarah). 1998;118:850-2 (Case rep.)
Molecules, motion, and man (Wackym and Balaban). 1998;118:S16-24
Numerical densities of myonuclei and satellite cells in muscle fiber types in the aging human thyroarytenoid muscle: an immunohistochemical and stereological study using confocal laser scanning microscopy (Malmgren et al). 2000;123:377-84
Immunoperoxidase. see Immunoenzyme techniques
Immunosuppression
Isolated cervical tuberculosis in patients with HIV infection (Singh et al). 1998;118:766-70
Immunotherapy
Allergy testing and immunotherapy in an academic otolaryngology practice: a 20-year review (Lane et al). 2001;124:9–15
Efficacy of immunotherapy based on skin end-point titration (Krouse et al). 2000;123:183-7
Immunotherapy for allergic fungal sinusitis: three years' experience (Mabry et al). 1998;119:648-51
Outcomes after discontinuing immunotherapy for allergic fungal sinusitis (Mabry et al). 2000;122:104-6
Safety of home-based and office allergy immunotherapy: a multicenter prospective study (Hurst et al). 1999;121:553-61
Use of immunotherapy in previously treated patients with allergic fungal sinusitis (Bassichis et al). 2001;125:487-90
Immunotherapy, adoptive
Reassessment of CD62L as a marker of pre-effector T cells in the tumor draining lymph nodes of head and neck cancer patients (Strome et al). 2002;126:180-7
Impedance tests; see Acousitc impedance tests
Implants
Design for an inexpensive but effective cochlear implant (Wilson et al). 1998;118:235-41
Long-term model of induced canine phonation (Paniello and Dahm). 1998;118:512-22
Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51
Risk of progressive sensorineural hearing loss and Meniere's disease after breast implantation (Kim and Harris). 1998;118:747-50
See also Prostheses and implants
The histologic fate of autologous collagen injected into the canine vocal fold (Staskowski et al). 1998;118:187-90
The multichannel auditory brain stem implant: performance in twenty patients (Otto et al). 1998;118:291-303
Implants, artificial
Percutaneous bone-anchored hearing aids at a pediatric institution (Béjar-Solar et al). 2000;122:887-91
Plastipore implants in the surgical treatment of atrophic rhinitis: technique and results (Goldenberg et al). 2000;122:794-7
In memorium
In memory of Ruth ("Ruthe") C. Enquist (1937-1997) (Smith). 1998;118:143
Inappropriate ADH syndrome
Inappropriate secretion of antidiuretic hormone caused by the local regional recurrence of hypopharyngeal cancer (Suzuki et al). 1998;118:412-4 (Int. case rep.)
Incidence
Incidence rates of salivary gland tumors: results from a population-based study (Pinkston and Cole). 1999;120:834-50
Incus
Revision stapedectomy for incus erosion: long-term hearing (Krieger et al). 1998;119:370-3
India
Passage to India: the search for genes causing autosomal recessive nonsyndromic hearing loss (Zbar et al). 1998;118:333-7
Indium
Indium 111 octreotide scintigraphy in angiofibroma (Guneri et al). 1998;118:137-9 (Int. case rep.)
Indoles
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5
Indomethacin
Synergistic effects of 13-*cis* retinoic acid and arachidonic acid cascade inhibitors on growth of head and neck squamous cell carcinoma in vitro (Spingarn et al). 1998;118:159-64

Infant
Acute coalescent mastoiditis in an infant: an emerging trend? (Bach et al). 1998;119:523-5 (Case rep.)
Approach to branchial pouch anomalies that cause airway obstruction during infancy (Jacobs et al). 1998;118:682-5 (Case rep.)
Bilateral acute coalescent mastoiditis in an immunocompromised infant with a rare leukocyte adhesion deficiency (McNellis et al). 1999;120:926-8 (Case rep.)
Intratemporal complications of acute otitis media in infants and children (Goldstein et al). 1998;119:444-54
Reflux in infants with larygomalacia: results of 24-hour double-probe pH monitoring (Matthews et al). 1999;120:860-4

Infant, newborn
Congenital granular cell tumor in the newborn (Olson et al). 1998;118:907 (Clin. photo.)
Distortion-product otoacoustic emissions hearing screening in high-risk newborns (Salata et al). 1998;118:37-43
Fetal central auditory system metabolic response to cochlear implant stimulation (Antonelli et al). 2002;127:131-7
Intubation granuloma in a neonate (Keefe). 1999;120:447-8 (Clin. photo.)
Laryngeal lymphangioma: a case report of an uncommon entity (Selz and Arjmand). 1998;118:382-4 (Case rep.)

Infants, newborn
Central nervous system metabolic activity after cochlear implantation in the feline neonatal model (Baylor et al). 1999;121:361-6

Infection
Escherichia coli osteomyelitis of the skull base (Genden and Goebel). 1998;118:853-5 (Case rep.)
Acquired immunodeficiency syndrome with massive *Aspergillus fumigatus* infection (Diop et al). 1998;118:283-5 (Clin. path.)
Aural symptoms and hearing loss in patients with lupus (Sperling et al). 1998;118:762-5
Computed tomography in the evaluation of pediatric neck infections (Wetmore et al). 1998;119:624-7
Conservative management of infections in cochlear implant recipients (Yu et al). 2001;125:66-70
Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118:625-9
Factors affecting wound infection rates in head and neck surgery (Coşkun et al). 2000;123:328-33
Hantavirus infection: a possible cause of delayed sensorineural hearing loss (Javer et al). 1998;118:697-701 (Case rep.)
Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21
Infected neonatal cervical thymic cyst (Billings et al). 2000;123:651-3 (Case rep.)
Necrotizing fasciitis of the neck (Mastros and Broniatowski). 1998;118:140-1 (Clin. photo.)
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5
Prognostic significance of postoperative wound infection on head and neck cancer (Rodrigo and Suárez). 1998;118:272-5
Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51
Salvage of an infected hydroxyapatite cement cranioplasty with preservation of the implant material (Johnson et al). 2000;123:515-7 (Case rep.)
Sudden deafness: lack of evidence for systemic viral infection (Pitkäranta and Julkunen). 1998;118:397-9

Inflammation
Analysis of cellular location and concentration in vocal fold lamina propria (Catten et al). 1998;118:663-7
Assessment by nasal biopsy of long-term use of mometasone furoate aqueous nasal spray (Nasonex) in the treatment of perennial rhinitis (Minshall et al). 1998;118:648-54
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9
Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5
Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11
Necrotizing granulomatous inflammation of the superior vestibular nerve mimicking an acoustic neuroma (Marple et al). 1998;118:862-5 (Case rep.)
Surgical management of nasal and sinus sarcoidosis (Marks and Goodman). 1998;118:856-8 (Case rep.)

Influenza A virus
Effects of influenza A virus on lectin-binding patterns in murine nasopharyngeal mucosa and on bacterial colonization (Hirano et al). 1999;121:616-21

Infusions, parenteral
Intratympanic gentamicin treatment for Meniere's disease (McFeely Jr et al). 1998;118:589-96

Ingestion injury
Ammonia capsule ingestion causing upper aerodigestive tract injury (Rosenbaum et al). 1998;119:678-80 (Case rep.)

Inhalant allergy; see Hypersensitivity

Injections
An unusual late reaction to facial injections (Constantinides et al). 1999;120:557-60
Intratumoral cisplatin/epinephrine-injectable gel as a palliative treatment for accessible solid tumors: a multicenter pilot study (Burris III et al). 1998;118:496-503
The histologic fate of autologous collagen injected into the canine vocal fold (Staskowski et al). 1998;118:187-90
Titration streptomycin therapy in Meniere's disease: long-term results (Balyan et al). 1998;118:261-6

Inlays
Inlay butterfly cartilage tympanoplasty (Eavey technique) modified for adults (Lubianca-Neto). 2000;123:492-4

Inner ear; see Labyrinth

Insulin
Transforming growth factor-α with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24

Insulin-like growth factor I
Transforming growth factor-α with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24

Intensive care
Is postoperative intensive care monitoring necessary after uvulopalatopharyngoplasty? (Mickelson and Hakim). 1998;119:352-6
Middle meatal vs antral lavage cultures in intensive care unit patients (Kountakis and Skoulas). 2002;126:377-81
Role of antral puncture in the treatment of sinusitis in the intensive care unit (Ramadan et al). 1998;119:381-4

Intensive care, neonatal
Hearing screening in the newborn intensive care nursery: comparison of methods (Rhodes et al). 1999;120:799-808
Interferon
Expression of major histocompatibility complex antigens in squamous cell carcinomas of the head and neck (Arosarena et al). 1999;120:665-71
Interferon in the treatment of base of the skull hemangioendothelioma (Freeman et al). 1999;121:842-3 (Case rep.)
Sudden deafness: lack of evidence for systemic viral infection (Pitkäranta and Julkunen). 1998;118:397-9
Interferon α2A
Investigation of the ototoxic effects of interferon α2A on the mouse cochlea (Akyol et al). 2001;124:107–10
Interleukin-1
Tumor necrosis factor-α and interleukin-1β levels in recurrent and persistent otitis media with effusion (Yetiser et al). 2002;126:417-22
Interleukin-2
Effect of interleukin-2 and selenium on the growth of squamous cell carcinoma cells (Thikkurissy et al). 2001;124:142–9
Interleukin-4
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5
Interleukin-5
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9
Increased expression of major basic protein (MBP) and interleukin-5 (IL-5) in middle ear biopsy specimens from atopic patients with persistent otitis media with effusion (Wright et al). 2000;123:533-8
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5
The role of soluble interleukin-4 receptor and interleukin-5 antibody in preventing late-phase allergy-induced eustachian tube dysfunction (Pollock et al). 2002;127:169-76
Interleukin-6
Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11
Internal auditory canal
Identification of internal acoustic canal in the middle cranial fossa approach: a safe technique (Cokkeser et al). 2001;124:94–8
Identification of the facial nerve in the translabyrinthine approach: an alternative technique (Sanna et al). 2001;124:105–6
Modified retrolabyrinthine approach with partial labyrinthectomy: anatomic study (Magliulo). 2001;124:287–91
See also Labyrinth
International articles
2000;122:115-52, 272-310, 425-62, 579-616, 736-74, 794-933
Interneurons
Behaviors of bulbar respiratory interneurons during fictive swallowing and vomiting (Nakazawa et al). 1999;120:412-8
Internship and residency
Thyroid surgery: a comparison of outcomes between experts and surgeons in training (Manolidis et al). 2001;125:30-3
Virtual temporal bone: creation and application of a new computer-based teaching tool (Mason et al). 2000;122:168-73
Intracranial neoplasms
Intracranial tumors mimicking benign paroxysmal positional vertigo (Dunniway and Welling). 1998;118:429-36
Intradermal testing
Mold testing by RAST and skin test methods in patients with allergic fungal sinusitis (Mabry et al). 1999;121:252-4 (Case rep.)
Prevalence of hypersensitivity to specific fungal allergens as determined by intradermal dilutional testing (Stroud et al). 2001;125:491-4
Intraoperative care
Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118:625-9
Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9
Sublabial, transseptal, transsphenoidal approach to the pituitary region guided by the ACUSTAR I system (Burkey et al). 1998;118:191-4
Intraoperative complications
Incidence of complications for subtotal ionized field ablation of the tonsils (Lee et al). 2002;127:531-8
Tracheostomy for long-term laryngeal experimentation (Dahm and Paniello). 1998;118:376-80
Intraoperative facial nerve monitoring
Facial nerve monitoring in chronic ear surgery: US practice patterns (Greenberg et al). 2002;126:108-14
Intraoperative period
Endoscopic sinus surgery with magnetic resonance imaging guidance: initial patient experience (Fried et al). 1998;119:374-80
Facial nerve monitoring in parotid surgery: the standard of care? (Witt). 1998;119:468-70
Intubating laryngeal mask
The intubating laryngeal mask (Gaitini et al). 2002;126:87-8 (Case rep.)
Intubation
Postintubation phonatory insufficiency: an elusive diagnosis (Bastian and Richardson). 2001;124:625-33
Intubation, gastrointestinal
A unique complication of primary tracheoesophageal puncture: knotting of the nasogastric tube (Malik et al). 1999;120:528-9 (Case rep.)
Timing of percutaneous endoscopic gastrostomy tube placement in head and neck cancer patients (Raynor et al). 1999;120:479-82
Intubation, intratracheal
Airway complications of infant botulism: ten-year experience with 60 cases (Anderson et al). 2002;126:234-9
Endobronchial placement of a safety pin during intubation (Wax). 2000;123:742-4 (Case rep.)
Intubation granuloma in a neonate (Keefe). 1999;120:447-8 (Clin. photo.)
The intubating laryngeal mask (Gaitini et al). 2002;126:87-8 (Case rep.)
Ion secretion
Active ion secretion and permeability of rabbit maxillary sinus epithelium, impact of staphylococcal enterotoxin B (Yang et al). 2000;123:120-3
Ionization
Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51

Iron chelates
Aminoglycoside ototoxicity: prevention in sight? (Schacht). 1998;118:674-7 (Review article)
Irrigation
Middle meatal vs antral lavage cultures in intensive care unit patients (Kountakis and Skoulas). 2002;126:377-81
Nasal irrigation for the alleviation of sinonasal symptoms (Heatley et al). 2001;125:44-8
Thermoprotective mechanisms of irrigation during bipolar cautery (Donzelli et al). 1998;119:153-8
Tympanostomy tubes and otic suspensions: Do they reach the middle ear space? (Hebert et al). 2000;122:330-3
Ischemia
Circulating neutrophil CD18 receptor expression and ischemic flap neutrophil infiltration in a guinea pig model (Dolan et al). 2000;122:374-7
Isoflurane
Comparison of 3 different anesthetic techniques on 24-hour recovery after otologic surgical procedures (Jellish et al). 1999; 120:406-11
Isotretinoin
Fenretinide-induced apoptosis of human head and neck squamous carcinoma cell lines (Scher et al). 1998;118:464-71
Phase I trial of retinoic acid and *cis*-platinum for advanced squamous cell cancer of the head and neck based on experimental evidence of drug synergism (Weisman et al). 1998; 118:597-602

J

Japan
Clinicoepidemiologic features of sudden deafness diagnosed and treated at university hospitals in Japan (Nakashima et al). 2000;1223:593-7
Management of cancer in the elderly: therapeutic dilemmas (Hirano and Mori). 1998;118:110-4
Jaw neoplasms
Congenital granular cell tumor in the newborn (Olson et al). 1998;118:907 (Clin. photo.)
Jet ventilation
A new anesthetic system for microlaryngeal surgery (Brooker et al). 1998;118:55-60
Journalism, medical
Does it take a village to write a case report? (Har-El). 1999;120: 787-8
Jugular diverticulum: Clinical significance (El-Kashlan et al). 2000;122:575-6 (Case rep.)
What is an author? (Baily). 2001;124:2 (Editorial)
Why is defining authorship so important? (Benninger). 2001; 124:1 (Editorial)
Jugular veins
Lymphatic malformation with internal jugular phlebectasia (Yoon and Messner). 2001;124:579–80 (Case rep.)
The cochlear aqueduct: an important landmark in lateral skull base surgery (Aslan et al). 1998;118:532-6
Vagus nerve imaging with ultrasound: anatomic and in vivo validation (Knappertz et al). 1998;118:82-5

K

Kabuki (Niikawa-Kuroki) syndrome
Microtia associated with the Kabuki (Niikawa-Kuroki) syndrome (Fong et al). 2001;125:557-8 (Case rep.)
Kaposi's sarcoma
Kaposi's sarcoma of the tongue (Mra et al). 2000;123:151 (Clin. photo.)
Kawasaki disease. see Mucocutaneous lymph node syndrome
Keratinocytes
Expression of annexin II in human middle ear cholesteatoma (Kim et al). 1998;118:324-8
Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91
Ki-67 antigen
Expression of Ki-67, tumor suppressor proteins, growth factor, and growth factor receptor in juvenile respiratory papillomatosis: Ki-67 and p53 as predictors of aggressive disease (Stern et al). 2000;122:378-86
Ki-67 index
Correlation between Ki-67 index and some clinical aspects of acoustic neuromas (Niemczyk et al). 2000;123:779-83
Kidney failure, chronic
Ossification of eustachian tube cartilage and Ostmann's fatty tissue in chronic renal failure (Takasaki et al). 2000;122:567-71
Vancomycin administration in continuous ambulatory peritoneal dialysis: the risk of ototoxicity (Gendeh et al). 1998;118: 551-8
Kidney neoplasms
Growth of human paragangliomas in the subrenal capsule of the nude mouse (Gulya). 1998;118:309-11
Metastatic renal cell carcinoma to the nose (Cheng et al). 2000; 122:464 (Clin. photo.)

L

L-Selectin
Potent effector function of tumor-sensitized L-^{selectinlow} T cells against subcutaneous tumors requires LFA-1 co-stimulation (Seeley et al). 2001;124:436–41
Reassessment of CD62L as a marker of pre-effector T cells in the tumor draining lymph nodes of head and neck cancer patients (Strome et al). 2002;126:180-7
Labyrinth
Aural symptoms and hearing loss in patients with lupus (Sperling et al). 1998;118:762-5
Bilateral malformation of the internal auditory canal: atresia and contralateral transverse megacrest (Ramírez-Camacho et al). 2001;125:115-16 (Case rep.)
Chlorpromazine alters outer hair cell electromotility (Lue et al). 2001;125:71-6
Effect of increased inner ear pressure on middle ear mechanics (Murakami et al). 1998;118:703-8
Evaluation of the internal auditory canal with virtual endoscopy (Vrabec et al). 2002;127:145-52
Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32
Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998; 118:338-43
Internal auditory canal inflammation: a cause of sudden vertigo (Kondo et al). 1998;119:138-40 (Case rep.)
Intracochlear vestibular schwannoma: a potential source for recurrence after translabyrinthine resection (Green et al). 2000; 123:281-2 (Case rep.)
Intratympanic gentamicin treatment for Meniere's disease (McFeely Jr et al). 1998;118:589-96
Kinetics of gentamicin uptake in the inner ear of *Chinchilla langier* after middle-ear administration in a sustained-release vehicle (Balough et al). 1998;119:427-31

Molecules, motion, and man (Wackym and Balaban). 1998;118: S16-24
Morphologic changes in the inner ear of *Chinchilla laniger* after middle ear administration of gentamicin in a sustained-release vehicle (Hoffer et al). 1999;120:643-8
Necrotizing granulomatous inflammation of the superior vestibular nerve mimicking an acoustic neuroma (Marple et al). 1998;118:862-5 (Case rep.)
Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15
Sympathetic cochleolabyrinthitis in revision stapedectomy surgery (Richards et al). 2002;126:273-80
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8
Transforming growth factor-a with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24
Vancomycin administration in continuous ambulatory peritoneal dialysis: the risk of ototoxicity (Gendeh et al). 1998;118: 551-8
Vestibular compensation in guinea pigs given intravenous lidocaine after unilateral labyrinthectomy (Hung et al). 1999;120: 12-6
Vestibular function in the fetal sheep (Antonelli et al). 1998;118: 571-5
Vestibular stimulation after cochlear implantation in common cavity deformity (Sennaroglu et al). 2001;125:408-10 (Case rep.)

Labyrinth diseases
Unusual and instructive case of immune-mediated inner ear disease associated with central nervous system vasculitis. (Ruckenstein et al).2000;122:109-11 (Case rep.)

Labyrinth, surgery
Surgical labyrinthectomy in the older patient (Langman and Lindeman). 1998;118:739-42

Labyrinthectomy
Modified retrolabyrinthine approach with partial labyrinthectomy: anatomic study (Magliulo). 2001;124:287–91
Partial labyrinthectomy with hearing preservation: frequency-specific data using tone-burst auditory brain stem response (Smouha and Inouye). 1999;120:146-52
See also Labyrinth, surgery
Steps toward recovery of function after hemilabyrinthectomy in frogs (Dieringer and Straka). 1998;119:27-33
Vestibular compensation revisited (Vidal et al). 1998;119:34-42

Labyrinthine
Surgical treatment of labyrinthine fistula caused by cholesteatoma (Soda-Merhy and Betancourt-Suárez). 2000;122:739-42

Labyrinthine fluids
Complications associated with labyrinthine fistula in surgery for chronic otitis media (Manolidis). 2000;123:733-7

Labyrinthitis
Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21

Lacrimal apparatus
Injury to the lacrimal apparatus after endoscopic sinus surgery: surgical implications from active transport dacryocystography (Unlu et al). 2001;124:308–12

Lactams
Activity of oral β-lactam antimicrobial agents versus respiratory tract isolates of *Streptococcus pneumoniae, Haemophilus influenzae,* and *Moraxella catarrhalis* in the era of antibiotic resistance (Doern). 2002;127:S17-S23

Lactate dehydrogenase
Tumor grade, microvessel density, and activities of malate dehydrogenase, lactate dehydrogenase, and hexokinase in squamous cell carcinoma (Ross et al). 2000;122:195-200

Lagophthalmos
Survey: management of paralytic lagophthalmos and paralytic ectropion (Tucker and Santos). 1999;120:944-5 (Case rep.)

Lamina propria
Analysis of cellular location and concentration in vocal fold lamina propria (Catten et al). 1998;118:663-7
Assessment by nasal biopsy of long-term use of mometasone furoate aqueous nasal spray (Nasonex) in the treatment of perennial rhinitis (Minshall et al). 1998;118:648-54

Language
The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90 (Editorial)

Larsen's syndrome
Larsen's syndrome (Greinwald and Bauman). 1999;121:845 (Clin. photo.)

Laryngeal cartilage
An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81

Laryngeal diseases
Bilateral saccular cysts after cocaine use (Desai et al). 1999;120: 754-7 (Case rep.)
Clinical findings of laryngeal aspergillosis (Gallo et al). 2000; 123:661-2 (Clin. photo.)
Isolated laryngeal sarcoidosis (Fortune and Courey). 1998;118: 868-70 (Case rep.)
Laryngeal epidermolysis bullosa acquisita requiring tracheostomy presenting with an acquired factor VIII coagulopathy (Hurley et al). 2001;125:270-1 (Case rep.)
Laryngopharyngeal reflux: a possible risk factor in laryngeal and hypopharyngeal carcinoma (Harrill et al). 1999;210:598-601 (Case rep.)
Occult laryngeal pathology in a community-based cohort (Reulbach et al). 2001;124:448–50
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5
Prevalence of reflux in 113 consecutive patients with laryngeal and voice disorders (Koufman et al). 2000;123:385-8
Reactivated laryngeal coccidioidomycosis (Rosen et al). 2001; 125:120-1 (Clin. photo.)
Saccular cyst caused by recurrent respiratory papillomatosis (Stone et al). 1999;121:668-9 (Clin. photo.)

Laryngeal edema
Airway compromise caused by disk battery ingestion (Wall et al). 1999;121:302-3 (Case rep.)

Laryngeal mask airway
Unilateral supraglottic edema after the use of laryngeal mask airway (Kaylie and Wax). 2002;126:583-4 (Case rep.)

Laryngeal masks
Use of the laryngeal mask airway for laser treatment of the subglottis (Jameson et al). 2000;123:101-2

Laryngeal mucosa
Beaded nerve terminals in feline laryngeal mucosa (Tsuda et al). 1998;119:113-6
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5

Laryngeal muscles

A new concept in laryngeal muscle: multiple myosin isoform types in single muscle fibers of the lateral cricoarytenoid (Wu et al). 1998;118:86-94

Abductor muscle activity abnormalities in abductor spasmodic dysphonia (Cyrus et al). 2001;124:23–30

Age-related changes in muscle fiber types in the human thyroarytenoid muscle: an immunohistochemical and stereological study using confocal laser scanning microscopy (Malmgren et al). 1999;121:441-51

An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81

An experimental comparison of different kinds of laryngeal muscle reinnervation (Zheng et al). 1998;119:540-7

Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44

Changes in laryngeal muscle activities during hypercapnia in the cat (Kuna) (Letter); (Adachi and Umezaki) (Reply). 1999; 120:449

Comparison of concentric needle versus hooked-wire electrodes in the canine larynx (Jaffe et al). 1998;118:655-62

Laryngeal chemoreflex severity and end-apnea Pao_2 and $Paco_2$ (Heman-Ackah et al). 2000;123:157-63

Relationship of the posterior cricoarytenoid muscle to the posterior cricoid lamina (Godding and Bierbaum). 1999;120:493-8

Role of motor unit number estimate electromyography in experimental canine laryngeal reinnervation (Peterson et al). 1999; 121:180-4

Laryngeal neoplasms

Altered MUC1 and MUC2 glycoprotein expression in laryngeal cancer (Jeannon et al). 2001;124:199–202

Basaloid squamous cell carcinoma of the larynx (Sheen et al). 1999;121:647-52 (Case rep.)

Case study of well-differentiated carcinoid tumor of the larynx and review of laryngeal neuroendocrine tumors (McBride et al). 1999;120:536-9 (Case rep.)

Cavernous sinus metastasis from laryngeal squamous cell carcinoma (Curry et al). 2001;125:567-8 (Case rep.)

Cell proliferation activity and kinetic profile in the prognosis and therapeutic management of carcinoma of the pharynx and larynx (Sampedro et al). 1999;121:476-81

Chondrosarcoma of the larynx (Friedlander and Lyons). 2000; 122:617 (Clin. photo.)

Clear cell chondrosarcoma of the larynx (Said et al). 2001;125: 107-8 (Case rep.)

Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70

Comparison of regional recurrence rates of radical and comprehensive neck dissection type 3 in NO laryngeal cancer (Yilmaz et al). 2000;122:736-8

Complications after total laryngectomy in nonradiated laryngeal and hypopharyngeal carcinomas (Herranz et al). 2000;122: 892-8

Correlation of laryngeal and pharyngeal carcinomas and 24-hour pH monitoring of the esophagus and pharynx (Chen et al). 1998;119:460-2

Correlation of laryngeal and pharyngeal carcinomas and 24-hour pH monitoring of the esophagus and pharynx [retraction of Chen MY, Ott DJ, Casolo BJ, Moghazy KM, Koufman JA. In: Otolaryngol Head Neck Surg 1998 Nov;119(5):460-2]. (Chen et al). 1999;121:168

Correlation of laryngeal and pharyngeal carcinomas and 24-hour pH monitoring of the esophagus and pharynx.[retraction of Chen MY, ott DJ, Casolo BJ, Moghazy KM, Koufman JA. In: Otolaryngol Head Neck Surg 1998 Nov;119(5):460-2]. 1999; 121:168

Current treatment practices for early laryngeal carcinoma (DiNardo et al). 1999;120:30-7

Exophytic and papillary squamous cell carcinomas of the larynx: a clinicopathologic series of 104 cases (Thompson et al). 1999;120:718-24

Expression of matrix metalloproteinases and tissue inhibitor of metalloproteinases in laryngeal and pharyngeal squamous cell carcinoma: a quantitative analysis (Magary et al). 2000;122: 712-6

Factors predictive of poor functional outcome after chemoradiation for advanced laryngeal cancer (Staton et al). 2002;127: 43-7

Granular cell tumor of the larynx presenting with airway obstruction (Farmer and Scher). 1998;118:874-6 (Case rep.)

Immunomodulating effects of surgical intervention in tumors of the head and neck (Dietz et al). 2000;123:132-9

Laryngeal amyloidosis with airway obstruction (Tsai et al). 2002; 126:329-30 (Clin. photo.)

Laryngeal compartmentalization after radiation therapy in a canine model (Yu et al). 2001;125:385-92

Laryngeal lymphangioma: a case report of an uncommon entity (Selz and Arjmand). 1998;118:382-4 (Case rep.)

Laryngeal sarcoidosis (Josephson and Winicki). 1999;120:134-5 (Clin. photo.)

Laryngopharyngeal reflux: a possible risk factor in laryngeal and hypopharyngeal carcinoma (Harrill et al). 1999;210:598-601 (Case rep.)

Larynx preservation: the discussion is not closed (Lefebvre). 1998;118:389-93

Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91

Leiomyosarcoma of the larynx (Myers). 1999;121:643-6 (Case rep.)

Long-term follow-up of cartilaginous tumors of the larynx (Bastian and Richardson). 2001;124:634-40

Lymphoepithelioma-like carcinoma of the larynx associated with an Epstein-Barr viral infection (Sone et al). 1998;119:134-7 (Case rep.)

Management of cancer of the supraglottis (Scola et al). 2001;124: 195–8

Nuclear morphometry for the prediction of regional lymph nodes metastases in patients with cancer of the larynx (Dobros et al). 2000;123:770-4

Occult lymph node metastases in supraglottic cancers of the larynx (Esposito et al). 2001;124:253–7

Office-based treatment of laryngeal papillomatosis with percutaneous injection of cidofovir (Chhetri et al). 2002;126:642-8

Osteosarcoma of the larynx (Rossi et al). 1998;118:385-8 (Case rep.)

Patterns of nodal metastasis and surgical management of the neck in supraglottic laryngeal carcinoma (Hicks et al). 1999;121: 57-61

Pitfalls in the surgical management of cancer of the larynx and hypopharynx (Thabet et al). 2000;123:482-7

Predictive markers for response to chemotherapy, organ preservation, and survival in patients with advanced laryngeal carcinoma (Bradford et al). 1999;121:534-8

Primary laryngeal melanoma (Lin et al). 2001;125:569-70 (Case rep.)

Primary malignant lymphoma of mucosa-associated lymphoid tissue of larynx (Cheng et al). 1999;121:661-7 (Case rep.)

Prognostic factors in supraglottic laryngeal carcinoma (Morales-Angulo et al). 1998;119:548-53
Progression difference between cancers of the larynx and hypopharynx is not due to tumor size and vascularization (Lukits et al). 2001;125:18-22
Recurrent angiomyoma (vascular leiomyoma) of the larynx after laser excision (Anderson et al). 2000;123:646 (Case rep.)
Schwannoma of the larynx presenting with difficult swallowing (Cadoni et al). 2000;122:773-4 (Case rep.)
Squamous cell carcinoma of the supraglottic larynx in a patient with Fanconi's anemia (Doerr et al). 1998;118:523-5 (Case rep.)
Stage grouping reliability: TNM '97 versus TANIS in laryngeal cancer (Carinci et al). 1999;120:499-501 (Brief commun.)
Stomal recurrence after total laryngectomy for squamous cell carcinoma of the larynx (Imauchi et al). 2002;126:63-6
Supracricoid laryngectomy with CHEP: functional results and outcome (Lima et al). 2001;124:258–60
Synovial sarcoma of the pericricoidal soft tissue (Taylor et al). 2002;126:428-9 (Case rep.)
T-cell non-Hodgkin's lymphoma of the larynx and hypopharynx (Pak et al). 1999;121:335-6 (Clin. photo.)
The external approach for submucosal lesions of the larynx (Myssiorek et al). 2001;125:370-3
The role of *Helicobacter pylori* in the cause of squamous cell carcinoma of the larynx (Aygenc et al). 2001;125:520-1
Therapeutic dilemmas in the management of thyroid cancer with laryngotracheal involvement (Kim et al). 2000;122:763-7
Treatment of the patient with upper airway obstruction caused by cancer of the larynx (Bradley). 1999;120:737-41
Unilateral laryngeal dysgenesis (Bent III et al). 1998;119:712 (Clin. photo.)

Laryngeal nerves
Evaluation of expiratory effort on dysphonic patients on increasing vocal intensity (Makiyama et al). 1998;118:723-7
Functional differences between the two bellies of the cricothyroid muscle (Hong et al). 1998;118:714-22
Long-term model of induced canine phonation (Paniello and Dahm). 1998;118:512-22

Laryngeal paralysis. see Vocal cord paralysis

Laryngeal saccule
Unusual presentation of a saccular cyst in a teenager (Garrett et al). 2001;124:577–8 (Case rep.)

Laryngectomy
A unique complication of primary tracheoesophageal puncture: knotting of the nasogastric tube (Malik et al). 1999;120:528-9 (Case rep.)
Acoustic analysis of the voice in phonatory fistuloplasty after total laryngectomy (Arias et al). 2000;122:743-7
An unusual complication of tracheostomal stenosis: fractured tracheostomy tube in the tracheobronchial tree (Oysu et al). 2002;127:122-3 (Case rep.)
Aquatic activities after laryngectomy (Karamzadeh and Armstrong). 2001;125:528-32
Botulinum toxin injection to improve tracheoesophageal speech after total laryngectomy (Zormeier et al). 1999;120:314-9
Communication after laryngectomy: an assessment of quality of life (Carr et al). 2000;122:39-43
Complications after total laryngectomy in nonradiated laryngeal and hypopharyngeal carcinomas (Herranz et al). 2000;122:892-8
Complications and functional outcome after supracricoid partial laryngectomy with cricohyoidoepiglottopexy (Naudo et al). 1998;118:124-9
Complications of postoperative radiation therapy after partial laryngectomy in supraglottic cancer: a long-term evaluation (Laccourreye et al). 2000;122:752-7
Current trends in laryngectomy rehabilitation: a survey of speech-language pathologists (Culton and Gerwin). 1998;118:458-63
Early postoperative esophageal obstruction caused by enteral feeding concretions in patients who have undergone laryngectomy (Lentsch and Bumpous). 1999;120:617-8 (Case rep.)
Modified supracricoid partial laryngectomy with cricohyoidopexy: series report and analysis of results (Adamopoulos et al). 2000;123:288-93
Pharyngocutaneous fistula as a complication of total laryngectomy: review of the literature and analysis of case records (Cavalot et al). 2000;123:587-92
Quantitative and qualitative analysis of tracheoesophageal voice after pectoralis major flap reconstruction of the neopharynx (Deschler et al). 1998;118:771-6
Relationship between the size of neopharynx after laryngectomy and long-term swallowing function: an assessment by scintigraphy (Hui et al). 2001;124:225–9
Risk factors associated with hypothyroidism after laryngectomy (Gal et al). 2000;123:211-7
Stomal recurrence after total laryngectomy for squamous cell carcinoma of the larynx (Imauchi et al). 2002;126:63-6
Supracricoid laryngectomy with CHEP: functional results and outcome (Lima et al). 2001;124:258–60
Using an endotracheal tube in difficult secondary tracheoesophageal puncture: a novel technique (Cannon). 2001;125:117-19 (Case rep.)
Videostroboscopy of the pharyngoesophageal segment in laryngectomy patients treated with botulinum toxin (Meleca et al). 2000;123:38-43

Laryngismus
The use of preoperative lidocaine to prevent stridor and laryngospasm after tonsillectomy and adenoidectomy (Koç et al). 1998;118:880-2

Laryngitis
Outcomes of acid suppressive therapy in patients with posterior laryngitis (Ulualp et al). 2001;124:16–22
Pharyngeal acid reflux in patients with single and multiple otolaryngologic disorders (Ulualp et al). 1999;121:725-30
Pharyngeal pH monitoring in patients with posterior laryngitis (Ulualp et al). 1999;120:672-77

Laryngomalacia
Reflux in infants with larygomalacia: results of 24-hour double-probe pH monitoring (Matthews et al). 1999;120:860-4

Laryngopharyngeal reflux
Laryngopharyngeal reflux: position statement of the Committee on Speech, Voice, and Swallowing Disorders of the American Academy of Otolaryngology–Head and Neck Surgery (Koufman et al). 2002;127:32-5
Proton pump inhibitor resistance in the treatment of laryngopharyngeal reflux (Amin et al). 2001;125:374-8
The association between laryngeal pseudosulcus and laryngopharyngeal reflux (Belafsky et al). 2002;126:649-52

Laryngopharynx; see Hypopharynx

Laryngoplasty
Biomechanics of combined arytenoid adduction and medialization laryngoplasty in an ex vivo canine model (Noordzij et al). 1998;119:634-42

Laryngoscopy
A new anesthetic system for microlaryngeal surgery (Brooker et al). 1998;118:55-60

Dysphonia and delayed food allergy: a provocation/neutralization study with strobovideolaryngoscopy (Dixon). 1999;121:418-29

Laryngostenosis

Changing trends in neonatal subglottic stenosis. (Choi and Zalzal). 2000;122:61-3

Does slow-release 5-fluorouracil and triamcinolone reduce subglottic stenosis? (Ingrams et al). 1998;118:174-7

Gastroesophageal reflux: a critical factor in pediatric subglottic stenosis (Halstead). 1999;120:683-8

Improved canine model for laryngotracheal stenosis (Eliashar et al). 2000;122:84-90

Laryngotracheal reconstruction in subglottic stenosis: an ancient problem still present (Peña et al). 2001;125:397-400

Long-term growth of a vascularized auricular perichondrocutaneous flap in laryngotracheal reconstruction (Hoff and Esclamado). 1999;120:693-7

Minimally invasive surgery for posterior glottic stenosis (Róvo et al). 1999;121:153-6

Potential role of growth factors and extracellular matrix in wound healing after laryngotracheal reconstruction (Walner et al). 2000;122:363-6

Self-expanding and self-retaining spiral coil stent for the treatment of severe subglottic stenosis in adults: initial clinical experience (DeRowe et al). 1998;118:249-52 (Drug/device)

Subglottic stenosis: a complication of percutaneous tracheotomy (McQueen et al). 1999;120:543-5 (Case rep.)

Use of a revascularized, tubed costal myoperiosteal graft for repair of circumferential, segmental tracheal defects (Hoff and Esclamado). 1999;120:706-12

Larynx

A fine-cut technique for permanent laryngeal sectioning (Roy et al). 2001;124:31–4

A new anesthetic system for microlaryngeal surgery (Brooker et al). 1998;118:55-60

An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81

Caustic injury of the larynx (Soo and van Hasselt). 1998;119:425-6 (Clin. photo.)

Cell adhesion molecules in normal laryngeal development (Soliman et al). 1999;120:73-7

Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44

Clinical and histologic evaluation of an indwelling, inflatable, long-term laryngeal stent in the canine model (Milo et al). 1999;121:195-202

Comparison of concentric needle versus hooked-wire electrodes in the canine larynx (Jaffe et al). 1998;118:655-62

Complications and functional outcome after supracricoid partial laryngectomy with cricohyoidoepiglottopexy (Naudo et al). 1998;118:124-9

Early diagnosis and treatment of laryngeal injuries from prolonged intubation in adults (Deeb et al). 1999;120:25-9

Effect of intravenous calcitonin gene-related peptide antagonist on the laryngeal chemoreflex in piglet (Bauman et al). 1999;121:1-6

Head and neck manifestations of amyloidosis (Zundel et al). 1999;120:553-7 (Case rep.)

Incidence of abnormal laryngeal findings in asymptomatic singing students (Lundy et al). 1999;121:69-77

Laryngeal hematoma after thrombolytic therapy for myocardial infarction (Kaye and Kost). 1998;119:276-7 (Case rep.)

Laryngeal obstruction after inhalation of a penny from a metered-dose inhaler (Dayan et al). 1999;120:548-51 (Case rep.)

Larynx preservation: the discussion is not closed (Lefebvre). 1998;118:389-93

Localized laryngeal amyloidosis (Friedman et al). 2002;127:487-9 (Case rep.)

Long-term model of induced canine phonation (Paniello and Dahm). 1998;118:512-22

Medialization laryngoplasty (Dulguerov et al). 1999;120:275-8

Model for evaluating the effect of growth factors on the larynx (Walner et al). 1999;120:78-83

Muscle fiber and satellite cell apoptosis in the aging human thyroarytenoid muscle: a stereological study with confocal laser scanning microscopy (Malmgren et al). 2001;125:34-9

Muscle fiber-type changes induced by botulinum toxin injection in the rat larynx (Inagi et al). 1999;120:876-83

Muscle tension dysphonia as a sign of underlying glottal insufficiency (Belafsky et al). 2002;127:448-51

Powered surgical instruments for laryngeal surgery (Flint). 2000;122:263-6 (Drug/device)

Single-stage laryngotracheal reconstruction in children: a review of 200 cases (Gustafson et al). 2000;123:430-4

Submucosal squamous cell carcinoma of the subglottis (Porter et al). 1999;120:745-6 (Case rep.)

Surgery on the larynx and pharynx in Byzantium (AD 324-1453): early scientific descriptions of these operations (Lascaratos and Assimakopoulos). 2000;122:579-83

The histologic fate of autologous collagen injected into the canine vocal fold (Staskowski et al). 1998;118:187-90

The temporal course of adenovirus-mediated gene transfer in the rat larynx (Jacobs et al). 2002;126:281-9

Thyroglossal duct cyst causing intralaryngeal obstruction (Lübben et al). 2001;125:426-7 (Case rep.)

Tracheostomy for long-term laryngeal experimentation (Dahm and Paniello). 1998;118:376-80

Vocal cord polypectomy with fiberoptic sinus endoscopes (Bhattacharya and Caputo). 1998;118:381-2 (Case rep.)

Voice quality after narrow-margin laser cordectomy compared with laryngeal irradiation (Delsupehe et al). 1999;121:528-33

Voice target time in Parkinson's disease: a preliminary report (Jiang et al). 1999;121:87-91

XeCl laser surgery of the vocal cords: a histologic comparison with CO_2 laser in a porcine model (Wong et al). 1998;118:371-5

Larynx, artificial

Current trends in laryngectomy rehabilitation: a survey of speech-language pathologists (Culton and Gerwin). 1998;118:458-63

Effects of sound pressure levels on fundamental frequency in tracheoesophageal speakers. (Deschler et al). 1999;121:23-6

Modification of the inner flange of the Paparella type II ventilation tube for easier insertion (Vural et al). 1999;121:601-2

Modification of the tracheal flange of the Provox voice prosthesis for easier insertion (Vural and Hanna). 1999;121:599-600

Quantitative and qualitative analysis of tracheoesophageal voice after pectoralis major flap reconstruction of the neopharynx (Deschler et al). 1998;118:771-6

Larynx, surgery

Complications and functional outcome after supracricoid partial laryngectomy with cricohyoidoepiglottopexy (Naudo et al). 1998;118:124-9

Current trends in laryngectomy rehabilitation: a survey of speech-language pathologists (Culton and Gerwin). 1998;118:458-63

Laryngeal lymphangioma: a case report of an uncommon entity (Selz and Arjmand). 1998;118:382-4 (Case rep.)

Larynx preservation: the discussion is not closed (Lefebvre). 1998;118:389-93

Osteosarcoma of the larynx (Rossi et al). 1998;118:385-8 (Case rep.)
Quantitative and qualitative analysis of tracheoesophageal voice after pectoralis major flap reconstruction of the neopharynx (Deschler et al). 1998;118:771-6
XeCl laser surgery of the vocal cords: a histologic comparison with CO_2 laser in a porcine model (Wong et al). 1998;118: 371-5

Laser surgery
Analysis of short-term outcome after office-based laser-assisted uvulopalatoplasty (Astor et al). 1998;118:478-80
Carbon dioxide laser and silver halide infrared transmitting fibers for tympanoplasty: an experimental animal model (Zilker et al). 2001;125:157-60
Carbon dioxide laser surgery for snoring: results in 192 patients (Cheng et al). 1998;118:486-9
Comparison of postoperative pain between laser-assisted uvulopalatoplasty, uvulopalatopharyngoplasty, and radiofrequency volumetric tissue reduction of the palate (Troell et al). 2000; 122:402-9
Efficacy of uvulopalatopharyngoplasty in unselected patients with mild obstructive sleep apnea (Senior et al). 2000;123: 179-82
Endoscopic CO_2 laser excision for Tis, T1, and T2 glottic carcinomas: cure rate and prognostic factors (Peretti et al). 2000; 123:12431
Endoscopic treatment of Zenker's diverticulum using CO_2 laser (Krespi et al). 2002;127:309-14
Experimental carbon dioxide laser myringotomy (Valtonen et al). 2001;125:161-5
Laryngeal lymphangioma: a case report of an uncommon entity (Selz and Arjmand). 1998;118:382-4 (Case rep.)
Laser office ventilation of ears with insertion of tubes (Siegel and Chandra). 2002;127:60-6
Laser surgery for allergic rhinitis: the effect on seromucinous glands (Elwany and Salaam). 1999;120:742-4
Laser therapy for refractory myringitis in children (Fechner et al). 2002;127:163-8
Laser-assisted outpatient septoplasty: results in 703 patients (Kamami et al). 2000;122:445-9
Laser-assisted uvulopalatoplasty: short-term and long-term results (Neruntarat). 2001;124:90–3
Long-term histologic effects of inferior turbinate laser surgery (Wexler et al). 2001;124:459–63
Management of nasopharyngeal stenosis after uvulopalatoplasty (Krespi et al). 2000;123:692-5
Management of Zenker's diverticulum and postlaryngectomy pseudodiverticulum with the CO2 laser (Lippert et al). 1999; 121:809-14
Organ preservation by transoral laser microsurgery in piriform sinus carcinoma (Steiner et al). 2001;124:58–67
Phonatory results after laser surgery for glottic carcinoma (Sittel et al). 1998;119:418-24
Preapplication of mitomycin C for enhanced patency of myringotomy (Estrem and Baker) 2000;122:346-8
Q-switched neodymium:yttrium-aluminum-garnet laser treatment of lentigo maligna (Orten et al). 1999;120:296-302
Recurrent angiomyoma (vascular leiomyoma) of the larynx after laser excision (Anderson et al). 2000;123:646 (Case rep.)
Surgical treatment of Zenker's diverticulum: transcutaneous diverticulectomy versus microendoscopic myotomy of the cricopharyngeal muscle with CO2 laser (Zbären et al). 1999; 121:482-7
The effect of optical design on micromanipulator spot size using CO^2 laser irradiation (Chao et al). 2002;126:593-7
The evaluation of rhytidectomy flap healing after CO2 laser resurfacing in a pig model (Park et al). 2001;125:590-2
Tongue base suspension (Persky) (Letter); (DeRowe) (Reply). 2000;123:667-8
Use of the laryngeal mask airway for laser treatment of the subglottis (Jameson et al). 2000;123:101-2
Voice quality after narrow-margin laser cordectomy compared with laryngeal irradiation (Delsupehe et al). 1999;121:528-33
XeCl laser surgery of the vocal cords: a histologic comparison with CO_2 laser in a porcine model (Wong et al). 1998;118: 371-5

Lasers
A new laser treatment for vocal cord papilloma—585-nm pulsed dye (Valdez et al). 2001;124:421–5
Laser soldering and welding for ossicular reconstruction: an in vitro test (Park and Min). 2000;122:803-7

Lateral upper arm flap
Versatility and donor site morbidity of the lateral upper arm flap in intraoral reconstruction (Gellrich et al). 2001;124:549–55

Laterality
Explaining the Weber test (Sichel et al) (Letter); (Blakley and Siddique) (Reply). 2000;122:465

Latin America
Educational outcomes of an otitis media workshop for primary care providers in Latin America (Villaseñor et al). 1998;118: 394-6

Laurence-Moon-Biedl syndrome
Otolaryngologic features of Laurence-Moon-Bardet-Biedl syndrome (Urben and Baugh). 1999;120:571-4 (Case rep.)

Lazaroid
Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8

Learning
Learning curve in endoscopic sinus surgery (Marks). 1999;120: 215-8

Lecithin
Influence of lecithin on mitochondrial DNA and age-related hearing loss (Seidman et al). 2002;127:138-44

Lectins
Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91

Lectins, protein binding
Effects of influenza A virus on lectin-binding patterns in murine nasopharyngeal mucosa and on bacterial colonization (Hirano et al). 1999;121:616-21

Leeches
The use of medicinal leeches to treat macroglossia secondary to blunt trauma (Byrne and Bernstein). 2001;125:649-50 (Case rep.)

Leiomyosarcoma
Leiomyosarcoma of the larynx (Myers). 1999;121:643-6 (Case rep.)
Leiomyosarcoma of the sinonasal tract: report of a case (Batra et al). 2001;125:663-4 (Case rep.)

Lemierre's syndrome
Lemierre's syndrome (Vandenberg and Hartig). 1998;119:516-8 (Case rep.)

Leontiasis ossium; see Hyperostosis frontalis interna

Letters
Airbag deployment and hearing loss (Morris et al). 1999;121: 165-6 (Letter)

Allergic fungal sinusitis: immunotherapy as part of the treatment plan (Yencha). 1998;119:149
Anosmia after nasal surgery: a malpractice emergency (Biedlingmaier). 1999;121:510 (Letter)
Automobile airbag impulse noise (Benecke). 1999;121:166 (Letter)
Cervical sympathetic schwannoma (Myssiorek). 1998;119:150
Cochlear implantation in prelingually deaf children (Nunes). 1998;118:421
Cost-effective screening for acoustic neuroma (Fitzgerald and Mark) (Letter); (Shelton) (Reply). 1999;121:846
Electrocochleography in retrosigmoid vestibular nerve section for intractable vertigo (Meyerhoff) (Letter); (Krueger) (Reply). 1998;118:909
Epistaxis: new approach (Adornato). 2000;123:524 (Letter)
Ethics of cochlear implantation in young children (Eisenman) (Letter); (Lane) (Reply). 1999;121:668-70
Ethics of cochlear implantation in young children (Harris and Anderson). 1999;121:675-6 (Letter)
Ethics of cochlear implantation in young children (Lane) (Letter); (Balkany) (Reply). 1999;121:672-5
Familial clustering of nasopharyngeal carcinoma (Ko et al). 1998; 118:736-7
Fluoxetine for treatment of tinnitus (Shemen). 1998:118:421
Healing of complex tracheostomy wounds (Katz) (Letter); (Hotter) (Reply). 1998;118:564
Hypoglossal nerve conduction study by transcranial magnetic stimulation in normal subjects (Muelbacher and Mamoli). 1998;118:736
In search of a hammer (Alsarraf) (Letter); (Becker et al) (Reply). 2000;123:525-6
Kinetics of gentamicin uptake (Blakley). 1999;121:510 (Letter)
Malignant neoplasms of the nasal cavity and paranasal sinuses (Fajardo-Dolci) (Letter); (Calderón-Garcidueñas) (Reply). 2000;123:786-7
MRI in sudden sensorineural hearing loss (Fitzgerald and Mark). 1998;118:737-8
On singulars and pleurals of Latin-derived words: phenomena of pedagogic during tracheostomii (Todd and Simard). 1998; 118:288
Primary peripheral T-cell lymphoma of the acoustic nerve (Cohen) (Letter); (Wahl) (Reply). 1998;118:910
Recommendations for the treatment of acute bacterial rhinosinusitis are NOT based on current microbial resistance patterns (Ferguson) (Letter); (Benninger) (Reply). 2000;123:665-6
Research definitions and nomenclature (Anon). 1999;121:167 (Letter)
Secondary intention healing of exposed scalp and forehead bone (Charnock) (Letter); (Becker et al) (Reply). 2000;123:524-5
Standard of care? (Davidson). 1999;121:846 (Letter)
Sudden hearing loss and the need for immediate referral (Grossan). 1999;121:166-7 (Letter)
Technicians or physicians (Gerson). 1998;119:149-50
Test/retest reliability of the vestibular autorotation test in healthy subjects (O'Leary) (Letter); (Guyot and Psillas) (Reply). 1998;119:147-8
Tissue examination in obliteration technique and outpatient setting (Childers and Schoenfeld). 1998;118:738
Tongue base suspension (Persky) (Letter); (DeRowe) (Reply). 2000;123:667-8

Letters to the editor. 2000;122:156, 465-8, 619, 779-80

Leukemia
Sudden hearing loss as a presenting manifestation of leukemia (Veling et al). 1999;120:954-6 (Case rep.)

Leukemia, B-cell, chronic
Head and neck manifestations of B-cell chronic lymphocytic leukemia (Cohen-Kerem et al). 2000;123:784-5 (Clin. photo.)

Leukemia, lymphocytic, chronic
Chronic lymphocytic leukemia manifesting in the paranasal sinuses (Johnston et al). 2002;127:582-4 (Case rep.)

Leukocyte adhesion deficiency syndrome
Bilateral acute coalescent mastoiditis in an immunocompromised infant with a rare leukocyte adhesion deficiency (McNellis et al). 1999;120:926-8 (Case rep.)

Leukocytes
Sudden deafness: lack of evidence for systemic viral infection (Pitkäranta and Julkunen). 1998;118:397-9

Leukotrienes
Aspirin-sensitive versus non-aspirin-sensitive nasal polyp patients: analysis of leukotrienes/Fas and Fas-ligand expression (Ziroli et al). 2002;126:141-6
Cysteinyl leukotrienes in chronic hyperplastic rhinosinusitis (Arango et al). 2002;127:512-15
Effects of leukotriene and cyclo-oxygenase inhibition on adaptive bone remodeling in the middle ear (Sherman et al). 2000;123: 1-8
Leukotrienes C_4 and D_4 increase the ciliary beat frequency in human upper airway mucosa in vitro (Cyrus et al). 1998;118: 472-7

Lichen planus
Erosive form of lichen planus (Kyrmizakis and Papadakis). 1999; 121:844 (Clin. photo.)

Lidocaine
Efficacy of a eutectic mixture of local anesthetics as a topical anesthetic in minor otologic procedures. (Koutnouyan et al). 1999;121:38-42
The use of preoperative lidocaine to prevent stridor and laryngospasm after tonsillectomy and adenoidectomy (Koç et al). 1998;118:880-2
Vestibular compensation in guinea pigs given intravenous lidocaine after unilateral labyrinthectomy (Hung et al). 1999;120: 12-6

Life expectancy
Management of cancer in the elderly: therapeutic dilemmas (Hirano and Mori). 1998;118:110-4

Ligation
Comparison of internal maxillary artery ligation versus embolization for refractory posterior epistaxis (Cullen and Tami). 1998;118:636-42

Lightning
Bilateral Le Fort I fracture from a lightning strike injury to the face (Tibesar et al). 2000;123:647-9 (Case rep.)

Lingua frenum
The effect of ankyloglossia on speech in children (Messner and Lalakea). 2002;127:539-45

Lingual nerve
Botulinum toxin decreases salivation from canine submandibular glands (Shaari et al). 1998;118:452-7

Lingual thyroid
Lingual thyroid associated with chronic cough (Oppenheimer). 2001;125:433-4 (Clin. photo.)

Lip diseases
Reconstruction of large lower lip defects: a new method (Akbas and Karacaoglan). 2001;124:456–8

Lip neoplasms
Reconstruction of lower lip defects after tumor excision: an aesthetic and functional evaluation (López et al). 2000;123:317-23
Tumor thickness as a predictor of cervical lymph node metastasis

in squamous cell carcinoma of the lower lip (Önerci et al). 2000;122:139-42

Lipid peroxides

Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8

Lipoid proteinosis

Head and neck manifestations of lipoid proteinosis (Cote). 1998; 119:144-5 (Clin. photo.)

Lipoma

Angiolipoma presenting as a nasal mass (Shohet et al). 1998;118: 848-9 (Case rep.)

Giant esophageal fibrolipoma (Pérez et al). 1999;120:445-6 (Case rep.)

Lipoma of the tongue (Akyol et al). 2000;122:461-3 (Case rep.)

Pleomorphic lipoma of the tongue (Atik et al). 2002;126:430-1 (Case rep.)

Radiographic assessment of the infiltrating retropharyngeal lipoma (Senchenkov et al). 2001;125:658-60 (Case rep.)

Tonsillar lipoma (Dev et al). 2000;122:941 (Clin. photo.)

Lipomatosis, multiple symmetrical

Madelung's lipomatosis associated with head and neck neoplasia: a study of 2 cases (Guastella et al). 2002;126:191-2

Lipopolysaccharides

Mucin production in the middle ear in response to lipopolysaccharides (Hunter et al). 1999;120:884-8

Systemic reactivation of otitis media with effusion in a rat model (Jewett et al). 1999;121:7-12

Lips

Use of upper lip flap for correction of nostril stenosis (Mavili et al). 1999;121:840-1 (Case rep.)

Listerine; see Mouthwashes

Literature

Chordoma of the oropharynx: an unusual presentation and review of the literature (Gladstone et al). 1998;118:104-7 (Case rep.)

Giant cell reparative granuloma of the temporal bone: case report and review of the literature (Ung et al). 1998;118:525-9 (Case rep.)

Oral lymphoma in human immunodeficiency virus infection: a report of six cases and review of the literature (Jordan et al). 1998;119:672-7 (Case rep.)

Pharyngocutaneous fistula as a complication of total laryngectomy: review of the literature and analysis of case records (Cavalot et al). 2000;123:587-92

Lithiasis

Nasopharyngeal lith (Chen et al). 2001;125:576-8 (Case rep.)

Rhinolithiasis: a forgotten entity (Hadi et al). 2002;126:48-51

Liver cirrhosis, alcoholic

Complicated cirrhosis of the liver in patients with head and neck cancer (Ampil et al). 2001;125:417-19 (Case rep.)

Liver neoplasms

Hepatocarcinoma: metastasis to the nose and paranasal sinuses (Izquierdo et al). 2000;122:932-3 (Case rep.)

Long-term care

Airway management in Pierre Robin sequence (Myer III et al). 1998;118:630-5

Loratadine

Comparative efficacy of terfenadine, loratadine and astemizole in perennial allergic rhinitis (Crawford et al). 1998;118:668-73

Loss of heterozygosity

Association of 8p23 deletions with poor survival in head and neck cancer (Bockmühl et al). 2001;124:451–5

Lung diseases

Comparison of postoperative cardiopulmonary examinations and chest radiographs to detect pulmonary complications after adult tracheotomy (Park and Smith). 1999;121:274-6

Lung neoplasms

Acute bilateral sensorineural hearing loss as the presenting symptom of metastatic lung cancer (Snyder and Heywood). 2001; 124:592–4 (Case rep.)

Lingual metastasis as the initial presentation of a large cell lung carcinoma (Mui and Smith). 1999;121:305-6 (Case rep.)

Outcome and changing cause of unilateral vocal cord paralysis (Ramadan et al). 1998;118:199-202

Role of screening chest computed tomography in patients with advanced head and neck cancer (Tan et al). 1999;120:689-92

Lung volume measurements

Lung volume dependence of pharyngeal cross-sectional area by acoustic pharyngometry (Kamal). 2002;126:164-71

Lupus erythematosus, systemic

Aural symptoms and hearing loss in patients with lupus (Sperling et al). 1998;118:762-5

Lyme disease

Bilateral sensorineural hearing loss and spastic paraparesis in Lyme disease (Bertholon et al). 2000;122:458-9 (Case rep.)

Lymph node

2(^{18}F)-fluoro-2-deoxy-D-glucose positron emission tomography is a sensitive tool for the detection of occult primary cancer (carcinoma of unknown primary syndrome) with head and neck lymph node manifestation (Jungehülsing et al). 2000; 123:294-301

Burkitt's lymphoma of the nasal ala (Paleri et al). 1998;118:142 (Clin. photo.)

Efficacy of selective lymph node dissection in clinically negative neck (Mira et al). 2002;127:279-83

Heat shock protein and p53 expression in head and neck squamous cell carcinoma (Gandour-Edwards et al). 1998;118: 610-5

Isolated cervical tuberculosis in patients with HIV infection (Singh et al). 1998;118:766-70

Isolated laryngeal sarcoidosis (Fortune and Courey). 1998;118: 868-70 (Case rep.)

Lymphatic malformation: predictive factors for recurrence (Fliegelman et al). 2000;123:706-10

Nasal septal tumor as a sole presentation in the head and neck region in Rosai-Dorfman disease (Sheen et al). 1998;118: 408-11 (Int. case rep.)

Neck-dissection surgical specimens treated by lymph node revealing solution (Koren et al). 2001;124:72–5

Nuclear morphometry for the prediction of regional lymph nodes metastases in patients with cancer of the larynx (Dobros et al). 2000;123:770-4

Pleomorphic adenoma of the parotid gland metastasizing to the cervical lymph node (Chen and Tu). 2000;122:455-7 (Case rep.)

Sentinel lymph node evaluation in squamous cell carcinoma of the head and neck (Stoeckli et al). 2001;125:221-6

Lymphadenitis

Kawasaki disease presenting as cervical lymphadenitis or deep neck infection (Kao et al). 2001;124:468–70

Tuberculous and nontuberculous cervical lymphadenitis: a clinical review (Chao et al). 2002;126:176-9

Lymphadenitis, tuberculous. see Tuberculosis, lymph node

Lymphangioma

Laryngeal lymphangioma: a case report of an uncommon entity (Selz and Arjmand). 1998;118:382-4 (Case rep.)

Lymphangiomatous macroglossia causing upper airway obstruction and associated Plummer-Vinson syndrome (Shetty et al). 2001;124:477–8 (Case rep.)
Squamous cell carcinoma arising in lymphangioma of the tongue (Berry et al). 2002;127:458-60 (Case rep.)
Treatment of lymphangiomas in children: an update of Picibanil (OK-432) sclerotherapy (Greinwald et al). 1999;121:381-7

Lymphatic diseases
Induction chemotherapy followed by concomitant chemoradiation-induced regression of advanced cervical lymphadenopathy in head and neck cancer as a predictor of outcome (Ampil et al). 2002;126:602-6
Primary amyloidosis presenting as massive cervical lymphadenopathy with severe dyspnea: a case report and review of the literature (Leach et al). 1999;120:560-4 (Case rep.)
Sinus histiocytosis with massive lymphadenopathy (Yigitbasi et al). 1999;121:507 (Clin. photo.)
Sinus histiocytosis: a rare cause of progressive pediatric cervical adenopathy (Lasak et al). 1999;120:765-9 (Case rep.)

Lymphatic malformation
Lymphatic malformation with internal jugular phlebectasia (Yoon and Messner). 2001;124:579–80 (Case rep.)

Lymphatic metastasis
Occult cervical metastases: immunoperoxidase analysis of the pathologically negative neck (Enepekides et al). 1999;120:713-7
Rise of oxygenation in cervical lymph node metastasis during the initial course of radio chemotherapy (Dietz et al). 1999;121:789-96

Lymphocytes
Head and neck manifestations of B-cell chronic lymphocytic leukemia (Cohen-Kerem et al). 2000;123:784-5 (Clin. photo.)
Lymphoid cell infiltration into Epstein-Barr virus–positive nasopharyngeal carcinomas (Shpitzer et al). 2001;124:188–94

Lymphoepithelioma
Lymphoepithelioma-like carcinoma of the larynx associated with an Epstein-Barr viral infection (Sone et al). 1998;119:134-7 (Case rep.)
Prognostic factors in supraglottic laryngeal carcinoma (Morales-Angulo et al). 1998;119:548-53
Unilateral laryngeal dysgenesis (Bent III et al). 1998;119:712 (Clin. photo.)

Lymphoma
Lymphoma of the tongue (Schroeder). 1999;120:136 (Clin. photo.)
Non-Hodgkin's lymphoma of the anterior maxillary gingiva (Park). 1998;119:146 (Clin. photo.)
Oral lymphoma in human immunodeficiency virus infection: a report of six cases and review of the literature (Jordan et al). 1998;119:672-7 (Case rep.)
Value of flow cytometry in the evaluation of head and neck fine-needle lymphoid aspirates: a 3-year retrospective review of a community-based practice (Cannon and Richardson). 2001;124:544–8

Lymphoma, non-Hodgkin
Aggressive cervical lymphoma presenting as airway obstruction (Oghalai et al). 1999;120:610-3 (Case rep.)
Sinonasal lymphoma (Fajardo-Dolci et al). 1999;121:323-6

Lymphoma, T-cell
Angiocentric T-cell lymphoma of the temporal bone (Lewis et al). 2002;126:85-6 (Case rep.)
T-cell non-Hodgkin's lymphoma of the larynx and hypopharynx (Pak et al). 1999;121:335-6 (Clin. photo.)

Lymphomas, small-cell
Non-Hodgkin's lymphoma presenting as facial swelling and nasal obstruction in a pediatric patient (Reichman et al). 1999;121:127-9 (Case rep.)

Lymphoproliferative disorders
Adenotonsillar enlargement in pediatric organ transplant recipients: a cross-sectional analysis (Chiang et al). 2002;127:109-14

Lymphoscintigraphy
The use of lymphoscintigraphy and PET in the management of head and neck melanoma (Kokoska et al). 2001;125:213-20

M

Macroglossia
Lymphangiomatous macroglossia causing upper airway obstruction and associated Plummer-Vinson syndrome (Shetty et al). 2001;124:477–8 (Case rep.)
The use of medicinal leeches to treat macroglossia secondary to blunt trauma (Byrne and Bernstein). 2001;125:649-50 (Case rep.)

Macrophages
Analysis of cellular location and concentration in vocal fold lamina propria (Catten et al). 1998;118:663-7
Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11

Macrostomia
Congenital macrostomia (Yencha). 2001;124:353–4 (Clin. photo.)

Maculae, vestibular
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8

Madelung's neck. See Lipomatosis, multiple symmetrical

Magnetic resonance
Magnetic resonance sialography (Jungehulsing et al). 1999;121:488-94

Magnetic resonance imaging
Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)
Assessment of auditory cortex activation with functional magnetic resonance imaging (Ulualp et al). 2000;122:241-5
Biomechanical influences of magnetic resonance imaging on the SOUNDTEC Direct System implant (Dyer et al). 2002;127:520-30
Cost-effective diagnosis of acoustic neuromas: a philosophical, macroeconomic, and technological decision (Murphy and Selesnick). 2002;127:253-9
Endoscopic sinus surgery with magnetic resonance imaging guidance: initial patient experience (Fried et al). 1998;119:374-80
Incidental discovery of acoustic neuromas (Selesnick et al). 1999;120:815-8
Intracranial tumors mimicking benign paroxysmal positional vertigo (Dunniway and Welling). 1998;118:429-36
Magnetic resonance imaging in the search for retrocochlear pathology (Sedwick et al). 2001;124:652-5
Magnetic resonance imaging of the facial nerve in children with idiopathic facial paralysis (Burgio et al). 2000;122:556-9
Magnetic resonance imaging versus clinical palpation in evaluating cervical metastasis from head and neck cancer (Hao et al). 2000;123:324-7
Prevalence of unsuspected acoustic neuroma found by magnetic resonance imaging (Anderson et al). 2000;122:643-6
Ultra high resolution nonenhanced fast spin echo magnetic resonance imaging: cost-effective screening for acoustic neuroma

in patients with sudden sensorineural hearing loss (Daniels et al). 1998;119:364-9

Use of a three-dimensional magnetic sensor in vestibular testing (Zeitouni et al). 1999;120:109-12 (Drug/device)

Validation by magnetic resonance imaging of tympanometry for diagnosing middle ear effusion (Alper et al). 1999;121:523-7

Major basic proteins; see Myelin basic proteins

Major histocompatibility complex I

Expression of major histocompatibility complex antigens in squamous cell carcinomas of the head and neck. (Arosarena et al). 1999;120:665-71

Malate dehydrogenase

Tumor grade, microvessel density, and activities of malate dehydrogenase, lactate dehydrogenase, and hexokinase in squamous cell carcinoma (Ross et al). 2000;122:195-200

Malaysia

Skin prick test reactivity to foods in adult Malaysians with rhinitis (Gendeh et al). 2000;122:758-62

Malignant melanoma; see Melanoma

Malingering

Posturographic performance in patients with the potential for secondary gain (Gianoli et al). 2000;122:11-8

Malleus

Effect of increased inner ear pressure on middle ear mechanics (Murakami et al). 1998;118:703-8

Malleus-to-footplate prosthetic interposition: experience with 265 patients (Colletti and Fiorino). 1999;201:437-44

Malondialdehyde

Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8

Mammals

Evolutionary trends in the organization of the vertebrate crista ampullaris (Goldberg and Brichta). 1998;119:165-71

Hair cells in mammalian utricles (Eatock et al). 1998;119:172-81

Mammaplasty

Risk of progressive sensorineural hearing loss and Meniere's disease after breast implantation (Kim and Harris). 1998;118:747-50

Managed care programs

Cost-effective management of benign positional vertigo using canalith repositioning (Li et al). 2000;122:334-9

Mandible

Assessment of plate use for mandibular reconstruction: Has changing technology made a difference? (Klotch et al). 1999;121:388-92

Respiratory implantation cyst of the mandible after chin augmentation (Imholte and Schwartz). 2001;124:586–7 (Case rep.)

Mandibular diseases

Mandibular sclerosing osteomyelitis of Garre (Martin-Granizo et al). 1999;121:829-30 (Case rep.)

Mandibular fractures

Bone-screw mandible fixation: an intraoperative alternative to arch bars (Vartanian et al). 2000;123:718-21

Mandibular neoplasms

Central giant cell granuloma of the hard palate (Hernandez et al). 1998;118:871-3 (Case rep.)

Congenital granular cell tumor in the newborn (Olson et al). 1998;118:907 (Clin. photo.)

Extensive extramedullary amyloid-rich plasmacytoma of the mandible (Burns et al). 1999;120:937-9 (Case rep.)

Renal cell carcinoma presenting as a mandibular mass (Yoskovitch et al). 2001;125:654-6 (Case rep.)

Squamous cell carcinoma arising in a dentigerous cyst in a 16-month-old girl (Gulbranson et al). 2002;127:463-4 (Case rep.)

Unusual metastasis to the mandibular alveolus of a malignant pleural mesothelioma (García-Reija et al). 2002;126:435-7 (Case rep.)

Use of (18F)-fluorodeoxyglucose positron emission tomography in monitoring response of recurrent neurotropic desmoplastic melanoma to radiotherapy (Hannah et al). 2000;122:304-6 (Case rep.)

Use of computed tomography in the assessment of mandibular invasion in carcinoma of the retromolar trigone (Lane et al). 2000;122:673-7

Mandibular prosthesis implantation

Influence of the prosthetic restoration modality on bone loss around dental implants placed in vascularized iliac bone grafts for mandibular reconstruction (Kovács). 2000;123:598-602

Manometry

Anatomic correlates of acoustic rhinometry as measured by rigid nasal endoscopy (Corey et al). 1999;121:572-6

Effect of nasal surgery on the nasal cavity as determined by acoustic rhinometry (Kemker et al). 1999;121:567-71

Mass screening

Effects of cis-platinum chemotherapy on otoacoustic emissions: the development of an objective screening protocol (Ress et al). 1999;121:693-701

Hearing screening in the newborn intensive care nursery: comparison of methods (Rhodes et al). 1999;120:799-808

Masseter muscle

Vascular lesion of the masseter presenting with phlebolith (Hessel et al). 1999;120:545-8 (Case rep.)

Mast cells

Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9

Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11

Mastoid

Escherichia coli osteomyelitis of the skull base (Genden and Goebel). 1998;118:853-5 (Case rep.)

Acoustic mechanisms: canal wall-up versus canal wall-down mastoidectomy (Whittemore Jr et al). 1998;118:751-61

Acute coalescent mastoiditis in an infant: an emerging trend? (Bach et al). 1998;119:523-5 (Case rep.)

Bilateral acute coalescent mastoiditis in an immunocompromised infant with a rare leukocyte adhesion deficiency (McNellis et al). 1999;120:926-8 (Case rep.)

Chondromyxoid fibroma of the skull base (Patino-Cordoba et al). 1998;118:415-8 (Int. case rep.)

Computed tomography and the diagnosis of coalescent mastoiditis (Antonelli et al). 1999;120:350-4

Congenital cholesteatoma of the mastoid region (Mevio et al). 2002;127:346-8 (Case rep.)

Evaluation of implant losses and skin reactions around extraoral bone-anchored implants: a 0- to 8-year follow-up (Reyes et al). 2000;122:272-6

External auditory canal cholesteatoma with erosion into the mastoid (Martin et al). 1999;121:298-300 (Case rep.)

Facial nerve dysfunction associated with cystic lesions of the mastoid (Hwang and Jackler). 1998;119:668-72 (Case rep.)

Hearing results in pediatric patients after canal-wall-up and canal-wall-down mastoid surgery (Murphy and Wallis). 1998;119:439-43

Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32
Hydroxyapatite canal wall reconstruction mastoid obliteration (Estrem and Highfill). 1999;120:345-9
Ossiculoplasty in canal wall down mastoidectomy (Berenholz et al). 2000;123:30-3
Postauricular myocutaneous flap in otologic surgery (Farrior). 1998;118:743-6
Postoperative cholesterol cyst of the mastoid (Bizakis et al). 2000;122:312 (Clin. photo.)
Preoperative hearing predicts postoperative hearing (Blakley et al). 1998;119:559-63
Relevant issues in revision canal-wall-down mastoidectomy (Harvey and Fox). 1999;121:18-22
Surgical labyrinthectomy in the older patient (Langman and Lindeman). 1998;118:739-42
Surgical modification of the difficult mastoid cavity (Dornhoffer). 1999;120:361-7Mastoiditis
Toxic shock syndrome after mastoidectomy (Kotlarz and Crane). 1998;118:701-2 (Case rep.)

Mastoidectomy
Hearing results in the second stage of open mastoidectomy: a comparison of the different techniques (Cristóbal et al). 2000; 122:748-51
Multichannel cochlear implantation in radical mastoidectomy cavities (Pasanisi et al). 2002;127:432-6

Mastoiditis
Acute mastoiditis with temporomandibular joint effusion (Hadlock et al). 2001;125:111-12 (Case rep.)
Fatal meningitis and brain abscess resulting from foreign body-induced otomastoiditis (Goldman et al). 1998;118:6-8
Impact of resistant pneumococcus on rates of acute mastoiditis (Alcaraz et al). 1999;121:190-4

Maxilla
Benefits of routine maxillectomy and orbital reconstruction with the rectus abdominis free flap (Browne and Burke). 1999;121: 203-9

Maxillary artery
Comparison of internal maxillary artery ligation versus embolization for refractory posterior epistaxis (Cullen and Tami). 1998;118:636-42

Maxillary neoplasms
Benefits of routine maxillectomy and orbital reconstruction with the rectus abdominis free flap (Browne and Burke). 1999;121: 203-9
Congenital granular cell tumor in the newborn (Olson et al). 1998;118:907 (Clin. photo.)
Unusual otolaryngic presentations of ameloblastoma (Schmidt et al). 1999;121:285-9 (Case rep.)

Maxillary sinus
Active ion secretion and permeability of rabbit maxillary sinus epithelium, impact of staphylococcal enterotoxin B (Yang et al). 2000;123:120-3
Bilateral Le Fort I fracture from a lightning strike injury to the face (Tibesar et al). 2000;123:647-9 (Case rep.)
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9
Desmoplastic fibroma of the maxillary sinus (Cupero et al). 2001;125:661-2 (Case rep.)
Endodermal sinus tumor of the maxillary sinus (Westerveld et al). 2001;124:691-2 (Case rep.)
Extended lateral rhinotomy incision for total maxillectomy (Vural et al). 2000;123:512-3
Impact of endoscopic sinus surgery on global health perception: an outcomes study (Winstead and Barnett). 1998;119:486-91
In vitro resistance to bacterial biofilm formation on coated fluoroplastic tympanostomy tubes (Berry et al). 2000;123:246-51
In vivo resistance to bacterial biofilm formation on tympanostomy tubes as a function of tube material (Saidi et al). 1999; 120:621-7
Inflammatory pseudotumor of the maxillary sinus (Lee et al). 2001;125:565-6 (Case rep.)
Management of advanced adenocarcinoma of maxillary sinus in a young woman during pregnancy: a case report (Fetoni et al). 2002;126:432-3 (Case rep.)
Maxillary sinus mass: the case for the unerupted third molar (Pressman and Allen). 2000;122:776 (Clin. photo.)
Maxillary sinus pneumocele (Flanary and Flanary). 1998;119: 518-20 (Case rep.)
Maxillary sinus puncture and culture in the diagnosis of acute rhinosinusitis: the case for pursuing alternative culture methods (Benninger et al). 2002;127:7-12
Medical Outcome Study Short-Form 36-item Health Survey
Meta-analysis of tympanostomy tube sequelae (Kay et al). 2001; 124:374–80
Non-Hodgkin's lymphoma of the anterior maxillary gingiva (Park). 1998;119:146 (Clin. photo.)
Osteoradionecrosis of the maxillary-orbital complex after neutron beam radiotherapy (Marunick et al). 2000;123:224-8
Persistent rhinosinusitis in children after endoscopic sinus surgery (Chan et al). 1999;121:577-80
Role of antral puncture in the treatment of sinusitis in the intensive care unit (Ramadan et al). 1998;119:381-4
Xanthoma of the maxillary sinus (Pitman et al). 2002;126:426-7 (Case rep.)
Xenon-enhanced computed tomography quantifies normal maxillary sinus ventilation (Leopold et al). 2000;122:422-4

Maxillary sinus neoplasms
Non-Hodgkin's lymphoma presenting as facial swelling and nasal obstruction in a pediatric patient (Reichman et al). 1999;121: 127-9 (Case rep.)
Unusual otolaryngic presentations of ameloblastoma (Schmidt et al). 1999;121:285-9 (Case rep.)

Maxillary sinusitis
Endoscopically guided sinonasal cultures: a directed comparison with maxillary sinus aspirate cultures (Vogan et al). 2000; 122:370-3

Maxillofacial injuries
Maxillofacial injuries caused by all-terrain vehicle accidents (Touma et al). 1999;121:736-9

Medialization laryngoplasty
Failed medialization laryngoplasty: management by revision surgery (Woo et al). 2001;124:615-21
Late-occurring infections of medialization laryngoplasty implants (Newcomer and Sinard). 2001;124:693-5 (Case rep.)

Mediastinal cyst
Case report of an anterior neck thymic cyst (Newman et al). 2001;125:656-7 (Case rep.)
Increased expression of major basic protein (MBP) and interleukin-5 (IL-5) in middle ear biopsy specimens from atopic patients with persistent otitis media with effusion (Wright et al). 2000;123:533-8

Mediastinal emphysema
Hyponasality caused by retronasopharyngeal air as a symptom of pneumomediastinum (Braverman et al). 1998;118:903-4 (Int. case rep.)
Medical ethics
Conley lecture on medical ethics: ethics and the mystery of wholeness (Miller). 2001;124:356–8
Conley lecture on medical ethics: introduction (Campbell). 2001; 124:355
Medical Outcome Study Short-Form 36-item Health Survey
Impact of endoscopic sinus surgery on global health perception: an outcomes study (Winstead and Barnett). 1998;119:486-91
Medical records
Standardized format for depicting hearing preservation results in the management of acoustic neuroma (Rappaport et al). 1999; 121:176-9
Medical staff
Model for optimal space and staff efficiency in an otolaryngology clinic (Benninger and Strode). 1998;119:394-7
Melanoma
Bilateral isolated metastases of malignant melanoma to the cerebellopontine angle (Shinogami et al). 1998;118:276-9 (Int. case rep.)
Intramucosal spread of malignant melanoma of the oral cavity (Bhattacharyya et al). 1998;119:711 (Clin. photo.)
Malignant melanoma of the ear in a child (Anderson and Rao). 1999;120:135 (Clin. photo.)
Primary laryngeal melanoma (Lin et al). 2001;125:569-70 (Case rep.)
Primary malignant melanoma of the tongue (Spiegel and Singer). 1999;121:163 (Clin. photo.)
Primary melanoma of the sphenoid sinus (Busaba). 2000;123: 748-9 (Case rep.)
Recurrent cutaneous melanoma of the head and neck (Zitsch et al). 1999;120:391-3
The use of lymphoscintigraphy and PET in the management of head and neck melanoma (Kokoska et al). 2001;125:213-20
Use of (18F)-fluorodeoxyglucose positron emission tomography in monitoring response of recurrent neurotropic desmoplastic melanoma to radiotherapy (Hannah et al). 2000;122:304-6 (Case rep.)
Melatonin
Effects of dimethylthiourea, melatonin, and hyperbaric oxygen therapy on the survival of reimplanted rabbit auricular composite grafts (Lim et al). 1999;121:231-7
Melkersson-Rosenthal syndrome
Familial recurrent facial paresis: four generations (Bruns and Burgess). 1998;118:859-62 (Case rep.)
Membrane
Experimental model of cisplatin ototoxicity in chinchillas (Janning et al). 1998;119:574-80
Round window membrane permeability to transforming growth factor-α an in vitro study (Witte et al). 2000;123:91-6
Round window obliteration by osteoma of the middle ear (Britt et al). 2000;123:514-5 (Case rep.)
Membrane proteins
Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91
Meniére's disease
Allergic management of Meniere's disease: an outcome study (Derebery). 2000;122:174-82
Continuous gentamicin therapy using and IntraEAR microcatheter for Meniere's disease: a retrospective study (Seidman). 2002;126:244-56
Continuous intratympanic infusion of gentamicin via a microcatheter in Menière's disease (Schoendorf et al). 2001;124: 203–7
Cost-effective management of benign positional vertigo using canalith repositioning (Li et al). 2000;122:334-9
Direct round window membrane application of gentamicin in the treatment of Meniere's disease (Silverstein et al). 1999;120: 649-55
Electrocochleographic changes after intranasal allergen challenge: a possible diagnostic tool in patients with Meniere's disease (Gibbs et al). 1999;121:283-4 (Case rep.)
Endolymphatic mastoid shunt: a reevaluation of efficacy (Welling and Nagaraja). 2000;122:340-5
Inhalant allergy and Meniere's disease: use of electrocochleography and intranasal allergen challenge as investigational tools (Noell et al). 2001;125:346-50
Intratympanic dexamethasone, intratympanic gentamicin, and endolymphatic sac surgery for intractable vertigo in Meniere's disease (Becvarovski and Zappia) (Letter); (Sennaroglu) (Reply). 2002;127:490-1
Intratympanic gentamicin therapy for persistent vertigo after endolymphatic sac surgery (Marzo and Leonetti). 2002;126: 31-3
Intratympanic gentamicin treatment for Meniere's disease (McFeely Jr et al). 1998;118:589-96
Meniere's disease in military aircrew (McKinnon et al). 2001; 125:401-2 (Case rep.)
Prevalence of allergy in Meniere's disease (Derebery et al). 2000;123:69-75
Prevalence of heat shock protein in patients with Meniere's disease and allergy (Derebery). 2002;126:677-82
Risk of progressive sensorineural hearing loss and Meniere's disease after breast implantation (Kim and Harris). 1998;118: 747-50
Role of the new imaging modalities in the investigation of Meniere's disease (Xenellis et al). 2000;123:114-9
Sac-vein decompression for intractable Meniere's disease: two-year treatment results (Gianoli et al). 1998;118:22-9
Short-lasting drop attacks in Menière's disease (Kentala et al). 2001;124:526–30
Surgical labyrinthectomy in the older patient (Langman and Lindeman). 1998;118:739-42
Titration streptomycin therapy in Meniere's disease: long-term results (Balyan et al). 1998;118:261-6
Treatment of benign paroxysmal positional vertigo: no need for postmaneuver restrictions (Nuti et al). 2000;122:440-4
Meningeal neoplasms
Intracanalicular meningiomas (Caylan et al). 2000;122:147-50 (Case rep.)
Meningioma
Approaches to the sellar and parasellar region: a retrospective comparison of the endonasal-transsphenoidal and sublabial-transsphenoidal approaches (Spencer et al). 2000;122:367-9
Intracanalicular meningiomas (Caylan et al). 2000;122:147-50 (Case rep.)
Meningiomas presenting in the temporal bone: the pathways of spread from an intracranial site of origin (Chang et al). 1998; 119:658-64 (Case rep.)
Posterior petrous face meningiomas (Selesnick et al). 2001;124: 408–13
Primary extracranial meningioma of the temporal bone (O'Reilly et al). 1998;118:690-4 (Case rep.)

Meningitis
Adult onset spontaneous cerebrospinal fluid otorrhea with oval window fistula and recurrent meningitis: MRI findings (Rupa et al). 2001;124:344–6 (Case rep.)
Cochlear implant for deafness and blindness from meningitis (Harris et al). 2001;125:403-5 (Case rep.)
Fatal meningitis and brain abscess resulting from foreign body-induced otomastoiditis (Goldman et al). 1998;118:6-8
Isolated cryptococcal sphenoid sinusitis with septicemia, meningitis, and subsequent skull base osteomyelitis in an immunocompetent patient (Prendiville et al). 2000;123:277-9. Correction 2000;123:668 (Case rep.)
Meningitis, bacterial
Postmeningitic ossification in pediatric cochlear implantation (Young et al). 2000;122:183-8
Meningitis, pneumococcal
Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21
Otogenic meningitis caused by the pneumococci that had acquired resistance to cephalosporins (Sakamoto et al). 2001; 124:350–1 (Case rep.)
Stapes footplate fistula and recurrent meningitis (Hester et al). 1999;121:289-92 (Case rep.)
Time course of hearing loss in an animal model of pneumococcal meningitis (Kesser et al). 1999;120:628-37
Meningocele
Diffuse neurofibroma of the orbit associated with temporal meningocele and neurofibromatosis-1 (Kapadia et al). 1998;119: 652-5 (Case rep.)
Mercury
Broken glass mercury thermometer: a difficult airway foreign body (Moxham and Lee). 2002;127:339-41 (Case rep.)
Merkel cell carcinoma. see Carcinoma, Merkel cell
Mesenchymoma
Benign mesenchymoma of the tongue (Quiñónez et al). 2002; 127:357-8 (Case rep.)
Mesothelioma
Unusual metastasis to the mandibular alveolus of a malignant pleural mesothelioma (García-Reija et al). 2002;126:435-7 (Case rep.)
Messenger RNA; see RNA, messenger
Metachronous cancer
Metachronous cancer: prognostic factors including prior irradiation (Dolan et al). 1998;119:619-23
Metalloendopeptidases
Inhibition of matrix metalloproteinases in gerbil cholesteatoma: preliminary findings (Lehman et al). 2002;126:404-8
Metalloproteinase
Expression of matrix metalloproteinases and tissue inhibitor of metalloproteinases in laryngeal and pharyngeal squamous cell carcinoma: a quantitative analysis (Magary et al). 2000;122: 712-6
Role of membrane type 1-matrix metalloproteinase and gelatinase A in head and neck squamous cell carcinoma invasion in vitro (Rosenthal et al). 1999;121:337-43
Metaplasia
Assessment by nasal biopsy of long-term use of mometasone furoate aqueous nasal spray (Nasonex) in the treatment of perennial rhinitis (Minshall et al). 1998;118:648-54
Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73
Oncocytic metaplasia of the nasopharynx (Lim). 1998;118:419 (Clin. photo.)
Methicillin resistance
Near synchronous methicillin-resistant *Staphylococcus aureus* external auditory canal abscesses in 2 pediatric siblings (Buchalter). 2002;127:238-40 (Case rep.)
Metastasis; see Neoplasm metastasis
Methionine
Round window application of d-methionine provides complete cisplatin otoprotection (Korver et al). 2002;126:683-9
Methylation
Promoter hypermethylation: an important epigenetic mechanism for *hMLH1* gene inactivation in head and neck squamous cell carcinoma (Liu et al). 2002;126:548-53
Methylmethacrylate
Applications of fast-setting hydroxyapatite cement: cranioplasty (Constantino et al). 2000;123:409-12
Salvage of an infected hydroxyapatite cement cranioplasty with preservation of the implant material (Johnson et al). 2000; 123:515-7 (Case rep.)
Methylprednisolone
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998; 118:338-43
Metoclopramide
Small doses of propofol, droperidol, and metoclopramide for the preservation of postoperative nausea and vomiting after thyroidectomy (Fujii et al). 2001;124:266–9
Mexico
Educational outcomes of an otitis media workshop for primary care providers in Latin America (Villaseñor et al). 1998;118: 394-6
Mice
Antisense cyclin D1 inhibits growth of head and neck cancer xenografts in nude mice (Wang et al). 2001;124:656-62
Investigation of the ototoxic effects of interferon a2A on the mouse cochlea (Akyol et al). 2001;124:107–10
Recording eye movements in mice: a new approach to investigate the molecular basis of cerebellar control of motor learning and motor timing (De Zeeuw et al). 1998;119:193-203
Mice, nude
Growth of human paragangliomas in the subrenal capsule of the nude mouse (Gulya). 1998;118:309-11
Microbiology
Microbiology of sinusitis in patients undergoing bone marrow transplantation (Imamura et al). 1999;120:279-82
Microcirculation
Sarthran preserves cochlear microcirculation and reduces temporary threshold shifts after noise exposure (Goldwyn et al). 1998;118:576-83
Ultrastructural aspects of the microvasculature of the cochlea: the internal spiral network (Penha et al). 1999;120:725-9
Microgravity
Cardiovascular effects of microgravity: evolution of understanding (Short). 1998;118:S52-4
Countermeasures for vestibular dysfunction (Holt). 1998;118: S29-30
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8
Vestibular dysfunction: lessons and legacies from space—forward (Black). 1998;118:S1
Vestibulospinal adaptation to microgravity (Paloski). 1998;118: S39-44

Micromanipulation
The effect of optical design on micromanipulator spot size using CO^2 laser irradiation (Chao et al). 2002;126:593-7
Microsatellite repeats
Microsatellite analyses of loci at 7q31.3-q36 reveal a minimum of two common regions of deletion in nasopharyngeal carcinoma (Tan et al). 2002;126:296-300
Microscopy
Microscopic detection of occult malignancy in the adult tonsil (Reiter et al). 1999;120:190-4
Microscopic examination of routine tonsillectomy specimens: Is it necessary? (Alvi and Vartanian). 1998;119:361-3
Microscopy, confocal
Age-related changes in muscle fiber types in the human thyroarytenoid muscle: an immunohistochemical and stereological study using confocal laser scanning microscopy (Malmgren et al). 1999;121:441-51
Numerical densities of myonuclei and satellite cells in muscle fiber types in the aging human thyroarytenoid muscle: an immunohistochemical and stereological study using confocal laser scanning microscopy (Malmgren et al). 2000;123:377-84
Microscopy, electron
Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73
Microscopy, electron, scanning
Ultrastructural aspects of the microvasculature of the cochlea: the internal spiral network (Penha et al). 1999;120:725-9
Microsporic fungi
Mold testing by RAST and skin test methods in patients with allergic fungal sinusitis (Mabry et al). 1999;121:252-4 (Case rep.)
Microsurgery
A new anesthetic system for microlaryngeal surgery (Brooker et al). 1998;118:55-60
Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3
Powered surgical instruments for laryngeal surgery (Flint). 2000;122:263-6 (Drug/device)
Microsurgery, laser; see Laser surgery
Microtia
Microtia associated with the Kabuki (Niikawa-Kuroki) syndrome (Fong et al). 2001;125:557-8 (Case rep.)
Microtia repair: creation of a functional postauricular sulcus (Eavey). 1999;120:789-93
Middle cranial fossa approach
Identification of internal acoustic canal in the middle cranial fossa approach: a safe technique (Cokkeser et al). 2001;124:94–8
Middle ear
Ventral approach to the rat middle ear for otologic research (Pinilla et al). 2001;124:515–17
Middle ear effusion; see Otitis media with effusion
Middle ear implants. see Ossicular prosthesis
Middle ear ventilation
A new absorbable pressure-equalizing tube (D'Eredità et al). 2002;127:67-72
Conductive hearing loss associated with pressure equalization tubes (Estrem and Batra). 2000;122:349-51
Ear canal granulation in malignant external otitis (Leonard et al). 1999;121:506 (Clin. photo.)
Epidermal growth factor and transforming growth factor-α in middle ear effusion (Nassif et al). 1998;119:564-8
Experimental carbon dioxide laser myringotomy (Valtonen et al). 2001;125:161-5
Facial nerve paralysis in acute otitis media: cause and management revisited (Joseph and Sperling). 1998;118:694-6 (Case rep.)
Laser office ventilation of ears with insertion of tubes (Siegel and Chandra). 2002;127:60-6
Modification of the inner flange of the Paparella type II ventilation tube for easier insertion (Vural et al). 1999;121:601-2
Modification of the tracheal flange of the Provox voice prosthesis for easier insertion (Vural and Hanna). 1999;121:599-600
Permeability of tympanotomy tubes to ototopical preparations (Arnold and Bressler). 1999;121:35-7
Thermal myringotomy for eustachian tube dysfunction in hyperbaric oxygen therapy (Potocki and Hoffman). 1999;121:185-9
Migraines
Botulinum toxin type A (BOTOX) for treatment of migraine headaches: an open-label study (Binder et al). 2000;123:669-76
Military medicine
Stapedectomy in military aircrew (Thiringer and Arriaga). 1998;118:9-14
Military personnel
Meniere's disease in military aircrew (McKinnon et al). 2001;125:401-2 (Case rep.)
Milk
Prevalence of heat shock protein in patients with Meniere's disease and allergy (Derebery). 2002;126:677-82
Mitomycin
Mitomycin C for the prevention of adhesion formation after endoscopic sinus surgery: a randomized, controlled study (Chung et al). 2002;126:468-74
Use of mitomycin C for maintaining myringotomy patency (Estrem et al). 2000;122:8-10
Mitomycin C
Creating a stable tympanic membrane perforation using mitomycin C (O'Reilly et al). 2001;124:40–5
Preventing myringotomy closure with topical mitomycin C in rats (Estrem and Batra). 1999;120:794-8
Safety and efficacy of topical mitomycin C in myringotomy patency (Jassir et al). 2001;124:368–73
Models, anatomic
A three-dimensional, transparent model of the temporal bone (Marzo et al). 1998;118:245-8 (Drug/device)
An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81
Vagus nerve imaging with ultrasound: anatomic and in vivo validation (Knappertz et al). 1998;118:82-5
Models, animal; see Disease models, animal
Models, theoretical
Experimental model of cisplatin ototoxicity in chinchillas (Janning et al). 1998;119:574-80
Vestibular adaptation: how models can affect data interpretations (Galiana and Green). 1998;119:231-43
Mohs surgery
Mohs '98: single-procedure Mohs surgery with immediate reconstruction (Bernstein). 1999;120:184-9
Secondary intention healing of exposed scalp and forehead bone after Mohs surgery (Becker et al). 1999;121:751-4
Molecular biology
Molecules, motion, and man (Wackym and Balaban). 1998;118:S16-24

Mollusk
Evolution of adaptive neural networks: the role of voltage-dependent K+ channels (Alkon et al). 1998;119:204-11
Mometasone furoate
Assessment by nasal biopsy of long-term use of mometasone furoate aqueous nasal spray (Nasonex) in the treatment of perennial rhinitis (Minshall et al). 1998;118:648-54
Monitoring, ambulatory
Clinical validation of the Bedbuggô in detection of obstructive sleep apnea (Claman et al). 2001;125:227-30
Monitoring, physiologic
Correlation of laryngeal and pharyngeal carcinomas and 24-hour pH monitoring of the esophagus and pharynx (Chen et al). 1998;119:460-2
Is postoperative intensive care monitoring necessary after uvulopalatopharyngoplasty? (Mickelson and Hakim). 1998;119:352-6
Pharyngeal pH monitoring in patients with posterior laryngitis (Ulualp et al). 1999;120:672-77
Reflux in infants with larygomalacia: results of 24-hour double-probe pH monitoring (Matthews et al). 1999;120:860-4
Monitoring, sleep; see Polysomnography
Monkeys; see Haplorhini
Monomeric GTP-binding proteins
Expression on nm23 antimetastatic gene product in head and neck squamous cell carcinoma (Song et al). 2000;122:96-9
Moraxella catarrhalis
Issues in the management of bacterial sinusitis (Bishai). 2002;127:S3-S9
Issues in the management of bacterial sinusitis (Bishai). 2002;127:S3-S9
Management update of acute bacterial rhinosinusitis and the use of cefdinir (Gwaltney). 2002;127:S24-S29
Pharmacodynamic considerations for the selection of oral cephalosporins in the treatment of rhinosinusitis (Dandekar and Nicolau). 2002;127:S10-S16
Pharmacodynamic considerations for the selection of oral cephalosporins in the treatment of rhinosinusitis (Dandekar and Nicolau). 2002;127:S10-S16
Morbidity
Analysis of short-term outcome after office-based laser-assisted uvulopalatoplasty (Astor et al). 1998;118:478-80
Completion thyroidectomy for differentiated thyroid carcinoma (Chao et al). 1998;118:896-9
Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118:625-9
Growth of human paragangliomas in the subrenal capsule of the nude mouse (Gulya). 1998;118:309-11
Incidence of deep venous thrombosis and pulmonary embolism in otolaryngology–head and neck surgery (Moreano et al). 1998;118:777-84
Mortality
Incidence of deep venous thrombosis and pulmonary embolism in otolaryngology–head and neck surgery (Moreano et al). 1998;118:777-84
Tracheostomy for long-term laryngeal experimentation (Dahm and Paniello). 1998;118:376-80
Motion
Molecules, motion, and man (Wackym and Balaban). 1998;118:S16-24
Motion sickness
Countermeasures for vestibular dysfunction (Holt). 1998;118:S29-30
Spaceflight influences on ocular counterrolling and other neurovestibular reactions (Young and Sinha). 1998;118:S31-4
Vestibular dysfunction: lessons and legacies from space—forward (Black). 1998;118:S1
Motor endplate
An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81
Motor function
From genes to behavior in the vestibular system (Baker). 1998;119:263-75
Output-to-input approach to neural plasticity in vestibular pathways (Delgado-García). 1998;119:221-30
Physiologic basis for motor learning in the vestibulo-ocular (Lisberger). 1998;119:43-8
Recording eye movements in mice: a new approach to investigate the molecular basis of cerebellar control of motor learning and motor timing (De Zeeuw et al). 1998;119:193-203
Role of the flocculus of the cerebellum in motor learning of the vestibulo-ocular reflex (Highstein). 1998;119:212-20
Vestibular adaptation: how models can affect data interpretations (Galiana and Green). 1998;119:231-43
Motor neuron disease
Psychological distress: linking impairment with disability in facial neuromotor disorders (VanSwearingen et al). 1998;118:790-6
Motor vehicle accidents; see Accidents, traffic
Mouth
Expression of the proto-oncogene eIF4E in inflammation of the oral cavity (Chandy et al). 2002;126:290-5
Heterotopic gastrointestinal mucosa of the oral cavity (Drennen and Myers). 1998;118:99-101 (Case rep.)
Sensory recovery in melolabial flaps used for oral cavity reconstruction (Civantos et al). 2000;122:509-13
Mouth floor
Dermoid cyst of the floor of the mouth (Quraishi et al). 1998;118:562-3 (Clin. photo.)
Mouth mucosa
Carcinoma of the buccal mucosa (Chhetri et al). 2000;123:566-71
Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118:625-9
Esophageal presentation of cicatrical pemphigoid (Isenberg). 1998;118:845-7 (Case rep.)
Intramucosal spread of malignant melanoma of the oral cavity (Bhattacharyya et al). 1998;119:711 (Clin. photo.)
Reconstruction of oral defects with pedicled buccal fat pad flap (Hao). 2000;122:863-7
Squamous cell carcinoma of the buccal mucosa (Strome et al). 1999;120:375-9
Mouth neoplasms
A case/control study of risk factors for major salivary gland cancer (Muscat and Wynder). 1998;118:195-8
Benign fibrous histiocytoma of the floor of the mouth (Hong et al). 1999;121:330-3 (Case rep.)
Clinical-severity staging system for oral cavity cancer: five-year survival rates (Pugliano et al). 1999;120:38-45
Cost-identification analysis in oral cavity cancer management (Funk et al). 1998;118:211-20
Elective neck dissection versus observation in stage I squamous cell carcinomas of the tongue and floor of the mouth (Dias et al). 2001;125:23-9
Factors affecting survival for floor-of-mouth carcinoma (Klotch et al). 2000;122:495-8
Human papillomavirus infection and survival in oral squamous cell cancer: a population-based study (Schwartz et al). 2001;125:1-9

Intramucosal spread of malignant melanoma of the oral cavity (Bhattacharyya et al). 1998;119:711 (Clin. photo.)
Occult cervical metastases: immunoperoxidase analysis of the pathologically negative neck (Enepekides et al). 1999;120:713-7
Oral and oropharyngeal squamous cell carcinoma in young adults: a report on 13 cases and review of the literature (Kristina et al). 1999;120:823-33
p53 expression and p53 gene mutation in oral cancer and dysplasia (Rowley et al). 1998;118:115-23
Speech and swallowing in irradiated and nonirradiated postsurgical oral cancer patients (Pauloski et al). 1998;118:616-24
Synchronous contralateral oral and cervical ranula (Lin and Kao). 2001;125:420-1 (Case rep.)
Versatility and donor site morbidity of the lateral upper arm flap in intraoral reconstruction (Gellrich et al). 2001;124:549–55

Mouthwashes
Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118:625-9

Movement
Voice target time in Parkinson's disease: a preliminary report (Jiang et al). 1999;121:87-91

Mucins
Altered MUC1 and MUC2 glycoprotein expression in laryngeal cancer (Jeannon et al). 2001;124:199–202
MUC4 (sialomucin complex) expression in salivary gland tumors and squamous cell carcinoma of the upper aerodigestive tract (Weed et al). 2001;124:127–41
Mucin production in the middle ear in response to lipopolysaccharides (Hunter et al). 1999;120:884-8

Mucocele
Frontal sinus mucocele presenting as oculomotor nerve palsy (Lin et al). 2002;126:588-90 (Case rep.)
Juvenile aggressive ossifying fibroma presenting as an ethmoid sinus mucocele (Vaidya et al). 1998;119:665-8 (Case rep.)
Localized Paget's disease with mucocele in the sphenoid sinus (Rhee et al). 2001;124:338–9 (Case rep.)
Mucocele of the middle turbinate: a case report (Toledano et al). 2002;126:442-4 (Case rep.)
Nasopharyngeal mucocele: a common lesion in an uncommon location (Moore and Marentette). 1998;119:514-6 (Case rep.)

Mucociliary clearance
Clinical significance of compound cilia (McAuley and Anand). 1998;118:685-7 (Case rep.)
Leukotrienes C_4 and D_4 increase the ciliary beat frequency in human upper airway mucosa in vitro (Cyrus et al). 1998;118:472-7
Nitric oxide is a regulator of mucociliary activity in the upper respiratory tract (Runer et al). 1998;119:278-87
One-year low-dose erythromycin treatment of persistent chronic sinusitis after sinus surgery: clinical outcome and effects on mucociliary parameters and nasal nitric oxide (Cervin et al). 2002;126:481-9

Mucocutaneous lymph node syndrome
Kawasaki disease presenting as cervical lymphadenitis or deep neck infection (Kao et al). 2001;124:468–70

Mucoepidermoid carcinoma. see Carcinoma, mucoepidermoid

Mucopolysaccharidoses
Otologic and laryngologic manifestations of mucopolysaccharidoses after bone marrow transplantation (Papsin et al). 1998;118:30-6

Mucormycosis
Mucormycosis of the paranasal sinuses and septum (Feeley et al). 1999;120:750 (Clin. photo.)
Possible role of anticoagulation in the treatment of rhinocerebral mucormycosis (Hong and Koch). 2000;122:577-8 (Case rep.)
Rhino-orbital and rhino-orbito-cerebral mucormycosis (Talmi et al). 2002;127:22-31

Mucosa-associated lymphoid tissue lymphoma
Primary malignant lymphoma of mucosa-associated lymphoid tissue of larynx (Cheng et al). 1999;121:661-7 (Case rep.)

Mucous membrane
Assessment by nasal biopsy of long-term use of mometasone furoate aqueous nasal spray (Nasonex) in the treatment of perennial rhinitis (Minshall et al). 1998;118:648-54
Beaded nerve terminals in feline laryngeal mucosa (Tsuda et al). 1998;119:113-6
Carcinoma of the buccal mucosa (Chhetri et al). 2000;123:566-71
Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9
Density of middle turbinate subepithelial mucous glands in patients with chronic rhinosinusitis (Malekzadeh et al). 2002;127:190-5
Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8
Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118:625-9
Endoscopic management of an inverted nasal papilloma in a child (Cooter et al). 1998;118:876-9 (Case rep.)
Esophageal presentation of cicatrical pemphigoid (Isenberg). 1998;118:845-7 (Case rep.)
Expression of p63 and 14-3-3ς in normal and hyperdifferentiated mucosa of the upper aerodigestive tract (Sniezek et al). 2002;126:598-601
Head and neck manifestations of lipoid proteinosis (Cote). 1998;119:144-5 (Clin. photo.)
Heterotopic gastrointestinal mucosa of the oral cavity (Drennen and Myers). 1998;118:99-101 (Case rep.)
Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3
Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11
Intramucosal spread of malignant melanoma of the oral cavity (Bhattacharyya et al). 1998;119:711 (Clin. photo.)
Leukotrienes C_4 and D_4 increase the ciliary beat frequency in human upper airway mucosa in vitro (Cyrus et al). 1998;118:472-7
Occult mucosal injuries with radiofrequency ablation of the palate (Terris and Chen). 2001;125:468-72
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5
Relation between CT scan findings and human sense of smell (Hong et al). 1998;118:183-6
Surgical management of nasal and sinus sarcoidosis (Marks and Goodman). 1998;118:856-8 (Case rep.)

Multicenter studies
Intratumoral cisplatin/epinephrine-injectable gel as a palliative treatment for accessible solid tumors: a multicenter pilot study (Burris III et al). 1998;118:496-503
Obstructive sleep apnea treatment outcomes pilot study (Piccirillo et al). 1998;118:833-44 (Clin. epid./research)
Multiple myeloma
Neck mass as primary manifestation of multiple myeloma originating in the thyroid cartilage (Gross et al). 2002;126:326-8 (Case rep.)
Multi-Test device; see Skin tests
Munchausen syndrome
Factitious orbital emphysema: an unusual presentation of Munchausen's syndrome (Greene and Murr). 1998;119:512-4 (Case rep.)
Munchausen's syndrome: a case report with multiple symptoms (Yucel et al). 2001;124:595–7
Muscle fibers
Numerical densities of myonuclei and satellite cells in muscle fiber types in the aging human thyroarytenoid muscle: an immunohistochemical and stereological study using confocal laser scanning microscopy (Malmgren et al). 2000;123:377-84
Muscle, skeletal
Investigation of skeletal muscle denervation and reinnervation using magnetic resonance spectroscopy (Dort et al). 2001; 125:617-22
Muscles
A new concept in laryngeal muscle: multiple myosin isoform types in single muscle fibers of the lateral cricoarytenoid (Wu et al). 1998;118:86-94
Intrinsic nasal muscles and their electromyographic evaluation after external septorhinoplasty (Ozturan et al). 2001;125:332-8
Muscle fiber-type changes induced by botulinum toxin injection in the rat larynx (Inagi et al). 1999;120:876-83
Musculoskeletal system
Cardiovascular effects of microgravity: evolution of understanding (Short). 1998;118:S52-4
Music
Incidence of abnormal laryngeal findings in asymptomatic singing students (Lundy et al). 1999;121:69-77
Sphincter pharyngoplasty for correction of stress velopharyngeal insufficiency (McVicar et al). 2002;127:248 (Case rep.)
Mutation
p53 expression and p53 gene mutation in oral cancer and dysplasia (Rowley et al). 1998;118:115-23
Myasthenia gravis
Foreign body aspiration: an unusual presentation of myasthenia gravis (Patel and Forsen). 2001;124:698-9 (Case rep.)
Mycobacterium
Atypical tuberculosis (nontuberculous mycobacterium) of the parotid region in children (Harley). 1998;119:294 (Clin. photo.)
***Mycobacterium avium* complex**
Head and neck manifestation of *Mycobacterium avium* complex disease as a consequence of return of immunocompetency in AIDS (Bloom et al). 2001;125:668-9 (Case rep.)
Mycoses
Rhino-orbital and rhino-orbito-cerebral mucormycosis (Talmi et al). 2002;127:22-31
Myelin basic proteins
Increased expression of major basic protein (MBP) and interleukin-5 (IL-5) in middle ear biopsy specimens from atopic patients with persistent otitis media with effusion (Wright et al). 2000;123:533-8
Myelin sheath
Myelin-sheath abnormalities in the vestibular nerves of chronically diabetic rats (Myers). 1998;119:432-8
Myiasis
Human aural myiasis (Magliulo et al). 2000;122:777 (Clin. photo.)
Myocardial infarction
Laryngeal hematoma after thrombolytic therapy for myocardial infarction (Kaye and Kost). 1998;119:276-7 (Case rep.)
Myocardium
Squamous cell metastasis from the tongue to the myocardium presenting as pericardial effusion (Rivkin et al). 1999;120: 593-5 (Case rep.)
Myocutaneous flap
Quantitative and qualitative analysis of tracheoesophageal voice after pectoralis major flap reconstruction of the neopharynx (Deschler et al). 1998;118:771-6
Myoepithelioma
Malignant myoepithelioma arising within the masticator space ectopically (Minoda et al). 2001;124:342–3 (Case rep.)
Myofibroblasts
Analysis of cellular location and concentration in vocal fold lamina propria (Catten et al). 1998;118:663-7
Myosin
An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81
Myosin ATPase
A new concept in laryngeal muscle: multiple myosin isoform types in single muscle fibers of the lateral cricoarytenoid (Wu et al). 1998;118:86-94
Myotomy
Comparison of methods for determining cricopharyngeal intrabolus pressure in normal patients as possible indicator for cricopharyngeal myotomy (Bammer et al). 2002;127:299-308
Myringeal web
A myringeal web associated with first branchial cleft sinus (Sichel et al). 1998;118:286-7 (Clin. photo.)
Myringitis
Laser therapy for refractory myringitis in children (Fechner et al). 2002;127:163-8
Myringoplasty
Myringoplasty in children: factors influencing surgical outcome (Caylan et al). 1998;118:709-13
Revision myringoplasty with solvent-dehydrated human dura mater (Tutoplast) (Yetişer et al). 2001;124:518–21
Myringotomy
Facial nerve paralysis in acute otitis media: cause and management revisited (Joseph and Sperling). 1998;118:694-6 (Case rep.)
Preapplication of mitomycin C for enhanced patency of myringotomy (Estrem and Baker) 2000;122:346-8
Preventing myringotomy closure with topical mitomycin C in rats (Estrem and Batra). 1999;120:794-8
Prophylactic treatment after ventilation tube insertion: comparison of various methods (Golz et al). 1998;119:117-20
Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51
Safety and efficacy of topical mitomycin C in myringotomy patency (Jassir et al). 2001;124:368–73
See also Middle ear ventilation
Tympanostomy tubes and otic suspensions: Do they reach the middle ear space? (Hebert et al). 2000;122:330-3
Ventilation tube removal: does treatment affect perforation closure? (Schwartz et al). 2002;126:663-8

Ventilation tubes and persisting tympanic membrane perforations (Golz et al). 1999;120:524-7

N

N-(4-hydroxyphenyl)retinamide; see Fenretinide

Nasal bone

Congenital nasal pyriform aperture stenosis: clinical review (Fornelli and Ramadan). 2000;122:113-4 (Case rep.)

Toxic shock syndrome after closed reduction of a nasal fracture (Keller et al). 1999;120:569-70 (Case rep.)

Nasal cavity

Acinic cell carcinoma of the nasal cavity (von Biberstein et al). 1999;120:759-62 (Case rep.)

Aggressive endoscopic resection of inverted papilloma: an update (Schlosser et al). 2001;125:49-53

Cocaine-induced sinonasal destruction (Gupta et al). 2001;124:480 (Clin. photo.)

Detection of the nasal cycle with acoustic rhinometry: techniques and applications (Gungor et al). 1999;120:238-47

Effect of nasal surgery on the nasal cavity as determined by acoustic rhinometry (Kemker et al). 1999;121:567-71

Endoscopic management of a chronic ethmoid and sphenoid sinus foreign body (Bhattacharyya and Wenokur). 1998;118:687-90 (Case rep.)

Endoscopic surgery for the removal of a nasal glioma: case report (Dimov et al). 2001;124:690 (Case rep.)

Ewing's sarcoma in the nasal cavity (Csokonai et al). 2001;125:665-7 (Case rep.)

Extramedullary plasmacytoma of the nasal cavity (Shreif et al). 2001;124:119–20

Intraductal papilloma of the minor salivary gland involving the nasal cavity: Is it a distinct histopathologic entity? (Saleh and Abbarah). 1998;118:850-2 (Case rep.)

Leiomyosarcoma of the sinonasal tract: report of a case (Batra et al). 2001;125:663-4 (Case rep.)

Lobular capillary hemangioma of the nasal cavity (Miller et al). 1999;120:783-6 (Case rep.)

Malignant neoplasms of the nasal cavity and paranasal sinuses (Fajardo-Dolci) (Letter); (Calderón-Garcidueñas) (Reply). 2000;123:786-7

Maxillary sinus puncture and culture in the diagnosis of acute rhinosinusitis: the case for pursuing alternative culture methods (Benninger et al). 2002;127:7-12

Nasal granuloma gravidarum (Park). 2002;126:590-1 (Clin. photo.)

Nasal irrigation for the alleviation of sinonasal symptoms (Heatley et al). 2001;125:44-8

Normative standards for nasal cross-sectional areas by race as measured by acoustic rhinometry (Corey et al). 1998;119:389-93

Ozone effects on the immediate-phase response to allergen in the nasal airways of allergic asthmatic subjects (Michelson et al). 1999;120:225-32

Pleomorphic adenoma of the lateral nasal wall (Jackson and Rosenberg). 2002;127:474-6 (Case rep.)

Solitary fibrous tumor of the nasal cavity (Kessler et al). 1999;121:826-8 (Case rep.)

Squamous cell carcinoma of the anterior nasal cavity: a dual institution review (Fornelli et al). 2000;123:207-10

The effect of esophageal pressure monitoring on nasal airway resistance (Virkkula et al). 2001;125:261-4

Nasal decongestants

A study of the effect of nasal steroid sprays in perennial allergic rhinitis in patients with rhinitis medicamentosa (Ferguson et al). 2001;125:253-60

Nasal dilator, external

The effects of an external nasal dilator and nasal dimensions in Asians (Ochi and Ohashi). 2002;126:160-3

Nasal mucosa

Assessment by nasal biopsy of long-term use of mometasone furoate aqueous nasal spray (Nasonex) in the treatment of perennial rhinitis (Minshall et al). 1998;118:648-54

Assessment of nasal mucosa blood supply by quantitative endoscopic imaging of the back-scattered light (Prokopakis et al). 1999;121:307-12

Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9

Effects of influenza A virus on lectin-binding patterns in murine nasopharyngeal mucosa and on bacterial colonization (Hirano et al). 1999;121:616-21

Endoscopic management of an inverted nasal papilloma in a child (Cooter et al). 1998;118:876-9 (Case rep.)

Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3

Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11

Leukotrienes C_4 and D_4 increase the ciliary beat frequency in human upper airway mucosa in vitro (Cyrus et al). 1998;118:472-7

Palisaded encapsulated neuroma of the nasal fossa (Mayorga et al). 1998;119:141-3 (Case rep.)

Relation between CT scan findings and human sense of smell (Hong et al). 1998;118:183-6

Surgical management of nasal and sinus sarcoidosis (Marks and Goodman). 1998;118:856-8 (Case rep.)

The effects of sensitization and hypersensitivity reaction on transepithelial antigen transport of rat nasal mucosa (Yang et al). 2001;125:54-9

Nasal neoplasms

Disfiguring nasal metastasis from colorectal adenocarcinoma: a case report (Robiony et al). 2001;125:103-4 (Case rep.)

Nasal obstruction

A rare case of nasal glioma in adult age (Pasquini et al). 1998;118:905-6 (Int. case rep.)

Angiolipoma presenting as a nasal mass (Shohet et al). 1998;118:848-9 (Case rep.)

Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9

Congenital nasal pyriform aperture stenosis in the monozygotic twin of a child with holoprosencephaly (Krol et al). 1998;118:679-81 (Case rep.)

Congenital nasal pyriform aperture stenosis: clinical review (Fornelli and Ramadan). 2000;122:113-4 (Case rep.)

Effect of improved nasal breathing on obstructive sleep apnea (Friedman et al). 2000;122:71-4

Endoscopic repair of cerebrospinal fluid leaks to the sinonasal tract: predictors of success (Zweig et al). 2000;123:195-201

Evaluation of a new procedure for nasal alar rim and valve

collapse: nasal alar rim reconstruction (Troell et al). 2000; 122:204-11
Hyponasality caused by retronasopharyngeal air as a symptom of pneumomediastinum (Braverman et al). 1998;118:903-4 (Int. case rep.)
Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118: 800-3
Laser-assisted outpatient septoplasty: results in 703 patients (Kamami et al). 2000;122:445-9
Nasal patency and the effectiveness of nasal continuous positive air pressure in obstructive sleep apnea (Schechter et al). 1998;118:643-7
Outcomes of septoplasty (Siegel et al). 2000;122:228-32
Radiofrequency volumetric tissue reduction for treatment of turbinate hypertrophy: a pilot study (Li et al). 1998;119:569-73
Relation between CT scan findings and human sense of smell (Hong et al). 1998;118:183-6
Surgical management of nasal and sinus sarcoidosis (Marks and Goodman). 1998;118:856-8 (Case rep.)

Nasal polyps
Aspirin-sensitive versus non-aspirin-sensitive nasal polyp patients: analysis of leukotrienes/Fas and Fas-ligand expression (Ziroli et al). 2002;126:141-6
Decreased neuropeptide release may play a role in the pathogenesis of nasal polyps (Gungor et al). 1999;121:585-90
Free radical damage in nasal polyp tissue (Doğru et al). 2001; 124:570–2
Growth-related oncogene-aexpression in human nasal polyps (Klein et al). 2000;123:85-90
Metaplastic bone formation in nasal polyps with histologic presence of transforming growth factor β-1 (TGF β-1) and bone morphogenetic proteins (BMPs) (Jacono et al). 2001;125:96-7 (Case rep.)
Nasal polyposis: role of subclinical delayed food hypersensitivity (Pang et al). 2000;122:298-301
Sarcoidosis presenting as recurrent nasal polyps (Colden et al). 2000;123:519-21 (Case rep.)

Nasal pyriform aperture
Congenital nasal pyriform aperture stenosis in the monozygotic twin of a child with holoprosencephaly (Krol et al). 1998; 118:679-81 (Case rep.)

Nasal septum
Acoustic rhinometry and computed tomography scans for the diagnosis of nasal septal deviation, with clinical correlation (Mamikoglu et al). 2000;123:61-8
Adenoid cystic carcinoma of the nasal septum (Schneiderman and Chaudhury). 2002;127:251-2 (Clin. photo.)
Adenoid cystic carcinoma of the nasal septum (Schneidermann). 2002;126: (Clin. photo.)
Chondrocyte repopulation of allograft cartilage: a preliminary investigation and strategy for developing cartilage matrices for reconstruction (Kelley et al). 2002;127:265-70
Chondrosarcoma of the nasal septum (Downey et al). 2001;125: 98-100 (Case rep.)
Endoscopic resection of chondrosarcomas of the nasal septum: a report of 2 cases (Coppit et al). 2002;127:569-71 (Case rep.)
Endoscopic septoplasty: indications, technique, and results (Hwang et al). 1999;120:678-82
Laser-assisted outpatient septoplasty: results in 703 patients (Kamami et al). 2000;122:445-9
Long-term results of dermal grafting for the repair of nasal septal perforations (Lee et al). 1999;120:483-6
Mucormycosis of the paranasal sinuses and septum (Feeley et al). 1999;120:750 (Clin. photo.)
Nasal septal tumor as a sole presentation in the head and neck region in Rosai-Dorfman disease (Sheen et al). 1998;118: 408-11 (Int. case rep.)
Oncocytoma of the nasal septum: a rare cause of epistaxis (Hamdan et al). 2002;126:440-1 (Case rep.)
Outcomes of septoplasty (Siegel et al). 2000;122:228-32
Surgical options in columellar reconstruction (Smith and Papay). 1999;120:947-51 (Case rep.)

Nasal spray; see Administration, intranasal

Nasal wall
Overlay grafting for lateral nasal wall concavities (Gilbert). 1998; 119:385-8

Nasolacrimal duct
Intranasal anatomy of the nasolacrimal sac in endoscopic dacryocystorhinostomy (Wormald et al). 2000;123:307-10

Nasopharyngeal diseases
Localized amyloid tumor of the nasopharynx (Pitäranta and Malmberg). 2000;122:309-10 (Case rep.)
Nasopharyngeal mucocele: a common lesion in an uncommon location (Moore and Marentette). 1998;119:514-6 (Case rep.)

Nasopharyngeal neoplasms
Anterior approaches in juvenile nasopharyngeal angiofibromas with intracranial extension (Danesi et al). 2000;122:277-83
Diagnostic value of Epstein-Barr viral serology in nasopharnyngeal carcinoma (Low et al). 2000;123:505-7
Endonasal endoscopic surgery for nasopharyngeal angiofibroma (Khalifa). 2001;124:336–7 (Case rep.)
Huge nasopharyngeal teratoma with cleft palate and lip and unilateral choanal atresia (Choulakis et al). 2001;124:584–5 (Case rep.)
Hyponasality caused by retronasopharyngeal air as a symptom of pneumomediastinum (Braverman et al). 1998;118:903-4 (Int. case rep.)
Lymphoid cell infiltration into Epstein-Barr virus–positive nasopharyngeal carcinomas (Shpitzer et al). 2001;124:188–94
Malignant neoplasms of the nasal cavity and paranasal sinuses: Is air pollution the missing link? (Calderón-Garcidueñas et al). 2000;122:499-508
Microsatellite analyses of loci at 7q31.3-q36 reveal a minimum of two common regions of deletion in nasopharyngeal carcinoma (Tan et al). 2002;126:296-300
Middle ear recurrence in two patients with nasopharyngeal carcinoma (Kwong et al). 1998;118:280-2 (Int. case rep.)
Nasopharyngeal Burkitt's lymphoma causing acute airway obstruction (Sobol and Kost). 2001;124:334–5 (Case rep.)
Nasopharyngeal lith (Chen et al). 2001;125:576-8 (Case rep.)
Nasopharyngeal Warthin's tumor (Yeh et al). 1999;120:942-4 (Case rep.)
Nasopharyngectomy for recurrent high-grade mucoepidermoid carcinoma after radiation failure (Brown et al). 1999;120: 564-6 (Case rep.)
Oncocytic metaplasia of the nasopharynx (Lim). 1998;118:419 (Clin. photo.)
Prognostic value of p53, proliferating cell nuclear antigen, and Ki-67 expression in undifferentiated nasopharyngeal carcinomas (Genç et al). 2000;122:868-73
Salvage surgery for recurrent nasopharyngeal carcinoma in anterior marginal miss after radiotherapy (Shu et al). 1999;121: 622-6
Sinonasal neuroendocrine carcinoma presenting as a nasopharyngeal mass (Galera-Ruiz et al). 2001;124:475–6 (Case rep.)

Skin: an unusual site of metastases in nasopharyngeal carcinoma (Yücel et al). 1999;121:833-4 (Case rep.)
Telomerase assay and nested polymerase chain reaction from nasopharyngeal swabs for early noninvasive detection of nasopharyngeal carcinoma (Kerekhanjanarong et al). 2000;123:624-9
The nature of juvenile nasopharyngeal angiofibroma (Liang et al). 2000;123:475-81

Nasopharyngitis
Dynamics of nasopharyngitis in children (Brook and Gober). 2000;122:696-700

Nasopharynx
Choristoma of the nasopharynx (Downs et al). 2000;123:523 (Clin. photo.)
Complications of tonsillectomy and adenoidectomy (Randall and Hoffer). 1998;118:61-8
Head and neck manifestations of amyloidosis (Zundel et al). 1999;120:553-7 (Case rep.)
Hyponasality caused by retronasopharyngeal air as a symptom of pneumomediastinum (Braverman et al). 1998;118:903-4 (Int. case rep.)
Molecular typing of paired bacterial isolates from the adenoid and lateral wall of the nose in children undergoing adenoidectomy: implications in acute rhinosinusitis (Bernstein et al). 2001;125:593-7

National Aeronautics and Space Administration
Vestibular dysfunction: lessons and legacies from space. 1998;118:S1-54

National Commission on Sleep Disorders Research
Obstructive sleep apnea treatment outcomes pilot study (Piccirillo et al). 1998;118:833-44 (Clin. epid./research)

National Institute on Deafness and Other Communication Disorders
The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90 (Editorial)

National Institutes of Health
The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90 (Editorial)

Nausea
Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9

Nebulizers and vaporizers
Laryngeal obstruction after inhalation of a penny from a metered-dose inhaler (Dayan et al). 1999;120:548-51 (Case rep.)
Treatment of chronic rhinosinusitis refractory to other treatments with topical antibiotic therapy delivered by means of a large-particle nebulizer: results of a controlled trial (Desrosiers and Salas-Prato). 2001;125:265-9
Use of nebulized antibiotics for acute infections in chronic sinusitis (Vaughan and Carvalho). 2002;127:558-68

Neck
Adjustable length tracheostomy tube for the morbidly obese and thick neck patient (Lim and Raman). 2001;124:56–7 (Drug/device)
Advances in Otolaryngology-Head and Neck Surgery, Volume 12 (Lowry). 2000;122:623 (Book rev.)
Cervical ganglioneuroma: report of a case (Califano et al). 2001;124:115–16
Cervicocutaneous sarcoidosis (Alvi and Johnson). 2002;126:455-6 (Clin. photo.)
Differential Diagnosis in Head and Neck Imaging (Sandlin). 2000;122:622 (Book rev.)
Disseminated blastomycosis presenting as a neck mass (Bergman et al). 2000;122:270-1 (Case rep.)
Efficacy of selective neck dissection: a review of 503 cases of elective and therapeutic treatment of the neck in squamous cell carcinoma of the upper aerodigestive tract (Ambrosch et al). 2001;124:180–7
Free flap reconstruction of the head and neck: analysis of 241 cases (Haughey et al). 2001;125:10-17
Head and Neck Surgery-Otolaryngology, 2nd edition (Gates). 2000;122:622 (Book rev.)
Is carotid reconstruction for advanced neck cancer a safe procedure? (Katsuno et al). 2001;124:222–4
Isolated cervical tuberculosis in patients with HIV infection (Singh et al). 1998;118:766-70
Kawasaki disease presenting as cervical lymphadenitis or deep neck infection (Kao et al). 2001;124:468–70
Neck-dissection surgical specimens treated by lymph node revealing solution (Koren et al). 2001;124:72–5
Objective and early diagnosis of chylous fistula in the postoperative period (Erisen et al). 2002;126:172-5
Primary amyloidosis presenting as massive cervical lymphadenopathy with severe dyspnea: a case report and review of the literature (Leach et al). 1999;120:560-4 (Case rep.)
Systemic management of chyle fistula: the Southwestern experience and review of the literature 2000;122:31-8
The investing layer of the deep cervical fascia does not exist between the sternocleidomastoid and trapezius muscles (Zhang and Lee). 2002;127:452-7
Three-dimensional ultrasound evaluation in the head and neck (Klimek et al). 1998;118:267-71
Usefulness of the C1 transverse process as a reference guide in the dissection of the upper lateral neck (Sheen et al). 2000;122:284-9

Neck dissection
Stress fracture of the clavicle after selective neck dissection (Hao and Chang). 1998;118:732-3 (Int. case rep.)

Neck infections
Computed tomography in the evaluation of pediatric neck infections (Wetmore et al). 1998;119:624-7

Neck injuries
Penetrating neck trauma in children: an urban hospital's experience (Kim et al). 2000;123:439-43

Neck neoplasms; see Head and neck neoplasms

Neck pain
Pain in the neck after neck dissection (Talmi et al). 2000;123:302-6

Necrosis
Necrosis of the tongue after arterial chemotherapy (Shih et al). 1999;121:655-60 (Case rep.)
Necrotizing fasciitis of the neck (Mastros and Broniatowski). 1998;118:140-1 (Clin. photo.)
Necrotizing granulomatous inflammation of the superior vestibular nerve mimicking an acoustic neuroma (Marple et al). 1998;118:862-5 (Case rep.)
Rare complication of nasal packing: alar region necrosis (Civelek et al). 2000;123:656 (Case rep.)
Temporal bone necrosis: diagnosis, classification, and management (Pathak et al). 2000;123:252-7

Necrotizing fasciitis
Acute reconstruction of massive cervicofacial necrotizing fasciitis with Estlander and free scapular/parascapular flaps (Whetzel et al). 1999;120:101-4 (Case rep.)

Neodymium
Q-switched neodymium:yttrium-aluminum-garnet laser treatment of lentigo maligna (Orten et al). 1999;120:296-302
Neomycin
Controlled multicenter study on chronic suppurative otitis media treated with topical applications of ciprofloxacin 0.2% solution in single-dose containers or combination of polymyxin B, neomycin, and hydrocortisone suspension (Miró et al). 2000; 123:617-23
Protection against aminoglycoside otic drop-induced ototoxicity by a spin trap: I. acute effects (Hester et al). 1998;119:581-7
Neonatal screening
Cost and cost-effectiveness of universal screening for hearing loss in newborns (Kezirian et al). 2001;124:359–67
Hearing screening in the newborn intensive care nursery: comparison of methods (Rhodes et al). 1999;120:799-808
Neopharynx
Relationship between the size of neopharynx after laryngectomy and long-term swallowing function: an assessment by scintigraphy (Hui et al). 2001;124:225–9
Neoplasm metastasis
Adenocarcinoma of the rectum with metastasis to the palatine tonsil (Goldenberg et al). 1999;121:653-4 (Case rep.)
Bilateral isolated metastases of malignant melanoma to the cerebellopontine angle (Shinogami et al). 1998;118:276-9 (Int. case rep.)
Disfiguring nasal metastasis from colorectal adenocarcinoma: a case report (Robiony et al). 2001;125:103-4 (Case rep.)
Heat shock protein and p53 expression in head and neck squamous cell carcinoma (Gandour-Edwards et al). 1998;118: 610-5
Intracranial metastases in patients with squamous cell carcinoma of the head and neck (de Bree et al). 2001;124:217–21
Magnetic resonance imaging versus clinical palpation in evaluating cervical metastasis from head and neck cancer (Hao et al). 2000;123:324-7
Nuclear morphometry for the prediction of regional lymph nodes metastases in patients with cancer of the larynx (Dobros et al). 2000;123:770-4
Occult lymph node metastases in supraglottic cancers of the larynx (Esposito et al). 2001;124:253–7
Skin metastases in squamous cell carcinoma of the head and neck (Yoskovitch et al). 2001;124:248–52
Skin: an unusual site of metastases in nasopharyngeal carcinoma (Yücel et al). 1999;121:833-4 (Case rep.)
Squamous cell metastasis from the tongue to the myocardium presenting as pericardial effusion (Rivkin et al). 1999;120: 593-5 (Case rep.)
Unusual metastasis to the mandibular alveolus of a malignant pleural mesothelioma (García-Reija et al). 2002;126:435-7 (Case rep.)
Neoplasm recurrence, local
A rare case of nasal glioma in adult age (Pasquini et al). 1998; 118:905-6 (Int. case rep.)
Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70
Comparison of regional recurrence rates of radical and comprehensive neck dissection type 3 in NO laryngeal cancer (Yilmaz et al). 2000;122:736-8
Fenretinide-induced apoptosis of human head and neck squamous carcinoma cell lines (Scher et al). 1998;118:464-71
Inappropriate secretion of antidiuretic hormone caused by the local regional recurrence of hypopharyngeal cancer (Suzuki et al). 1998;118:412-4 (Int. case rep.)
Middle ear recurrence in two patients with nasopharyngeal carcinoma (Kwong et al). 1998;118:280-2 (Int. case rep.)
Primary extracranial meningioma of the temporal bone (O'Reilly et al). 1998;118:690-4 (Case rep.)
Neoplasm seeding
Cancerous seeding of the tracheotomy site in patients with upper aerodigestive tract squamous cell carcinoma (Campbell et al). 1999;120:601-3 (Case rep.)
Neoplasm staging
Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70
Clinical-severity staging system for oral cavity cancer: five-year survival rates (Pugliano et al). 1999;120:38-45
Cost-identification analysis in oral cavity cancer management (Funk et al). 1998;118:211-20
Influence of computed tomography on pretherapeutic tumor staging in head and neck cancer patients (Prehn et al). 1998;119: 628-33
Stage grouping reliability: TNM '97 versus TANIS in laryngeal cancer (Carinci et al). 1999;120:499-501 (Brief commun.)
Neoplasms
Intracranial tumors mimicking benign paroxysmal positional vertigo (Dunniway and Welling). 1998;118:429-36
Intratumoral cisplatin/epinephrine-injectable gel as a palliative treatment for accessible solid tumors: a multicenter pilot study (Burris III et al). 1998;118:496-503
Management of cancer in the elderly: therapeutic dilemmas (Hirano and Mori). 1998;118:110-4
Outcome and changing cause of unilateral vocal cord paralysis (Ramadan et al). 1998;118:199-202
Neoplasms, adipose tissue
Angiolipoma presenting as a nasal mass (Shohet et al). 1998;118: 848-9 (Case rep.)
Neoplasms, fibrous tissue
Solitary fibrous tumor of the nasal cavity (Kessler et al). 1999; 121:826-8 (Case rep.)
Neoplasms, multiple primary
Octreotide scintigraphy for the detection of paragangliomas (Telischi et al). 2000;122:358-62
Neoplasms, radiation-induced
Radiation-induced malignant fibrous histiocytoma of the head and neck (Fell et al). 1998;118:529-31 (Case rep.)
Neoplasms, squamous cell
Elective neck dissection versus observation in stage I squamous cell carcinomas of the tongue and floor of the mouth (Dias et al). 2001;125:23-9
Human papillomavirus infection and survival in oral squamous cell cancer: a population-based study (Schwartz et al). 2001; 125:1-9
Increased levels of immune inhibitory CD34+ progenitor cells in the peripheral blood of patients with node positive head and neck squamous cell carcinomas and the ability of these CD34+ cells to differentiate into immune stimulatory dendritic cells (Lathers et al). 2001;125:205-12
Patterns of spread in recurrent head and neck squamous cell carcinoma (Vaidya et al). 2001;125:393-6
Sentinel lymph node evaluation in squamous cell carcinoma of the head and neck (Stoeckli et al). 2001;125:221-6
Neoplasms, unknown primary
2(^{18}F)-fluoro-2-deoxy-D-glucose positron emission tomography is a sensitive tool for the detection of occult primary cancer (carcinoma of unknown primary syndrome) with head and neck lymph node manifestation (Jungehülsing et al). 2000; 123:294-301

Occult intranasal malignancy: an argument for routine pathologic examination (Hockstein et al). 2000;123:654-5
Tonsillectomy in diagnosis of the unknown primary tumor of the head and neck (Randall et al). 2000;122:52-5

Neovascularization
The effect of endothelial cell growth factor on peripheral nerve regeneration (Smith and Browne). 1998;118:178-82

Neovascularization, physiologic
Time necessary for neovascularization of a tracheal segment by the sternohyoid muscle (Tecchio et al). 2001;125:201-4

Nerve endings
Beaded nerve terminals in feline laryngeal mucosa (Tsuda et al). 1998;119:113-6

Nerve injuries
Traumatic optic neuropathy after posterior ethmoidal artery ligation for epistaxis (Brouzas et al). 2002;126:323-5 (Case rep.)

Nerve net
Evolution of adaptive neural networks: the role of voltage-dependent K+ channels (Alkon et al). 1998;119:204-11
Output-to-input approach to neural plasticity in vestibular pathways (Delgado-García). 1998;119:221-30

Nerve regeneration
End-to-side neurorraphy: a long-term study of neural regeneration in a rat model (Tarasidis et al). 1998;119:337-41
The effect of endothelial cell growth factor on peripheral nerve regeneration (Smith and Browne). 1998;118:178-82
Vestibular nerve regeneration in the bullfrog, *Rana catesbeiana*: peripheral dendrites (Hernandez et al). 1998;119:244-54

Nerve sheath tumors
Extracranial lower cranial nerve sheath tumors (Leonetti et al). 2001;125:640-4
Malignant peripheral nerve sheath tumors of the head and neck: analysis of prognostic factors (Loree et al). 2000;122:667-72

Nervous system
Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)
Bilateral isolated metastases of malignant melanoma to the cerebellopontine angle (Shinogami et al). 1998;118:276-9 (Int. case rep.)
Cardiovascular effects of microgravity: evolution of understanding (Short). 1998;118:S52-4
Computerized dynamic posturography: What have we learned from space? (Black and Paloski). 1998;118:S45-51
Intracranial tumors mimicking benign paroxysmal positional vertigo (Dunniway and Welling). 1998;118:429-36
Molecules, motion, and man (Wackym and Balaban). 1998;118:S16-24
Necrotizing granulomatous inflammation of the superior vestibular nerve mimicking an acoustic neuroma (Marple et al). 1998;118:862-5 (Case rep.)
Spaceflight influences on ocular counterrolling and other neurovestibular reactions (Young and Sinha). 1998;118:S31-4
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8
Vestibular function in the fetal sheep (Antonelli et al). 1998;118:571-5
Vestibulospinal adaptation to microgravity (Paloski). 1998;118:S39-44

Neural conduction
Neurotoxic effects of doxycycline sclerotherapy (Kirse et al). 1998;118:356-62
The effect of endothelial cell growth factor on peripheral nerve regeneration (Smith and Browne). 1998;118:178-82

Neural pathways
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15

Neurilemmoma
Arachnoid cysts of the petrous apex in a patient with vestibular schwannoma (Falcioni et al). 2000;123:657 (Case rep.)
Auditory brainstem implantation: the University of Verona experience (Colletti et al). 2002;127:84-96
Effects of estrogen and tamoxifen on growth of human vestibular schwannomas in the nude mouse (Stidham and Roberson). 1999;120:262-4
Extracranial lower cranial nerve sheath tumors (Leonetti et al). 2001;125:640-4
Germline screening of the NF-2 gene in families with unilateral vestibular schwannoma (Bikhazi et al). 1998;119:1-6
Giant schwannoma of external auditory canal: a case report (Galli et al). 2001;124:473–4 (Case rep.)
Hearing preservation in solitary vestibular schwannoma surgery using the retrosigmoid approach (Moffatt et al). 1999;121:781-8
Horner's syndrome after excision of cervical sympathetic chain schwannoma (Kara and Topuz). 2002;127:127-8 (Clin. photo.)
Intracochlear schwannoma (Roland and Gilmore). 1998;119:681-4 (Case rep.)
Intracochlear vestibular schwannoma: a potential source for recurrence after translabyrinthine resection (Green et al). 2000;123:281-2 (Case rep.)
Malignant schwannoma of the thyroid gland (see Al-Ghambi et al). 2000;122:143 (Case rep.)
Neurofibromatosis type 2 associated with cranial nerve schwannomas (Minamino et al). 2001;124:581–3 (Case rep.)
Schwannoma of the greater superficial petrosal nerve. (Michel et al). 2000;122:302-3 (Case rep.)
Schwannoma (neurilemmoma) of the palatine tonsil (Bildirici et al). 2002;126:693-4 (Case rep.)
Schwannoma of the true vocal cord. 1999;121:837-9 (Case rep.)
Synchronous ipsilateral cerebellopontine angle glossopharyngeal schwannoma and parotid adenoid cystic carcinoma (Lin et al). 2002;126:423-5 (Case rep.)
The transmastoid retrolabyrinthine approach in vestibular schwannoma surgery (Bento et al). 2002;127:437-41
Trigeminal schwannomas: the role of the neurotologist in multidisciplinary management (Friedman et al). 1999;120:355-60

Neuritis
Facial nerve paralysis in acute otitis media: cause and management revisited (Joseph and Sperling). 1998;118:694-6 (Case rep.)

Neuroblastoma
Cervical ganglioneuroma: report of a case (Califano et al). 2001;124:115–16

Neuroendocrine tumors
Case study of well-differentiated carcinoid tumor of the larynx and review of laryngeal neuroendocrine tumors (McBride et al). 1999;120:536-9 (Case rep.)
Small cell neuroendocrine carcinoma of the parotid gland (Vural et al). 2000;122:151-2 (Case rep.)

Neurofibroma
Diffuse neurofibroma of the orbit associated with temporal meningocele and neurofibromatosis-1 (Kapadia et al). 1998;119:652-5 (Case rep.)
Plexiform neurofibroma of the sublingual gland (Kahwaji et al). 2000;122:927 (Case rep.)

Neurofibromatosis
Diffuse neurofibroma of the orbit associated with temporal meningocele and neurofibromatosis-1 (Kapadia et al). 1998;119:652-5 (Case rep.)
Germline screening of the NF-2 gene in families with unilateral vestibular schwannoma (Bikhazi et al). 1998;119:1-6
Neurofibromatosis of the head and neck: atypical presentation in a child (Sobol et al). 1999;120:763-5 (Case rep.)
Neurofibromatosis 2
Analysis of the human neurofibromatosis type 2 gene promoter and its expression (Welling et al). 2000;123:413-8
Neurofibromatosis type 2 associated with cranial nerve schwannomas (Minamino et al). 2001;124:581–3 (Case rep.)
Neurologic impairment
Sinusitis in neurologically impaired children (Brook and Shah). 1998;119:357-60
Neuroma
Palisaded encapsulated neuroma of the nasal fossa (Mayorga et al). 1998;119:141-3 (Case rep.)
Neuroma, acoustic
Auditory-nerve integrity after middle-fossa acoustic-tumor removal (Friedman et al). 1998;119:588-92
Cerebellar encephalomalacia on magnetic resonance imaging after removal of acoustic tumor (Bordure et al). 1999;121:144-9
Correlation between Ki-67 index and some clinical aspects of acoustic neuromas (Niemczyk et al). 2000;123:779-83
Cost-effective diagnosis of acoustic neuromas: a philosophical, macroeconomic, and technological decision (Murphy and Selesnick). 2002;127:253-9
Diagnosis and documentation of central nervous system dysfunctions with craniocorpography after surgical removal of acoustic neurinomas (Gomez-Angel et al). 2000;122:592-5
Distortion-product otoacoustic emissions in nonacoustic tumors of the cerebellopontine angle (Mobley et al). 2002;126:115-20
Does choice of hearing selection criterion and reporting criteria affect the hearing preservation rate in vestibular schwannoma surgery? (Da Cruz et al). 1999;121:313-7
Hearing preservation in patients with vestibular schwannomas and with sensorineural hearing loss (Friedman et al). 2001;125:544-51
Hydroxyapatite cement cranioplasty in translabyrinthine acoustic neuroma surgery (Arriaga and Chen). 2002;126:512-17
Long-term results of the first 500 cases of acoustic neuroma surgery (Wiet et al). 2001;124:645-51
Management of unilateral acoustic neuroma in a 72-year-old patient with contralateral congenital deafness (Branch and Hirsch). 2002;127:483-6 (Case rep.)
Necrotizing granulomatous inflammation of the superior vestibular nerve mimicking an acoustic neuroma (Marple et al). 1998;118:862-5 (Case rep.)
Normal audiologic presentations in patients with acoustic neuroma: an evaluation using strict audiologic parameters (Magdziarz et al). 2000;122:157-62
Prevalence of unsuspected acoustic neuroma found by magnetic resonance imaging (Anderson et al). 2000;122:643-6
Prognostic value of the blink reflex in acoustic neuroma surgery (Darrouzet et al). 2002;127:153-62
Standardized format for depicting hearing preservation results in the management of acoustic neuroma (Rappaport et al). 1999;121:176-9
Ultra high resolution nonenhanced fast spin echo magnetic resonance imaging: cost-effective screening for acoustic neuroma in patients with sudden sensorineural hearing loss (Daniels et al). 1998;119:364-9
Viral titers and delayed facial palsy after acoustic neuroma surgery (Gianoli). 2002;127:427-31
Neuromodulation; see Neurotransmission
Neuromodulators; see Neuroregulators
Neuromotor disorders; see Motor neuron disease
Neuromuscular diseases
An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81
Diagnostic laryngeal electromyography: the Wake Forest experience (Koufman et al). 2001;124:603-6
Neuromuscular junction
Role of motor unit number estimate electromyography in experimental canine laryngeal reinnervation (Peterson et al). 1999;121:180-4
Neuropeptides
Decreased neuropeptide release may play a role in the pathogenesis of nasal polyps (Gungor et al). 1999;121:585-90
Neuroregulation
Inhibition of nitric oxide synthase causes elevation of hearing thresholds (Zdanski et al). 1998;119:159-63
Neuroregulators
Molecules, motion, and man (Wackym and Balaban). 1998;118:S16-24
Neurotoxins
Inhibition of nitric oxide synthase causes elevation of hearing thresholds (Zdanski et al). 1998;119:159-63
Neurotoxic effects of doxycycline sclerotherapy (Kirse et al). 1998;118:356-62
Neurotransmitters; see Neuroregulators
Neutrophils
Circulating neutrophil CD18 receptor expression and ischemic flap neutrophil infiltration in a guinea pig model (Dolan et al). 2000;122:374-7
Newborn; see Infant, newborn
Newborn intensive care. see Intensive care, neonatal
Nijmegen Cochlear Implant Questionnaire
Development and application of a health-related quality-of-life instrument for adults with cochlear implants: the Nijmegen Cochlear Implant Questionnaire (Hinderink et al). 2000;123:756-65
Nitric oxide
Elevated nitric oxide metabolite levels in chronic sinusitis (Schlosser et al). 2000;123:357-62
Inhibition of nitric oxide synthase causes elevation of hearing thresholds (Zdanski et al). 1998;119:159-63
Nitric oxide is a mediator of the late-phase response in an animal model of nasal allergy (Durland et al). 2000;122:706-11
Nitric oxide is a regulator of mucociliary activity in the upper respiratory tract (Runer et al). 1998;119:278-87
One-year low-dose erythromycin treatment of persistent chronic sinusitis after sinus surgery: clinical outcome and effects on mucociliary parameters and nasal nitric oxide (Cervin et al). 2002;126:481-9
Sodium nitroprusside/nitric oxide causes apoptosis in spiral ganglion cells (Pai et al). 1998;119:323-30
Nitric-oxide synthase
Nitric oxide synthase type 3 in reflux-induced esophageal lesions (Chandra et al). 2001;124:442–7
Nitroglycerin
Effect of parenteral pentoxifylline and topical nitroglycerin on skin flap survival (Karacaoğlan et al). 1999;120:272-4

Nitroprusside

Nitric oxide is a regulator of mucociliary activity in the upper respiratory tract (Runer et al). 1998;119:278-87

Sodium nitroprusside/nitric oxide causes apoptosis in spiral ganglion cells (Pai et al). 1998;119:323-30

Noise

Aural symptoms and hearing loss in patients with lupus (Sperling et al). 1998;118:762-5

Automobile airbag impulse noise: otologic symptoms in six patients (Saunders et al). 1998;118:228-34

Explosive tinnitus: an underrecognized disorder (Teixido and Connolly). 1998;118:108-9 (Case rep.)

Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998; 118:338-43

Sarthran preserves cochlear microcirculation and reduces temporary threshold shifts after noise exposure (Goldwyn et al). 1998;118:576-83

Noonan syndrome

Audiologic manifestations of Noonan syndrome (Qiu et al). 1998; 118:319-23

Noonan's syndrome with sensorineural hearing loss and vestibular abnormalities (Foster and Dyhrkopp). 1998;119:508-11 (Case rep.)

Nordihydroguaiaretic acid

Synergistic effects of 13-*cis* retinoic acid and arachidonic acid cascade inhibitors on growth of head and neck squamous cell carcinoma in vitro (Spingarn et al). 1998;118:159-64

Normal distribution

Box and whisker plots for graphic presentation of audiometric results of conductive hearing loss treatment (Govaerts et al). 1998;118:892-5

Nose

Acoustic rhinometry and computed tomography scans for the diagnosis of nasal septal deviation, with clinical correlation (Mamikoglu et al). 2000;123:61-8

Anatomic correlates of acoustic rhinometry as measured by rigid nasal endoscopy (Corey et al). 1999;121:572-6

Anosmia after nasal surgery: a malpractice emergency (Biedlingmaier). 1999;121:510 (Letter)

Auricular composite grafting to repair nasal vestibular stenosis (Karen et al). 2000;122:529-32

Effectiveness of second-generation fibrin glue in endonasal surgery (Vaiman et al). 2002;126:388-91

Endoscopic management of a chronic ethmoid and sphenoid sinus foreign body (Bhattacharyya and Wenokur). 1998;118:687-90 (Case rep.)

Epistaxis: new approach (Adornato). 2000;123:524 (Letter)

Evaluation of time of nasal packing after nasal surgery: a randomized trial (Lubianca-Neto et al). 2000;122:899-901

Exploring health-related quality of life in patients with diseases of the ear, nose, and throat: a multicenter observational study (Witsell et al). 2001;125:288-98

Extended lateral rhinotomy incision for total maxillectomy (Vural et al). 2000;123:512-3

Hepatocarcinoma: metastasis to the nose and paranasal sinuses (Izquierdo et al). 2000;122:932-3 (Case rep.)

Intranasal anatomy of the nasolacrimal sac in endoscopic dacryocystorhinostomy (Wormald et al). 2000;123:307-10

Intrinsic nasal muscles and their electromyographic evaluation after external septorhinoplasty (Ozturan et al). 2001; 125:332-8

Nasal septal clamp (Raman et al). 2000;123:750 (Drug/Device)

Nitric oxide is a mediator of the late-phase response in an animal model of nasal allergy (Durland et al). 2000;122:706-11

Rare complication of nasal packing: alar region necrosis (Civelek et al). 2000;123:656 (Case rep.)

Use of upper lip flap for correction of nostril stenosis (Mavili et al). 1999;121:840-1 (Case rep.)

Nose diseases

Unusual otolaryngic presentations of ameloblastoma (Schmidt et al). 1999;121:285-9 (Case rep.)

Nose neoplasms

Burkitt's lymphoma of the nasal ala (Paleri et al). 1998;118:142 (Clin. photo.)

Metastatic renal cell carcinoma to the nose (Cheng et al). 2000; 122:464 (Clin. photo.)

Sinonasal lymphoma (Fajardo-Dolci et al). 1999;121:323-6

Squamous cell carcinoma of the anterior nasal cavity: a dual institution review (Fornelli et al). 2000;123:207-10

Unusual presentation of a rare nasal tumor (Crow et al). 2000; 123:746-8 (Case rep.)

Nuclear magnetic resonance

Investigation of skeletal muscle denervation and reinnervation using magnetic resonance spectroscopy (Dort et al). 2001; 125:617-22

Nucleic acid synthesis inhibitors

Use of mitomycin C for maintaining myringotomy patency (Estrem et al). 2000;122:8-10

Nystagmus

Association of adhesive macromolecules with terminal sprouts at the neuromuscular junction after botulinum treatment (Lee et al). 1999;120:255-61

Asymmetric sensorineural hearing loss in a community-based population (Urben et al). 1999;120:809-14

Differentiating between peripheral and central causes of vertigo (Baloh). 1998;119:55-9

Effect of parenteral pentoxifylline and topical nitroglycerin on skin flap survival (Karacaoğlan et al). 1999;120:272-4

Endoscopic approach to nasal glioma (Burckhardt and Tobon). 1999;120:747-8 (Case rep.)

Endoscopic septoplasty: indications, technique, and results (Hwang et al). 1999;120:678-82

Evaluation of the caloric test by combining 3 response parameters (Maire et al). 2000;122:814-20

Head and neck manifestations of amyloidosis (Zundel et al). 1999;120:553-7 (Case rep.)

Incidental discovery of acoustic neuromas (Selesnick et al). 1999; 120:815-8

Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15

Retrosigmoid-transmeatal en bloc removal of small to medium-sized acoustic neuromas (Colletti and Fiorino). 1999;120: 122-8

Spinal subdural hematoma after resection of an acoustic neuroma (Marx et al). 1999;120:540-2 (Case rep.)

Nystagmus, optokinetic

Comparison of optokinetic nystagmus elicited by full versus partial visual field stimulation: diagnostic implications (Kveton et al). 1999;121:52-6

Influence of the multichannel cochlear implant on vestibular function (Ito). 1998;118:900-2

Nystagmus, physiologic

Vestibular function in the fetal sheep (Antonelli et al). 1998;118: 571-5

O

Obesity
Adjustable length tracheostomy tube for the morbidly obese and thick neck patient (Lim and Raman). 2001;124:56–7 (Drug/device)
Carbon dioxide laser surgery for snoring: results in 192 patients (Cheng et al). 1998;118:486-9
Obesity, morbid
Bariatric surgery for treatment of sleep apnea syndrome in 15 morbidly obese patients: long-term results (Scheuller and Weider). 2001;125:299-302
Obstructive sleep apnea; see Sleep apnea syndromes
Occipital artery
Postauricular myocutaneous flap in otologic surgery (Farrior). 1998;118:743-6
Occlusive dressings
Choosing the optimal wound dressing for irradiated soft tissue wounds (Hom et al). 1999;121:591-8
Occupational exposure
A case/control study of risk factors for major salivary gland cancer (Muscat and Wynder). 1998;118:195-8
Occupational health
Incidence of abnormal laryngeal findings in asymptomatic singing students (Lundy et al). 1999;121:69-77
Octreotide
Indium 111 octreotide scintigraphy in angiofibroma (Guneri et al). 1998;118:137-9 (Int. case rep.)
Ocular motility disorders
Clinical use of three-dimensional video measurements of eye movements (Merfeld et al). 1998;118:S35-8
Effects of vestibular and cerebellar deficits on gaze and torso stability during ambulation (Crane et al). 2000;123:22-9
Ocular motility complications after endoscopic sinus surgery with powered cutting instruments (Bhatti et al). 2001;125:501-9
Spaceflight influences on ocular counterrolling and other neurovestibular reactions (Young and Sinha). 1998;118:S31-4
Oculography
Clinical use of three-dimensional video measurements of eye movements (Merfeld et al). 1998;118:S35-8
Oculomotor nerve
Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)
Office surgery; see Ambulatory surgery
Off-road motor vehicles
Maxillofacial injuries caused by all-terrain vehicle accidents (Touma et al). 1999;121:736-9
Ofloxacin
Comparison of the effectiveness of levofloxacin and amoxicillin-clavulanate for the treatment of acute sinusitis in adults (Adelglass et al). 1999;120:320-7
Older persons; see Aged
Olfaction; see Smell
Olfactory mucosa
Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8
Olfactory nerve
Relation between CT scan findings and human sense of smell (Hong et al). 1998;118:183-6
Olfactory pathways
Structure of the principal olfactory tract (Gil-Carcedo et al). 2000;122:129-38
Omagh bomb disaster
The otologic consequences of the Omagh bomb disaster (Miller et al). 2002;126:127-8
Oncocytes
Oncocytic neoplasms of the parotid gland: a 16-year institutional review (Capone et al). 2002;126:657-62
Oncogenes
Growth-related oncogene-αexpression in human nasal polyps (Klein et al). 2000;123:85-90
The HPV 6 E6/E7 transforming genes are expressed in inverted papilloma (Harris et al). 1998;118:312-8
Ondansetron
Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9
Onychomycosis
Dermatophytid reaction and chronic otitis externa (Busch). 1998;118:420 (Clin. photo.)
Ophthalmoplegia
Frontal sinus mucocele presenting as oculomotor nerve palsy (Lin et al). 2002;126:588-90 (Case rep.)
Optic nerve
Endoscopic optic nerve decompression for traumatic blindness (Kountakis et al). 2000;123:34-7
Increased retinal image velocity after vestibular lesion (Hirvonen et al). 2000;123:766-9
Minimally invasive approach for biopsy of an optic nerve sheath tumor (Leonard and Bolger). 1999;120:776-9 (Case rep.)
Optic neuropathy
Traumatic optic neuropathy: result in 45 consecutive surgically treated patients (Li et al). 1999;120:5-11
Optic neuropathy, traumatic. see Nerve injuries
Oral rinses; see Mouthwashes
Orbit
Benefits of routine maxillectomy and orbital reconstruction with the rectus abdominis free flap (Browne and Burke). 1999;121:203-9
Bilateral simultaneous orbital decompression for Graves' orbitopathy with a combined endoscopic and Caldwell-Luc approach (Rizk et al). 2000;122:216-21
Osteoradionecrosis of the maxillary-orbital complex after neutron beam radiotherapy (Marunick et al). 2000;123:224-8
Two faces of orbital hematoma in intranasal (endoscopic) sinus surgery (Stankiewicz and Chow). 1999;120:841-7
Orbital diseases
Fibrous dysplasia as a cause of periorbital abscess (Stoeckli et al). 1999;120:283-5 (Case rep.)
Tension orbital pneumocele secondary to nasal obstruction from cocaine abuse: a case report (Ayala et al). 2002;127:572-4 (Case rep.)
Orbital exenteration
Globe sparing orbital exenteration (Catalano et al). 2001;125:379-84
Orbital fractures
Long-term sequelae after surgery for orbital floor fractures (Folkestad and Westin). 1999;120:914-21
Orbital neoplasms
Diffuse neurofibroma of the orbit associated with temporal meningocele and neurofibromatosis-1 (Kapadia et al). 1998;119:652-5 (Case rep.)
Wegener's granulomatosis presenting in the sinus and orbit (Yucel et al). 2002;127:349-51 (Case rep.)
Organ preservation
Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32

Larynx preservation: the discussion is not closed (Lefebvre). 1998;118:389-93

Organ transplantation

Adenotonsillar enlargement in pediatric organ transplant recipients: a cross-sectional analysis (Chiang et al). 2002;127:109-14

Adenotonsillar histopathology after organ transplantation (Williamson et al). 2001;125:231-40

Original articles

2000;122:8-99, 157-252, 313-414, 469-559, 625-727

Oropharyngeal neoplasms

Chordoma of the oropharynx: an unusual presentation and review of the literature (Gladstone et al). 1998;118:104-7 (Case rep.)

Deterioration of intraoral recognition of shapes after treatment of oral and pharyngeal cancer (Bodin et al). 2000;122:584-9

Giant extracranial internal carotid artery aneurysm: a rare presentation with an oropharyngeal mass (Oruckaptan and Ozcan). 2001;125:571-3 (Case rep.)

Oropharyngeal Kaposi's sarcoma (Chi and Sheen). 2001;124:352 (Clin. photo.)

Speech and swallowing in irradiated and nonirradiated postsurgical oral cancer patients (Pauloski et al). 1998;118:616-24

Tumor size and pretreatment speech and swallowing in patients with resectable tumors (Colangelo et al). 2000;122:653-61

Oropharyngeal neoplasms, see Pharyngeal neoplasms

Oropharynx

Bronchogenic cyst of the oropharynx and hypopharynx in a neonate (Sedwick and Giannoni). 2001;125:105-6 (Case rep.)

Chordoma of the oropharynx: an unusual presentation and review of the literature (Gladstone et al). 1998;118:104-7 (Case rep.)

Ectopic thyroid tissue manifesting as a unique cause of an oropharyngeal mass (Rinkel et al). 2001;124:340–1 (Case rep.)

Orthodontic appliances, removable

Oral appliances for the treatment of snoring and obstructive sleep apnea (Schoem). 2000;122:259-62

Orthopedic fixation devices

Fate of rigid fixation in pediatric craniofacial surgery (Berryhill et al). 1999;121:269-73

Oscillopsia

Titration streptomycin therapy in Meniere's disease: long-term results (Balyan et al). 1998;118:261-6

Osseointegration

Long-term study of quality and safety of osseointegration for the retention of auricular prostheses (Westin and Rangert). 1999;121:133-43

Osseointegrated implants in children: experience from our first 100 patients (Granström et al). 2001;125:85-92

Ossicular prosthesis

Biomechanical influences of magnetic resonance imaging on the SOUNDTEC Direct System implant (Dyer et al). 2002;127:520-30

Evaluation of hydroxyapatite ossicular chain prostheses (Pasha et al). 2000;123:425-9

Extrusion rates and hearing results in ossicular reconstruction (House and Teufert). 2001;125:135-41

Malleus-to-footplate prosthetic interposition: experience with 265 patients (Colletti and Fiorino). 1999;201:437-44

Phase III clinical trial results with the Vibrant Soundbridge implantable middle ear hearing device: a prospective controlled multicenter study (Luetje et al). 2002;126:97-107

Reconstruction of the ossicular chain with titanium implants (Dalchow et al). 2001;125:628-30

Results of tympanoplasty with titanium prostheses (Wang et al). 1999;121:606-9

Tympanosclerosis: long-term hearing results after ossicular reconstruction (Teufert and de la Cruz). 2002;126:264-72

Ossicular replacement prosthesis

Laser soldering and welding for ossicular reconstruction: an in vitro test (Park and Min). 2000;122:803-7

Long-term results with hydroxylapatite middle ear implants (Goldenberg and Driver). 2000;122:635-42

Preoperative hearing predicts postoperative hearing (Blakley et al). 1998;119:559-63

Ossification

Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21

Ossification of eustachian tube cartilage and Ostmann's fatty tissue in chronic renal failure (Takasaki et al). 2000;122:567-71

Ossification, heterotopic

Postmeningitic ossification in pediatric cochlear implantation (Young et al). 2000;122:183-8

Osteitis

Escherichia coli osteomyelitis of the skull base (Genden and Goebel). 1998;118:853-5 (Case rep.)

Facial nerve paralysis in acute otitis media: cause and management revisited (Joseph and Sperling). 1998;118:694-6 (Case rep.)

Osteogenesis

Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21

Sternal ossification masquerading as foreign bodies in the infant (Syms et al). 2000;122:107-8 (Case rep.)

Osteoma

Maxillary sinus mass: the case for the unerupted third molar (Pressman and Allen). 2000;122:776 (Clin. photo.)

Osteomyelitis

Escherichia coli osteomyelitis of the skull base (Genden and Goebel). 1998;118:853-5 (Case rep.)

Isolated cryptococcal sphenoid sinusitis with septicemia, meningitis, and subsequent skull base osteomyelitis in an immunocompetent patient (Prendiville et al). 2000;123:277-9. Correction 2000;123:668 (Case rep.)

Mandibular sclerosing osteomyelitis of Garre (Martin-Granizo et al). 1999;121:829-30 (Case rep.)

Retropharyngeal abscess associated with vertebral osteomyelitis and spinal epidural abscess (Jang and Rhee). 1998;119:705-8 (Int. case rep.)

Skull base fungal osteomyelitis in an immunocompetent host (Shelton et al). 2002;126:76-8 (Case rep.)

Osteopathia striata

Conductive hearing loss in osteopathia striata-cranial sclerosis (Berenholz et al). 2002;127:124-6 (Case rep.)

Osteophytes

Dysphagia caused by cervical osteophytes: three cases treated successfully by surgery (Goel et al). 1999;120:92-6 (Case rep.)

Osteoradionecrosis

Internal carotid artery hemorrhage after irradiation and osteoradionecrosis of the skull base (Lam et al). 2001;125:522-7

Osteoradionecrosis of the maxillary-orbital complex after neutron beam radiotherapy (Marunick et al). 2000;123:224-8

Osteosarcoma

Osteosarcoma of the hyoid bone (Anderson and Kearney). 2002;126:81-2 (Case rep.)

Osteosarcoma of the larynx (Rossi et al). 1998;118:385-8 (Case rep.)

Osteotomy, Le Fort

Bilateral Le Fort I fracture from a lightning strike injury to the face (Tibesar et al). 2000;123:647-9 (Case rep.)

Otic capsule

Aberrant internal carotid artery causing erosion of the otic capsule: an unusual cause of pulsatile tinnitus (Yao et al). 1998; 118:678-9 (Case rep.)

Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21

Otitis externa

Escherichia coli osteomyelitis of the skull base (Genden and Goebel). 1998;118:853-5 (Case rep.)

Dermatophytid reaction and chronic otitis externa (Busch). 1998; 118:420 (Clin. photo.)

Ear canal granulation in malignant external otitis (Leonard et al). 1999;121:506 (Clin. photo.)

Otitis media

A prospective observational study of 5-, 7-, and 10-day antibiotic treatment for acute otitis media (Pichichero et al). 2001;124: 381–7

Acute mastoiditis with temporomandibular joint effusion (Hadlock et al). 2001;125:111-12 (Case rep.)

Analysis of protease activity in human otitis media (Avidano et al). 1998;119:346-51

Bacteria-mucin interaction in the upper aerodigestive tract shows striking heterogeneity: implications in otitis media, rhinosinusitis, and pneumonia (Bernstein and Reddy). 2000;122: 514-20

Changes in external ear resonance after 3 types of surgery in the patients with chronic otitis media (Cho et al). 2001;125:364-9

Complications associated with labyrinthine fistula in surgery for chronic otitis media (Manolidis). 2000;123:733-7

Controlled multicenter study on chronic suppurative otitis media treated with topical applications of ciprofloxacin 0.2% solution in single-dose containers or combination of polymyxin B, neomycin, and hydrocortisone suspension (Miró et al). 2000; 123:617-23

Educational outcomes of an otitis media workshop for primary care providers in Latin America (Villaseñor et al). 1998;118: 394-6

Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8

Eustachian tube dysfunction after tobacco smoke exposure (Dubin et al). 2002;126:14-19

Evidence of oxygen free radical damage in human otitis media (Takoudes and Haddad). 1999;120:638-42

Facial nerve paralysis in acute otitis media: cause and management revisited (Joseph and Sperling). 1998;118:694-6 (Case rep.)

High incidence of complications encountered in chronic otitis media surgery in a U.S. metropolitan public hospital (Greenberg and Manolidis). 2001;125:623-7

Implications of the AHRQ evidence report on acute otitis media (Rosenfeld et al). 2001;125:440-8

Include population statistics with study demographics (Surow) (Letter); (Goldstein) (Reply). 2000;122:156

Intratemporal complications of acute otitis media in infants and children (Goldstein et al). 1998;119:444-54

Is parental perception an accurate predictor of childhood hearing loss? A prospective study (Stewart et al). 1999;120:340-4

Management of otitis media using Agency for Health Care Policy and Research guidelines (Hsu et al). 1998;118:437-43

Multiple-frequency tympanometry in children with acute otitis media (Ferekidis et al). 1999;121:797-801

Myringoplasty in children: factors influencing surgical outcome (Caylan et al). 1998;118:709-13

Otogenic brain abscess: review of 41 cases (Sennaroglu et al). 2000;123:751-5

Passive smoking and nonrecurrent acute otitis media in children (Lubianca et al). 1999;121:805-8

Penicillin-nonsusceptible pneumococcus in acute otitis media in New York City (Haddadet al). 1999;121:27-30

Persistent stapedial artery and chronic otitis media (Zanetti et al). 2000;123:663-4 (Clin. photo.)

Practice patterns versus practice guidelines in pediatric otitis media (Stewart et al). 2001;124:489–95

Predictive value of an adherence test for acute otitis media (Danino et al). 1998;118:400-3

Prophylactic treatment after ventilation tube insertion: comparison of various methods (Golz et al). 1998;119:117-20

Reconstruction of the ossicular chain with titanium implants (Dalchow et al). 2001;125:628-30

Relevant issues in revision canal-wall-down mastoidectomy (Harvey and Fox). 1999;121:18-22

Tympanic membrane and middle ear pathologic correlates in mucoid otitis media (Tekin et al). 2000;123:258-62

Otitis media, suppurative

A new dosage regimen for topical application of ciprofloxacin in the management of chronic suppurative otitis media (Aslan et al). 1998;118:883-5

Permeability of tympanotomy tubes to ototopical preparations (Arnold and Bressler). 1999;121:35-7

Tympanostomy tubes and otic suspensions: Do they reach the middle ear space? (Hebert et al). 2000;122:330-3

Otitis media with effusion

A new absorbable pressure-equalizing tube (D'Eredità et al). 2002;127:67-72

A rat model of otitis media with effusion caused by eustachian tube obstruction with and without *Streptococcus pneumoniae* infection: methods and disease course (Piltcher et al). 2002; 126:490-8

Allergy increases susceptibility to otitis media with effusion in a rat model (Labadie et al). 1999;121:687-92

Conductive hearing loss associated with pressure equalization tubes (Estrem and Batra). 2000;122:349-51

Dosage regimens of intranasal aerosolized surfactant on otitis media with effusion in an animal model (Venkatayan et al). 2001;124:388–93

Early-response cytokine expression in adult middle ear effusions (Ondrey et al). 1998;119:342-5

Effects of middle ear effusion on the vestibular system in children (Golz et al). 1998;119:695-9

Effects of otitis media with effusion on the vestibular system in children (Koyuncu et al). 1999;120:117-21

Epidermal growth factor and transforming growth factor-α in middle ear effusion (Nassif et al). 1998;119:564-8

Evidence of possible localized specific immunoglobulin E production in middle ear fluid as demonstrated by ELISA testing (Hurst et al). 1999;121:224-30

Higher rates of pressure decrease in inflamed compared with noninflamed middle ears (Alper et al). 1999;121:98-102

Increased expression of major basic protein (MBP) and interleukin-5 (IL-5) in middle ear biopsy specimens from atopic patients with persistent otitis media with effusion (Wright et al). 2000;123:533-8

Laser office ventilation of ears with insertion of tubes (Siegel and Chandra). 2002;127:60-6

Late-phase allergy and eustachian tube dysfunction (Hardy et al). 2001;125:339-45
Management of otitis media using Agency for Health Care Policy and Research guidelines (Hsu et al). 1998;118:437-43
Systemic reactivation of otitis media with effusion in a rat model (Jewett et al). 1999;121:7-12
The role of soluble interleukin-4 receptor and interleukin-5 antibody in preventing late-phase allergy-induced eustachian tube dysfunction (Pollock et al). 2002;127:169-76
Tumor necrosis factor-α and interleukin-1β levels in recurrent and persistent otitis media with effusion (Yetiser et al). 2002;126:417-22
Validation by magnetic resonance imaging of tympanometry for diagnosing middle ear effusion (Alper et al). 1999;121:523-7

Oto-palato-digital syndrome
The oto-palato-digital syndrome: variable clinical expressions (Zaytoun et al). 2002;126:129-40

Otoacoustic emissions
Distortion-product otoacoustic emissions hearing screening in high-risk newborns (Salata et al). 1998;118:37-43
Transient-evoked otoacoustic emissions in children after cisplatin chemotherapy (Allen et al). 1998;118:584-8

Otoacoustic emissions, distortion-product
Distortion-product otoacoustic emissions in nonacoustic tumors of the cerebellopontine angle (Mobley et al). 2002;126:115-20

Otoacoustic emissions, spontaneous
Interactive effects of the middle ear pathology and the associated hearing loss on transient-evoked otoacoustic emission measures (Koike and Wetmore). 1999;121:238-44
Unilateral deafness with persistent otoacoustic emissions after neurosurgical removal of a cerebellar astrocytoma (Oeken et al). 2001;124:234–5

Otolaryngology
Otolaryngology—Head and Neck Surgery moving into the millennium: the changing of the guard (Holt et al). 2000;123:30-2A (Editorial)
Otolaryngology—Head and Neck Surgery: moving further into the electronic media (Benninger). 2000;123:33A (Editorial)
A glimpse into otolaryngology's past (Benninger). 2002;127:493 (Editorial)
Academic otolaryngology in the new millennium: are we falling behind? (Bhattacharyya and Shapiro). 2001;124:4–8
Accuracy of terminology and methodology in economic analyses in otolaryngology (Kezirian and Yeuh). 2001;124:496–502
Allergy testing and immunotherapy in an academic otolaryngology practice: a 20-year review (Lane et al). 2001;124:9–15
Anthrax: ENT manifestations and current concepts (Wirtschafter et al). 2002;126:8-13
Appearance and morality: ethics and otolaryngology- head and neck surgery (Sulmasy). 2002;126:4-7
DNA microarrays in otolaryngology–head and neck surgery (Whipple and Kuo). 2002;127:192-204
Duplicate publication in the field of otolaryngology- head and neck surgery (Bailey). 2002;126:211-16
Effects of terrorism on otolaryngology: a work in progress (Astor) (Letter). 2002;126:95-6
Efficacy of a eutectic mixture of local anesthetics as a topical anesthetic in minor otologic procedures. (Koutnouyan et al). 1999;121:38-42
Evidence-based medicine in otolaryngology journals (Bentsianov et al). 2002;126:371-6
Financial support for research in otolaryngology (Odland). 2001;124:155–9
Learning objectives for telemedicine applications in otolaryngology–head and neck surgery (Meyers and Kuppersmith). 1999;120:137-8 (Letter)
Model for optimal space and staff efficiency in an otolaryngology clinic (Benninger and Strode). 1998;119:394-7
Nager acrofacial dysostosis with autosomal dominant inheritance: implications for the otolaryngologist (Battaglia et al). 2000;123:276-7 (Case rep.)
Needs assessment for an undergraduate otolaryngology curriculum (Carr et al). 1999;120:865-8
Organized otolaryngology: the sister societies (Johnson). 2001;125:582-7
Otolaryngologic manifestations of Cowden syndrome (Malone et al). 2000;123:644-5 (Case rep.)
Otologic surgical procedures
Relevant issues in revision canal-wall-down mastoidectomy (Harvey and Fox). 1999;121:18-2
Teleconsultation in otolaryngology: live versus store and forward consultations (Sclafani et al). 1999;120:62-72
The educational process in otolaryngology (House). 1999;120:143-6
The workforce in otolaryngology-head and neck surgery: moving into the next millennium (Pillsbury et al). 2000;123:341-356
Training the physician-scholar in otolaryngology–head and neck surgery (Nadol). 1999;121:214-9

Otolithic membrane
Assessment of the otolith-autonomic response using spectral analysis of the R-R interval and blood pressure (Yamamoto et al). 2000;123:582-6
Cost-effective management of benign positional vertigo using canalith repositioning (Li et al). 2000;122:334-9
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15
Spaceflight influences on ocular counterrolling and other neurovestibular reactions (Young and Sinha). 1998;118:S31-4
Treatment of benign paroxysmal positional vertigo: no need for postmaneuver restrictions (Nuti et al). 2000;122:440-4
Vestibular adaptation to space in monkeys (Dai et al). 1998;119:65-77

Otologic devices
Implications of sound levels generated by otologic devices (Michaelides and Kartush). 2001;125:361-3

Otomastoiditis
Fatal meningitis and brain abscess resulting from foreign body-induced otomastoiditis (Goldman et al). 1998;118:6-8

Otorhinolaryngologic neoplasms
Management of chyle fistulization in association with neck dissection (Gregor). 2000;122:434-9
Tumor grade, microvessel density, and activities of malate dehydrogenase, lactate dehydrogenase, and hexokinase in squamous cell carcinoma (Ross et al). 2000;122:195-200

Otorhinolaryngology
Virtual endoscopy in otorhinolaryngology by postprocessing of helical computed tomography (Pototschnig et al). 1998;119:536-9 (Drug/device)

Otorrhea
Analysis of protease activity in human otitis media (Avidano et al). 1998;119:346-51
Otorrhea from lateral extension of retropharyngeal abscess (Lee et al). 2000;123:639-40 (Case rep.)

Otosclerosis
Efficacy of evaluation of audiometric results after stapes surgery in otosclerosis. I. The effects of using different audiologic parameters and criteria on success rates (de Bruijn et al). 2001;124:76–83

Efficacy of evaluation of audiometric results after stapes surgery in otosclerosis. II. A method of reporting results from individual cases (de Bruijn et al). 2001;124:84–9
Fluoride treatment for facial nerve stimulation caused by cochlear implants in otosclerosis (Gold et al). 1998;119:521-3 (Case rep.)
Prosthesis size in stapedectomy (Fucci et al). 1998;118:1-5

Ototoxicity
Experimental model of cisplatin ototoxicity in chinchillas (Janning et al). 1998;119:574-80
Experimental topical ototoxicity investigations: can we underestimate unilateral ototoxicity because of cross-hearing? (Ömer) (Letter); (Whitworth and Rybak) (Reply). 2000;122:779
Extended high-frequency ototoxicity induced by the first administration of the cisplatin (Sakamoto et al). 2000;122:828-33

Outcome assessment
Analysis of short-term outcome after office-based laser-assisted uvulopalatoplasty (Astor et al). 1998;118:478-80
Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73
Cost-identification analysis in oral cavity cancer management (Funk et al). 1998;118:211-20
Myringoplasty in children: factors influencing surgical outcome (Caylan et al). 1998;118:709-13
Obstructive sleep apnea treatment outcomes pilot study (Piccirillo et al). 1998;118:833-44 (Clin. epid./research)
Outcome and changing cause of unilateral vocal cord paralysis (Ramadan et al). 1998;118:199-202
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5
Sac-vein decompression for intractable Meniere's disease: two-year treatment results (Gianoli et al). 1998;118:22-9
Surgical labyrinthectomy in the older patient (Langman and Lindeman). 1998;118:739-42
Titration streptomycin therapy in Meniere's disease: long-term results (Balyan et al). 1998;118:261-6

Outcome assessment (health care)
A review of outcome measurements for voice disorders (Hogikyan and Rosen). 2002;126:562-72
Node counts in radical neck dissection: are they useful in outcomes research (Agrama et al). 2001;124:433–5
Outcome predictors for endoscopic sinus surgery (Wang et al). 2002;126:154-9
Quality-of-life assessment in patients with unilateral vocal cord paralysis (Spector et al). 2001;125:176-82

Outcomes research
2000;122:253-8, 415-21, 560-6

Oval window
Prosthesis size in stapedectomy (Fucci et al). 1998;118:1-5

Oxygen free radicals. see Free radicals

Oxygenation
Oxygenation of advanced head and neck cancer: prognostic marker for the response to primary radiochemotherapy (Vanselow et al). 2000;122:856-62

Ozone
Ozone effects on the immediate-phase response to allergen in the nasal airways of allergic asthmatic subjects (Michelson et al). 1999;120:225-32

P

Paget's disease
Localized Paget's disease with mucocele in the sphenoid sinus (Rhee et al). 2001;124:338–9 (Case rep.)

Pain
Chronic tinnitus as phantom auditory pain (Folmer et al). 2001;124:394–9
Ibuprofen for tonsillectomy pain in children: efficacy and complications (Harley and Dattolo). 1998;119:492-6

Pain, postoperative
Analysis of short-term outcome after office-based laser-assisted uvulopalatoplasty (Astor et al). 1998;118:478-80
Comparison of postoperative pain between laser-assisted uvulopalatoplasty, uvulopalatopharyngoplasty, and radiofrequency volumetric tissue reduction of the palate (Troell et al). 2000;122:402-9
Does dexamethasone with preemptive analgesia improve pediatric tonsillectomy pain? (Giannoni et al). 2002;126:307-15

Palatal neoplasms
Benefits of routine maxillectomy and orbital reconstruction with the rectus abdominis free flap (Browne and Burke). 1999;121:203-9
Surgical management of hard palate malignancies (Truitt et al). 1999;121:548-52

Palate
Acute effects of palatopharyngoplasty on airway collapsibility (Woodson). 1999;121:82-6
Amyloidosis of the palate (Alvi and Goldstein). 1999;120:287 (Clin. photo.)
Analysis of short-term outcome after office-based laser-assisted uvulopalatoplasty (Astor et al). 1998;118:478-80
Carbon dioxide laser surgery for snoring: results in 192 patients (Cheng et al). 1998;118:486-9
Cautery-assisted palatal stiffening operation (Mair and Day). 2000;122:547-55
Cautery-assisted palatal stiffening operation for the treatment of obstructive sleep apnea syndrome (Wassmuth et al). 2000;123:55-60
Central giant cell granuloma of the hard palate (Hernandez et al). 1998;118:871-3 (Case rep.)
Preliminary findings from a prospective, randomized trial of two palatal operations for sleep-disordered breathing (Terris et al). 2002;127:315-23
Primary extramedullary plasmacytoma of the palate (Seoane et al). 1999;120:530 (Case rep.)

Palate, soft
Effect of uvulopalatopharyngoplasty and genial hyoid advancement on swallowing in patients with obstructive sleep apnea syndrome (Altman et al). 1999;120:454-7
Midline radiofrequency tissue reduction of the palate for bothersome snoring and sleep-disordered breathing: a clinical trial (Coleman and Smith). 2000;122:387-94
Pleomorphic adenoma of the soft palate (Lomeo and Finneman). 2001;125:122 (Clin. photo.)
Radiofrequency volumetric reduction of the palate: an extended follow-up study (Li et al). 2000;122:410-4
Temperature-controlled radiofrequency volumetric tissue reduction in the human soft palate (Sher et al). 2001;125:312-18
Transoral radiofrequency treatment of snoring (Johnson et al). 2002;127:235-7

Palatine tonsil. see Tonsil

Palatoplasty
Efficacy of laser-assisted uvulopalatoplasty in obstructive sleep apnea (Pribitkin et al). 1998;119:643-7
Microdebrider-assisted uvulopalatoplasty (Tarabichi). 1998;119:131-3
Palatoplasty for snoring: a randomized controlled trial of three surgical methods (Clarke et al). 1998;119:288-92

Palliative treatment
Intratumoral cisplatin/epinephrine-injectable gel as a palliative treatment for accessible solid tumors: a multicenter pilot study (Burris III et al). 1998;118:496-503
Palpation
Magnetic resonance imaging versus clinical palpation in evaluating cervical metastasis from head and neck cancer (Hao et al). 2000;123:324-7
Palsy
Completion thyroidectomy for differentiated thyroid carcinoma (Chao et al). 1998;118:896-9
Pancreatic neoplasms
Facial paralysis: an unusual presentation of congenital cholesteatoma (Melero et al). 2000;122:615-6 (Case rep.)
Histopathology of multiple temporal bone metastasis from pancreatic adenocarcinoma: a case showing bilateral hearing loss and Bechterew's (Wu et al). 2000;122:613-4 (Case rep.)
Paparella lecture in clinical otology
The educational process in otolaryngology (House). 1999;120:143-6
Papillary carcinoma. see Carcinoma, papillary
Papilloma
A new laser treatment for vocal cord papilloma—585-nm pulsed dye (Valdez et al). 2001;124:421–5
Concurrent respiratory and cutaneous papillomatosis with human papillomavirus type 6 (Brown and Wiatrak). 2002;127:465-6
Office-based treatment of laryngeal papillomatosis with percutaneous injection of cidofovir (Chhetri et al). 2002;126:642-8
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5
Primary tracheal papillomatosis presenting as reactive airway disease (Valentino et al). 2002;126:79-80 (Case rep.)
Saccular cyst caused by recurrent respiratory papillomatosis (Stone et al). 1999;121:668-9 (Clin. photo.)
Unique characteristics of malignant schneiderian papilloma (Nachitgal et al). 1999;121:766-71
Papilloma, intraductal
Intraductal papilloma of the minor salivary gland involving the nasal cavity: Is it a distinct histopathologic entity? (Saleh and Abbarah). 1998;118:850-2 (Case rep.)
Intraductal papilloma of the parotid gland in a child (Choi et al). 2001;125:280 (Case rep.)
Papilloma, inverted
Aggressive endoscopic resection of inverted papilloma: an update (Schlosser et al). 2001;125:49-53
Endoscopic management of an inverted nasal papilloma in a child (Cooter et al). 1998;118:876-9 (Case rep.)
The HPV 6 E6/E7 transforming genes are expressed in inverted papilloma (Harris et al). 1998;118:312-8
Papillomavirus, human
Concurrent respiratory and cutaneous papillomatosis with human papillomavirus type 6 (Brown and Wiatrak). 2002;127:465-6
High-risk human papillomavirus types and squamous cell carcinoma in patients with respiratory papillomas (Moore et al). 1999;120:698-705
Human papillomavirus infection and survival in oral squamous cell cancer: a population-based study (Schwartz et al). 2001;125:1-9
Identification of differentially expressed genes in human papillomavirus type-16 infected oral cancer cells (Brown et al). 2001;124:663-8
Relationship of human papillomavirus to ploidy in squamous cell carcinomas of the head and neck (Rodrigo et al). 1999;121:318-22
The HPV 6 E6/E7 transforming genes are expressed in inverted papilloma (Harris et al). 1998;118:312-8
Paraffinoma
Orbital paraffinoma as a complication of endoscopic sinus surgery (Keefe et al). 2002;127:575-7 (Case rep.)
Paraganglioma
Growth of human paragangliomas in the subrenal capsule of the nude mouse (Gulya). 1998;118:309-11
Multifocal malignant paraganglioma of the paranasal sinuses (Lecanu et al). 2002;126:445-7 (Case rep.)
Octreotide scintigraphy for the detection of paragangliomas (Telischi et al). 2000;122:358-62
Vagal paraganglioma: the Jefferson experience (Miller et al). 2000;122:482-7
Paralysis
Management of facial paralysis resulting from temporal bone fractures: our experience in 115 cases (Darrouzet et al). 2001;125:77-84
Transtympanic stimulation of the facial nerve to assess nerve integrity in iatrogenic facial nerve paralysis (Limb et al). 2001;124:600–2
Unilateral true vocal fold paralysis: cause of right-sided lesions (Hughes et al). 2000;122:678-80
Paralysis, familial periodic
Bilateral vocal fold paralysis caused by familial hypokalemic periodic paralysis (Rosen et al). 1999;120:785-6
Paralysis; see Facial paralysis; Vocal cord paralysis
Paranasal sinus diseases
Isolated frontal sinus aspergillosis (Chen and Chen). 2000;122:460 (Case rep.)
Paranasal sinus neoplasms
A rare case of nasal glioma in adult age (Pasquini et al). 1998;118:905-6 (Int. case rep.)
Angiolipoma presenting as a nasal mass (Shohet et al). 1998;118:848-9 (Case rep.)
Disfiguring nasal metastasis from colorectal adenocarcinoma: a case report (Robiony et al). 2001;125:103-4 (Case rep.)
Intraductal papilloma of the minor salivary gland involving the nasal cavity: Is it a distinct histopathologic entity? (Saleh and Abbarah). 1998;118:850-2 (Case rep.)
Malignant neoplasms of the nasal cavity and paranasal sinuses (Fajardo-Dolci) (Letter); (Calderón-Garcidueñas) (Reply). 2000;123:786-7
Malignant neoplasms of the nasal cavity and paranasal sinuses: Is air pollution the missing link? (Calderón-Garcidueñas et al). 2000;122:499-508
Sinonasal lymphoma (Fajardo-Dolci et al). 1999;121:323-6
Paranasal sinuses
A case of invasive aspergillosis of the paranasal sinuses with a feature of allergic *Aspergillus* sinusitis (Nakamaru et al). 2002;126:204-5 (Case rep.)
Aggressive endoscopic resection of inverted papilloma: an update (Schlosser et al). 2001;125:49-53
Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)
Chronic lymphocytic leukemia manifesting in the paranasal sinuses (Johnston et al). 2002;127:582-4 (Case rep.)
Endoscopic management of a chronic ethmoid and sphenoid sinus foreign body (Bhattacharyya and Wenokur). 1998;118:687-90 (Case rep.)
Endoscopic management of an inverted nasal papilloma in a child (Cooter et al). 1998;118:876-9 (Case rep.)
Hepatocarcinoma: metastasis to the nose and paranasal sinuses (Izquierdo et al). 2000;122:932-3 (Case rep.)

Impact of endoscopic sinus surgery on global health perception: an outcomes study (Winstead and Barnett). 1998;119:486-91
Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3
Learning curve in endoscopic sinus surgery (Marks). 1999;120:215-8
Management of advanced adenocarcinoma of maxillary sinus in a young woman during pregnancy: a case report (Fetoni et al). 2002;126:432-3 (Case rep.)
Mucormycosis of the paranasal sinuses and septum (Feeley et al). 1999;120:750 (Clin. photo.)
Multifocal malignant paraganglioma of the paranasal sinuses (Lecanu et al). 2002;126:445-7 (Case rep.)
Ocular motility complications after endoscopic sinus surgery with powered cutting instruments (Bhatti et al). 2001;125:501-9
Operative times, postanesthesia recovery times, and complications during sinonasal surgery using general anesthesia and local anesthesia with sedation (Fedok et al). 2000;122:560-6
Pericranial flap for closure of paramedian anterior skull base defects (Noone et al). 2002;127:494-500
Prospective analysis of sinus symptoms and correlation with paranasal computed tomography scan (Kenny et al). 2001;125:40-3
Relation between CT scan findings and human sense of smell (Hong et al). 1998;118:183-6
Sublabial, transseptal, transsphenoidal approach to the pituitary region guided by the ACUSTAR I system (Burkey et al). 1998;118:191-4
Surgical management of nasal and sinus sarcoidosis (Marks and Goodman). 1998;118:856-8 (Case rep.)
Tele-3-dimensional computer-assisted functional endoscopic sinus surgery: new dimension in the surgery of the nose and paranasal sinuses (Klapan et al). 2002;127:549-57
Tension pneumocephalus after frontal sinus gunshot wound (Gönül et al). 1998;118:559-61 (Int. case rep.)
Wegener's granulomatosis presenting in the sinus and orbit (Yucel et al). 2002;127:349-51 (Case rep.)

Paraparesis, spastic
Bilateral sensorineural hearing loss and spastic paraparesis in Lyme disease (Bertholon et al). 2000;122:458-9 (Case rep.)

Parapharyngeal space
Ganglioneuroma of the parapharyngeal space in a pediatric patient (Kaufman et al). 2001;124:702-4 (Case rep.)
Parapharyngeal foreign body (Aydogan et al). 2001;125:424-5 (Case rep.)
Vertebral hydatid disease presenting as a parapharyngeal and neck mass: as case report (Bilgen et al). 2002;126:89-90 (Case rep.)

Parasympathetic nervous system
Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)

Parathyroid glands
Completion thyroidectomy for differentiated thyroid carcinoma (Chao et al). 1998;118:896-9
The Cytoscan model E-II in intraoperative parathyroid gland identification in a rabbit model (Sofola et al). 2001;125:635-9

Parathyroid hormones
Head and neck squamous cell carcinoma: measurement of plasma parathyroid hormone-related protein and serum and urine calcium concentrations (Sellers et al). 2000;123:558-62

Parathyroid neoplasms
A parathyroid cyst with mediastinal extension: report of a case (Hockstein et al). 2002;126:578-80 (Case rep.)
Endoscopic surgery for a parathyroid functioning adenoma resection with the neck region-lifting method (Kitano et al). 2000;123:465-6
Intrathyroidal parathyroid carcinoma presenting with only hypercalcemia (Schmidt et al). 2002;127:352-3 (Case rep.)

Parathyroidectomy
Prospective analysis of the efficacy of continuous intraoperative nerve monitoring during thyroidectomy, parathyroidectomy, and parotidectomy (Brennan et al). 2001;124:537–43

Parents
Is parental perception an accurate predictor of childhood hearing loss? A prospective study (Stewart et al). 1999;120:340-4
Parents cannot detect mild hearing loss in children (Brody et al). 1999;121:681-6

Paresis
Facial nerve paralysis in acute otitis media: cause and management revisited (Joseph and Sperling). 1998;118:694-6 (Case rep.)
Familial recurrent facial paresis: four generations (Bruns and Burgess). 1998;118:859-62 (Case rep.)
Objective scaling of facial nerve function based on area analysis (OSCAR) (Meier-Gallati et al). 1998;118:545-50
Vocal fold paresis (Koufman et al). 2000;122:537-41

Parkinson disease
Percutaneous laryngeal collagen augmentation for treatment of Parkinsonian hypophonia (Kim et al). 2002;126:653-6
Voice target time in Parkinson's disease: a preliminary report (Jiang et al). 1999;121:87-91

Parotid diseases
Giant external carotid artery pseudoaneurysm presenting as a parotid mass (Uğuz et al). 2000;122:307-8 (Case rep.)
Traumatic pseudoaneurysm of the external carotid artery with parotid mass and delayed facial nerve palsy (Rhee et al). 1999;121:158-60 (Case rep.)

Parotid gland
Benign cystic teratoma of the parotid gland (Pirodda et al). 2001;125:429-30 (Case rep.)
Bullous pemphigoid associated with parotid carcinoma (Cakmak et al). 2002;127:354-6
Facial nerve monitoring in parotid surgery: the standard of care? (Witt). 1998;119:468-70
Frey's syndrome and parotidectomy flaps: a retrospective cohort study (Taylor et al). 2000;122:201-3
Intraductal papilloma of the parotid gland in a child (Choi et al). 2001;125:280 (Case rep.)
Retrograde degeneration of the facial nerve after acute traction on parotid gland: an experimental investigation (Wang et al). 2002;127:55-9
Salivary flow dynamics after parotid surgery: a preliminary report (Chaushu et al). 2001;124:270–3

Parotid neoplasms
Atypical tuberculosis (nontuberculous mycobacterium) of the parotid region in children (Harley). 1998;119:294 (Clin. photo.)
Oncocytic neoplasms of the parotid gland: a 16-year institutional review (Capone et al). 2002;126:657-62
Pleomorphic adenoma of the parotid gland metastasizing to the cervical lymph node (Chen and Tu). 2000;122:455-7 (Case rep.)
Recurrent epithelial-myoepithelial carcinoma of the parotid with direct intracranial extension (Amin et al). 2002;126:83-4 (Case rep.)
Small cell neuroendocrine carcinoma of the parotid gland (Vural et al). 2000;122:151-2 (Case rep.)
Synchronous ipsilateral cerebellopontine angle glossopharyngeal

schwannoma and parotid adenoid cystic carcinoma (Lin et al). 2002;126:423-5 (Case rep.)
Treatment of malignant neoplasms of the parotid gland (Magnano et al). 1999;121:627-32
Treatment of recurrent pleomorphic adenomas of the parotid gland (Carew et al). 1999;121:539-42

Parotidectomy
Facial nerve function after partial superficial parotidectomy: an 11-year review (1987-1997) (Witt). 1999;121:210-3
Prospective analysis of the efficacy of continuous intraoperative nerve monitoring during thyroidectomy, parathyroidectomy, and parotidectomy (Brennan et al). 2001;124:537–43

Parotitis
Tubercular parotitis: a forgotten entity (Hamdan et al). 2002;126:581-2 (Case rep.)

Passive smoking; see Tobacco smoke pollution

Pathology, clinical
Occult intranasal malignancy: an argument for routine pathologic examination (Hockstein et al). 2000;123:654-5

Patient compliance
Management of otitis media using Agency for Health Care Policy and Research guidelines (Hsu et al). 1998;118:437-43

Patient dropouts
Factors related to dropout in a study of head and neck cancer patients after surgery (Colangelo et al). 1999;120:368-74

Patient education
Rescuing the doctor: swimming lessons for physician-educators (Geppert). 1998;118:423-8 (Editorial)

Patient satisfaction
Can patient satisfaction with decisions predict compliance with surgery (Parhiscar and Rosenfeld). 2002;126:365-70

PE tubes. see Middle ear ventilation

Pectoralis muscles
Chest wall mass after pectoralis major myocutaneous flap reconstruction (Kandula et al). 2000;122:267-8 (Case rep.)
Quantitative and qualitative analysis of tracheoesophageal voice after pectoralis major flap reconstruction of the neopharynx (Deschler et al). 1998;118:771-6

Pediatric. see Child

Pediatric Tracheotomy Health Status Instrument (PTHSI)
Final evaluation of the Pediatric Tracheotomy Health Status Instrument (PTHSI) (Hartnick et al). 2002;126:228-33

Peer review
Conflict of interest in peer-reviewed journals (Benninger). 2001;125:285-7 (Editorial)
Duplicate publication in the field of otolaryngology- head and neck surgery (Bailey). 2002;126:211-16
Duplicate publications in peer-reviewed journals (Benninger). 2002;126:209-10 (Editorial)

Peer review, health care
Does it take a village to write a case report? (Har-El). 1999;120:787-8

Pemphigoid, benign mucous membrane
Esophageal presentation of cicatrical pemphigoid (Isenberg). 1998;118:845-7 (Case rep.)

Pemphigoid, bullous
Bullous pemphigoid associated with parotid carcinoma (Cakmak et al). 2002;127:354-6

Penicillin resistance
Impact of resistant pneumococcus on rates of acute mastoiditis (Alcaraz et al). 1999;121:190-4

Penicillins
Penicillin-nonsusceptible pneumococcus in acute otitis media in New York City (Haddadet al). 1999;121:27-30

Pentoxifylline
Effect of parenteral pentoxifylline and topical nitroglycerin on skin flap survival (Karacaoğlan et al). 1999;120:272-4
Pentoxifylline effects on acute and late complications after radiotherapy in rabbit (Aygenc et al). 2001;124:669-73

Pepsin A
Function of the eustachian tube after weekly exposure to pepsin/hydrochloric acid (Heavner et al). 2001;125:123-9

Peptide fragments
Effect of intravenous calcitonin gene-related peptide antagonist on the laryngeal chemoreflex in piglet (Bauman et al). 1999;121:1-6

Pericardial effusion
Squamous cell metastasis from the tongue to the myocardium presenting as pericardial effusion (Rivkin et al). 1999;120:593-5 (Case rep.)

Peridex; see Mouthwashes

Perilymph
Stapedectomy in military aircrew (Thiringer and Arriaga). 1998;118:9-14

Periodicals
Conflict of interest in peer-reviewed journals (Benninger). 2001;125:285-7 (Editorial)

Periodicity
Detection of the nasal cycle with acoustic rhinometry: techniques and applications (Gungor et al). 1999;120:238-47

Periodontal diseases
The association between periodontal disease and peritonsillar infection: a prospective study (Georgalas et al). 2002;126:91-4 (Case rep.)

Periosteum
Frontal sinus obliteration with the pericranial flap (Parhiscar and Har-El). 2001;124:304–7

Peripheral nerves
Long-term model of induced canine phonation (Paniello and Dahm). 1998;118:512-22
The effect of endothelial cell growth factor on peripheral nerve regeneration (Smith and Browne). 1998;118:178-82

Peripheral vascular resistance; see Vascular resistance

Peritoneal dialysis, continuous ambulatory
Vancomycin administration in continuous ambulatory peritoneal dialysis: the risk of ototoxicity (Gendeh et al). 1998;118:551-8

Peritonitis
Vancomycin administration in continuous ambulatory peritoneal dialysis: the risk of ototoxicity (Gendeh et al). 1998;118:551-8

Peritonsillar abscess
Cannula aspiration of peritonsillar abscesses (Olarinde and Choa). 2001;124:172–3
Inferior pole peritonsillar abscess (Licameli and Grillone). 1998;118:95-9 (Case rep.)
Malignant neoplasia at different ages presenting as peritonsillar abscess (Windfuhr). 2002;126:197-8 (Case rep.)
The association between periodontal disease and peritonsillar infection: a prospective study (Georgalas et al). 2002;126:91-4 (Case rep.)

Permeability
Active ion secretion and permeability of rabbit maxillary sinus epithelium, impact of staphylococcal enterotoxin B (Yang et al). 2000;123:120-3

Persian Gulf syndrome
Vestibular dysfunction in Gulf War syndrome (Roland et al). 2000;122:319-29

Pest control
Food pollution (Trevino). 1999;120:889-96
Pesticide residues
Food pollution (Wallace and Suchard) (Letter); (Trevino) (Reply). 2000;122:467
Pesticides
Food pollution (Trevino). 1999;120:889-96
PET scan. see Tomography, emission-computed
Petrous apex
Arachnoid cysts of the petrous apex in a patient with vestibular schwannoma (Falcioni et al). 2000;123:657 (Case rep.)
Petrous bone
Blastomycosis of the petrous apex (Blackledge and Newlands). 2001;124:347–9 (Case rep.)
Pharmacokinetics
Kinetics of gentamicin uptake in the inner ear of *Chinchilla langier* after middle-ear administration in a sustained-release vehicle (Balough et al). 1998;119:427-31
Vancomycin administration in continuous ambulatory peritoneal dialysis: the risk of ototoxicity (Gendeh et al). 1998;118:551-8
Pharyngeal acid reflux; see Gastroesophageal reflux
Pharyngeal diseases
Early detection and treatment of postoperative pharyngocutaneous fistula (Friedman et al). 1999;121:378-80
Exploring health-related quality of life in patients with diseases of the ear, nose, and throat: a multicenter observational study (Witsell et al). 2001;125:288-98
Internal carotid artery thrombosis and Horner's syndrome as complications of parapharyngeal abscess (Koivunen et al). 1999;121:160-2 (Case rep.)
Laryngopharyngeal reflux: a possible risk factor in laryngeal and hypopharyngeal carcinoma (Harrill et al). 1999;210:598-601 (Case rep.)
Long-term results of endoscopic stapling diverticulotomy for pharyngeal pouches (Raut and Primrose). 2002;127:225-9
Sphincter pharyngoplasty for correction of stress velopharyngeal insufficiency (McVicar et al). 2002;127:248 (Case rep.)
Pharyngeal muscles
Surgical treatment of Zenker's diverticulum: transcutaneous diverticulectomy versus microendoscopic myotomy of the cricopharyngeal muscle with CO_2 laser (Zbären et al). 1999;121:482-7
Pharyngeal neoplasms
Adenocarcinoma of the rectum with metastasis to the palatine tonsil (Goldenberg et al). 1999;121:653-4 (Case rep.)
Cell proliferation activity and kinetic profile in the prognosis and therapeutic management of carcinoma of the pharynx and larynx (Sampedro et al). 1999;121:476-81
Clinical-severity staging system for oral cavity cancer: five-year survival rates (Pugliano et al). 1999;120:38-45
Complications after total laryngectomy in nonradiated laryngeal and hypopharyngeal carcinomas (Herranz et al). 2000;122:892-8
Correlation of laryngeal and pharyngeal carcinomas and 24-hour pH monitoring of the esophagus and pharynx (Chen et al). 1998;119:460-2
Correlation of laryngeal and pharyngeal carcinomas and 24-hour pH monitoring of the esophagus and pharynx [retraction of Chen MY, ott DJ, Casolo BJ, Moghazy KM, Koufman JA. In: Otolaryngol Head Neck Surg 1998 Nov;119(5):460-2]. 1999;121:168
Deterioration of intraoral recognition of shapes after treatment of oral and pharyngeal cancer (Bodin et al). 2000;122:584-9
Expression of matrix metalloproteinases and tissue inhibitor of metalloproteinases in laryngeal and pharyngeal squamous cell carcinoma: a quantitative analysis (Magary et al). 2000;122:712-6
Free transverse colon transfer for large pharyngostoma after pharyngolaryngoesophagectomy: a case report (Lin et al). 2001;124:471–2 (Case rep.)
Oral and oropharyngeal squamous cell carcinoma in young adults: a report on 13 cases and review of the literature (Kristina et al). 1999;120:823-33
Pitfalls in the surgical management of cancer of the larynx and hypopharynx (Thabet et al). 2000;123:482-7
Speech and swallowing in irradiated and nonirradiated postsurgical oral cancer patients (Pauloski et al). 1998;118:616-24
Pharyngectomy
Quantitative and qualitative analysis of tracheoesophageal voice after pectoralis major flap reconstruction of the neopharynx (Deschler et al). 1998;118:771-6
Pharyngoesophageal pressure
Pharyngoesophageal pressure monitoring in sleep apnea syndrome (Reda et al). 2001;125:324-31
Pharyngometry
Normal standard curve for acoustic pharyngometry (Kamal). 2001;124:323–30
Pharyngostoma
Free transverse colon transfer for large pharyngostoma after pharyngolaryngoesophagectomy: a case report (Lin et al). 2001;124:471–2 (Case rep.)
Pharyngotomy
The external approach for submucosal lesions of the larynx (Myssiorek et al). 2001;125:370-3
Pharynx
Acute effects of palatopharyngoplasty on airway collapsibility (Woodson). 1999;121:82-6
Comparison of postoperative pain between laser-assisted uvulopalatoplasty, uvulopalatopharyngoplasty, and radiofrequency volumetric tissue reduction of the palate (Troell et al). 2000;122:402-9
Correlation of laryngeal and pharyngeal carcinomas and 24-hour pH monitoring of the esophagus and pharynx [retraction of Chen MY, ott DJ, Casolo BJ, Moghazy KM, Koufman JA. In: Otolaryngol Head Neck Surg 1998 Nov;119(5):460-2]. 1999;121:168
Effect of uvulopalatopharyngoplasty and genial hyoid advancement on swallowing in patients with obstructive sleep apnea syndrome (Altman et al). 1999;120:454-7
Hemangiopericytoma of the parapharyngeal space (Llorente et al). 1999;120:531-3 (Case rep.)
How did it get there? a coiled metal foreign body in an unusual cervical position (Barzilai et al). 2001;124:590–1 (Case rep.)
Hyponasality caused by retronasopharyngeal air as a symptom of pneumomediastinum (Braverman et al). 1998;118:903-4 (Int. case rep.)
Immunomodulating effects of surgical intervention in tumors of the head and neck (Dietz et al). 2000;123:132-9
Lung volume dependence of pharyngeal cross-sectional area by acoustic pharyngometry (Kamal). 2002;126:164-71
Pharyngeal branch of the vagus nerve carries intraepithelial afferent fibers in the cat pharynx: an elucidation of the origin and central and peripheral distribution of these components (Miyazaki et al). 1999;120:905-13
Pharyngeal pH monitoring in patients with posterior laryngitis (Ulualp et al). 1999;120:672-77

Pharyngeal suspension suture with Repose bone screw for obstructive sleep apnea (Woodson et al). 2000;122:395-401
Posterior wall augmentation for treatment of velopharyngeal insufficiency (Gray et al). 1999;121:107-12
Quantitative and qualitative analysis of tracheoesophageal voice after pectoralis major flap reconstruction of the neopharynx (Deschler et al). 1998;118:771-6
Surgery on the larynx and pharynx in Byzantium (AD 324-1453): early scientific descriptions of these operations (Lascaratos and Assimakopoulos). 2000;122:579-83
Use of the Endostitch device for closure of pharyngeal traumatic lacerations (Hardeman et al). 2000;122:942 (Clin. photo.)
Videostroboscopy of the pharyngoesophageal segment in laryngectomy patients treated with botulinum toxin (Meleca et al). 2000;123:38-43

Phenidone
Synergistic effects of 13-cis retinoic acid and arachidonic acid cascade inhibitors on growth of head and neck squamous cell carcinoma in vitro (Spingarn et al). 1998;118:159-64

Phlebectasia
Lymphatic malformation with internal jugular phlebectasia (Yoon and Messner). 2001;124:579–80 (Case rep.)

Phonation
Evaluation of expiratory effort on dysphonic patients on increasing vocal intensity (Makiyama et al). 1998;118:723-7
Functional differences between the two bellies of the cricothyroid muscle (Hong et al). 1998;118:714-22
Long-term model of induced canine phonation (Paniello and Dahm). 1998;118:512-22
Phonatory results after laser surgery for glottic carcinoma (Sittel et al). 1998;119:418-24
Tracheostomy for long-term laryngeal experimentation (Dahm and Paniello). 1998;118:376-80

Phonatory disorders; see Voice disorders

Phonosurgery
Mechanical and dynamic aspects of voice production as related to voice therapy and phonosurgery (Isshiki) 2000;122:782-93

Phosphoprotein phosphatase
Interrelationship between protein phosphatase-2A and cytoskeletal architecture during the endothelial cell response to soluble products produced by human head and neck cancer (Witt et al). 2000;122:721-7
Protein phosphatases 1 and 2A maintain endothelial cells in a resting state, limiting the motility that is needed for the morphogenic process of angiogenesis (Gabel et al). 1999;121:463-8

Physical examination
Comparison of postoperative cardiopulmonary examinations and chest radiographs to detect pulmonary complications after adult tracheotomy (Park and Smith). 1999;121:274-6

Physician's practice patterns
Practice patterns versus practice guidelines in pediatric otitis media (Stewart et al). 2001;124:489–95

Physician's role
Rescuing the doctor: swimming lessons for physician-educators (Geppert). 1998;118:423-8 (Editorial)

Pierre Robin syndrome
Airway management in Pierre Robin sequence (Myer III et al). 1998;118:630-5

Pigmentation
Black thyroid: a collaborative series (Recht et al). 1999;121:293-6 (Case rep.)

Pigs; see Swine

Pilocarpine
Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)

Pilomatrixoma
Pilomatrixoma of the head and neck in children (Agarwal et al). 2001;125:510-15

Pilot projects
Apoptosis in the developing human cricoid cartilage: a pilot study (Mankarious et al). 2000;123:677-81
Pilot study to evaluate the efficacy of hyperbaric oxygen therapy in improving the survival of reattached auricular composite grafts in the New Zealand White rabbit (McClane et al). 2000;123:539-42
Radiofrequency tongue base reduction in sleep-disordered breathing: a pilot study (Powell et al). 1999;120:656-64

Piperidines
Remifentanil-based anesthesia versus a propofol technique for otologic surgical procedures (Jellish et al). 2000;122:222-7

Piriform sinus
Approach to branchial pouch anomalies that cause airway obstruction during infancy (Jacobs et al). 1998;118:682-5 (Case rep.)
Hemangioma of the pyriform sinus (Guo et al). 2001;124:707-8 (Clin. photo.)
Organ preservation by transoral laser microsurgery in piriform sinus carcinoma (Steiner et al). 2001;124:58–67

Pituitary gland
Sublabial, transseptal, transsphenoidal approach to the pituitary region guided by the ACUSTAR I system (Burkey et al). 1998;118:191-4
Transcolumellar approach in transsphenoidal pituitary surgery for patients with small nostril (Kim et al). 2001;125:609-12

Pituitary neoplasms
Endoscopic image-guided transethmoid pituitary surgery (Thomas et al). 2002;127:409-16

Placebos
Cyclandelate in the management of tinnitus: a randomized, placebo-controlled study (Hester et al). 1998;118:329-32
Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9

Plasma
Head and neck squamous cell carcinoma: measurement of plasma parathyroid hormone-related protein and serum and urine calcium concentrations (Sellers et al). 2000;123:558-62

Plasma cell
Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91
Neck mass as primary manifestation of multiple myeloma originating in the thyroid cartilage (Gross et al). 2002;126:326-8 (Case rep.)

Plasmacytoma
Extensive extramedullary amyloid-rich plasmacytoma of the mandible (Burns et al). 1999;120:937-9 (Case rep.)
Extramedullary plasmacytoma in the anterior cervical region (Kakarlapudi et al). 1999;121:296-7 (Case rep.)
Extramedullary plasmacytoma of the nasal cavity (Shreif et al). 2001;124:119–20
Plasmacytomas of the head and neck (Miller et al). 1998;119:614-8
Primary extramedullary plasmacytoma of the palate (Seoane et al). 1999;120:530 (Case rep.)
Solitary plasmacytoma of the hyoid bone (Danaci et al). 1999;121:835-6 (Case rep.)

Transfacial excision of brainstem plasmacytoma (Ducic). 2002; 127:243-4 (Case rep.)

Plastics

Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51

Platinum

Platinum ribbon-Teflon piston reduces device failure after stapes surgery (Mangham). 2000;123:108-13 (Drug/Device)

Platysma muscle

Necrotizing fasciitis of the neck (Mastros and Broniatowski). 1998;118:140-1 (Clin. photo.)

Ploidies

Relationship of human papillomavirus to ploidy in squamous cell carcinomas of the head and neck (Rodrigo et al). 1999;121: 318-22

Plummer-Vinson syndrome

Lymphangiomatous macroglossia causing upper airway obstruction and associated Plummer-Vinson syndrome (Shetty et al). 2001;124:477–8 (Case rep.)

Pneumocele

Maxillary sinus pneumocele (Flanary and Flanary). 1998;119: 518-20 (Case rep.)

Tension orbital pneumocele secondary to nasal obstruction from cocaine abuse: a case report (Ayala et al). 2002;127:572-4 (Case rep.)

Pneumocephalus

Endoscopic repair of tension pneumocephalus (Aferzon et al). 2001;124:688-9 (Case rep.)

Incidence and management of tension pneumocephalus after anterior craniofacial resection: case reports and review of the literature (Clevens et al). 1999;120:579-83 (Case rep.)

Tension pneumocephalus after frontal sinus gunshot wound (Gönül et al). 1998;118:559-61 (Int. case rep.)

Pneumococcal infections

Impact of resistant pneumococcus on rates of acute mastoiditis (Alcaraz et al). 1999;121:190-4

Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21

Pneumococcal meningitis. see Meningitis, pneumococcal

Pneumomediastinum

Rhinolalia as a symptom of pneumomediastinum after radical neck dissection (Braverman et al). 2000;122:925-6 (Case rep.)

See also Mediastinal emphysema

Pneumonia

Bacteria-mucin interaction in the upper aerodigestive tract shows striking heterogeneity: implications in otitis media, rhinosinusitis, and pneumonia (Bernstein and Reddy). 2000;122: 514-20

Pneumonia, aspiration

Clinical and histologic evaluation of an indwelling, inflatable, long-term laryngeal stent in the canine model (Milo et al). 1999;121:195-202

Poisson distribution

Box and whisker plots for graphic presentation of audiometric results of conductive hearing loss treatment (Govaerts et al). 1998;118:892-5

Politzer, Adam

Adam Politzer as an art collector (Pappas et al). 1999;121:772-5

Polymerase chain reaction

Analysis of aerobic bacterial strains found in chronic rhinosinusitis using the polymerase chain reaction (Keech et al). 2000; 123:363-7

Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70

Molecules, motion, and man (Wackym and Balaban). 1998;118: S16-24

Role of anaerobes in chronic sinusitis: will polymerase chain reaction solve the debate (Ramadan et al). 2002;127:384-6

Telomerase assay and nested polymerase chain reaction from nasopharyngeal swabs for early noninvasive detection of nasopharyngeal carcinoma (Kerekhanjanarong et al). 2000;123: 624-9

Polymorphism

Polymorphous low-grade adenocarcinoma of the submandibular gland (Cinamon et al). 2000;123:337-8 (Case rep.)

Polymyxin B

Controlled multicenter study on chronic suppurative otitis media treated with topical applications of ciprofloxacin 0.2% solution in single-dose containers or combination of polymyxin B, neomycin, and hydrocortisone suspension (Miró et al). 2000; 123:617-23

Protection against aminoglycoside otic drop-induced ototoxicity by a spin trap: I. acute effects (Hester et al). 1998;119:581-7

Polypectomy

Vocal cord polypectomy with fiberoptic sinus endoscopes (Bhattacharya and Caputo). 1998;118:381-2 (Case rep.)

Polyps

Fibrovascular polyp of the esophagus (Eliashar et al). 1998;118: 734-5 (Clin. photo.)

Polysomnography

Accuracy of clinical evaluation in pediatric obstructive sleep apnea (Wang et al). 1998;118:69-73

Airway management in Pierre Robin sequence (Myer III et al). 1998;118:630-5

Nasal patency and the effectiveness of nasal continuous positive air pressure in obstructive sleep apnea (Schechter et al). 1998;118:643-7

Obstructive sleep apnea surgery: patient perspective and polysomnographic results (Li et al). 2000;123:572-5

Obstructive sleep apnea treatment outcomes pilot study (Piccirillo et al). 1998;118:833-44 (Clin. epid./research)

Polytetra fluoroethylene

Platinum ribbon-Teflon piston reduces device failure after stapes surgery (Mangham). 2000;123:108-13 (Drug/Device)

Polytetrafluoroethylene

Temporal augmentation with a layered expanded polytetrafluoroethylene implant (Fedok et al). 1999;120:929-33 (Case rep.)

Population dynamics

Cause of hoarseness in elderly patients (Lundy et al). 1998;118: 481-5

Management of cancer in the elderly: therapeutic dilemmas (Hirano and Mori). 1998;118:110-4

Population studies

Include population statistics with study demographics (Surow) (Letter); (Goldstein) (Reply). 2000;122:156

Position

Intracranial tumors mimicking benign paroxysmal positional vertigo (Dunniway and Welling). 1998;118:429-36

Positive-pressure respiration

Nasal patency and the effectiveness of nasal continuous positive air pressure in obstructive sleep apnea (Schechter et al). 1998;118:643-7

Posterior incudal ligament

Acoustic role of the buttress and posterior incudal ligament in human temporal bones (Hato et al). 2001;124:274–8

Posterior-cricoarytenoid muscle

Determination of the optimal conditions for laryngeal pacing with the Itrel II implantable stimulator (Zealear et al). 2001;125:183-92

Postintubation phonatory insufficiency

Postintubation phonatory insufficiency: an elusive diagnosis (Bastian and Richardson). 2001;124:625-33

Postoperative care

Cellular immune defect caused by postsurgical radiation therapy in patients with head and neck cancer (Tisch et al). 1998;119:412-7

Evaluation of posttonsillectomy hemorrhage and risk factors (Wei et al). 2000;123:229-35

Ibuprofen for tonsillectomy pain in children: efficacy and complications (Harley and Dattolo). 1998;119:492-6

Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3

Is postoperative intensive care monitoring necessary after uvulopalatopharyngoplasty? (Mickelson and Hakim). 1998;119:352-6

Microscopic examination of routine tonsillectomy specimens: Is it necessary? (Alvi and Vartanian). 1998;119:361-3

Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9

Postauricular myocutaneous flap in otologic surgery (Farrior). 1998;118:743-6

Postcricoid sarcoid mimicking a malignancy: a lesson to remember (Vaz et al). 2000;123:150 (Case rep.)

Postoperative management of pediatric tracheostomy: results of a nationwide survey (Gluth et al). 2000;122:701-5

Postoperative treatment of the patient with obstructive sleep apnea (Ulnick and Debo). 2000;122:233-6

Stapedectomy in military aircrew (Thiringer and Arriaga). 1998;118:9-14

Sucralfate for posttonsillectomy analgesia (Özcan et al). 1998;119:700-4

Postoperative complications

Analysis of short-term outcome after office-based laser-assisted uvulopalatoplasty (Astor et al). 1998;118:478-80

Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)

Cervical necrotizing fasciitis as a complication of tonsillectomy (Sonne et al). 2001;125:670 (Case rep.)

Chest wall mass after pectoralis major myocutaneous flap reconstruction (Kandula et al). 2000;122:267-8 (Case rep.)

Comparison of internal maxillary artery ligation versus embolization for refractory posterior epistaxis (Cullen and Tami). 1998;118:636-42

Completion thyroidectomy for differentiated thyroid carcinoma (Chao et al). 1998;118:896-9

Complications and functional outcome after supracricoid partial laryngectomy with cricohyoidoepiglottopexy (Naudo et al). 1998;118:124-9

Complications of tonsillectomy and adenoidectomy (Randall and Hoffer). 1998;118:61-8

Conservative management of infections in cochlear implant recipients (Yu et al). 2001;125:66-70

Current trends in laryngectomy rehabilitation: a survey of speech-language pathologists (Culton and Gerwin). 1998;118:458-63

Effect of topical antibiotic therapy on recovery after tonsillectomy in adults (Mann et al). 1999;121:277-82

Effects of intracochlear factors on spiral ganglion cells and auditory brain stem response after long-term electrical stimulation in deafened kittens (Araki et al). 2000;122:425-33

Facial nerve function after partial superficial parotidectomy: an 11-year review (1987-1997) (Witt). 1999;121:210-3

High incidence of complications encountered in chronic otitis media surgery in a U.S. metropolitan public hospital (Greenberg and Manolidis). 2001;125:623-7

Incidence of complications for subtotal ionized field ablation of the tonsils (Lee et al). 2002;127:531-8

Incidence of deep venous thrombosis and pulmonary embolism in otolaryngology–head and neck surgery (Moreano et al). 1998;118:777-84

Influence of the multichannel cochlear implant on vestibular function (Ito). 1998;118:900-2

Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3

Laser-assisted outpatient septoplasty: results in 703 patients (Kamami et al). 2000;122:445-9

Late-occurring infections of medialization laryngoplasty implants (Newcomer and Sinard). 2001;124:693-5 (Case rep.)

Long-term sequelae after surgery for orbital floor fractures (Folkestad and Westin). 1999;120:914-21

Management of chyle fistulization in association with neck dissection (Gregor). 2000;122:434-9

Neurotoxic effects of doxycycline sclerotherapy (Kirse et al). 1998;118:356-62

Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9

Orbital paraffinoma as a complication of endoscopic sinus surgery (Keefe et al). 2002;127:575-7 (Case rep.)

Otologic and laryngologic manifestations of mucopolysaccharidoses after bone marrow transplantation (Papsin et al). 1998;118:30-6

Permeability of tympanotomy tubes to ototopical preparations (Arnold and Bressler). 1999;121:35-7

Pharyngeal suspension suture with Repose bone screw for obstructive sleep apnea (Woodson et al). 2000;122:395-401

Postauricular myocutaneous flap in otologic surgery (Farrior). 1998;118:743-6

Postoperative hypertension effect of carotid sinus denervation (Koc et al). 1999;121:150-2

Prognostic significance of postoperative wound infection on head and neck cancer (Rodrigo and Suárez). 1998;118:272-5

Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51

Risk of progressive sensorineural hearing loss and Meniere's disease after breast implantation (Kim and Harris). 1998;118:747-50

Stapedectomy in military aircrew (Thiringer and Arriaga). 1998;118:9-14

Stress fracture of the clavicle after selective neck dissection (Hao and Chang). 1998;118:732-3 (Int. case rep.)

Surgery and obstructive sleep apnea: long-term clinical outcomes (Riley et al). 2000;122:415-21

Surgical labyrinthectomy in the older patient (Langman and Lindeman). 1998;118:739-42

The learning curve revisited: stapedotomy (Sargent). 2002;126:20-5

The use of preoperative lidocaine to prevent stridor and laryngospasm after tonsillectomy and adenoidectomy (Koç et al). 1998;118:880-2

Toxic shock syndrome after mastoidectomy (Kotlarz and Crane). 1998;118:701-2 (Case rep.)

Tracheostomy for long-term laryngeal experimentation (Dahm and Paniello). 1998;118:376-80

Use of postoperative chest x-ray after elective adult tracheotomy (Smith et al). 1999;120:834-51
XeCl laser surgery of the vocal cords: a histologic comparison with CO_2 laser in a porcine model (Wong et al). 1998;118: 371-5

Postoperative hemorrhage
Postoperative hemorrhage after tonsillectomy: use of ketorolac tromethamine (Agrawal et al). 1999;120:335-9

Postoperative period
Carbon dioxide laser surgery for snoring: results in 192 patients (Cheng et al). 1998;118:486-9
Preoperative hearing predicts postoperative hearing (Blakley et al). 1998;119:559-63
Speech and swallowing in irradiated and nonirradiated postsurgical oral cancer patients (Pauloski et al). 1998;118:616-24

Posture
Computerized dynamic posturography: What have we learned from space? (Black and Paloski). 1998;118:S45-51
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15
Posturographic performance in patients with the potential for secondary gain (Gianoli et al). 2000;122:11-8
Posturography does not test vestibulospinal function (Evans and Krebs). 1999;120:164-73
Spaceflight influences on ocular counterrolling and other neurovestibular reactions (Young and Sinha). 1998;118:S31-4
Vestibulospinal adaptation to microgravity (Paloski). 1998;118: S39-44

Posturography
Balance disorders in older persons: quantification with posturography (Baloh et al). 1998;119:89-92
Computerized dynamic posturography: What have we learned from space? (Black and Paloski). 1998;118:S45-51

Potassium
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998; 118:338-43

Potassium channels
Evolution of adaptive neural networks: the role of voltage-dependent K+ channels (Alkon et al). 1998;119:204-11

Practice guidelines
Clinical practice guidelines for the management of chronic sinusitis in children (Chan et al). 1999;120:328-34
Practice patterns versus practice guidelines in pediatric otitis media (Stewart et al). 2001;124:489–95

Predictive value of tests
Predictive value of an adherence test for acute otitis media (Danino et al). 1998;118:400-3

Pregnancy
Bell's palsy in pregnancy: a study of recovery outcomes (Gillman et al). 2002;126:26-30
Management of advanced adenocarcinoma of maxillary sinus in a young woman during pregnancy: a case report (Fetoni et al). 2002;126:432-3 (Case rep.)
Nasal granuloma gravidarum (Park). 2002;126:590-1 (Clin. photo.)

Premedication
Preapplication of mitomycin C for enhanced patency of myringotomy (Estrem and Baker) 2000;122:346-8

Preoperative care
Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9
Preoperative evaluation of the radial forearm free flap patient with the objective Allen's test (Nuckols et al). 2000;123:553-7
Preoperative hearing predicts postoperative hearing (Blakley et al). 1998;119:559-63
The use of preoperative lidocaine to prevent stridor and laryngospasm after tonsillectomy and adenoidectomy (Koç et al). 1998;118:880-2

Pressoreceptors
Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44

Prilocaine
Efficacy of a eutectic mixture of local anesthetics as a topical anesthetic in minor otologic procedures. (Koutnouyan et al). 1999;121:38-42

Primary health care
Educational outcomes of an otitis media workshop for primary care providers in Latin America (Villaseñor et al). 1998;118: 394-6
Rhinosinusitis treatment protocol: changing provider habits in primary care (Kinney). 2002;126:614-22

Professional competence
Authorship, publication and being a good doctor (Casler). 2002; 126:457-8 (Editorial)

Prognosis
Cyclin D1 expression as a prognostic parameter in papillary carcinoma of the thyroid (Muro-Cacho et al). 1999;120:200-7
Malignant peripheral nerve sheath tumors of the head and neck: analysis of prognostic factors (Loree et al). 2000;122:667-72
Metachronous cancer: prognostic factors including prior irradiation (Dolan et al). 1998;119:619-23
Oxygenation of advanced head and neck cancer: prognostic marker for the response to primary radiochemotherapy (Vanselow et al). 2000;122:856-62
Prognostic assessment of sonography and tumor volumetry in advanced cancer of the head and neck by use of Doppler ultrasonography (Dietz et al). 2000;122:596-601
Prognostic factors in supraglottic laryngeal carcinoma (Morales-Angulo et al). 1998;119:548-53
Prognostic significance of postoperative wound infection on head and neck cancer (Rodrigo and Suárez). 1998;118:272-5
Prognostic value of p53, proliferating cell nuclear antigen, and Ki-67 expression in undifferentiated nasopharyngeal carcinomas (Genç et al). 2000;122:868-73

Program issue
Program issue. 1998;119:P1-240

Promoter regions (genetics)
Analysis of the human neurofibromatosis type 2 gene promoter and its expression (Welling et al). 2000;123:413-8

Propofol
Comparison of 3 different anesthetic techniques on 24-hour recovery after otologic surgical procedures (Jellish et al). 1999; 120:406-11
Remifentanil-based anesthesia versus a propofol technique for otologic surgical procedures (Jellish et al). 2000;122:222-7
Small doses of propofol, droperidol, and metoclopramide for the preservation of postoperative nausea and vomiting after thyroidectomy (Fujii et al). 2001;124:266–9

Proptosis; see Exophthalmos

Prospective studies
Analysis of short-term outcome after office-based laser-assisted uvulopalatoplasty (Astor et al). 1998;118:478-80
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5

Prostaglandin E2; see Dinoprostone

Prostaglandin-endoperoxide synthase

Effects of leukotriene and cyclo-oxygenase inhibition on adaptive bone remodeling in the middle ear (Sherman et al). 2000;123:1-8

Prostatic neoplasms

Metastatic prostatic adenocarcinoma of the temporal bone (Schwetschenau et al). 2001;125:561-2 (Case rep.)

Presentation of prostatic adenocarcinoma with cervical lymphadenopathy: two case reports and review of literature (Chitale et al). 2001;125:431-2 (Case rep.)

Prostheses and implants

Current trends in laryngectomy rehabilitation: a survey of speech-language pathologists (Culton and Gerwin). 1998;118:458-63

Determination of the optimal conditions for laryngeal pacing with the Itrel II implantable stimulator (Zealear et al). 2001;125:183-92

Effect of teflon piston diameter on hearing result after stapedotomy (Sennaroğlu et al). 2001;124:279–81

Evaluation of implant losses and skin reactions around extraoral bone-anchored implants: a 0- to 8-year follow-up (Reyes et al). 2000;122:272-6

Extrusion rates and hearing results in ossicular reconstruction (House and Teufert). 2001;125:135-41

Inflammatory reaction into the external auditory canal followed by spontaneous extrusion of alloplastic implant in the temporomandibular joint (Escada and Madeira da Silva). 2001;125:559-60 (Case rep.)

Influence of the prosthetic restoration modality on bone loss around dental implants placed in vascularized iliac bone grafts for mandibular reconstruction (Kovács). 2000;123:598-602

Long-term study of quality and safety of osseointegration for the retention of auricular prostheses (Westin and Rangert). 1999;121:133-43

Medialization laryngoplasty (Dulguerov et al). 1999;120:275-8

Osseointegrated implants in children: experience from our first 100 patients (Granström et al). 2001;125:85-92

Prosthesis size in stapedectomy (Fucci et al). 1998;118:1-5

Salvage of an infected hydroxyapatite cement cranioplasty with preservation of the implant material (Johnson et al). 2000;123:515-7 (Case rep.)

Stapedectomy in military aircrew (Thiringer and Arriaga). 1998;118:9-14

Temporal augmentation with a layered expanded polytetrafluoroethylene implant (Fedok et al). 1999;120:929-33 (Case rep.)

Protease inhibitors

Analysis of protease activity in human otitis media (Avidano et al). 1998;119:346-51

Protective devices

Automobile airbag impulse noise: otologic symptoms in six patients (Saunders et al). 1998;118:228-34

Protein binding

Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91

Protein kinase C

Molecules, motion, and man (Wackym and Balaban). 1998;118:S16-24

Protein p53

Expression of Ki-67, tumor suppressor proteins, growth factor, and growth factor receptor in juvenile respiratory papillomatosis: Ki-67 and p53 as predictors of aggressive disease (Stern et al). 2000;122:378-86

Heat shock protein and p53 expression in head and neck squamous cell carcinoma (Gandour-Edwards et al). 1998;118:610-5

p53 expression and p53 gene mutation in oral cancer and dysplasia (Rowley et al). 1998;118:115-23

Protein p63

Expression of p63 and 14-3-3[phi] in normal and hyperdifferentiated mucosa of the upper aerodigestive tract (Sniezek et al). 2002;126:598-601

Proteins

Expression of annexin II in human middle ear cholesteatoma (Kim et al). 1998;118:324-8

Isolated cervical tuberculosis in patients with HIV infection (Singh et al). 1998;118:766-70

Molecules, motion, and man (Wackym and Balaban). 1998;118:S16-24

Sudden deafness: lack of evidence for systemic viral infection (Pitkäranta and Julkunen). 1998;118:397-9

Proto-oncogenes

Expression of the proto-oncogene eIF4E in inflammation of the oral cavity (Chandy et al). 2002;126:290-5

Proton pump inhibitor therapy

Proton pump inhibitor resistance in the treatment of laryngopharyngeal reflux (Amin et al). 2001;125:374-8

Pseudoaneurysm

Intrasaccular detachable platinum coil embolization for traumatic pseudoaneurysm treatment of a cavernous carotid artery (Chae et al). 2001;124:230–1

Pseudocysts

Auricular pseudocysts: a treatment with the Chulalongkorn University vacuum device (Supiyaphun et al). 2001;124:213–16

Pseudoephedrine; see Ephedrine

Pseudomonas

Escherichia coli osteomyelitis of the skull base (Genden and Goebel). 1998;118:853-5 (Case rep.)

Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51

Pseudomonas aeruginosa

Analysis of protease activity in human otitis media (Avidano et al). 1998;119:346-51

Pseudosulcus vocalis

The association between laryngeal pseudosulcus and laryngopharyngeal reflux (Belafsky et al). 2002;126:649-52

Psychological distress; see Stress, psychological

Psychomotor performance

Countermeasures for vestibular dysfunction (Holt). 1998;118:S29-30

Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15

Psychological distress: linking impairment with disability in facial neuromotor disorders (VanSwearingen et al). 1998;118:790-6

Spaceflight influences on ocular counterrolling and other neurovestibular reactions (Young and Sinha). 1998;118:S31-4

Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8

Vestibular dysfunction: lessons and legacies from space—forward (Black). 1998;118:S1

Vestibulospinal adaptation to microgravity (Paloski). 1998;118:S39-44

Psychophysiologic disorders

The Basic Symptom Inventory—53 and its use in the management of patients with psychogenic dizziness (Ruckenstein and Staab). 2001;125:533-6

Psychotherapy

Quality-of-life effects of psychosocial intervention in patients with head and neck cancer (Hammerlid et al). 1999;120:507-16

Pterygopalatine fossa
Extensive salivary gland choristoma of the pterygopalatine fossa (Harar et al). 2000;122:611-2 (Case rep.)

Public health
Rescuing the doctor: swimming lessons for physician-educators (Geppert). 1998;118:423-8 (Editorial)

Publications
Authorship, publication and being a good doctor (Casler). 2002; 126:457-8 (Editorial)

Pulmonary edema
Complications of tonsillectomy and adenoidectomy (Randall and Hoffer). 1998;118:61-8

Pulmonary embolism
Incidence of deep venous thrombosis and pulmonary embolism in otolaryngology–head and neck surgery (Moreano et al). 1998; 118:777-84

Pulmonary ventilation
New unidirectional airflow ball tracheostomy speaking valve (Shikani et al). 2000;123:103-7 (Drug/Device)
Xenon-enhanced computed tomography quantifies normal maxillary sinus ventilation (Leopold et al). 2000;122:422-4

Purified protein derivative test; see Proteins

Q

Quality of life
Allergy and health-related quality of life (Derebery et al). 2000; 123:393-9
Clinimetric evaluation of the sinonasal outcome test-16 (Anderson et al). 1999;121:702-7
Communication after laryngectomy: an assessment of quality of life (Carr et al). 2000;122:39-43
Computed tomography stage, allergy testing, and quality of life in patients with sinusitis (Krouse). 2000;123:389-92
Development and application of a health-related quality-of-life instrument for adults with cochlear implants: the Nijmegen Cochlear Implant Questionnaire (Hinderink et al). 2000;123: 756-65
Economic implications of chronic sinusitis (Gliklich and Metson). 1998;118:344-9
Exploring health-related quality of life in patients with diseases of the ear, nose, and throat: a multicenter observational study (Witsell et al). 2001;125:288-98
In search of a hammer (Alsarraf) (Letter); (Becker et al) (Reply). 2000;123:525-6
Obstructive sleep apnea treatment outcomes pilot study (Piccirillo et al). 1998;118:833-44 (Clin. epid./research)
Outcomes and quality of life in conductive hearing loss (Stewart et al). 2000;123:527-32
Physical and psychosocial correlates of head and neck cancer: a review of the literature (De Boer et al). 1999;120:427-36
Psychometric and clinimetric validity of the 20-item Sino-Nasal Outcome Test (SNOT-20) (Piccirillo et al). 2002;126:41-7
Quality of life for children with obstructive sleep apnea (Franco et al). 2000;123:9-16
Quality-of-life assessment in patients with unilateral vocal cord paralysis (Spector et al). 2001;125:176-82
Quality-of-life effects of psychosocial intervention in patients with head and neck cancer (Hammerlid et al). 1999;120: 507-16
Quality-of-life outcomes after osteoplastic frontal sinus obliteration (Alsarraf et al). 1999;121:435-40

Questionnaires
Characteristics of sinus-related pain (Tarabichi). 2000;122:842-7
In vitro testing in pediatric food allergy (Herr et al). 1999;120: 233-7

R

R-R interval
Assessment of the otolith-autonomic response using spectral analysis of the R-R interval and blood pressure (Yamamoto et al). 2000;123:582-6

Rabbits
Active ion secretion and permeability of rabbit maxillary sinus epithelium, impact of staphylococcal enterotoxin B (Yang et al). 2000;123:120-3
Does slow-release 5-fluorouracil and triamcinolone reduce subglottic stenosis? (Ingrams et al). 1998;118:174-7
Gross and histologic changes in the developing rabbit subglottis in response to a controlled depth of injury (Mankarious et al). 2002;127:442-7
Localized sinus inflammation induced by *Bacteroides fragilis* is accompanied by rigorous immune response (Jyonouchi et al). 1999;120:869-75
Pentoxifylline effects on acute and late complications after radiotherapy in rabbit (Aygenc et al). 2001;124:669-73
Pilot study to evaluate the efficacy of hyperbaric oxygen therapy in improving the survival of reattached auricular composite grafts in the New Zealand White rabbit (McClane et al). 2000;123:539-42

Radiation
Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32
Radiation-induced malignant fibrous histiocytoma of the head and neck (Fell et al). 1998;118:529-31 (Case rep.)

Radical neck dissection
Management of chyle fistulization in association with neck dissection (Gregor). 2000;122:434-9
Node counts in radical neck dissection: are they useful in outcomes research (Agrama et al). 2001;124:433–5
Objective and early diagnosis of chylous fistula in the postoperative period (Erisen et al). 2002;126:172-5
Pain in the neck after neck dissection (Talmi et al). 2000;123: 302-6
Quantitative analysis of the drainage after neck dissection (Eri,sen et al). 2000;123:603-6
Sternoclavicular joint hypertrophy after neck dissection and upper trapezius myocutaneous flap transposition (Piazza et al). 2002;126:193-4 (Case rep.)

Radioallergosorbent test
Comparison of Multi-Test device skin testing and modified RAST results (Levine et al). 1998;118:797-9
Diagnosing and treating pediatric allergy (Cook et al). 1998;118: 350-5
Mold testing by RAST and skin test methods in patients with allergic fungal sinusitis (Mabry et al). 1999;121:252-4 (Case rep.)
Treatment of delayed food allergy based on specific immunoglobulin G RAST testing (Dixon). 2000;123:48-54

Radiofrequency, temperature-controlled
Temperature-controlled radiofrequency tongue base reduction for sleep-disordered breathing: long-term outcomes (Li et al). 2002;127:230-4

Radiofrequency ablation
Complications of radiofrequency ablation in the treatment of sleep-disordered breathing (Pazos and Mair). 2001;125:462-7

Complications of radiofrequency ablation in the treatment of sleep-disordered breathing (Stuck) (Letter); (Pazos and Mair) (Reply). 2002;126:697-700
Occult mucosal injuries with radiofrequency ablation of the palate (Terris and Chen). 2001;125:468-72
Transoral radiofrequency treatment of snoring (Johnson et al). 2002;127:235-7

Radiofrequency volumetric tissue reduction
A multi-institutional study of radiofrequency volumetric tissue reduction for OSAS (Woodson et al). 2001;125:303-11
Radiofrequency volumetric tissue reduction for treatment of turbinate hypertrophy: a pilot study (Li et al). 1998;119:569-73
Temperature-controlled radiofrequency tonsil reduction: extended follow-up (Nelson). 2001;125:456-61
Temperature-controlled radiofrequency volumetric tissue reduction in the human soft palate (Sher et al). 2001;125:312-18

Radiographic image enhancement
Xenon-enhanced computed tomography quantifies normal maxillary sinus ventilation (Leopold et al). 2000;122:422-4

Radiography
Lack of utility of postoperative chest radiograph in pediatric tracheotomy (Pinto et al). 2001;125:241-4
Sublabial, transseptal, transsphenoidal approach to the pituitary region guided by the ACUSTAR I system (Burkey et al). 1998;118:191-4
Use of plain radiography and computed tomography to identify fish bone foreign bodies (Lue et al). 2000;123:435-8

Radiography, thoracic
Chest radiographs after dilatational percutaneous tracheotomy: are they necessary? (Donaldson et al). 2000;123:236-9
Comparison of postoperative cardiopulmonary examinations and chest radiographs to detect pulmonary complications after adult tracheotomy (Park and Smith). 1999;121:274-6
Use of postoperative chest x-ray after elective adult tracheotomy (Smith et al). 1999;120:834-51

Radionuclide imaging
Indium 111 octreotide scintigraphy in angiofibroma (Guneri et al). 1998;118:137-9 (Int. case rep.)
Intraoperative radiolymphoscintigraphy for detection of occult nodal metastasis in patients with head and neck squamous cell carcinoma (Zitsch et al). 2000;122:662-6
Relationship between the size of neopharynx after laryngectomy and long-term swallowing function: an assessment by scintigraphy (Hui et al). 2001;124:225-9

Radiopharmaceuticals
Use of (18F)-fluorodeoxyglucose positron emission tomography in monitoring response of recurrent neurotropic desmoplastic melanoma to radiotherapy (Hannah et al). 2000;122:304-6 (Case rep.)

Radiotherapy
A comparison of radiation-induced and presbylaryngeal dysphonia (Behrman et al). 2001;125:193-200
Cellular immune defect caused by postsurgical radiation therapy in patients with head and neck cancer (Tisch et al). 1998;119:412-7
Complications of postoperative radiation therapy after partial laryngectomy in supraglottic cancer: a long-term evaluation (Laccourreye et al). 2000;122:752-7
Factors predictive of poor functional outcome after chemoradiation for advanced laryngeal cancer (Staton et al). 2002;127:43-7
Histopathology of human temporal bone after cis-platinum, radiation, or both (Hoistad et al). 1998;118:825-32
Internal carotid artery hemorrhage after irradiation and osteoradionecrosis of the skull base (Lam et al). 2001;125:522-7
Laryngeal compartmentalization after radiation therapy in a canine model (Yu et al). 2001;125:385-92
Metachronous cancer: prognostic factors including prior irradiation (Dolan et al). 1998;119:619-23
Middle ear recurrence in two patients with nasopharyngeal carcinoma (Kwong et al). 1998;118:280-2 (Int. case rep.)
Nasopharyngectomy for recurrent high-grade mucoepidermoid carcinoma after radiation failure (Brown et al). 1999;120:564-6 (Case rep.)
Oxygenation of advanced head and neck cancer: prognostic marker for the response to primary radiochemotherapy (Vanselow et al). 2000;122:856-62
Pentoxifylline effects on acute and late complications after radiotherapy in rabbit (Aygenc et al). 2001;124:669-73
Phase I trial of retinoic acid and cis-platinum for advanced squamous cell cancer of the head and neck based on experimental evidence of drug synergism (Weisman et al). 1998;118:597-602
Predictors of weight loss during radiation therapy (Beaver et al). 2001;125:645-8
Primary radiation therapy for early glottic cancer (Barthel and Esclamado). 2001;124:35–9
Radiation therapy as an option for upper airway obstruction due to Wegener's granulomatosis (Neviani et al). 2002;126:195-6 (Case rep.)
Salvage surgery for recurrent nasopharyngeal carcinoma in anterior marginal miss after radiotherapy (Shu et al). 1999;121:622-6
Speech and swallowing in irradiated and nonirradiated postsurgical oral cancer patients (Pauloski et al). 1998;118:616-24
Watching aspiration after radiation therapy (Meleca et al). 1999;120:551-3 (Case rep.)

Radiotherapy, adjuvant
Adjuvant radiotherapy influences the survival of patients with squamous carcinoma of the head and neck who have poor prognoses (De Stefani et al). 2000;123:630-6

Radiotherapy, high-energy
Osteoradionecrosis of the maxillary-orbital complex after neutron beam radiotherapy (Marunick et al). 2000;123:224-8

Radius
Torsional strength of the radius after osteofasciocutaneous free flap harvest with and without primary bone plating (Edmonds et al). 2000;123:400-8

Rana catesbeiana
Vestibular nerve regeneration in the bullfrog, *Rana catesbeiana*: peripheral dendrites (Hernandez et al). 1998;119:244-54

Randomized controlled trials
Cyclandelate in the management of tinnitus: a randomized, placebo-controlled study (Hester et al). 1998;118:329-32

Ranula
Management of pediatric ranula (Pandit and Park). 2002;127:115-18
Synchronous contralateral oral and cervical ranula (Lin and Kao). 2001;125:420-1 (Case rep.)

Rats
An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81
Duration of neuronal stretch correlates with functional loss (Fowler et al). 2001;124:641-44
End-to-side neurorraphy: a long-term study of neural regeneration in a rat model (Tarasidis et al). 1998;119:337-41

Influence of lecithin on mitochondrial DNA and age-related hearing loss (Seidman et al). 2002;127:138-44
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998; 118:338-43
Morphometric analysis of horizontal canal nerves of chronically diabetic rats (Myers et al). 1999;120:174-9
Muscle fiber-type changes induced by botulinum toxin injection in the rat larynx (Inagi et al). 1999;120:876-83
Myelin-sheath abnormalities in the vestibular nerves of chronically diabetic rats (Myers). 1998;119:432-8
Neurotoxic effects of doxycycline sclerotherapy (Kirse et al). 1998;118:356-62
Portal venous ultraviolet B-irradiated donor alloantigen prevents rejection in circumferential tracheal allografts (Genden et al). 2001;124:481–8
Preventing myringotomy closure with topical mitomycin C in rats (Estrem and Batra). 1999;120:794-8
Reconstruction of tracheal defects with dehydrated human costal cartilage: an experimental study in rats (Dal et al). 2000;123: 607-12
Silver nitrate injury in the rat sciatic nerve: a model of facial nerve injury (Wachter et al). 2002;127:48-54
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8
The effect of endothelial cell growth factor on peripheral nerve regeneration (Smith and Browne). 1998;118:178-82
The role of soluble interleukin-4 receptor and interleukin-5 antibody in preventing late-phase allergy-induced eustachian tube dysfunction (Pollock et al). 2002;127:169-76
Time course of hearing loss in an animal model of pneumococcal meningitis (Kesser et al). 1999;120:628-37
Transforming growth factor-a with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24
Tympanic membrane perforations in the diabetic rat: a model of impaired wound healing (Vrabec). 1998;118:304-8
Ventral approach to the rat middle ear for otologic research (Pinilla et al). 2001;124:515–17

Reaction time
Voice target time in Parkinson's disease: a preliminary report (Jiang et al). 1999;121:87-91

Reactive oxygen species
Evidence of oxygen free radical damage in human otitis media (Takoudes and Haddad). 1999;120:638-42

Receptor, epidermal growth factor
Antiepidermal growth factor receptor antibodies augment cytotoxicity of chemotherapeutic agents on squamous cell carcinoma cell lines (Brown et al). 2000;122:75-83

Receptors, angiotensin
Sarthran preserves cochlear microcirculation and reduces temporary threshold shifts after noise exposure (Goldwyn et al). 1998;118:576-83

Receptors, calcitonin gene-related peptide
Effect of intravenous calcitonin gene-related peptide antagonist on the laryngeal chemoreflex in piglet (Bauman et al). 1999; 121:1-6

Receptors, granulocyte-macrophage colony-stimulating factor
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5

Receptors, interleukin-4
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5
The role of soluble interleukin-4 receptor and interleukin-5 antibody in preventing late-phase allergy-induced eustachian tube dysfunction (Pollock et al). 2002;127:169-76

Receptors, interleukin-5
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5

Receptors, leukotriene
Leukotrienes C_4 and D_4 increase the ciliary beat frequency in human upper airway mucosa in vitro (Cyrus et al). 1998;118: 472-7

Receptors, odorant
Relation between CT scan findings and human sense of smell (Hong et al). 1998;118:183-6

Reconstructive surgical procedures
Assessment of plate use for mandibular reconstruction: Has changing technology made a difference? (Klotch et al). 1999; 121:388-92
Benefits of routine maxillectomy and orbital reconstruction with the rectus abdominis free flap (Browne and Burke). 1999;121: 203-9
Calvarial bone graft harvest in children (Frodel). 1999;121:78-81
Free transverse colon transfer for large pharyngostoma after pharyngolaryngoesophagectomy: a case report (Lin et al). 2001; 124:471–2 (Case rep.)
Influence of the prosthetic restoration modality on bone loss around dental implants placed in vascularized iliac bone grafts for mandibular reconstruction (Kovács). 2000;123:598-602
Reconstruction of large lower lip defects: a new method (Akbas and Karacaoglan). 2001;124:456–8
Reconstruction of lower lip defects after tumor excision: an aesthetic and functional evaluation (López et al). 2000;123: 317-23
Reconstruction of tracheal defects with dehydrated human costal cartilage: an experimental study in rats (Dal et al). 2000;123: 607-12
Single-stage laryngotracheal reconstruction in children: a review of 200 cases (Gustafson et al). 2000;123:430-4
Versatility and donor site morbidity of the lateral upper arm flap in intraoral reconstruction (Gellrich et al). 2001;124:549–55

Recovery room
Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9

Rectal neoplasms
Adenocarcinoma of the rectum with metastasis to the palatine tonsil (Goldenberg et al). 1999;121:653-4 (Case rep.)

Recurrence
A rare case of nasal glioma in adult age (Pasquini et al). 1998; 118:905-6 (Int. case rep.)
Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70
Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73
Factors related to outcome of salvage therapy for isolated cervical recurrence of squamous cell carcinoma in the previously treated neck: a multi-institutional study (Krol et al). 2000; 123:368-76
Familial recurrent facial paresis: four generations (Bruns and Burgess). 1998;118:859-62 (Case rep.)

Fenretinide-induced apoptosis of human head and neck squamous carcinoma cell lines (Scher et al). 1998;118:464-71
Inappropriate secretion of antidiuretic hormone caused by the local regional recurrence of hypopharyngeal cancer (Suzuki et al). 1998;118:412-4 (Int. case rep.)
Intracochlear vestibular schwannoma: a potential source for recurrence after translabyrinthine resection (Green et al). 2000; 123:281-2 (Case rep.)
Lymphatic malformation: predictive factors for recurrence (Fliegelman et al). 2000;123:706-10
Middle ear recurrence in two patients with nasopharyngeal carcinoma (Kwong et al). 1998;118:280-2 (Int. case rep.)
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5
Primary extracranial meningioma of the temporal bone (O'Reilly et al). 1998;118:690-4 (Case rep.)
Recurrence of attic cholesteatoma: different methods of estimating recurrence rates (Stangerup et al). 2000;123:283-7
Recurrent angiomyoma (vascular leiomyoma) of the larynx after laser excision (Anderson et al). 2000;123:646 (Case rep.)
Recurrent cutaneous melanoma of the head and neck (Zitsch et al). 1999;120:391-3
Treatment of recurrent pleomorphic adenomas of the parotid gland (Carew et al). 1999;121:539-42

Recurrent laryngeal nerve
Completion thyroidectomy for differentiated thyroid carcinoma (Chao et al). 1998;118:896-9
Evaluation of expiratory effort on dysphonic patients on increasing vocal intensity (Makiyama et al). 1998;118:723-7
Factors related to nerve injury and hypocalcemia in thyroid gland surgery (Prim et al). 2001;124:111–14
Functional differences between the two bellies of the cricothyroid muscle (Hong et al). 1998;118:714-22
Histologic study of the recurrent laryngeal nerve in spasmodic dysphonia (Kosaki et al). 1999;120:129-33
Long-term model of induced canine phonation (Paniello and Dahm). 1998;118:512-22
The anomaly of nonrecurrent laryngeal nerve: identification and management (Cannon). 1999;120:769-71 (Case rep.)

Red blood cells; see Erythrocytes

Referral and consultation
Management of otitis media using Agency for Health Care Policy and Research guidelines (Hsu et al). 1998;118:437-43
Postsurgical follow-up of children with tympanostomy tubes: results of the American Academy of Otolaryngology-Head and Neck Surgery Pediatric Otolaryngology Committee National Survey (Derkay et al). 2000;122:313-8
Sudden hearing loss and the need for immediate referral (Grossan). 1999;121:166-7 (Letter)

Reflex
Effect of intravenous calcitonin gene-related peptide antagonist on the laryngeal chemoreflex in piglet (Bauman et al). 1999; 121:1-6
Laryngeal chemoreflex severity and end-apnea Pao_2 and $Paco_2$ (Heman-Ackah et al). 2000;123:157-63

Reflex, vesbibulo-ocular
Arachnoid cysts of the petrous apex in a patient with vestibular schwannoma (Falcioni et al). 2000;123:657 (Case rep.)
Effects of vestibular and cerebellar deficits on gaze and torso stability during ambulation (Crane et al). 2000;123:22-9
Evolution of the vestibulo-ocular system (Fritzsch). 1998;119: 182-92
Increased retinal image velocity after vestibular lesion (Hirvonen et al). 2000;123:766-9
Interlaboratory variability of rotational chair test results II: analysis of simulated data (Furman et al). 2000;122:23-30
Intracochlear vestibular schwannoma: a potential source for recurrence after translabyrinthine resection (Green et al). 2000; 123:281-2 (Case rep.)
Noradrenergic influences on the cerebellar cortex: effects on vestibular reflexes under basic and adaptive conditions (Pompeiano). 1998;119:93-105
Physiologic basis for motor learning in the vestibulo-ocular (Lisberger). 1998;119:43-8
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15
Role of the flocculus of the cerebellum in motor learning of the vestibulo-ocular reflex (Highstein). 1998;119:212-20
Role of vestibular adaptation in vestibular rehabilitation (Herdman). 1998;119:49-54
Short-term vestibulo-ocular adaptation: influence of context (Kramer et al). 1998;119:60-4
Spaceflight influences on ocular counterrolling and other neurovestibular reactions (Young and Sinha). 1998;118:S31-4
Vestibular adaptation to space in monkeys (Dai et al). 1998;119: 65-77
Vestibular adaptation: how models can affect data interpretations (Galiana and Green). 1998;119:231-43

Rehabilitation
Current trends in laryngectomy rehabilitation: a survey of speech-language pathologists (Culton and Gerwin). 1998;118:458-63
Efficacy of vestibular rehabilitation (Cowand et al). 1998;118: 49-54

Reinnervation
An experimental comparison of different kinds of laryngeal muscle reinnervation (Zheng et al). 1998;119:540-7

Renal osteodystrophy
Renal osteodystrophy with leontiasis ossea deformity (Reidy et al). 1998;119:525-7 (Case rep.)

Reoperation
Failed medialization laryngoplasty: management by revision surgery (Woo et al). 2001;124:615-21

Replantation
Effects of dimethylthiourea, melatonin, and hyperbaric oxygen therapy on the survival of reimplanted rabbit auricular composite grafts (Lim et al). 1999;121:231-7

Repose System bone screw
Role of tongue base suspension suture with The Repose System bone screw in the multilevel surgical management of obstructive sleep apnea (Miller et al). 2002;126:392-8

Research
A new concept in laryngeal muscle: multiple myosin isoform types in single muscle fibers of the lateral cricoarytenoid (Wu et al). 1998;118:86-94
An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81
Countermeasures for vestibular dysfunction (Holt). 1998;118: S29-30
Financial support for research in otolaryngology (Odland). 2001; 124:155–9
Historical ties between otolaryngology–head and neck surgery and aviation and space medicine (Alford and Atkins Jr). 1998;118:S2-4
Long-term model of induced canine phonation (Paniello and Dahm). 1998;118:512-22
Management of otitis media using Agency for Health Care Policy and Research guidelines (Hsu et al). 1998;118:437-43

Molecules, motion, and man (Wackym and Balaban). 1998;118: S16-24
Obstructive sleep apnea treatment outcomes pilot study (Piccirillo et al). 1998;118:833-44 (Clin. epid./research)
Publication rate of abstracts presented at the annual meeting of the American Academy of Otolaryngology-Head and Neck Surgery (Larian et al). 2001;125:166-9
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8
The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90 (Editorial)
Tracheostomy for long-term laryngeal experimentation (Dahm and Paniello). 1998;118:376-80

Residency, medical. see Internship and residency

Resident Basic Science Award
Contribution of membrane cholesterol to outer hair cell lateral wall stiffness (Nguyen and Brownell). 1998;119:14-20
Inhibition of nitric oxide synthase causes elevation of hearing thresholds (Zdanski et al). 1998;119:159-63
Lack of *BRCA2* alterations in primary head and neck squamous cell carcinoma (Nawroz-Danish et al). 1998;119:21-5

Resident Clinical Science Award
Brain-derived neurotrophic factor gene therapy prevents spiral ganglion degeneration after hair cell loss (Staecker et al). 1998;119:7-13
Germline screening of the NF-2 gene in families with unilateral vestibular schwannoma (Bikhazi et al). 1998;119:1-6
Thermoprotective mechanisms of irrigation during bipolar cautery (Donzelli et al). 1998;119:153-8

Respiration
Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44
Clinical staging for sleep-disordered breathing (Friedman et al). 2002;127:13-21
Effect of improved nasal breathing on obstructive sleep apnea (Friedman et al). 2000;122:71-4
Preliminary findings from a prospective, randomized trial of two palatal operations for sleep-disordered breathing (Terris et al). 2002;127:315-23
Temperature-controlled radiofrequency tongue base reduction for sleep-disordered breathing: long-term outcomes (Li et al). 2002;127:230-4

Respiratory hypersensitivity
Electrocochleographic changes after intranasal allergen challenge: a possible diagnostic tool in patients with Meniere's disease (Gibbs et al). 1999;121:283-4 (Case rep.)
Mold testing by RAST and skin test methods in patients with allergic fungal sinusitis (Mabry et al). 1999;121:252-4 (Case rep.)

Respiratory mucosa
(Case rep.)
Respiratory implantation cyst of the mandible after chin augmentation (Imholte and Schwartz). 2001;124:586–7

Respiratory sounds
Management of acute inflammatory childhood stridor (Damm et al). 1999;121:633-8
The use of preoperative lidocaine to prevent stridor and laryngospasm after tonsillectomy and adenoidectomy (Koç et al). 1998;118:880-2

Respiratory system
Acute effects of palatopharyngoplasty on airway collapsibility (Woodson). 1999;121:82-6
Leukotrienes C4 and D4 increase the ciliary beat frequency in human upper airway mucosa in vitro (Cyrus et al). 1998;118: 472-7

Respiratory system abnormalities
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5

Respiratory tract
Ammonia capsule ingestion causing upper aerodigestive tract injury (Rosenbaum et al). 1998;119:678-80 (Case rep.)
Nitric oxide is a regulator of mucociliary activity in the upper respiratory tract (Runer et al). 1998;119:278-87

Respiratory tract diseases
Hantavirus infection: a possible cause of delayed sensorineural hearing loss (Javer et al). 1998;118:697-701 (Case rep.)
Role of gastroesophageal reflux in pediatric upper airway disorders (Halstead). 1999;120:208-14

Respiratory tract neoplasms
Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70
Expression of Ki-67, tumor suppressor proteins, growth factor, and growth factor receptor in juvenile respiratory papillomatosis: Ki-67 and p53 as predictors of aggressive disease (Stern et al). 2000;122:378-86
Granular cell tumor of the larynx presenting with airway obstruction (Farmer and Scher). 1998;118:874-6 (Case rep.)
High-risk human papillomavirus types and squamous cell carcinoma in patients with respiratory papillomas (Moore et al). 1999;120:698-705
Laryngeal lymphangioma: a case report of an uncommon entity (Selz and Arjmand). 1998;118:382-4 (Case rep.)
Larynx preservation: the discussion is not closed (Lefebvre). 1998;118:389-93
Lectin histochemistry of laryngeal squamous cell carcinomas (Tsambaos et al). 1998;118:886-91
Osteosarcoma of the larynx (Rossi et al). 1998;118:385-8 (Case rep.)
Squamous cell carcinoma of the supraglottic larynx in a patient with Fanconi's anemia (Doerr et al). 1998;118:523-5 (Case rep.)

Retainer, dental
Unrecognized aspiration of a dental retainer: a case report (Klein and Schoem). 2002;126:438-9 (Case rep.)

Retina
Increased retinal image velocity after vestibular lesion (Hirvonen et al). 2000;123:766-9
Otorrhea from lateral extension of retropharyngeal abscess (Lee et al). 2000;123:639-40 (Case rep.)
Retropharyngeal abscess

Retinal artery occlusion
Susac syndrome (Turner et al). 1998;118:866-7 (Case rep.)

Retinoic acid; see Tretinoin

Retinoids
Fenretinide-induced apoptosis of human head and neck squamous carcinoma cell lines (Scher et al). 1998;118:464-71

Retraction
Correlation of laryngeal and pharyngeal carcinomas and 24-hour pH monitoring of the esophagus and pharynx [retraction of Chen MY, Ott DJ, Casolo BJ, Moghazy KM, Koufman JA. In: Otolaryngol Head Neck Surg 1998 Nov;119(5):460-2]. (Chen et al). 1999;121:168

Retrocochlear diseases
Magnetic resonance imaging in the search for retrocochlear pathology (Sedwick et al). 2001;124:652-5

Retrolabyrinthine approach
Modified retrolabyrinthine approach with partial labyrinthectomy: anatomic study (Magliulo). 2001;124:287–91
Retropharyngeal abscess
Otorrhea from lateral extension of retropharyngeal abscess (Lee et al). 2000;123:639-40 (Case rep.)
Retropharyngeal abscess associated with vertebral osteomyelitis and spinal epidural abscess (Jang and Rhee). 1998;119:705-8 (Int. case rep.)
Retropharyngeal abscess management in children: current practices (Lalakea ML and Messner). 1999;121:398-405
Retropharyngeal space
Radiographic assessment of the infiltrating retropharyngeal lipoma (Senchenkov et al). 2001;125:658-60 (Case rep.)
Review article
Review articles. 1998;118:674-7
Review articles. 1998;119:502-5
Review articles. 1999;120:502-6, 889-96
Review articles. 2000;122:259-62
Review articles. 2001;124:174–9
Review articles. 2002;126:562-72
Review literature
Chordoma of the oropharynx: an unusual presentation and review of the literature (Gladstone et al). 1998;118:104-7 (Case rep.)
Food pollution (Trevino). 1999;120:889-96
Giant cell reparative granuloma of the temporal bone: case report and review of the literature (Ung et al). 1998;118:525-9 (Case rep.)
Incidence and management of tension pneumocephalus after anterior craniofacial resection: case reports and review of the literature (Clevens et al). 1999;120:579-83 (Case rep.)
Oral and oropharyngeal squamous cell carcinoma in young adults: a report on 13 cases and review of the literature (Kristina et al). 1999;120:823-33
Oral lymphoma in human immunodeficiency virus infection: a report of six cases and review of the literature (Jordan et al). 1998;119:672-7 (Case rep.)
Physical and psychosocial correlates of head and neck cancer: a review of the literature (De Boer et al). 1999;120:427-36
Primary amyloidosis presenting as massive cervical lymphadenopathy with severe dyspnea: a case report and review of the literature (Leach et al). 1999;120:560-4 (Case rep.)
Spindle epithelial tumor with thymus-like differentiation: a case report and review of the literature (Bradford et al). 1999;210:603-6 (Case rep.)
Rhabdomyosarcoma
Embryonal rhabdomyosarcoma of the middle ear (Hu et al). 2002;126:690-2 (Case rep.)
Rhinitis
Alternative to endoscopic sinus surgery in the management of pediatric chronic rhinosinusitis refractory to oral antimicrobial therapy (Buchman et al). 1999;120:219-24
Clinical significance of compound cilia (McAuley and Anand). 1998;118:685-7 (Case rep.)
Clinimetric evaluation of the sinonasal outcome test-16 (Anderson et al). 1999;121:702-7
Diagnosis and treatment of uncomplicated acute bacterial rhinosinusitis: summary of the Agency on Health Care Policy and Research evidence-based report (Benninger et al). 2000;122:1-7
Effects of systemic steroid treatment in chronic polypoid rhinosinusitis evaluated with magnetic imaging (Damm et al). 1999;120:517-23
Pharyngeal acid reflux in patients with single and multiple otolaryngologic disorders (Ulualp et al). 1999;121:725-30
Relation between CT scan findings and human sense of smell (Hong et al). 1998;118:183-6
Skin prick test reactivity to foods in adult Malaysians with rhinitis (Gendeh et al). 2000;122:758-62
Surgical outcomes in rhinosinusitis: what we know (Osguthorpe). 1999;120:451-3
Rhinitis, allergic
Comparative efficacy and safety of terfenadine with pseudoephedrine and terfenadine alone in allergic rhinitis (Panda and Mann). 1998;118:253-5
Development of the allergy outcome survey for allergic rhinitis (Kemker et al). 1999;121:603-5
Health status in allergic rhinitis (Corey et al). 2000;122:681-5
Rhinitis, allergic, perennial
A study of the effect of nasal steroid sprays in perennial allergic rhinitis in patients with rhinitis medicamentosa (Ferguson et al). 2001;125:253-60
Assessment by nasal biopsy of long-term use of mometasone furoate aqueous nasal spray (Nasonex) in the treatment of perennial rhinitis (Minshall et al). 1998;118:648-54
Comparative efficacy of terfenadine, loratadine and astemizole in perennial allergic rhinitis (Crawford et al). 1998;118:668-73
Laser surgery for allergic rhinitis: the effect on seromucinous glands (Elwany and Salaam). 1999;120:742-4
Rhinitis, allergic, seasonal. see Hay fever
Rhinitis, atrophic
Plastipore implants in the surgical treatment of atrophic rhinitis: technique and results (Goldenberg et al). 2000;122:794-7
Rhinitis, vasomotor
Autonomic dysfunction, vasomotor rhinitis, and extraesophageal manifestations of gastroesophageal reflux (Loehrl et al). 2002;126:382-7
Rhinolalia
Hyponasality caused by retronasopharyngeal air as a symptom of pneumomediastinum (Braverman et al). 1998;118:903-4 (Int. case rep.)
Rhinolalia as a symptom of pneumomediastinum after radical neck dissection (Braverman et al). 2000;122:925-6 (Case rep.)
Rhinoliths
Rhinolithiasis: a forgotten entity (Hadi et al). 2002;126:48-51
Rhinomanometry
The effects of an external nasal dilator and nasal dimensions in Asians (Ochi and Ohashi). 2002;126:160-3
Rhinometry
Normative standards for nasal cross-sectional areas by race as measured by acoustic rhinometry (Corey et al). 1998;119:389-93
Rhinometry, acoustic
Acoustic rhinometry findings in patients with mild sleep apnea (Houser et al). 2002;126:475-80
Rhinoplasty
Evaluation of a new procedure for nasal alar rim and valve collapse: nasal alar rim reconstruction (Troell et al). 2000;122:204-11
False aneurysm after rhinoplasty: an unusual complication (Hamdan et al). 2000;122:923-4 (Case rep.)
Intrinsic nasal muscles and their electromyographic evaluation after external septorhinoplasty (Ozturan et al). 2001;125:332-8
Laser-assisted outpatient septoplasty: results in 703 patients (Kamami et al). 2000;122:445-9
Overlay grafting for lateral nasal wall concavities (Gilbert). 1998;119:385-8

Rhinorrhea
Computed tomography imaging of the maxillary and ethmoid sinuses in children with short-duration purulent rhinorrhea (Schwartz et al). 2001;124:160–3
Surgical management of nasal and sinus sarcoidosis (Marks and Goodman). 1998;118:856-8 (Case rep.)
Rhinosinusitis
Analysis of aerobic bacterial strains found in chronic rhinosinusitis using the polymerase chain reaction (Keech et al). 2000; 123:363-7
Antimicrobial treatment guidelines for acute bacterial rhinosinusitis (Sinus and Allergy Health Partnership). 2000;123:S14-31
Bacteria-mucin interaction in the upper aerodigestive tract shows striking heterogeneity: implications in otitis media, rhinosinusitis, and pneumonia (Bernstein and Reddy). 2000;122: 514-20
Impact of endoscopic sinus surgery on global health perception: an outcomes study (Winstead and Barnett). 1998;119:486-91
Recommendations for the treatment of acute bacterial rhinosinusitis are NOT based on current microbial resistance patterns (Ferguson) (Letter); (Benninger) (Reply). 2000;123:665-6
Rhinosporidiosis
Rhinosporidiosis: differential diagnosis of a large nasal mass (Loh et al). 2001;124:121–2 (Clin. photo.)
Rhytidoplasty
The evaluation of rhytidectomy flap healing after CO2 laser resurfacing in a pig model (Park et al). 2001;125:590-2
Risk factors
A case/control study of risk factors for major salivary gland cancer (Muscat and Wynder). 1998;118:195-8
Distortion-product otoacoustic emissions hearing screening in high-risk newborns (Salata et al). 1998;118:37-43
Incidence of deep venous thrombosis and pulmonary embolism in otolaryngology–head and neck surgery (Moreano et al). 1998; 118:777-84
Risk of progressive sensorineural hearing loss and Meniere's disease after breast implantation (Kim and Harris). 1998;118: 747-50
RNA
The HPV 6 E6/E7 transforming genes are expressed in inverted papilloma (Harris et al). 1998;118:312-8
RNA, messenger
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5
Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11
Molecules, motion, and man (Wackym and Balaban). 1998;118: S16-24
Robotics
Robot-assisted stapedotomy: micropick fenestration of the stapes footplate (Rothbaum et al). 2002;127:417-26
Rosai-Dorman disease; see Histiocytosis, sinus
Round window
Direct round window membrane application of gentamicin in the treatment of Meniere's disease (Silverstein et al). 1999;120: 649-55
Experimental model of cisplatin ototoxicity in chinchillas (Janning et al). 1998;119:574-80
Round window membrane permeability to transforming growth factor-α an in vitro study (Witte et al). 2000;123:91-6
Round window obliteration by osteoma of the middle ear (Britt et al). 2000;123:514-5 (Case rep.)

S

Saccular cysts. see Cysts
Saccule and utricle
Assessment of the otolith-autonomic response using spectral analysis of the R-R interval and blood pressure (Yamamoto et al). 2000;123:582-6
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15
Transforming growth factor-α with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24
Safety
Safety of home-based and office allergy immunotherapy: a multicenter prospective study (Hurst et al). 1999;121:553-61
Safety devices; see Protective devices
Safety pins
Endobronchial placement of a safety pin during intubation (Wax). 2000;123:742-4 (Case rep.)
Saline; see Sodium chloride
Saline solution, hypertonic
Hypertonic saline decreases ciliary movement in human nasal epithelium in vitro (Min et al). 2001;124:313–16
Saliva
Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118: 625-9
Salivary gland fistula
Approach to branchial pouch anomalies that cause airway obstruction during infancy (Jacobs et al). 1998;118:682-5 (Case rep.)
Salivary gland neoplasms
A case/control study of risk factors for major salivary gland cancer (Muscat and Wynder). 1998;118:195-8
Expression of the adenocarcinoma-related antigen recognized by monoclonal antibody 44-3A6 in salivary gland neoplasias (Bentz et al). 1998;118:603-9
Extensive salivary gland choristoma of the pterygopalatine fossa (Harar et al). 2000;122:611-2 (Case rep.)
Incidence rates of salivary gland tumors: results from a population-based study (Pinkston and Cole). 1999;120:834-50
Intraductal papilloma of the minor salivary gland involving the nasal cavity: Is it a distinct histopathologic entity? (Saleh and Abbarah). 1998;118:850-2 (Case rep.)
MUC4 (sialomucin complex) expression in salivary gland tumors and squamous cell carcinoma of the upper aerodigestive tract (Weed et al). 2001;124:127–41
Recurrent epithelial-myoepithelial carcinoma of the parotid with direct intracranial extension (Amin et al). 2002;126:83-4 (Case rep.)
Salivation
Botulinum toxin decreases salivation from canine submandibular glands (Shaari et al). 1998;118:452-7
Salivary flow dynamics after parotid surgery: a preliminary report (Chaushu et al). 2001;124:270–3
Salvage therapy
Factors related to outcome of salvage therapy for isolated cervical recurrence of squamous cell carcinoma in the previously treated neck: a multi-institutional study (Krol et al). 2000; 123:368-76

Larynx preservation: the discussion is not closed (Lefebvre). 1998;118:389-93
Salvage of an infected hydroxyapatite cement cranioplasty with preservation of the implant material (Johnson et al). 2000; 123:515-7 (Case rep.)

Sarcoidosis
Cervicocutaneous sarcoidosis (Alvi and Johnson). 2002;126:455-6 (Clin. photo.)
Isolated laryngeal sarcoidosis (Fortune and Courey). 1998;118: 868-70 (Case rep.)
Postcricoid sarcoid mimicking a malignancy: a lesson to remember (Vaz et al). 2000;123:150 (Case rep.)
Sarcoidosis presenting as recurrent nasal polyps (Colden et al). 2000;123:519-21 (Case rep.)
Surgical management of nasal and sinus sarcoidosis (Marks and Goodman). 1998;118:856-8 (Case rep.)

Sarcoma
Radiation-induced malignant fibrous histiocytoma of the head and neck (Fell et al). 1998;118:529-31 (Case rep.)

Sarcoma, Ewing's
Ewing's sarcoma in the nasal cavity (Csokonai et al). 2001;125: 665-7 (Case rep.)

Sarcoma, Kaposi
Kaposi's sarcoma of the tongue (Mra et al). 2000;123:151 (Clin. photo.)
Oropharyngeal Kaposi's sarcoma (Chi and Sheen). 2001;124:352 (Clin. photo.)

Sarcoma, synovial
Synovial sarcoma of the pericricoidal soft tissue (Taylor et al). 2002;126:428-9 (Case rep.)

Sarthran
Sarthran preserves cochlear microcirculation and reduces temporary threshold shifts after noise exposure (Goldwyn et al). 1998;118:576-83

Satellite cells
Muscle fiber and satellite cell apoptosis in the aging human thyroarytenoid muscle: a stereological study with confocal laser scanning microscopy (Malmgren et al). 2001;125:34-9

Scala tympani
Effects of endolymphatic-perilymphatic fistula on endolymphatic hydrops in guinea pig (Yazawa et al). 2000;122:119-23

Scalp
Optimal elective scalp incision design (Frodel and Mabrie). 1999; 121:374-7
Secondary intention healing of exposed scalp and forehead bone (Charnock) (Letter); (Becker et al) (Reply). 2000;123:524-5
Secondary intention healing of exposed scalp and forehead bone after Mohs surgery (Becker et al). 1999;121:751-4

Scalpel, harmonic
A comparison of tonsillectomy with the harmonic scalpel versus electrocautery (Morgenstein et al). 2002;127:333-8
Thyroidectomy using the harmonic scalpel: analysis of 105 consecutive cases (Shemen). 2002;127:284-8

Scars. see Cicatrix

Schwannoma
Schwannoma of the larynx presenting with difficult swallowing (Cadoni et al). 2000;122:773-4 (Case rep.)
See also Neurilemmoma

Schwannoma, acoustic. *see* Neuroma, acoustic

Sciatic nerve
Neurotoxic effects of doxycycline sclerotherapy (Kirse et al). 1998;118:356-62
Silver nitrate injury in the rat sciatic nerve: a model of facial nerve injury (Wachter et al). 2002;127:48-54

Science review
Basic science review. 1998;118:674-7

Scleroderma
Bilateral cricoarytenoid joint ankylosis in scleroderma (Viner et al). 2001;124:696-7 (Case rep.)

Scleroderma, systemic
Hearing loss in progressive systemic sclerosis patients: a comparative study (Kastanioudakis et al). 2001;124:522–5

Sclerosis
Conductive hearing loss in osteopathia striata-cranial sclerosis (Berenholz et al). 2002;127:124-6 (Case rep.)

Sclerotherapy
Neurotoxic effects of doxycycline sclerotherapy (Kirse et al). 1998;118:356-62
Treatment of lymphangiomas in children: an update of Picibanil (OK-432) sclerotherapy (Greinwald et al). 1999;121:381-7

Screening
A comparison of screening methods in school-aged children (Krueger and Ferguson). 2002;127:516-19

Seasons
Seasonal patterns of idiopathic facial paralysis: a 16-year study (De Diego et al). 1999;120:269-71

Sebaceous gland neoplasms
Sebaceous adenoma in the submandibular gland (Liu et al). 2002;126:199-200 (Case rep.)

Sectioning
A fine-cut technique for permanent laryngeal sectioning (Roy et al). 2001;124:31–4

Selective neck dissection
Efficacy of selective neck dissection: a review of 503 cases of elective and therapeutic treatment of the neck in squamous cell carcinoma of the upper aerodigestive tract (Ambrosch et al). 2001;124:180–7

Selenium
Effect of interleukin-2 and selenium on the growth of squamous cell carcinoma cells (Thikkurissy et al). 2001;124:142–9

Semicircular canals
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15
Treatment of benign paroxysmal positional vertigo: no need for postmaneuver restrictions (Nuti et al). 2000;122:440-4

Senior citizens
Cochlear implant performance in senior citizens (Labadie et al). 2000;123:419-24

Sense organs
Relation between CT scan findings and human sense of smell (Hong et al). 1998;118:183-6

Sensory deficits
Laryngopharyngeal sensory deficits as a predictor of aspiration (Setzen et al). 2001;124:622-24

Sensory motor performance; see Psychomotor performance

Sensory thresholds
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998; 118:338-43

Sepragel sinus
Sepragel sinus (hylan B) as a postsurgical dressing for endoscopic sinus surgery (Kimmelman et al). 2001;125:603-8

Septic arthritis. see Arthritis, infectious

Septicemia
Isolated cryptococcal sphenoid sinusitis with septicemia, meningitis, and subsequent skull base osteomyelitis in an immunocompetent patient (Prendiville et al). 2000;123:277-9. Correction 2000;123:668 (Case rep.)

Septum. see Nasal septum

Serology

Diagnostic value of Epstein-Barr viral serology in nasopharnyngeal carcinoma (Low et al). 2000;123:505-7

Efficacy of serologic testing in a asymmetric sensorineural hearing loss (Sabini and Sclafani). 2000;122:469-76

Seromucinous glands. see Turbinate

Serotonin antagonists

Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9

Serum calcium level

Head and neck squamous cell carcinoma: measurement of plasma parathyroid hormone-related protein and serum and urine calcium concentrations (Sellers et al). 2000;123:558-62

Sex

Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7

Sex factors

Age- and gender-related elastin distribution changes in human vocal folds (Hammond et al). 1998;119:314-22

SF-36; see Medical Outcome Study Short-Form 36-item Health Survey

Sheep

Vestibular function in the fetal sheep (Antonelli et al). 1998;118:571-5

Shock, septic

Group A streptococcal toxic shock syndrome and associated respiratory distress (Friedman and Cook). 1999;120:566-9 (Case rep.)

Toxic shock syndrome after closed reduction of a nasal fracture (Keller et al). 1999;120:569-70 (Case rep.)

Toxic shock syndrome after mastoidectomy (Kotlarz and Crane). 1998;118:701-2 (Case rep.)

Toxic shock syndrome associated with frontal sinus stents (Chadwell et al). 2001;124:573–4 (Case rep.)

Short scientific communications

Short scientific communications. 100-6, 422-4

Short scientific communications. 2002;126:573-7

Sialorrhea

Long-term follow-up of submandibular duct rerouting for the treatment of sialorrhea in the pediatric population (Mankarious et al). 1999;120:303-7

Sigmoid sinus

Sac-vein decompression for intractable Meniere's disease: two-year treatment results (Gianoli et al). 1998;118:22-9

Sign test

Efficacy of vestibular rehabilitation (Cowand et al). 1998;118:49-54

Silicones

Dumon silicone stents in obstructive tracheobronchial lesions: the Hong Kong experience (Abdullah et al). 1998;118:256-60

Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51

Risk of progressive sensorineural hearing loss and Meniere's disease after breast implantation (Kim and Harris). 1998;118:747-50

Silver nitrate

Silver nitrate injury in the rat sciatic nerve: a model of facial nerve injury (Wachter et al). 2002;127:48-54

Silver oxide

Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51

Sino-Nasal Outcome Test (SNOT-20)

Psychometric and clinimetric validity of the 20-item Sino-Nasal Outcome Test (SNOT-20) (Piccirillo et al). 2002;126:41-7

Sinus histiocytosis. see Histiocytosis, sinus

Sinus surgery

Endoscope-microscope combination for endonasal surgery (Klimek et al). 1998;119:533-5 (Drug/device)

Endoscopic sinus surgery with magnetic resonance imaging guidance: initial patient experience (Fried et al). 1998;119:374-80

Impact of endoscopic sinus surgery on global health perception: an outcomes study (Winstead and Barnett). 1998;119:486-91

Middle turbinate medialization and preservation in endoscopic sinus surgery (Friedman et al). 2000;123:76-80

New armless image-guidance system for endoscopic sinus surgery (Fried et al). 1998;119:528-32 (Drug/device)

Percutaneous endoscopic gastrostomy: avoiding complications (Santos and McDonald). 1999;120:195-9

Postcricoid sarcoid mimicking a malignancy: a lesson to remember (Vaz et al). 2000;123:150 (Case rep.)

Two faces of orbital hematoma in intranasal (endoscopic) sinus surgery (Stankiewicz and Chow). 1999;120:841-7

Use of the superior meatus and superior turbinate in the endoscopic approach to the sphenoid sinus (Bolger et al). 1999;120:308-13

Sinus thrombosis, intracranial

Cavernous sinus thrombosis complicating odontogenic parapharyngeal space neck abscess: a case report and discussion (Feldman et al). 2000;123:744-6 (Case rep.)

Sinus tympani

Sinus tympani endoscopic anatomy (Abdel Baki et al). 2002;127:158-62

Sinuses

Chronic rhinosinusitis: allergy and sinus computed tomography relationships (Emanuel et al). 2000;123:687-91

Does the severity of sinus computed tomography findings predict outcome in chronic sinusitis? (Stewart et al). 2000;123:81-4

Frameless computer-aided surgery system for revision endoscopic sinus surgery (Caversaccio et al). 2000;122:808-13

Image-guided functional endoscopic sinus surgery (Olson et al). 2000;123:188-94

Intraoperative portable computed tomography scanning: an adjunct to sinus and skull base surgery (Mattox and Mirvis) 1999;121:776-80 (Drug/device)

Middle turbinate medialization and preservation in endoscopic sinus surgery (Friedman et al). 2000;123:76-80

Sinusitis

A case of invasive aspergillosis of the paranasal sinuses with a feature of allergic *Aspergillus* sinusitis (Nakamaru et al). 2002;126:204-5 (Case rep.)

A tender sinus does not always mean rhinosinusitis (Naranch et al). 2002;127:387-97

Activity of oral β-lactam antimicrobial agents versus respiratory tract isolates of *Streptococcus pneumoniae, Haemophilus influenzae,* and *Moraxella catarrhalis* in the era of antibiotic resistance (Doern). 2002;127:S17-S23

Alternative to endoscopic sinus surgery in the management of pediatric chronic rhinosinusitis refractory to oral antimicrobial therapy (Buchman et al). 1999;120:219-24

Antimicrobial treatment guidelines for acute bacterial rhinosinusitis (Morris) (Letter); (Sinus and Allergy Health Partnership Steering Committee) (Reply). 2001;125:435-6

Antimicrobial treatment guidelines for acute bacterial rhinosinusitis (Sinus and Allergy Health Partnership). 2000;123:S14-31

Bacteriology of chronic sinusitis after amoxicillin-clavulanate potassium therapy (Jiang et al). 2001;124:683-6
Characteristics of bony erosion in allergic fungal rhinosinusitis (Nussenbaum et al). 2001;124:150–4
Characteristics of sinus-related pain (Tarabichi). 2000;122:842-7
Clinical practice guidelines for the management of chronic sinusitis in children (Chan et al). 1999;120:328-34
Clinical significance of compound cilia (McAuley and Anand). 1998;118:685-7 (Case rep.)
Clinimetric evaluation of the sinonasal outcome test-16 (Anderson et al). 1999;121:702-7
Community-based treatment of acute uncomplicated bacterial rhinosinusitis with gatifloxacin (Sher et al). 2002;127:182-9
Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9
Comparison of the effectiveness of levofloxacin and amoxicillin-clavulanate for the treatment of acute sinusitis in adults (Adelglass et al). 1999;120:320-7
Computed tomography stage, allergy testing, and quality of life in patients with sinusitis (Krouse). 2000;123:389-92
Cysteinyl leukotrienes in chronic hyperplastic rhinosinusitis (Arango et al). 2002;127:512-15
Density of middle turbinate subepithelial mucous glands in patients with chronic rhinosinusitis (Malekzadeh et al). 2002;127:190-5
Detection of fungal organisms in eosinophilic mucin using a fluorescein-labeled chitin-specific binding protein (Taylor et al). 2002;127:377-83
Determination of the "incidental" Lund score for the staging of chronic rhinosinusitis (Ashraf and Bhattacharyya). 2001;125:483-6
Devastating complications of acute pediatric bacterial sinusitis (Broberg et al). 1999;120:575-9 (Case rep.)
Diagnosis and treatment of uncomplicated acute bacterial rhinosinusitis: summary of the Agency on Health Care Policy and Research evidence-based report (Benninger et al). 2000;122:1-7
Does the severity of sinus computed tomography findings predict outcome in chronic sinusitis? (Stewart et al). 2000;123:81-4
Economic implications of chronic sinusitis (Gliklich and Metson). 1998;118:344-9
Effect of endoscopic sinus surgery on asthmatic patients with chronic rhinosinusitis (Dhong et al). 2001;124:99–104
Effects of systemic steroid treatment in chronic polypoid rhinosinusitis evaluated with magnetic imaging (Damm et al). 1999;120:517-23
Elevated nitric oxide metabolite levels in chronic sinusitis (Schlosser et al). 2000;123:357-62
Executive Summary (Sinus and Allergy Health Partnership). 2000;123:S1-3
Fungus-specific IgG and IgE in allergic fungal rhinosinusitis (Stewart and Hunsaker). 2002;127:324-32
Health care utilization and cost among adults with chronic rhinosinusitis enrolled in a health maintenance organization (Murphy et al). 2002;127:367-76
Immunotherapy for allergic fungal sinusitis: three years' experience (Mabry et al). 1998;119:648-51
Impact of endoscopic sinus surgery on global health perception: an outcomes study (Winstead and Barnett). 1998;119:486-91
Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5
Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11
Isolated cryptococcal sphenoid sinusitis with septicemia, meningitis, and subsequent skull base osteomyelitis in an immunocompetent patient (Prendiville et al). 2000;123:277-9. Correction 2000;123:668 (Case rep.)
Issues in the management of bacterial sinusitis (Bishai). 2002;127:S3-S9
Localized sinus inflammation induced by *Bacteroides fragilis* is accompanied by rigorous immune response (Jyonouchi et al). 1999;120:869-75
Long-term impact of functional endoscopic sinus surgery on asthma (Senior et al). 1999;121:66-8
Long-term outcome of facial growth after functional endoscopic sinus surgery (Bothwell et al). 2002;126:628-34
Management of acute complicated sinusitis: a 5-year review (Mortimore and Wormald). 1999;121:639-42
Management update of acute bacterial rhinosinusitis and the use of cefdinir (Gwaltney). 2002;127:S24-S29
Maxillary sinus puncture and culture in the diagnosis of acute rhinosinusitis: the case for pursuing alternative culture methods (Benninger et al). 2002;127:7-12
Microbiology of sinusitis in patients undergoing bone marrow transplantation (Imamura et al). 1999;120:279-82
Middle meatal vs antral lavage cultures in intensive care unit patients (Kountakis and Skoulas). 2002;126:377-81
Mold testing by RAST and skin test methods in patients with allergic fungal sinusitis (Mabry et al). 1999;121:252-4 (Case rep.)
Molecular typing of paired bacterial isolates from the adenoid and lateral wall of the nose in children undergoing adenoidectomy: implications in acute rhinosinusitis (Bernstein et al). 2001;125:593-7
Nasal endoscopy and the definition and diagnosis of chronic rhinosinusitis (Stankiewicz and Chow). 2002;126:623-7
Nasal irrigation for the alleviation of sinonasal symptoms (Heatley et al). 2001;125:44-8
Natural history of allergic fungal rhinosinusitis (Marple et al). 2002;127:361-6
One-year low-dose erythromycin treatment of persistent chronic sinusitis after sinus surgery: clinical outcome and effects on mucociliary parameters and nasal nitric oxide (Cervin et al). 2002;126:481-9
Outcome of reflux therapy on pediatric chronic sinusitis (Bothwell et al). 1999;121:255-62
Outcome predictors for endoscopic sinus surgery (Wang et al). 2002;126:154-9
Persistent rhinosinusitis in children after endoscopic sinus surgery (Chan et al). 1999;121:577-80
Pharmacodynamic considerations for the selection of oral cephalosporins in the treatment of rhinosinusitis (Dandekar and Nicolau). 2002;127:S10-S16
Pharyngeal acid reflux in patients with single and multiple otolaryngologic disorders (Ulualp et al). 1999;121:725-30
Prospective analysis of sinus symptoms and correlation with paranasal computed tomography scan (Kenny et al). 2001;125:40-3

Psychometric and clinimetric validity of the 20-item Sino-Nasal Outcome Test (SNOT-20) (Piccirillo et al). 2002;126:41-7
Refractory chronic sinusitis: evaluation of symptom improvement after Denker's procedure (Wreesmann et al). 2001;125:495-500
Relation between CT scan findings and human sense of smell (Hong et al). 1998;118:183-6
Review of recent rhinosinusitis publications (Gwaltney). 2002;127:S1-S2
Rhinosinusitis treatment protocol: changing provider habits in primary care (Kinney). 2002;126:614-22
Role of anaerobes in chronic sinusitis: will polymerase chain reaction solve the debate (Ramadan et al). 2002;127:384-6
Role of antral puncture in the treatment of sinusitis in the intensive care unit (Ramadan et al). 1998;119:381-4
Short treatment durations for acute bacterial rhinosinusitis: five days of gemifloxacin versus 7 days of gemifloxacin (Ferguson et al). 2002;127:1-6
Sinusitis in neurologically impaired children (Brook and Shah). 1998;119:357-60
Smoke exposure and outcome of endoscopic sinus surgery in children (Ramadan and Hinerman). 2002;127:546-8
Superior orbital fissure syndrome caused by indolent *Aspergillus* sphenoid sinusitis (Bikhazi and Sloan). 1998;118:102-4 (Case rep.)
Surgical management of nasal and sinus sarcoidosis (Marks and Goodman). 1998;118:856-8 (Case rep.)
Surgical outcomes in rhinosinusitis: what we know (Osguthorpe). 1999;120:451-3
Treatment of chronic rhinosinusitis refractory to other treatments with topical antibiotic therapy delivered by means of a large-particle nebulizer: results of a controlled trial (Desrosiers and Salas-Prato). 2001;125:265-9
Use of immunotherapy in previously treated patients with allergic fungal sinusitis (Bassichis et al). 2001;125:487-90
Use of nebulized antibiotics for acute infections in chronic sinusitis (Vaughan and Carvalho). 2002;127:558-68

Skeleton
Skeletal expansion combined with soft-tissue reduction in the treatment of obstructive sleep apnea in children: physiologic results (Cohen et al). 1998;119:476-85

Skin
Efficacy of immunotherapy based on skin end-point titration (Krouse et al). 2000;123:183-7
Evaluation of implant losses and skin reactions around extraoral bone-anchored implants: a 0- to 8-year follow-up (Reyes et al). 2000;122:272-6
Skin metastases in squamous cell carcinoma of the head and neck (Yoskovitch et al). 2001;124:248–52
Skin: an unusual site of metastases in nasopharyngeal carcinoma (Yücel et al). 1999;121:833-4 (Case rep.)
Transplanted fetal fibroblasts: survival and distribution over time in normal adult dermis compared with autogenic, allogenic, and xenogenic adult fibroblasts (Hebda and Dohar). 1999;121:245-51

Skin diseases
Cutaneous horn of the auricle (Kastanioudakis et al). 1998;118:735 (Clin. photo.)

Skin flaps. see Surgical flaps

Skin neoplasms
Auricular carcinoma with temporal bone invasion: outcome analysis (Gal et al). 1999;121:62-5
Mohs '98: single-procedure Mohs surgery with immediate reconstruction (Bernstein). 1999;120:184-9
Skin: an unusual site of metastases in nasopharyngeal carcinoma (Yücel et al). 1999;121:833-4 (Case rep.)

Skin test end-point titration
ImmunoCAP and HY●TEC enzyme immunoassays in the detection of allergen-specfic IgE compared with serial skin end-point titration by receiver operating characteristic analysis (Corey et al). 2000;122:64-70

Skin tests
Comparison of Multi-Test device skin testing and modified RAST results (Levine et al). 1998;118:797-9
The importance of glycerin-containing negative control tests in allergy research studies that use intradermal skin tests (Hurst et al). 2002;127:177-81

Skin transplantation
Effects of external beam radiation on the allograft dermal implant (Ibrahim et al). 2000;122:189-94
Long-term results of dermal grafting for the repair of nasal septal perforations (Lee et al). 1999;120:483-6
Securing meshed split-thickness skin grafts with 2-octylcyanoacrylate (Tamez et al). 1999;121:562-6

Skin ulcer
Use of rotation flap in the treatment of cutaneous ulceration after cochlear implantation (Ito et al). 1999;121:830-2 (Case rep.)

Skull
Escherichia coli osteomyelitis of the skull base (Genden and Goebel). 1998;118:853-5 (Case rep.)
Calvarial bone graft harvest in children (Frodel). 1999;121:78-81
Central giant cell granuloma of the hard palate (Hernandez et al). 1998;118:871-3 (Case rep.)
Chondromyxoid fibroma of the skull base (Patino-Cordoba et al). 1998;118:415-8 (Int. case rep.)
Fate of rigid fixation in pediatric craniofacial surgery (Berryhill et al). 1999;121:269-73
Postauricular myocutaneous flap in otologic surgery (Farrior). 1998;118:743-6
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8
The cochlear aqueduct: an important landmark in lateral skull base surgery (Aslan et al). 1998;118:532-6

Skull base
A wattle (cervical accessory tragus) (Bendet). 1999;121:508-9 (Clin. photo.)
Critical pathways in anterior cranial base surgery (Moore et al). 1999;121:113-8
Facial translocation approach to the skull base: the viability of translocated facial bone graft (Hao). 2001;124:292–6
Interferon in the treatment of base of the skull hemangioendothelioma (Freeman et al). 1999;121:842-3 (Case rep.)
Internal carotid artery hemorrhage after irradiation and osteoradionecrosis of the skull base (Lam et al). 2001;125:522-7
Intraoperative portable computed tomography scanning: an adjunct to sinus and skull base surgery (Mattox and Mirvis) 1999;121:776-80 (Drug/device)
Isolated cryptococcal sphenoid sinusitis with septicemia, meningitis, and subsequent skull base osteomyelitis in an immunocompetent patient (Prendiville et al). 2000;123:277-9. Correction 2000;123:668 (Case rep.)
Pericranial flap for closure of paramedian anterior skull base defects (Noone et al). 2002;127:494-500
Skull base CSF fistulae: a comprehensive diagnostic algorithm (Zapalac et al). 2002;126:669-76
Skull base fungal osteomyelitis in an immunocompetent host (Shelton et al). 2002;126:76-8 (Case rep.)

Skull base neoplasms

Cerebrospinal fluid fistula after transtemporal skull base surgery (Leonetti et al). 2001;124:511–14

Critical pathways in anterior cranial base surgery (Moore et al). 1999;121:113-8

Posterior petrous face meningiomas (Selesnick et al). 2001;124: 408–13

Subcranial approach to tumors of the anterior cranial base (Darrouzet) (Letter); (Moore and Marentette) (Reply). 2000;122: 466

Skull fractures

Battle's sign in temporal bone trauma (Alvi). 1998;118:908 (Clin. photo.)

Growing cribiform plate fracture in a young adult patient: a case report (Gómez et al). 2001;124:232–3

Toxic shock syndrome after closed reduction of a nasal fracture (Keller et al). 1999;120:569-70 (Case rep.)

Skull neoplasms

Intraosseus zygomatic hemangioma (Konior et al). 1999;121: 122-5 (Case rep.)

Outcome and changing cause of unilateral vocal cord paralysis (Ramadan et al). 1998;118:199-202

Primary extracranial meningioma of the temporal bone (O'Reilly et al). 1998;118:690-4 (Case rep.)

Temporal bone chondroblastoma (Watanabe et al) 1999;121: 327-30 (Case rep.)

Sleep

Immune mediators in allergic rhinitis and sleep (Krouse et al). 2002;126:607-13

Sleepy driving: accidents and injury (Powell et al). 2002;126: 217-27

Sleep apnea, obstructive

A multi-institutional study of radiofrequency volumetric tissue reduction for OSAS (Woodson et al). 2001;125:303-11

Acoustic rhinometry findings in patients with mild sleep apnea (Houser et al). 2002;126:475-80

Assessment of the airway in obstructive sleep apnea syndrome with 3-dimensional airway computed tomography (Bhattacharyya et al). 2000;123:444-9

Cautery-assisted palatal stiffening operation for the treatment of obstructive sleep apnea syndrome (Wassmuth et al). 2000; 123:55-60

Clinical validation of the Bedbuggô in detection of obstructive sleep apnea (Claman et al). 2001;125:227-30

Comparison of postoperative pain between laser-assisted uvulopalatoplasty, uvulopalatopharyngoplasty, and radiofrequency volumetric tissue reduction of the palate (Troell et al). 2000; 122:402-9

Effect of improved nasal breathing on obstructive sleep apnea (Friedman et al). 2000;122:71-4

Efficacy of uvulopalatopharyngoplasty in unselected patients with mild obstructive sleep apnea (Senior et al). 2000;123: 179-82

Health status in patients with disturbed sleep and obstructive sleep apnea (Gliklich et al). 2000;122: 542-6

Incidence of pulmonary edema after tracheotomy for obstructive sleep apnea (Burke et al). 2001;125:319-23

Lung volume dependence of pharyngeal cross-sectional area by acoustic pharyngometry (Kamal). 2002;126:164-71

Midline radiofrequency tissue reduction of the palate for bothersome snoring and sleep-disordered breathing: a clinical trial (Coleman and Smith). 2000;122:387-94

Obstructive sleep apnea surgery: patient perspective and polysomnographic results (Li et al). 2000;123:572-5

Oral appliances for the treatment of snoring and obstructive sleep apnea (Schoem). 2000;122:259-62

Pharyngeal suspension suture with Repose bone screw for obstructive sleep apnea (Woodson et al). 2000;122:395-401

Postoperative treatment of the patient with obstructive sleep apnea (Ulnick and Debo). 2000;122:233-6

Quality of life for children with obstructive sleep apnea (Franco et al). 2000;123:9-16

Radiofrequency volumetric reduction of the palate: an extended follow-up study (Li et al). 2000;122:410-4

Role of tongue base suspension suture with The Repose System bone screw in the multilevel surgical management of obstructive sleep apnea (Miller et al). 2002;126:392-8

Same-stage nasal and palatopharyngeal surgery for obstructive sleep apnea: is it safe? (Busaba). 2002;126:399-403

Surgery and obstructive sleep apnea: long-term clinical outcomes (Riley et al). 2000;122:415-21

Tongue base suspension (Persky) (Letter); (DeRowe) (Reply). 2000;123:667-8

Tongue-based suspension with a soft tissue-to-bone anchor for obstructive sleep apnea: preliminary clinical results of a new minimally invasive technique (DeRowe et al). 2000;122:100-3

Sleep apnea syndrome

A tongue suspension suture for obstructive sleep apnea and snorers (Woodson). 2001;124:297–303

Accuracy of clinical evaluation in pediatric obstructive sleep apnea (Wang et al). 1998;118:69-73

Airway abnormalities in patients with Arnold-Chiari malformation (Choi et al). 1999;121:720-4

Bariatric surgery for treatment of sleep apnea syndrome in 15 morbidly obese patients: long-term results (Scheuller and Weider). 2001;125:299-302

Carbon dioxide laser surgery for snoring: results in 192 patients (Cheng et al). 1998;118:486-9

Clinical staging for sleep-disordered breathing (Friedman et al). 2002;127:13-21

Comparison of methods airway evaluation in obstructive sleep apnea syndrome (Woodson and Naganuma). 1999;120:460-3

Effect of uvulopalatopharyngoplasty and genial hyoid advancement on swallowing in patients with obstructive sleep apnea syndrome (Altman et al). 1999;120:454-7

Efficacy of laser-assisted uvulopalatoplasty in obstructive sleep apnea (Pribitkin et al). 1998;119:643-7

Nasal patency and the effectiveness of nasal continuous positive air pressure in obstructive sleep apnea (Schechter et al). 1998;118:643-7

Normal standard curve for acoustic pharyngometry (Kamal). 2001;124:323–30

Obstructive sleep apnea in children with achondroplasia: surgical and anesthetic considerations (Sisk et al). 1999;120:248-54

Obstructive sleep apnea in women (Halvorson and Porubsky). 1998;119:497-501

Obstructive sleep apnea treatment outcomes pilot study (Piccirillo et al). 1998;118:833-44 (Clin. epid./research)

Preliminary findings from a prospective, randomized trial of two palatal operations for sleep-disordered breathing (Terris et al). 2002;127:315-23

Radiofrequency tongue base reduction in sleep-disordered breathing: a pilot study (Powell et al). 1999;120:656-64

Skeletal expansion combined with soft-tissue reduction in the treatment of obstructive sleep apnea in children: physiologic results (Cohen et al). 1998;119:476-85

Temperature-controlled radiofrequency tongue base reduction for

sleep-disordered breathing: long-term outcomes (Li et al). 2002;127:230-4

Sleep-disordered breathing. see Sleep apnea syndromes

Sleep disorders

Complications of radiofrequency ablation in the treatment of sleep-disordered breathing (Pazos and Mair). 2001;125:462-7

Complications of radiofrequency ablation in the treatment of sleep-disordered breathing (Stuck) (Letter); (Pazos and Mair) (Reply). 2002;126:698-700

Occult mucosal injuries with radiofrequency ablation of the palate (Terris and Chen). 2001;125:468-72

Sleep studies; see Polysomnography

Smell

Proposed classification scheme for quantitative olfactory function alterations (Gil-Carcedo et al). 1999;121:820-5

Relation between CT scan findings and human sense of smell (Hong et al). 1998;118:183-6

The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90 (Editorial)

Smoking

A case/control study of risk factors for major salivary gland cancer (Muscat and Wynder). 1998;118:195-8

Cigar smoking (McGuirt). 1998;119:151-2

Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73

Cost-identification analysis in oral cavity cancer management (Funk et al). 1998;118:211-20

Snoreplasty, injection

Injection snoreplasty: how to treat snoring without all the pain and expense (Brietzke and Mair). 2001;124:503–10

Injection snoreplasty: how to treat snoring without all the pain and expense (Levinson) (Letter); (Brietzke and Mair) (Reply). 2001;125:579-80

Snoring

A tongue suspension suture for obstructive sleep apnea and snorers (Woodson). 2001;124:297–303

Analysis of short-term outcome after office-based laser-assisted uvulopalatoplasty (Astor et al). 1998;118:478-80

Carbon dioxide laser surgery for snoring: results in 192 patients (Cheng et al). 1998;118:486-9

Injection snoreplasty: how to treat snoring without all the pain and expense (Brietzke and Mair). 2001;124:503–10

Laser-assisted uvulopalatoplasty: short-term and long-term results (Neruntarat). 2001;124:90–3

Midline radiofrequency tissue reduction of the palate for bothersome snoring and sleep-disordered breathing: a clinical trial (Coleman and Smith). 2000;122:387-94

Oral appliances for the treatment of snoring and obstructive sleep apnea (Schoem). 2000;122:259-62

Palatoplasty for snoring: a randomized controlled trial of three surgical methods (Clarke et al). 1998;119:288-92

Radiofrequency versus LAUP for the treatment of snoring (Blumen et al). 2002;126:67-73

Submucosal radiosurgical uvulopalatoplasty for the treatment of snoring: is the monitoring of tissue impedance and temperature necessary (Taliaferro). 2001;124:46–50

Temperature-controlled radiofrequency volumetric tissue reduction in the human soft palate (Sher et al). 2001;125:312-18

The effect of esophageal pressure monitoring on nasal airway resistance (Virkkula et al). 2001;125:261-4

Transoral radiofrequency treatment of snoring (Johnson et al). 2002;127:235-7

Social responsibility

Rescuing the doctor: swimming lessons for physician-educators (Geppert). 1998;118:423-8 (Editorial)

Sodium chloride

Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118:625-9

Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998; 118:338-43

Sodium nitroprusside; see Nitroprusside

Soft tissue

Skeletal expansion combined with soft-tissue reduction in the treatment of obstructive sleep apnea in children: physiologic results (Cohen et al). 1998;119:476-85

Soft tissue injuries

Choosing the optimal wound dressing for irradiated soft tissue wounds (Hom et al). 1999;121:591-8

Soft tissue neoplasms

Non-Hodgkin's lymphoma presenting as facial swelling and nasal obstruction in a pediatric patient (Reichman et al). 1999;121: 127-9 (Case rep.)

Software

Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8

Somnoplasty

Radiofrequency versus LAUP for the treatment of snoring (Blumen et al). 2002;126:67-73

Sound

Effects of sound pressure levels on fundamental frequency in tracheoesophageal speakers. (Deschler et al). 1999;121:23-6

Implications of sound levels generated by otologic devices (Michaelides and Kartush). 2001;125:361-3

Sound transmission; see Acoustics

Space flight

Cardiovascular effects of microgravity: evolution of understanding (Short). 1998;118:S52-4

Computerized dynamic posturography: What have we learned from space? (Black and Paloski). 1998;118:S45-51

Countermeasures for vestibular dysfunction (Holt). 1998;118: S29-30

Historical ties between otolaryngology–head and neck surgery and aviation and space medicine (Alford and Atkins Jr). 1998;118:S2-4

Molecules, motion, and man (Wackym and Balaban). 1998;118: S16-24

Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15

Spaceflight influences on ocular counterrolling and other neurovestibular reactions (Young and Sinha). 1998;118:S31-4

Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8

Vestibular dysfunction: lessons and legacies from space—forward (Black). 1998;118:S1

Vestibulospinal adaptation to microgravity (Paloski). 1998;118: S39-44

Spatial behavior

Influence of height on the spatial orientation and equilibrium of the body (Nakahara et al). 2000;123:501-4

Spatial orientation

Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15

Vestibular adaptation to space in monkeys (Dai et al). 1998;119: 65-77

Vestibular dysfunction: lessons and legacies from space—forward (Black). 1998;118:S1

Speculum

Self-retaining ear speculum: Thudicum design (Raman et al). 1999;121:157 (Case rep.)

Speech

Audiologic manifestations of Noonan syndrome (Qiu et al). 1998;118:319-23

Relating speech and swallow function to dropout in a longitudinal study of head and neck cancer (Colangelo et al). 1999;121:713-9

Speech and swallowing in irradiated and nonirradiated postsurgical oral cancer patients (Pauloski et al). 1998;118:616-24

The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90 (Editorial)

The multichannel auditory brain stem implant: performance in twenty patients (Otto et al). 1998;118:291-303

Tumor size and pretreatment speech and swallowing in patients with resectable tumors (Colangelo et al). 2000;122:653-61

Unaided speech in tube-free tracheostomy: the supplementary sling procedure (Eliachar et al). 2002;127:213-20

Speech, esophageal

Botulinum toxin injection to improve tracheoesophageal speech after total laryngectomy (Zormeier et al). 1999;120:314-9

Quantitative and qualitative analysis of tracheoesophageal voice after pectoralis major flap reconstruction of the neopharynx (Deschler et al). 1998;118:771-6

Speech perception

Speech perception results in children with cochlear implants: contributing factors (Hodges et al). 1999;121:31-4

Speech recognition in background noise of cochlear implant patients (Fetterman and Domico). 2002;126:257-63

The effects of age on auditory speech perception development in cochlear-implanted prelingually deaf children (Hassanzadeh et al). 2002;126:524-7

Speech tests

Minimum speech test battery for postlingually deafened adult cochlear implant patients (Luxford). 2001;124:125–6

Speech-language pathology

Current trends in laryngectomy rehabilitation: a survey of speech-language pathologists (Culton and Gerwin). 1998;118:458-63

Sphenoid sinus

Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)

Endoscopic management of a chronic ethmoid and sphenoid sinus foreign body (Bhattacharyya and Wenokur). 1998;118:687-90 (Case rep.)

Isolated cryptococcal sphenoid sinusitis with septicemia, meningitis, and subsequent skull base osteomyelitis in an immunocompetent patient (Prendiville et al). 2000;123:277-9. Correction 2000;123:668 (Case rep.)

Isolated sphenoid lesions: diagnosis and management (Sethi). 1999;120:730-7

Localized Paget's disease with mucocele in the sphenoid sinus (Rhee et al). 2001;124:338–9 (Case rep.)

Management of sphenoid sinus cerebrospinal fluid rhinorrhea: making use of an extended approach to the sphenoid sinus (Mehendale et al). 2002;126:147-53

Minimally invasive approaches to the sphenoid sinus (Gibbons and Sillers). 2002;126:635-41

Pediatric American Burkitt's lymphoma of the sphenoid sinus (Lewis et al). 2000;123:642-3 (Case rep.)

Primary melanoma of the sphenoid sinus (Busaba). 2000;123:748-9 (Case rep.)

Sublabial, transseptal, transsphenoidal approach to the pituitary region guided by the ACUSTAR I system (Burkey et al). 1998;118:191-4

Use of the superior meatus and superior turbinate in the endoscopic approach to the sphenoid sinus (Bolger et al). 1999;120:308-13

Sphenoid sinusitis

Rathke's cleft cyst presenting as sphenoid sinusitis (Nader et al). 2001;124:174–9

Sphenoid sinusitis caused by clostridium perfringens (Rosenblum et al). 2001;125:101-2 (Case rep.)

Superior orbital fissure syndrome caused by indolent *Aspergillus* sphenoid sinusitis (Bikhazi and Sloan). 1998;118:102-4 (Case rep.)

Sphenopalatine artery

Endoscopic ligature of the sphenopalatine artery for severe posterior epistaxis (Voegels et al). 2001;124:464–7

Spina nasalis interna

Clinical anatomy of the nasal process of the frontal bone (spina nasalis interna) (Hosemann et al). 2001;125:60-5

Spinal diseases

Retropharyngeal abscess associated with vertebral osteomyelitis and spinal epidural abscess (Jang and Rhee). 1998;119:705-8 (Int. case rep.)

Spinal neoplasms

Spinal subdural hematoma after resection of an acoustic neuroma (Marx et al). 1999;120:540-2 (Case rep.)

Spinal nerves

Stress fracture of the clavicle after selective neck dissection (Hao and Chang). 1998;118:732-3 (Int. case rep.)

Spiradenoma

Malignant eccrine spiradenoma of the neck: a case report (Otero-Garcia et al). 2001;125:428 (Case rep.)

Spiral ganglion

Brain-derived neurotrophic factor gene therapy prevents spiral ganglion degeneration after hair cell loss (Staecker et al). 1998;119:7-13

Effects of intracochlear factors on spiral ganglion cells and auditory brain stem response after long-term electrical stimulation in deafened kittens (Araki et al). 2000;122:425-33

Histopathology of human temporal bone after cis-platinum, radiation, or both (Hoistad et al). 1998;118:825-32

Sodium nitroprusside/nitric oxide causes apoptosis in spiral ganglion cells (Pai et al). 1998;119:323-30

Spondylitis, ankylosing

Immune-mediated sensorineural hearing loss in a patient with ankylosing spondylitis (Yeo and Park). 2001;125:113-14 (Case rep.)

Squamous cell carcinoma; see Carcinoma, squamous cell

Staff

Model for optimal space and staff efficiency in an otolaryngology clinic (Benninger and Strode). 1998;119:394-7

Stains and staining

Expression of annexin II in human middle ear cholesteatoma (Kim et al). 1998;118:324-8

Expression of the adenocarcinoma-related antigen recognized by monoclonal antibody 44-3A6 in salivary gland neoplasias (Bentz et al). 1998;118:603-9

Standard deviation; see Statistics

Standards

Standard of care? (Davidson). 1999;121:846 (Letter)

Stapedectomy
Revision stapedectomy for incus erosion: long-term hearing (Krieger et al). 1998;119:370-3
See also Stapes surgery
Stapes
Effect of increased inner ear pressure on middle ear mechanics (Murakami et al). 1998;118:703-8
Stapes footplate fistula and recurrent meningitis (Hester et al). 1999;121:289-92 (Case rep.)
Tympanosclerosis: long-term hearing results after ossicular reconstruction (Teufert and de la Cruz). 2002;126:264-72
Stapes surgery
Diving after stapedectomy: clinical experience and recommendations (House et al). 2001;125:356-60
Effect of teflon piston diameter on hearing result after stapedotomy (Sennaroğlu et al). 2001;124:279–81
Efficacy of evaluation of audiometric results after stapes surgery in otosclerosis. I. The effects of using different audiologic parameters and criteria on success rates (de Bruijn et al). 2001;124:76–83
Efficacy of evaluation of audiometric results after stapes surgery in otosclerosis. II. A method of reporting results from individual cases (de Bruijn et al). 2001;124:84–9
Platinum ribbon-Teflon piston reduces device failure after stapes surgery (Mangham). 2000;123:108-13 (Drug/Device)
Prosthesis size in stapedectomy (Fucci et al). 1998;118:1-5
Revision stapedectomy (De La Cruz et al). 2000;123:728-32
Robot-assisted stapedotomy: micropick fenestration of the stapes footplate (Rothbaum et al). 2002;127:417-26
Stapedectomy in children (De la Cruz et al). 1999;120:487-92
Stapedectomy in military aircrew (Thiringer and Arriaga). 1998; 118:9-14
Stapedectomy in the guinea pig (Adamczyk et al). 1999;121: 581-4
Stapedotomy above the facial nerve in a congenitally malformed ear: a case report (Boone and Dornhoffer). 2002;127:342-5 (Case rep.)
Sympathetic cochleolabyrinthitis in revision stapedectomy surgery (Richards et al). 2002;126:273-80
The learning curve revisited: stapedotomy (Sargent). 2002;126: 20-5
Staphylococcus
Resistance to biofilm formation on otologic implant materials (Biedlingmaier et al). 1998;118:444-51
Staphylococcus aureus
Analysis of protease activity in human otitis media (Avidano et al). 1998;119:346-51
Near synchronous methicillin-resistant *Staphylococcus aureus* external auditory canal abscesses in 2 pediatric siblings (Buchalter). 2002;127:238-40 (Case rep.)
Statistics
Box and whisker plots for graphic presentation of audiometric results of conductive hearing loss treatment (Govaerts et al). 1998;118:892-5
The seven habits of highly effective data users (Rosenfeld). 1998;118:144-58 (Editorial)
Stenosis
Congenital nasal pyriform aperture stenosis in the monozygotic twin of a child with holoprosencephaly (Krol et al). 1998; 118:679-81 (Case rep.)
Does slow-release 5-fluorouracil and triamcinolone reduce subglottic stenosis? (Ingrams et al). 1998;118:174-7
See also Constriction, pathologic
Stents
Clinical and histologic evaluation of an indwelling, inflatable, long-term laryngeal stent in the canine model (Milo et al). 1999;121:195-202
Dumon silicone stents in obstructive tracheobronchial lesions: the Hong Kong experience (Abdullah et al). 1998;118:256-60
Effect of stenting after laryngotracheal reconstruction in a subglottic stenosis model (Jewett et al). 2000;122:488-94
Effect of the Palmaz balloon-expandable metallic stent in the trachea of pigs (Ruegemer et al). 1999;121:92-7
Self-expanding and self-retaining spiral coil stent for the treatment of severe subglottic stenosis in adults: initial clinical experience (DeRowe et al). 1998;118:249-52 (Drug/device)
Sternoclavicular joint
Sternoclavicular joint hypertrophy after neck dissection and upper trapezius myocutaneous flap transposition (Piazza et al). 2002;126:193-4 (Case rep.)
Sternocleidomastoid muscle
Postauricular myocutaneous flap in otologic surgery (Farrior). 1998;118:743-6
The investing layer of the deep cervical fascia does not exist between the sternocleidomastoid and trapezius muscles (Zhang and Lee). 2002;127:452-7
Sternohyoid muscle
Time necessary for neovascularization of a tracheal segment by the sternohyoid muscle (Tecchio et al). 2001;125:201-4
Sternum
Sternal ossification masquerading as foreign bodies in the infant (Syms et al). 2000;122:107-8 (Case rep.)
Steroids
A study of the effect of nasal steroid sprays in perennial allergic rhinitis in patients with rhinitis medicamentosa (Ferguson et al). 2001;125:253-60
Facial nerve paralysis in acute otitis media: cause and management revisited (Joseph and Sperling). 1998;118:694-6 (Case rep.)
Interleukin-4, interleukin-5, and granulocyte-macrophage colony-stimulating factor receptor expression in chronic sinusitis and response to topical steroids (Wright et al). 1998;118:490-5
Quantification of rebound edema after steroid treatment (Odland et al). 2000;123:44-7
Steroid-responsive cochlear dysfunction in the MRL/lpr autoimmune mouse (Wobig et al). 1999;121:344-7
Transtympanic steroids for treatment of sudden hearing loss (Gianoli and Li). 2001;125:142-6
Stoma; see Tracheostomy
Stomatitis, aphthous
Major aphthous ulcer in an HIV-positive child (Allen et al). 2000;123:340 (Clin. photo.)
Streptococcal infections
Group A streptococcal toxic shock syndrome and associated respiratory distress (Friedman and Cook). 1999;120:566-9 (Case rep.)
Streptococcus aureus
Toxic shock syndrome after closed reduction of a nasal fracture (Keller et al). 1999;120:569-70 (Case rep.)
Streptococcus pneumoniae
A rat model of otitis media with effusion caused by eustachian tube obstruction with and without *Streptococcus pneumoniae* infection: methods and disease course (Piltcher et al). 2002; 126:490-8
Effects of 21-aminosteroid U-74389G on acute otitis media in a guinea pig model (Haddad Jr et al). 1998;118:44-8

Impact of resistant pneumococcus on rates of acute mastoiditis (Alcaraz et al). 1999;121:190-4
Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21
Issues in the management of bacterial sinusitis (Bishai). 2002;127:S3-S9
Management update of acute bacterial rhinosinusitis and the use of cefdinir (Gwaltney). 2002;127:S24-S29
Otogenic meningitis caused by the pneumococci that had acquired resistance to cephalosporins (Sakamoto et al). 2001;124:350–1 (Case rep.)
Penicillin-nonsusceptible pneumococcus in acute otitis media in New York City (Haddadet al). 1999;121:27-30
Pharmacodynamic considerations for the selection of oral cephalosporins in the treatment of rhinosinusitis (Dandekar and Nicolau). 2002;127:S10-S16
Predictive value of an adherence test for acute otitis media (Danino et al). 1998;118:400-3

Streptococcus pyogenes
Group A streptococcal toxic shock syndrome and associated respiratory distress (Friedman and Cook). 1999;120:566-9 (Case rep.)

Streptomycin
Titration streptomycin therapy in Meniere's disease: long-term results (Balyan et al). 1998;118:261-6

Streptozocin diabetes; see Diabetes mellitus, experimental

Streptozotocin
Tympanic membrane perforations in the diabetic rat: a model of impaired wound healing (Vrabec). 1998;118:304-8

Stress, psychological
Psychological distress: linking impairment with disability in facial neuromotor disorders (VanSwearingen et al). 1998;118:790-6
Tinnitus severity, loudness, and depression (Folmer et al). 1999;121:48-51

Stria
Strial dysfunction in the MRL-Faslpr mouse (Ruckenstein et al). 1999;121:452-6

Stria vascularis
Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32

Stridor; see Respiratory sounds

Stromal cells
Transforming growth factor-α with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24

Student Research Award
Age- and gender-related elastin distribution changes in human vocal folds (Hammond et al). 1998;119:314-22
Sodium nitroprusside/nitric oxide causes apoptosis in spiral ganglion cells (Pai et al). 1998;119:323-30

Subglottic stenosis; see Laryngostenosis

Subglottis
Gross and histologic changes in the developing rabbit subglottis in response to a controlled depth of injury (Mankarious et al). 2002;127:442-7

Sublingual gland
Plexiform neurofibroma of the sublingual gland (Kahwaji et al). 2000;122:927 (Case rep.)

Submandibular gland
Botulinum toxin decreases salivation from canine submandibular glands (Shaari et al). 1998;118:452-7
Intraoral removal of the submandibular gland: a new surgical approach (Hong and Kim). 2000;122:798-802
Long-term follow-up of submandibular duct rerouting for the treatment of sialorrhea in the pediatric population (Mankarious et al). 1999;120:303-7
Polymorphous low-grade adenocarcinoma of the submandibular gland (Cinamon et al). 2000;123:337-8 (Case rep.)

Submandibular gland neoplasms
Intraductal papillary adenocarcinoma of the submandibular gland (Kojima et al). 1998;118:404-7 (Int. case rep.)
Sebaceous adenoma in the submandibular gland (Liu et al). 2002;126:199-200 (Case rep.)

Substance-related disorders
Acute upper airway obstruction after recreational inhalation of a hydrofluorocarbon propellant (Kuhn and Lassen). 1999;120:587-90 (Case rep.)

Sucralfate
Sucralfate for posttonsillectomy analgesia (Özcan et al). 1998;119:700-4

Sudden hearing loss. see Deafness, sudden

Superior orbital fissure syndrome
Superior orbital fissure syndrome caused by indolent *Aspergillus* sphenoid sinusitis (Bikhazi and Sloan). 1998;118:102-4 (Case rep.)

Superoxide dismutase
Interaction of methylprednisolone and transient asphyxia on the inner ear of the adrenalectomized rat (Gerhardt et al). 1998;118:338-43

Suppression, genetic
p53 expression and p53 gene mutation in oral cancer and dysplasia (Rowley et al). 1998;118:115-23

Suppressor T cells; see T lymphocytes

Supraglottic larynx
124:195–8
Management of cancer of the supraglottis (Scola et al). 2001;
Occult lymph node metastases in supraglottic cancers of the larynx (Esposito et al). 2001;124:253–7

Supraglottic neoplasms
Prognostic factors in supraglottic laryngeal carcinoma (Morales-Angulo et al). 1998;119:548-53

Supraglottis; see Glottis

Surface-active agents
Dosage regimens of intranasal aerosolized surfactant on otitis media with effusion in an animal model (Venkatayan et al). 2001;124:388–93

Surfer's ear
Surfer's ear: external auditory exostoses are more prevalent in cold water surfers (Kroon et al). 2002;126:499-504

Surgery
Advances in Otolaryngology-Head and Neck Surgery, Volume 12 (Lowry). 2000;122:623 (Book rev.)
Bone-screw mandible fixation: an intraoperative alternative to arch bars (Vartanian et al). 2000;123:718-21
Can patient satisfaction with decisions predict compliance with surgery (Parhiscar and Rosenfeld). 2002;126:365-70
Complications associated with labyrinthine fistula in surgery for chronic otitis media (Manolidis). 2000;123:733-7
Do adenoids regrow after excision? (Buchinsky et al). 2000;123:576-81
Endobronchial placement of a safety pin during intubation (Wax). 2000;123:742-4 (Case rep.)
Factors affecting wound infection rates in head and neck surgery (Co,skun et al). 2000;123:328-33
Head and Neck Surgery-Otolaryngology, 2nd edition (Gates). 2000;122:622 (Book rev.)

Immunomodulating effects of surgical intervention in tumors of the head and neck (Dietz et al). 2000;123:132-9
In search of a hammer (Alsarraf) (Letter); (Becker et al) (Reply). 2000;123:525-6
Intracochlear vestibular schwannoma: a potential source for recurrence after translabyrinthine resection (Green et al). 2000; 123:281-2 (Case rep.)
Nasal septal clamp (Raman et al). 2000;123:750 (Drug/Device)
Obstructive sleep apnea surgery: patient perspective and polysomnographic results (Li et al). 2000;123:572-5
Otolaryngology—Head and Neck Surgery moving into the millennium: the changing of the guard (Holt et al). 2000;123: 30-2A (Editorial)
Otolaryngology—Head and Neck Surgery: moving further into the electronic media (Benninger). 2000;123:33A (Editorial)
Pitfalls in the surgical management of cancer of the larynx and hypopharynx (Thabet et al). 2000;123:482-7
Results of a humanitarian otologic and audiologic project performed outside of the United States: lessons learned from the "Oye, Amigos!" project (Barrs et al). 2000;123:722-7
Surgical Approaches in Otolaryngology (Gluckman). 2000;122: 623 (Book rev.)
Surgical management of carotid body tumors (Wang et al). 2000; 123:202-6
The workforce in otolaryngology-head and neck surgery: moving into the next millennium (Pillsbury et al). 2000;123:341-356
Training the physician-scholar in otolaryngology–head and neck surgery (Nadol). 1999;121:214-9

Surgery, oral
Extended lateral rhinotomy incision for total maxillectomy (Vural et al). 2000;123:512-3

Surgery, plastic
Effects of serial expansion of septal chondrocytes on tissue-engineered neocartilage composition (Homicz et al). 2002; 127:398-408
Emerging perceptions of facial plastic surgery among medical students (Rosenthal et al). 2001;125:478-82

Surgical equipment
New armless image-guidance system for endoscopic sinus surgery (Fried et al). 1998;119:528-32 (Drug/device)

Surgical flaps
Benefits of routine maxillectomy and orbital reconstruction with the rectus abdominis free flap (Browne and Burke). 1999;121: 203-9
Chest wall mass after pectoralis major myocutaneous flap reconstruction (Kandula et al). 2000;122:267-8 (Case rep.)
Circulating neutrophil CD18 receptor expression and ischemic flap neutrophil infiltration in a guinea pig model (Dolan et al). 2000;122:374-7
Effect of parenteral pentoxifylline and topical nitroglycerin on skin flap survival (Karacaoğlan et al). 1999;120:272-4
Effects of vasoactive topical agents on the survival of dorsal skin flaps in rats (Smith and Dolan). 1999;121:220-3
Free flap reconstruction after near-total glossectomy in the child (Sajjadian et al). 1999;120:614-6 (Case rep.)
Free flap reconstruction of the head and neck: analysis of 241 cases (Haughey et al). 2001;125:10-17
Free tissue transfer versus pedicled flap cost in head and neck cancer (Funk et al). 2002;127:205-12
Frontal sinus obliteration with the pericranial flap (Parhiscar and Har-El). 2001;124:304–7
Lateral thigh flap reconstruction in the head and neck (Truelson and Leach). 1998;118:203-10
Long-term growth of a vascularized auricular perichondrocutaneous flap in laryngotracheal reconstruction (Hoff and Esclamado). 1999;120:693-7
Microtia repair: creation of a functional postauricular sulcus (Eavey). 1999;120:789-93
Nasal septal clamp (Raman et al). 2000;123:750 (Drug/Device)
Octogenarian free flap reconstruction: complications and cost of therapy (Blackwell et al). 2002;126:301-6
Osteocutaneous radial forearm free flap: its use without significant donor site morbidity (Werle et al). 2000;123:711-7
Osteoplastic flap for obliteration of the frontal sinus: five years' experience (Correa et al). 1999;121:731-5
Pericranial flap for closure of paramedian anterior skull base defects (Noone et al). 2002;127:494-500
Postauricular myocutaneous flap in otologic surgery (Farrior). 1998;118:743-6
Posterior wall augmentation for treatment of velopharyngeal insufficiency (Gray et al). 1999;121:107-12
Preoperative evaluation of the radial forearm free flap patient with the objective Allen's test (Nuckols et al). 2000;123:553-7
Quantitative and qualitative analysis of tracheoesophageal voice after pectoralis major flap reconstruction of the neopharynx (Deschler et al). 1998;118:771-6
Reconstruction of oral defects with pedicled buccal fat pad flap (Hao). 2000;122:863-7
Sensory recovery in melolabial flaps used for oral cavity reconstruction (Civantos et al). 2000;122:509-13
Sternoclavicular joint hypertrophy after neck dissection and upper trapezius myocutaneous flap transposition (Piazza et al). 2002;126:193-4 (Case rep.)
The evaluation of rhytidectomy flap healing after CO2 laser resurfacing in a pig model (Park et al). 2001;125:590-2
The pedicled superficial temporalis fascial flap: a new method for reconstruction in otologic surgery (Olson and Manolidis). 2002;126:538-47
Torsional strength of the radius after osteofasciocutaneous free flap harvest with and without primary bone plating (Edmonds et al). 2000;123:400-8
Tracheostomy for long-term laryngeal experimentation (Dahm and Paniello). 1998;118:376-80
Transnasal mucosal flap rotation technique for repair of posterior choanal atresia (Dedo). 2001;124:674-82
Use of a superficial temporal fascia flap for coverage of an exposed cochlear implant (Beckenstein et al). 1999;120:940-2 (Case rep.)
Use of rotation flap in the treatment of cutaneous ulceration after cochlear implantation (Ito et al). 1999;121:830-2 (Case rep.)
Use of upper lip flap for correction of nostril stenosis (Mavili et al). 1999;121:840-1 (Case rep.)

Surgical instruments
Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3
Powered surgical instruments for laryngeal surgery (Flint). 2000; 122:263-6 (Drug/device)
Simple, new device for needle aspiration biopsy (Cannon and Richardson). 1998;119:691-4 (Drug/device)

Surgical procedures, endoscopic
Alternative to endoscopic sinus surgery in the management of pediatric chronic rhinosinusitis refractory to oral antimicrobial therapy (Buchman et al). 1999;120:219-24
Anatomic correlates of acoustic rhinometry as measured by rigid nasal endoscopy (Corey et al). 1999;121:572-6
Assessment of nasal mucosa blood supply by quantitative endoscopic imaging of the back-scattered light (Prokopakis et al). 1999;121:307-12

Comparative external versus endoscopic dacryocystorhinostomy: results in 115 patients (130 eyes) (Cokkeser et al). 2000;123:488-91
Endoscope-assisted microvascular decompression of the trigeminal nerve (Jarrahy et al). 2000;123:218-23
Endoscopic cerebrospinal fluid rhinorrhea repair: Is a lumbar drain necessary? (Casiano and Jassir) 1999;121:745-50
Endoscopic CO_2 laser excision for Tis, T1, and T2 glottic carcinomas: cure rate and prognostic factors (Peretti et al). 2000;123:124-31
Endoscopic management of foreign bodies in the tracheobronchial tree: predictive factors for complications (Zaytoun et al). 2000;123:311-6
Endoscopic optic nerve decompression for traumatic blindness (Kountakis et al). 2000;123:34-7
Endoscopic partial inferior turbinoplasty (Van Delden et al). 1999;121:406-9
Endoscopic repair of cerebrospinal fluid leaks to the sinonasal tract: predictors of success (Zweig et al). 2000;123:195-201
Endoscopic septoplasty: indications, technique, and results (Hwang et al). 1999;120:678-82
Endoscopic surgery for a parathyroid functioning adenoma resection with the neck region-lifting method (Kitano et al). 2000;123:465-6
Endoscopic-assisted adenoidectomy (Cannon et al). 1999;121:740-4
Endoscopy during neurotomy of the nervus intermedius for geniculate neuralgia (Alcaraz et al). 1999;121:334-5 (Clin. photo.)
Image-guided functional endoscopic sinus surgery (Olson et al). 2000;123:188-94
Intranasal anatomy of the nasolacrimal sac in endoscopic dacryocystorhinostomy (Wormald et al). 2000;123:307-10
Learning curve in endoscopic sinus surgery (Marks). 1999;120:215-8
Long-term impact of functional endoscopic sinus surgery on asthma (Senior et al). 1999;121:66-8
Persistent rhinosinusitis in children after endoscopic sinus surgery (Chan et al). 1999;121:577-80

Surgical procedures, minimally invasive
Minimally invasive approach for biopsy of an optic nerve sheath tumor (Leonard and Bolger). 1999;120:776-9 (Case rep.)
Minimally invasive approaches to the sphenoid sinus (Gibbons and Sillers). 2002;126:635-41
Minimally invasive surgery for posterior glottic stenosis (Róvo et al). 1999;121:153-6

Surgical wound dehiscence
Dehiscence of the tympanic segment of the facial nerve (Park et al). 2000;123:522 (Clin. photo.)

Survival
Adjuvant radiotherapy influences the survival of patients with squamous carcinoma of the head and neck who have poor prognoses (De Stefani et al). 2000;123:630-6
Clinical correlations with allelotype in supraglottic squamous cancer (Scholnick et al). 1998;118:363-70
Does surgery improve the survival of patients with advanced anaplastic thyroid carcinoma? (Lu et al). 1998;118:728-31
Management of cancer in the elderly: therapeutic dilemmas (Hirano and Mori). 1998;118:110-4
Pilot study to evaluate the efficacy of hyperbaric oxygen therapy in improving the survival of reattached auricular composite grafts in the New Zealand White rabbit (McClane et al). 2000;123:539-42
Predictive markers for response to chemotherapy, organ preservation, and survival in patients with advanced laryngeal carcinoma (Bradford et al). 1999;121:534-8
Tracheostomy for long-term laryngeal experimentation (Dahm and Paniello). 1998;118:376-80

Susac syndrome
Susac syndrome (Turner et al). 1998;118:866-7 (Case rep.)

Suspension
Controlled multicenter study on chronic suppurative otitis media treated with topical applications of ciprofloxacin 0.2% solution in single-dose containers or combination of polymyxin B, neomycin, and hydrocortisone suspension (Miró et al). 2000;123:617-23
Tongue base suspension (Persky) (Letter); (DeRowe) (Reply). 2000;123:667-8

Sustained-release preparations. see Delayed-action preparations

Suture techniques
Pharyngeal suspension suture with Repose bone screw for obstructive sleep apnea (Woodson et al). 2000;122:395-401

Sutures
Sutures and disasters in tonsillectomy revisited: a sharp pain in the neck (Bohliga and Dawlatly). 1999;121:504-5 (Case rep.)

Swallowing
Botulinum toxin treatment for symptomatic Frey's syndrome (Arad-Cohen and Blitzer). 2000;122:237-40
Effect of uvulopalatopharyngoplasty and genial hyoid advancement on swallowing in patients with obstructive sleep apnea syndrome (Altman et al). 1999;120:454-7
Frey's syndrome and parotidectomy flaps: a retrospective cohort study (Taylor et al). 2000;122:201-3
Relating speech and swallow function to dropout in a longitudinal study of head and neck cancer (Colangelo et al). 1999;121:713-9
Schwannoma of the larynx presenting with difficult swallowing (Cadoni et al). 2000;122:773-4 (Case rep.)
Sweating, gustatory
Tumor size and pretreatment speech and swallowing in patients with resectable tumors (Colangelo et al). 2000;122:653-61
Use of Alloderm as a barrier to treat Frey's syndrome (Clayman and Clayman). 2001;124:687 (Case rep.)

Sweet's syndrome
Tonsil cancer and Sweet's syndrome (O'Connor Reina et al). 1998;119:709-10 (Int. case rep.)

Swimming
Aquatic activities after laryngectomy (Karamzadeh and Armstrong). 2001;125:528-32

Swine
XeCl laser surgery of the vocal cords: a histologic comparison with CO_2 laser in a porcine model (Wong et al). 1998;118:371-5

Symposium
Vestibular dysfunction: lessons and legacies from space. 1998;118:S1-54

Synaptic transmission
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8

Syncope
Short-lasting drop attacks in Menière's disease (Kentala et al). 2001;124:526–30

Synechiae; see Adhesions

Synergism; see Drug synergism

Syphilis
An unusual presentation of secondary syphilis in otolaryngology (Yuen et al). 2001;125:277-9 (Case rep.)

Otolaryngologic manifestations of acquired syphilis (Kleidermacher et al). 1998;119:399-402 (Case rep.)

Syphilis serodiagnosis

Unreliability of syphilis screening tests (Reeves). 2000;122:156 (Letter)

Systole

Assessment of the otolith-autonomic response using spectral analysis of the R-R interval and blood pressure (Yamamoto et al). 2000;123:582-6

T

T lymphocytes

Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9

Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11

T-Lymphocytes

Potent effector function of tumor-sensitized L-selectinlow T cells against subcutaneous tumors requires LFA-1 co-stimulation (Seeley et al). 2001;124:436–41

Reassessment of CD62L as a marker of pre-effector T cells in the tumor draining lymph nodes of head and neck cancer patients (Strome et al). 2002;126:180-7

Tamoxifen

Effects of estrogen and tamoxifen on growth of human vestibular schwannomas in the nude mouse (Stidham and Roberson). 1999;120:262-4

Taste

The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90 (Editorial)

Teaching

Rescuing the doctor: swimming lessons for physician-educators (Geppert). 1998;118:423-8 (Editorial)

Technetium TC 99m sestamibi

Reduced-time-window sestamibi scanning for nonlocalized primary hyperparathyroidism (Kacker et al). 2000;123:456-8

Relation of biochemical, cytologic, and morphologic parameters to the result of gammagraphy with technetium 99m sestamibi in primary hyperparathyroidism (Piñero et al). 2000;122:851-5

Technology

Clinical use of three-dimensional video measurements of eye movements (Merfeld et al). 1998;118:S35-8

Teflon; see Polytetra fluoroethylene

Telangiectasia, hereditary hemorrhagic

Hereditary hemorrhagic telangiectasia (Morales-Angulo and Del Valle-Zapico). 1998;119:293 (Clin. photo.)

Telemedicine

Learning objectives for telemedicine applications in otolaryngology–head and neck surgery (Meyers and Kuppersmith). 1999;120:137-8 (Letter)

Teleconsultation in otolaryngology: live versus store and forward consultations (Sclafani et al). 1999;120:62-72

Telephone

Hearing ability by telephone of patients with cochlear implants (Ito et al). 1999;121:802-4

Telomerase

Telomerase assay and nested polymerase chain reaction from nasopharyngeal swabs for early noninvasive detection of nasopharyngeal carcinoma (Kerekhanjanarong et al). 2000;123:624-9

Temperature

Effect of temperature on lateral wall mechanics of the guinea pig outer hair cell (Chen and Brownell). 1999;120:46-50

Temporal arteries

Nontraumatic arteriovenous fistula of the superficial temporal artery (Morandi et al). 2001;124:588–9 (Case rep.)

Temporal bone

A case of fibrous dysplasia of the temporal bone: evaluation of treatment performed 23 years ago (Sakamoto et al). 2001;125:563-4 (Case rep.)

A three-dimensional, transparent model of the temporal bone (Marzo et al). 1998;118:245-8 (Drug/device)

Acoustic mechanisms: canal wall-up versus canal wall-down mastoidectomy (Whittemore Jr et al). 1998;118:751-61

Acoustic role of the buttress and posterior incudal ligament in human temporal bones (Hato et al). 2001;124:274–8

Acquired immunodeficiency syndrome with massive *Aspergillus fumigatus* infection (Diop et al). 1998;118:283-5 (Clin. path.)

Acute intracranial complications of temporal bone trauma (Alvi and Bereliani). 1998;119:609-13

Amplification of herpes simplex virus type 1 DNA in human geniculate ganglia from formalin-fixed, nonembedded temporal bones (Carreño et al). 2000;123:508-11

Aneurysmal bone cyst of the temporal bone (Park et al). 1999;120:606-10 (Case rep.)

Angiocentric T-cell lymphoma of the temporal bone (Lewis et al). 2002;126:85-6 (Case rep.)

Auricular carcinoma with temporal bone invasion: outcome analysis (Gal et al). 1999;121:62-5

Battle's sign in temporal bone trauma (Alvi). 1998;118:908 (Clin. photo.)

Chondromyxoid fibroma of the skull base (Patino-Cordoba et al). 1998;118:415-8 (Int. case rep.)

Conductive hearing loss in osteopathia striata-cranial sclerosis (Berenholz et al). 2002;127:124-6 (Case rep.)

Dermoid of the eustachian tube (Gourin and Sofferman). 1999;120:772-5 (Case rep.)

Effect of increased inner ear pressure on middle ear mechanics (Murakami et al). 1998;118:703-8

Giant cell reparative granuloma of the temporal bone: case report and review of the literature (Ung et al). 1998;118:525-9 (Case rep.)

Histopathology of human temporal bone after cis-platinum, radiation, or both (Hoistad et al). 1998;118:825-32

Induction of labyrinthitis ossificans after pneumococcal meningitis: an animal model (Brodie et al). 1998;118:15-21

Intratemporal complications of acute otitis media in infants and children (Goldstein et al). 1998;119:444-54

Malignancy of the temporal bone and external auditory canal (Lim et al). 2000;122:882-6

Management of facial paralysis resulting from temporal bone fractures: our experience in 115 cases (Darrouzet et al). 2001;125:77-84

Meningiomas presenting in the temporal bone: the pathways of spread from an intracranial site of origin (Chang et al). 1998;119:658-64 (Case rep.)

Metastatic prostatic adenocarcinoma of the temporal bone (Schwetschenau et al). 2001;125:561-2 (Case rep.)

Primary extracranial meningioma of the temporal bone (O'Reilly et al). 1998;118:690-4 (Case rep.)

Psammomatoid ossifying fibroma of the temporal bone (Affleck et al). 2002;126:585-7 (Case rep.)

Subcochlear petrous cholesterol granuloma involving the infratemporal fossa (Lustig et al). 1998;119:685-9 (Case rep.)

Temporal bone chondroblastoma (Watanabe et al) 1999;121: 327-30 (Case rep.)
Temporal bone histopathology of aberrant carotid artery (Tian). 1998;119:506-7
Temporal bone necrosis: diagnosis, classification, and management (Pathak et al). 2000;123:252-7
Virtual temporal bone: creation and application of a new computer-based teaching tool (Mason et al). 2000;122:168-73
Virtual temporal bone dissection: an interactive surgical simulator (Wiet et al). 2002;127:79-83
World Wide Webenbased temporal bone anatomic sections (Kavanagh). 2002;126:573-7

Temporalis fascia
The pedicled superficial temporalis fascial flap: a new method for reconstruction in otologic surgery (Olson and Manolidis). 2002;126:538-47

Temporomandibular joint
Chondrosarcoma of the temporomandibular joint (Batra et al). 1999;120:951-4 (Case rep.)
Inflammatory reaction into the external auditory canal followed by spontaneous extrusion of alloplastic implant in the temporomandibular joint (Escada and Madeira da Silva). 2001; 125:559-60 (Case rep.)
Septic arthritis of the temporomandibular joint (Hekkenberg et al). 1999;120:780-2 (Case rep.)
Septic arthritis of the temporomandibular joint (Hincapie et al). 1999;121:836-7 (Case rep.)

Temporomandibular joint disorders
Acute mastoiditis with temporomandibular joint effusion (Hadlock et al). 2001;125:111-12 (Case rep.)

Temporomandibular joint syndrome
Tumors and tumorous masses presenting as temporomandibular joint syndrome (Mostafapour et al). 2000;123:459-64

Teratoma
Benign cystic teratoma of the parotid gland (Pirodda et al). 2001;125:429-30 (Case rep.)
Congenital cervical teratoma: airway management and complications (Shah et al). 2001;124:53–5 (Case rep.)
Huge nasopharyngeal teratoma with cleft palate and lip and unilateral choanal atresia (Choulakis et al). 2001;124:584–5 (Case rep.)

Terfenadine
Comparative efficacy and safety of terfenadine with pseudoephedrine and terfenadine alone in allergic rhinitis (Panda and Mann). 1998;118:253-5
Comparative efficacy of terfenadine, loratadine and astemizole in perennial allergic rhinitis (Crawford et al). 1998;118:668-73

Terminology
Accuracy of terminology and methodology in economic analyses in otolaryngology (Kezirian and Yeuh). 2001;124:496–502
Research definitions and nomenclature (Anon). 1999;121:167 (Letter)

Terrorism. see Violence

Thermometers
Broken glass mercury thermometer: a difficult airway foreign body (Moxham and Lee). 2002;127:339-41 (Case rep.)

Thermoprotection
Thermoprotective mechanisms of irrigation during bipolar cautery (Donzelli et al). 1998;119:153-8

Thigh
Lateral thigh flap reconstruction in the head and neck (Truelson and Leach). 1998;118:203-10

ThinPrep process
Comparison of ThinPrep versus conventional smear cytopreparatory techniques for fine-needle aspiration of specimens of head and neck masses (Ford et al). 2002;126:554-61

Thiourea
Effects of dimethylthiourea, melatonin, and hyperbaric oxygen therapy on the survival of reimplanted rabbit auricular composite grafts (Lim et al). 1999;121:231-7

Thoracic duct
Systemic management of chyle fistula: the Southwestern experience and review of the literature 2000;122:31-8

Thorax
Chest radiographs after dilatational percutaneous tracheotomy: are they necessary? (Donaldson et al). 2000;123:236-9

Thromboembolism
Incidence of deep venous thrombosis and pulmonary embolism in otolaryngology–head and neck surgery (Moreano et al). 1998; 118:777-84

Thrombolytic therapy
Laryngeal hematoma after thrombolytic therapy for myocardial infarction (Kaye and Kost). 1998;119:276-7 (Case rep.)

Thrombophlebitis
Facial vein thrombophlebitis: a rare but potentially lethal entity (Goldenberg et al). 2000;122:769-70 (Case rep.)
Incidence of deep venous thrombosis and pulmonary embolism in otolaryngology–head and neck surgery (Moreano et al). 1998; 118:777-84

Thrombosis, venous; see Thrombophlebitis

Thymic cyst. see Mediastinal cyst

Thymidine
Transforming growth factor-α with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24

Thymidine kinase
Tumor reduction in vivo after adenoviral mediated gene transfer of the herpes simplex virus thymidine kinase gene and ganciclovir treatment in human head and neck squamous cell carcinoma (Goebel et al). 1998;119:331-6

Thymus gland
Hemorrhagic thymopharyngeal duct cyst causing airway obstruction in an infant (Lowry and O'Hare). 2002;127:467-9 (Case rep.)

Thyroarytenoid muscle
An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81
Changes in laryngeal muscle activities during hypercapnia in the cat (Adachi et al). 1998;118:537-44
Comparison of concentric needle versus hooked-wire electrodes in the canine larynx (Jaffe et al). 1998;118:655-62

Thyroglossal cyst
Central neck dissection for the treatment of recurrent thyroglossal duct cysts in childhood (Kim et al). 1999;121:543-7
Fusion of the thyrohyoid interval in a patient with a thyroglossal duct cyst (Urben and Ranson). 1999;120:757-9 (Case rep.)
Hashimoto's thyroiditis within ectopic thyroid gland mimicking the presentation of thyroglossal duct cyst (Wein et al). 2001; 125:274-6 (Case rep.)
Thyroglossal duct cyst causing intralaryngeal obstruction (Lübben et al). 2001;125:426-7 (Case rep.)

Thyroid
Accuracy of fine-needle aspiration biopsy of the thyroid combined with an evaluation of clinical and radiologic factors (Carrillo et al). 2000;122:917-21

Thyroid cartilage
An anatomic study of the rat larynx: establishing the rat model for neuromuscular function (Inagi et al). 1998;118:74-81
Functional differences between the two bellies of the cricothyroid muscle (Hong et al). 1998;118:714-22
Fusion of the thyrohyoid interval in a patient with a thyroglossal duct cyst (Urben and Ranson). 1999;120:757-9 (Case rep.)
Neck mass as primary manifestation of multiple myeloma originating in the thyroid cartilage (Gross et al). 2002;126:326-8 (Case rep.)

Thyroid disease
Diagnostic accuracy of fine needle aspiration and frozen section in nodular thyroid disease (Mandell et al). 2001;124:531–6
Ultrasound-guided fine-needle aspiration and thyroid disease (Newkirk et al). 2000;123:700-5

Thyroid gland
A unique combination of pre- and intraoperative modalities for the diagnosis and localization of recurrent medullary thyroid carcinoma (Bitterman et al). 2002;126:188-90 (Case rep.)
Black thyroid: a collaborative series (Recht et al). 1999;121: 293-6 (Case rep.)
Ectopic thyroid tissue manifesting as a unique cause of an oropharyngeal mass (Rinkel et al). 2001;124:340–1 (Case rep.)
Extrathyroid spread in papillary carcinoma of the thyroid: clinicopathological and prognostic study (Ortiz et al). 2001;124: 261–5
Hashimoto's thyroiditis within ectopic thyroid gland mimicking the presentation of thyroglossal duct cyst (Wein et al). 2001; 125:274-6 (Case rep.)
Lingual thyroid associated with chronic cough (Oppenheimer). 2001;125:433-4 (Clin. photo.)
Thyroid surgery: a comparison of outcomes between experts and surgeons in training (Manolidis et al). 2001;125:30-3
Tracheal transplantation: defining the vascular territory of the canine cranial thyroid artery (Shaari et al). 1999;120:180-3

Thyroid neoplasms
Carcinoma of the Thyroid (Eisele) 2000;122:623 (Book rev.)
Completion thyroidectomy for differentiated thyroid carcinoma (Chao et al). 1998;118:896-9
Cyclin D1 expression as a prognostic parameter in papillary carcinoma of the thyroid (Muro-Cacho et al). 1999;120:200-7
Does surgery improve the survival of patients with advanced anaplastic thyroid carcinoma? (Lu et al). 1998;118:728-31
Fine-needle aspiration biopsy diagnosis of follicular variant of papillary thyroid cancer: therapeutic implications (Shemen and Chess). 1998;119:600-2
Malignant schwannoma of the thyroid gland (see Al-Ghambi et al). 2000;122:143 (Case rep.)
Spindle epithelial tumor with thymus-like differentiation: a case report and review of the literature (Bradford et al). 1999;210: 603-6 (Case rep.)
Tall cell variant: an aggressive form of papillary thyroid carcinoma (Prendiville et al). 2000;122:352-7
Therapeutic dilemmas in the management of thyroid cancer with laryngotracheal involvement (Kim et al). 2000;122:763-7
Thyroiditis and thyroid cancer (Isenberg). 1998;119:403-5 (Case rep.)

Thyroid nodule
Completion thyroidectomy for differentiated thyroid carcinoma (Chao et al). 1998;118:896-9
Value of repeated fine-needle aspiration cytology and cytologic experience on the management of thyroid nodules (Aguilar et al). 1998;119:121-4

Thyroidectomy
Completion thyroidectomy for differentiated thyroid carcinoma (Chao et al). 1998;118:896-9
Factors related to nerve injury and hypocalcemia in thyroid gland surgery (Prim et al). 2001;124:111–14
Hypocalcemia complicating total thyroidectomy in patients with celiac sprue (Agrama et al). 2002;127:461-2 (Case rep.)
Predicting calcium status post thyroidectomy with early calcium levels (Husein et al). 2002;127:289-93
Prospective analysis of the efficacy of continuous intraoperative nerve monitoring during thyroidectomy, parathyroidectomy, and parotidectomy (Brennan et al). 2001;124:537–43
Small doses of propofol, droperidol, and metoclopramide for the preservation of postoperative nausea and vomiting after thyroidectomy (Fujii et al). 2001;124:266–9
Thyroidectomy using the harmonic scalpel: analysis of 105 consecutive cases (Shemen). 2002;127:284-8

Thyroiditis
Thyroiditis and thyroid cancer (Isenberg). 1998;119:403-5 (Case rep.)

Thyroiditis, autoimmune
Hashimoto's thyroiditis within ectopic thyroid gland mimicking the presentation of thyroglossal duct cyst (Wein et al). 2001; 125:274-6 (Case rep.)

Thyroplasty
Thyroplasty type I: short-versus long-term results (Lundy et al). 2000;122:533-6

Tilt test
Countermeasures for vestibular dysfunction (Holt). 1998;118: S29-30
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15

Time factors
Operative times, postanesthesia recovery times, and complications during sinonasal surgery using general anesthesia and local anesthesia with sedation (Fedok et al). 2000;122:560-6
Time course of hearing loss in an animal model of pneumococcal meningitis (Kesser et al). 1999;120:628-37

Tinnitis
Aberrant internal carotid artery causing erosion of the otic capsule: an unusual cause of pulsatile tinnitus (Yao et al). 1998; 118:678-9 (Case rep.)
Behavioral model of chronic tinnitus in rats (Bauer et al). 1999; 121:457-62
Chronic tints as phantom auditory pain (Folmer et al). 2001;124: 394–9
Cyclandelate in the management of tinnitus: a randomized, placebo-controlled study (Hester et al). 1998;118:329-32
Explosive tinnitus: an underrecognized disorder (Teixido and Connolly). 1998;118:108-9 (Case rep.)
Susac syndrome (Turner et al). 1998;118:866-7 (Case rep.)
Tinnitis severity, loudness, and depression (Christensen) (Letter); (Folmer) (Reply). 2001;125:436-8
Tinnitus severity, loudness, and depression (Folmer et al). 1999; 121:48-51
Treatment of tinnitus with electrical stimulation (Steenerson and Cronin). 1999;121:511-3

Tissue engineering
Biomechanical properties of tissue-engineered cartilage from human and rabbit chondrocytes (Park et al). 2002;126:52-7

Tissue expansion
Electroneurography during facial nerve expansion (Dakin et al). 1998;119:603-8

Tissue flaps; see Surgical flaps

Tissue harvesting

Calvarial bone graft harvest: a new technique (Strong et al). 2000;123:547-52

Torsional strength of the radius after osteofasciocutaneous free flap harvest with and without primary bone plating (Edmonds et al). 2000;123:400-8

Tissue transplantation

Free tissue transfer versus pedicled flap cost in head and neck cancer (Funk et al). 2002;127:205-12

Titanium

Passive smoking and nonrecurrent acute otitis media in children (Lubianca et al). 1999;121:805-8

Results of tympanoplasty with titanium prostheses (Wang et al). 1999;121:606-9

Tobacco smoke pollution

Titration; see Titrimetry

Titrimetry

Efficacy of immunotherapy based on skin end-point titration (Krouse et al). 2000;123:183-7

Titration streptomycin therapy in Meniere's disease: long-term results (Balyan et al). 1998;118:261-6

Tobacco

A case/control study of risk factors for major salivary gland cancer (Muscat and Wynder). 1998;118:195-8

Cigar smoking (McGuirt). 1998;119:151-2

Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73

Cost-identification analysis in oral cavity cancer management (Funk et al). 1998;118:211-20

Tobacco smoke pollution

Eustachian tube dysfunction after tobacco smoke exposure (Dubin et al). 2002;126:14-19

Smoke exposure and outcome of endoscopic sinus surgery in children (Ramadan and Hinerman). 2002;127:546-8

Tobramycin

Treatment of chronic rhinosinusitis refractory to other treatments with topical antibiotic therapy delivered by means of a large-particle nebulizer: results of a controlled trial (Desrosiers and Salas-Prato). 2001;125:265-9

Tolmetin

Postoperative hemorrhage after tonsillectomy: use of ketorolac tromethamine (Agrawal et al). 1999;120:335-9

Tomography, computed

Evaluation of the internal auditory canal with virtual endoscopy (Vrabec et al). 2002;127:145-52

Nasal endoscopy and the definition and diagnosis of chronic rhinosinusitis (Stankiewicz and Chow). 2002;126:623-7

Tomography, emission-computed

2(^{18}F)-fluoro-2-deoxy-D-glucose positron emission tomography is a sensitive tool for the detection of occult primary cancer (carcinoma of unknown primary syndrome) with head and neck lymph node manifestation (Jungehülsing et al). 2000; 123:294-301

The use of lymphoscintigraphy and PET in the management of head and neck melanoma (Kokoska et al). 2001;125:213-20

Use of (18F)-fluorodeoxyglucose positron emission tomography in monitoring response of recurrent neurotropic desmoplastic melanoma to radiotherapy (Hannah et al). 2000;122:304-6 (Case rep.)

Tomography, emission-computed, single-photon

Octreotide scintigraphy for the detection of paragangliomas (Telischi et al). 2000;122:358-62

Tomography, positron emission. see Tomography, emission-computed

Tomography, x-ray computed

Acoustic rhinometry and computed tomography scans for the diagnosis of nasal septal deviation, with clinical correlation (Mamikoglu et al). 2000;123:61-8

Air in the vestibule: computed tomography scan finding in traumatic perilymph fistula (Malis et al). 1998;119:689-90 (Case rep.)

Anisocoria: a rare consequence of endoscopic sinus surgery (Kosko et al). 1998;118:242-4 (Case rep.)

Assessment of the airway in obstructive sleep apnea syndrome with 3-dimensional airway computed tomography (Bhattacharyya et al). 2000;123:444-9

Chronic rhinosinusitis: allergy and sinus computed tomography relationships (Emanuel et al). 2000;123:687-91

Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73

Computed tomography and the diagnosis of coalescent mastoiditis (Antonelli et al). 1999;120:350-4

Computed tomography imaging of the maxillary and ethmoid sinuses in children with short-duration purulent rhinorrhea (Schwartz et al). 2001;124:160–3

Computed tomography in the evaluation of pediatric neck infections (Wetmore et al). 1998;119:624-7

Computed tomography stage, allergy testing, and quality of life in patients with sinusitis (Krouse). 2000;123:389-92

Determination of the "incidental" Lund score for the staging of chronic rhinosinusitis (Ashraf and Bhattacharyya). 2001;125: 483-6

Does the severity of sinus computed tomography findings predict outcome in chronic sinusitis? (Stewart et al). 2000;123:81-4

Evaluation of the efficacy of 2-versus 3-dimensional computed tomography (Franco et al). 1999;121:414-7

Influence of computed tomography on pretherapeutic tumor staging in head and neck cancer patients (Prehn et al). 1998;119: 628-33

Interferon in the treatment of base of the skull hemangioendothelioma (Freeman et al). 1999;121:842-3 (Case rep.)

Intraoperative portable computed tomography scanning: an adjunct to sinus and skull base surgery (Mattox and Mirvis) 1999;121:776-80 (Drug/device)

Isolated frontal sinus aspergillosis (Chen and Chen). 2000;122: 460 (Case rep.)

Prospective analysis of sinus symptoms and correlation with paranasal computed tomography scan (Kenny et al). 2001; 125:40-3

Relation between CT scan findings and human sense of smell (Hong et al). 1998;118:183-6

Role of screening chest computed tomography in patients with advanced head and neck cancer (Tan et al). 1999;120:689-92

Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8

Use of computed tomography in the assessment of mandibular invasion in carcinoma of the retromolar trigone (Lane et al). 2000;122:673-7

Use of plain radiography and computed tomography to identify fish bone foreign bodies (Lue et al). 2000;123:435-8

Virtual endoscopy in otorhinolaryngology by postprocessing of helical computed tomography (Pototschnig et al). 1998;119: 536-9 (Drug/device)

Xenon-enhanced computed tomography quantifies normal maxillary sinus ventilation (Leopold et al). 2000;122:422-4

Tongue

A multi-institutional study of radiofrequency volumetric tissue reduction for OSAS (Woodson et al). 2001;125:303-11

A tongue suspension suture for obstructive sleep apnea and snorers (Woodson). 2001;124:297–303

Effects of gastroesophageal reflux on hypertrophy of the base of the tongue (Mamede et al). 2000;122:607-10

Lateral thigh flap reconstruction in the head and neck (Truelson and Leach). 1998;118:203-10

Lingual granular cell tumor (Kyrmizakis et al). 2001;125:422-3 (Case rep.)

Lingual thyroid associated with chronic cough (Oppenheimer). 2001;125:433-4 (Clin. photo.)

Lipoma of the tongue (Akyol et al). 2000;122:461-3 (Case rep.)

Lymphoma of the tongue (Schroeder). 1999;120:136 (Clin. photo.)

Pharyngeal suspension suture with Repose bone screw for obstructive sleep apnea (Woodson et al). 2000;122:395-401

Pleomorphic adenoma of the pediatric tongue (Bayles et al). 1999;120:934-6 (Case rep.)

Pleomorphic lipoma of the tongue (Atik et al). 2002;126:430-1 (Case rep.)

Radiofrequency tongue base reduction in sleep-disordered breathing: a pilot study (Powell et al). 1999;120:656-64

Reconstruction of large lower lip defects: a new method (Akbas and Karacaoglan). 2001;124:456–8

Speech and swallowing in irradiated and nonirradiated postsurgical oral cancer patients (Pauloski et al). 1998;118:616-24

Squamous cell carcinoma of the tongue in young adults: increasing incidence and factors that predict treatment outcomes (Myers et al). 2000;122:44-51

Squamous cell metastasis from the tongue to the myocardium presenting as pericardial effusion (Rivkin et al). 1999;120:593-5 (Case rep.)

Temperature-controlled radiofrequency tongue base reduction for sleep-disordered breathing: long-term outcomes (Li et al). 2002;127:230-4

Tongue base suspension (Persky) (Letter); (DeRowe) (Reply). 2000;123:667-8

Tongue lesions in the pediatric population (Horn et al). 2001;124:164–9

Tongue-based suspension with a soft tissue-to-bone anchor for obstructive sleep apnea: preliminary clinical results of a new minimally invasive technique (DeRowe et al). 2000;122:100-3

Tongue diseases

Juvenile xanthogranuloma of the tongue (Tanyeri et al). 2000;123:641 (Case rep.)

Necrosis of the tongue after arterial chemotherapy (Shih et al). 1999;121:655-60 (Case rep.)

Tongue neoplasms

Benign mesenchymoma of the tongue (Quiñónez et al). 2002;127:357-8 (Case rep.)

Kaposi's sarcoma of the tongue (Mra et al). 2000;123:151 (Clin. photo.)

Lingual metastasis as the initial presentation of a large cell lung carcinoma (Mui and Smith). 1999;121:305-6 (Case rep.)

Primary malignant melanoma of the tongue (Spiegel and Singer). 1999;121:163 (Clin. photo.)

Squamous cell carcinoma arising in lymphangioma of the tongue (Berry et al). 2002;127:458-60 (Case rep.)

Tonsil

Inferior pole peritonsillar abscess (Licameli and Grillone). 1998;118:95-9 (Case rep.)

Schwannoma (neurilemmoma) of the palatine tonsil (Bildirici et al). 2002;126:693-4 (Case rep.)

Spontaneous tonsillar hemorrhage (Kumra et al). 2001;124:51–2 (Case rep.)

Temperature-controlled radiofrequency tonsil reduction: extended follow-up (Nelson). 2001;125:456-61

Tonsil cancer and Sweet's syndrome (O'Connor Reina et al). 1998;119:709-10 (Int. case rep.)

Tonsillar neoplasms

Microscopic detection of occult malignancy in the adult tonsil (Reiter et al). 1999;120:190-4

Tonsillectomy

A comparison of tonsillectomy with the harmonic scalpel versus electrocautery (Morgenstein et al). 2002;127:333-8

A meta-analysis of dexamethasone use with tonsillectomy (Goldman et al). 2000;123:682-6

Argon beam coagulation for post-tonsillectomy hemostasis (Bowling). 2002;126:316-20

Brain stem stroke associated with bupivacaine injection for adenotonsillectomy (Alsarraf and Sie). 2000;122:572 (Case rep.)

Cervical necrotizing fasciitis as a complication of tonsillectomy (Sonne et al). 2001;125:670 (Case rep.)

Chisel tip suction cautery device for tonsillectomy (Armstrong). 1999;121:119-21 (Drug/Device)

Complications of tonsillectomy and adenoidectomy (Randall and Hoffer). 1998;118:61-8

Does dexamethasone with preemptive analgesia improve pediatric tonsillectomy pain? (Giannoni et al). 2002;126:307-15

Dysgeusia associated with tonsillectomy (Vories) 1999;121:303-4 (Case rep.)

Effect of topical antibiotic therapy on recovery after tonsillectomy in adults (Mann et al). 1999;121:277-82

Evaluation of posttonsillectomy hemorrhage and risk factors (Wei et al). 2000;123:229-35

Fatality after an injection of Bicillin into the tonsillar fossa during and adenotonsillectomy (Gerber and Apseloff). 2002;126:321-2 (Case rep.)

Harmonic scalpel tonsillectomy versus electrocautery tonsillectomy: a comparative pilot study (Walker and Syed). 2001;125:449-55

Hypernasality after tonsillectomy without adenoidectomy in an adult (Wachtel et al). 2000;122:112 (Case rep.)

Ibuprofen for tonsillectomy pain in children: efficacy and complications (Harley and Dattolo). 1998;119:492-6

Incidence of complications for subtotal ionized field ablation of the tonsils (Lee et al). 2002;127:531-8

Microscopic examination of routine tonsillectomy specimens: Is it necessary? (Alvi and Vartanian). 1998;119:361-3

Oncologic rationale for bilateral tonsillectomy in head and neck squamous cell carcinoma of unknown primary source (Koch et al). 2001;124:331–3

Pathologic analysis of routine tonsillectomy and adenoidectomy specimens (Strong et al). 2001;125:473-7

Postoperative hemorrhage after tonsillectomy: use of ketorolac tromethamine (Agrawal et al). 1999;120:335-9

Sucralfate for posttonsillectomy analgesia (Özcan et al). 1998;119:700-4

Sutures and disasters in tonsillectomy revisted: a sharp pain in the neck (Bohliga and Dawlatly). 1999;121:504-5 (Case rep.)

The case for an outpatient "approach" for all pediatric tonsillectomies and/or adenoidectomies: a 4-year review of 1419 cases at a community hospital (Postma and Folsom). 2002;127:101-8

The use of preoperative lidocaine to prevent stridor and laryngospasm after tonsillectomy and adenoidectomy (Koç et al). 1998;118:880-2

Tonsillectomy in diagnosis of the unknown primary tumor of the head and neck (Randall et al). 2000;122:52-5

Tonsillitis

Spontaneous tonsillar hemorrhage (Kumra et al). 2001;124:51–2 (Case rep.)

The association between periodontal disease and peritonsillar infection: a prospective study (Georgalas et al). 2002;126: 91-4 (Case rep.)

Tonsils

Selection of antibiotics after incision and drainage of peritonsillar abscesses (Kieff et al). 1999;120:57-61

Tonsillar lipoma (Dev et al). 2000;122:941 (Clin. photo.)

Topical administration; see Administration, topical

Torsion

Torsional strength of the radius after osteofasciocutaneous free flap harvest with and without primary bone plating (Edmonds et al). 2000;123:400-8

Toxic shock syndrome; see Shock, septic

Toxicity

Aminoglycoside ototoxicity: prevention in sight? (Schacht). 1998;118:674-7 (Review article)

Experimental model of cisplatin ototoxicity in chinchillas (Janning et al). 1998;119:574-80

Facial nerve paralysis in acute otitis media: cause and management revisited (Joseph and Sperling). 1998;118:694-6 (Case rep.)

Fenretinide-induced apoptosis of human head and neck squamous carcinoma cell lines (Scher et al). 1998;118:464-71

Intratumoral cisplatin/epinephrine-injectable gel as a palliative treatment for accessible solid tumors: a multicenter pilot study (Burris III et al). 1998;118:496-503

Phase I trial of retinoic acid and cis-platinum for advanced squamous cell cancer of the head and neck based on experimental evidence of drug synergism (Weisman et al). 1998; 118:597-602

Protection against aminoglycoside otic drop-induced ototoxicity by a spin trap: I. acute effects (Hester et al). 1998;119:581-7

Transient-evoked otoacoustic emissions in children after cisplatin chemotherapy (Allen et al). 1998;118:584-8

Vancomycin administration in continuous ambulatory peritoneal dialysis: the risk of ototoxicity (Gendeh et al). 1998;118: 551-8

Trachea

Congenital tracheal diverticulum (Early and Bothwell). 2002;127: 119-21 (Case rep.)

Current trends in laryngectomy rehabilitation: a survey of speech-language pathologists (Culton and Gerwin). 1998;118:458-63

Effect of the Palmaz balloon-expandable metallic stent in the trachea of pigs (Ruegemer et al). 1999;121:92-7

Endoscopic management of foreign bodies in the tracheobronchial tree: predictive factors for complications (Zaytoun et al). 2000;123:311-6

Granular cell tumor of the trachea (Desai et al). 1999;120:595-8 (Case rep.)

Pleomorphic adenoma of the trachea (Kim et al). 2000;123:147-8 (Case rep.)

Portal venous ultraviolet B-irradiated donor alloantigen prevents rejection in circumferential tracheal allografts (Genden et al). 2001;124:481–8

Quantitative and qualitative analysis of tracheoesophageal voice after pectoralis major flap reconstruction of the neopharynx (Deschler et al). 1998;118:771-6

Reconstruction of tracheal defects with dehydrated human costal cartilage: an experimental study in rats (Dal et al). 2000;123: 607-12

Single-stage laryngotracheal reconstruction in children: a review of 200 cases (Gustafson et al). 2000;123:430-4

Time necessary for neovascularization of a tracheal segment by the sternohyoid muscle (Tecchio et al). 2001;125:201-4

Tracheal transplantation: defining the vascular territory of the canine cranial thyroid artery (Shaari et al). 1999;120:180-3

Use of a revascularized, tubed costal myoperiosteal graft for repair of circumferential, segmental tracheal defects (Hoff and Esclamado). 1999;120:706-12

Tracheal diseases

Tracheal bronchus: classification, endoscopic analysis, and airway management (Doolittle and Mair). 2002;126:240-3

Tracheal neoplasms

Dumon silicone stents in obstructive tracheobronchial lesions: the Hong Kong experience (Abdullah et al). 1998;118:256-60

Primary tracheal papillomatosis presenting as reactive airway disease (Valentino et al). 2002;126:79-80 (Case rep.)

Therapeutic dilemmas in the management of thyroid cancer with laryngotracheal involvement (Kim et al). 2000;122:763-7

Tracheal stenosis

An unusual complication of tracheostomal stenosis: fractured tracheostomy tube in the tracheobronchial tree (Oysu et al). 2002;127:122-3 (Case rep.)

Cryopreserved, irradiated tracheal homograft transplantation for laryngotracheal reconstruction in human beings (Kunachak et al). 2000;122:911-6

Improved canine model for laryngotracheal stenosis (Eliashar et al). 2000;122:84-90

Tracheal stenosis after percutaneous dilational tracheotomy (Bartels et al). 2002;126:58-62

Tracheoesophageal puncture

Using an endotracheal tube in difficult secondary tracheoesophageal puncture: a novel technique (Cannon). 2001;125:117-19 (Case rep.)

Tracheostomy

Adjustable length tracheostomy tube for the morbidly obese and thick neck patient (Lim and Raman). 2001;124:56–7 (Drug/device)

An unusual complication of tracheostomal stenosis: fractured tracheostomy tube in the tracheobronchial tree (Oysu et al). 2002;127:122-3 (Case rep.)

Comparison of open, percutaneous, and translaryngeal tracheostomies (MacCallum et al). 2000;122:686-90

Complications and functional outcome after supracricoid partial laryngectomy with cricohyoidoepiglottopexy (Naudo et al). 1998;118:124-9

Current trends in laryngectomy rehabilitation: a survey of speech-language pathologists (Culton and Gerwin). 1998;118:458-63

Laryngeal epidermolysis bullosa acquisita requiring tracheostomy presenting with an acquired factor VIII coagulopathy (Hurley et al). 2001;125:270-1 (Case rep.)

New unidirectional airflow ball tracheostomy speaking valve (Shikani et al). 2000;123:103-7 (Drug/Device)

Postoperative management of pediatric tracheostomy: results of a nationwide survey (Gluth et al). 2000;122:701-5

Tracheostomy for long-term laryngeal experimentation (Dahm and Paniello). 1998;118:376-80

Tracheostomy tube obstruction caused by an overinflated cuff (Saini et al). 2000;122:768 (Case rep.)

Unaided speech in tube-free tracheostomy: the supplementary sling procedure (Eliachar et al). 2002;127:213-20

Tracheotomy

Airway management in Pierre Robin sequence (Myer III et al). 1998;118:630-5

Cancerous seeding of the tracheotomy site in patients with upper aerodigestive tract squamous cell carcinoma (Campbell et al). 1999;120:601-3 (Case rep.)

Chest radiographs after dilatational percutaneous tracheotomy: are they necessary? (Donaldson et al). 2000;123:236-9

Comparison of postoperative cardiopulmonary examinations and chest radiographs to detect pulmonary complications after adult tracheotomy (Park and Smith). 1999;121:274-6

Final evaluation of the Pediatric Tracheotomy Health Status Instrument (PTHSI) (Hartnick et al). 2002;126:228-33

Incidence of pulmonary edema after tracheotomy for obstructive sleep apnea (Burke et al). 2001;125:319-23

Is tracheotomy decannulation possible in oxygen-dependent children? (Picerno et al). 2000;263-8

Lack of utility of postoperative chest radiograph in pediatric tracheotomy (Pinto et al). 2001;125:241-4

Subglottic stenosis: a complication of percutaneous tracheotomy (McQueen et al). 1999;120:543-5 (Case rep.)

Tracheal stenosis after percutaneous dilational tracheotomy (Bartels et al). 2002;126:58-62

Tracheotomy complications: a retrospective study of 1130 cases (Goldenberg et al). 2000;123:495-500

Use of postoperative chest x-ray after elective adult tracheotomy (Smith et al). 1999;120:834-51

Training programs; see Education

Tranquilizing agents, minor

Gender-specific effects of medicinal drugs on hearing levels of older persons (Lee et al). 1998;118:221-7

Transcription, genetic

Interleukin-6 expression in chronic sinusitis: colocalization of gene transcripts to eosinophils, macrophages, T lymphocytes, and mast cells (Ghaffar et al). 1998;118:504-11

Transcription factors

Expression on nm23 antimetastatic gene product in head and neck squamous cell carcinoma (Song et al). 2000;122:96-9

Transforming genes; see Oncogenes

Transforming growth factor alpha

Epidermal growth factor and transforming growth factor-α in middle ear effusion (Nassif et al). 1998;119:564-8

Transforming growth factor-α with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24

Transforming growth factor beta

Metaplastic bone formation in nasal polyps with histologic presence of transforming growth factor β-1 (TGF β-1) and bone morphogenetic proteins (BMPs) (Jacono et al). 2001;125:96-7 (Case rep.)

Transforming growth factors

Round window membrane permeability to transforming growth factor-α an in vitro study (Witte et al). 2000;123:91-6

Translabyrinthine approach

Identification of the facial nerve in the translabyrinthine approach: an alternative technique (Sanna et al). 2001;124:105–6

Transmastoid decompression

Transmastoid decompression as treatment of Bell palsy (Yanagihara et al). 2001;124:282–6

Transplantation, homologous

Cryopreserved, irradiated tracheal homograft transplantation for laryngotracheal reconstruction in human beings (Kunachak et al). 2000;122:911-6

Portal venous ultraviolet B-irradiated donor alloantigen prevents rejection in circumferential tracheal allografts (Genden et al). 2001;124:481–8

Tracheal transplantation: defining the vascular territory of the canine cranial thyroid artery (Shaari et al). 1999;120:180-3

Transplants

Biomechanical properties of tissue-engineered cartilage from human and rabbit chondrocytes (Park et al). 2002;126:52-7

Use of a revascularized, tubed costal myoperiosteal graft for repair of circumferential, segmental tracheal defects (Hoff and Esclamado). 1999;120:706-12

Transtemporal approach

Cerebrospinal fluid fistula after transtemporal skull base surgery (Leonetti et al). 2001;124:511–14

Transtympanic steroid administration

Transtympanic steroids for treatment of sudden hearing loss (Gianoli and Li). 2001;125:142-6

Trapezius, upper

Sternoclavicular joint hypertrophy after neck dissection and upper trapezius myocutaneous flap transposition (Piazza et al). 2002;126:193-4 (Case rep.)

Trapezius muscle

The investing layer of the deep cervical fascia does not exist between the sternocleidomastoid and trapezius muscles (Zhang and Lee). 2002;127:452-7

Trauma; see Wounds and injuries

Treatment outcome

Analysis of short-term outcome after office-based laser-assisted uvulopalatoplasty (Astor et al). 1998;118:478-80

Botulinum toxin type A (BOTOX) for treatment of migraine headaches: an open-label study (Binder et al). 2000;123:669-76

Comparative external versus endoscopic dacryocystorhinostomy: results in 115 patients (130 eyes) (Cokkeser et al). 2000;123:488-91

Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73

Cost-identification analysis in oral cavity cancer management (Funk et al). 1998;118:211-20

Development of the allergy outcome survey for allergic rhinitis (Kemker et al). 1999;121:603-5

Does the severity of sinus computed tomography findings predict outcome in chronic sinusitis? (Stewart et al). 2000;123:81-4

Efficacy of uvulopalatopharyngoplasty in unselected patients with mild obstructive sleep apnea (Senior et al). 2000;123:179-82

Factors related to outcome of salvage therapy for isolated cervical recurrence of squamous cell carcinoma in the previously treated neck: a multi-institutional study (Krol et al). 2000;123:368-76

Histologic evaluation of retrieved craniofacial implants (Bolind et al). 2000;123:140-6

Improvement in bone conduction threshold after tympanoplasty (Tüz et al). 2000;123:775-8

Increased retinal image velocity after vestibular lesion (Hirvonen et al). 2000;123:766-9

Modified supracricoid partial laryngectomy with cricohyoidopexy: series report and analysis of results (Adamopoulos et al). 2000;123:288-93

Myringoplasty in children: factors influencing surgical outcome (Caylan et al). 1998;118:709-13
Obstructive sleep apnea surgery: patient perspective and polysomnographic results (Li et al). 2000;123:572-5
Obstructive sleep apnea treatment outcomes pilot study (Piccirillo et al). 1998;118:833-44 (Clin. epid./research)
Outcome and changing cause of unilateral vocal cord paralysis (Ramadan et al). 1998;118:199-202
Outcomes and quality of life in conductive hearing loss (Stewart et al). 2000;123:527-32
Phonatory results after laser surgery for glottic carcinoma (Sittel et al). 1998;119:418-24
Preliminary results of the use of indole-3-carbinol for recurrent respiratory papillomatosis (Rosen et al). 1998;118:810-5
Quality-of-life outcomes after osteoplastic frontal sinus obliteration (Alsarraf et al). 1999;121:435-40
Results of a humanitarian otologic and audiologic project performed outside of the United States: lessons learned from the "Oye, Amigos!" project (Barrs et al). 2000;123:722-7
Results of tympanoplasty with titanium prostheses (Wang et al). 1999;121:606-9
Revision stapedectomy (De La Cruz et al). 2000;123:728-32
Sac-vein decompression for intractable Meniere's disease: two-year treatment results (Gianoli et al). 1998;118:22-9
Surgical labyrinthectomy in the older patient (Langman and Lindeman). 1998;118:739-42
Titration streptomycin therapy in Meniere's disease: long-term results (Balyan et al). 1998;118:261-6

Tretinoin
Chemoprevention of head and neck cancer (Armstrong and Meyskens). 2000;122:728-35
Phase I trial of retinoic acid and *cis*-platinum for advanced squamous cell cancer of the head and neck based on experimental evidence of drug synergism (Weisman et al). 1998;118:597-602
Synergistic effects of 13-*cis* retinoic acid and arachidonic acid cascade inhibitors on growth of head and neck squamous cell carcinoma in vitro (Spingarn et al). 1998;118:159-64

Triamcinolone
Does slow-release 5-fluorouracil and triamcinolone reduce subglottic stenosis? (Ingrams et al). 1998;118:174-7

Tribute
Aram Glorig, MD (1906-1998) (House). 1998;119:295-6

Trigeminal nerve
Endoscope-assisted microvascular decompression of the trigeminal nerve (Jarrahy et al). 2000;123:218-23
Trigeminal schwannomas: the role of the neurotologist in multidisciplinary management (Friedman et al). 1999;120:355-60

Tuberculosis
Aminoglycoside ototoxicity: prevention in sight? (Schacht). 1998;118:674-7 (Review article)
Atypical tuberculosis (nontuberculous mycobacterium) of the parotid region in children (Harley). 1998;119:294 (Clin. photo.)
Isolated cervical tuberculosis in patients with HIV infection (Singh et al). 1998;118:766-70
Necrotizing granulomatous inflammation of the superior vestibular nerve mimicking an acoustic neuroma (Marple et al). 1998;118:862-5 (Case rep.)
Tubercular parotitis: a forgotten entity (Hamdan et al). 2002;126:581-2 (Case rep.)

Tuberculosis, lymph node
Primary bilateral tuberculosis dacryocystitis with preauricular lymphadenopathy: a diagnostic difficulty of recent times (Abrol et al). 2002;126:201-3 (Case rep.)
Rapid diagnosis of cervical tuberculous lymphadenitis by application of DNA probe (Yokoyama et al). 1999;121:501-4 (Case rep.)
Tuberculous and nontuberculous cervical lymphadenitis: a clinical review (Chao et al). 2002;126:176-9

Tuberculosis, oral
Tuberculosis tonsillitis (Çinar et al). 2002;126:448-9

Tumor markers, biological
Patients with head and neck tumors excrete a chondroitin sulfate with a low degree of sulfation: a new tool for diagnosis and follow-up of cancer therapy (Martins et al). 2000;122:115-8
Predictive markers for response to chemotherapy, organ preservation, and survival in patients with advanced laryngeal carcinoma (Bradford et al). 1999;121:534-8

Tumor necrosis factor
Tumor necrosis factor-α and interleukin-1β levels in recurrent and persistent otitis media with effusion (Yetiser et al). 2002;126:417-22

Tumor staging; see Neoplasm staging

Turbinate
Comparison of CT scan and electron microscopic findings on endoscopically harvested middle turbinates (Biedlingmaier and Trifillis). 1998;118:165-73
Comparison of inflammatory cell profile and Th2 cytokine expression in the ethmoid sinuses, maxillary sinuses, and turbinates of atopic subjects with chronic sinusitis (Kamil et al). 1998;118:804-9
Density of middle turbinate subepithelial mucous glands in patients with chronic rhinosinusitis (Malekzadeh et al). 2002;127:190-5
Endoscopic partial inferior turbinoplasty (Van Delden et al). 1999;121:406-9
Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3
Laser surgery for allergic rhinitis: the effect on seromucinous glands (Elwany and Salaam). 1999;120:742-4
Long-term histologic effects of inferior turbinate laser surgery (Wexler et al). 2001;124:459–63
Middle turbinate medialization and preservation in endoscopic sinus surgery (Friedman et al). 2000;123:76-80
Mucocele of the middle turbinate: a case report (Toledano et al). 2002;126:442-4 (Case rep.)
Radiofrequency volumetric tissue reduction for treatment of turbinate hypertrophy: a pilot study (Li et al). 1998;119:569-73
Surgical management of nasal and sinus sarcoidosis (Marks and Goodman). 1998;118:856-8 (Case rep.)
Use of the superior meatus and superior turbinate in the endoscopic approach to the sphenoid sinus (Bolger et al). 1999;120:308-13

Twins, monozygotic
Congenital nasal pyriform aperture stenosis in the monozygotic twin of a child with holoprosencephaly (Krol et al). 1998;118:679-81 (Case rep.)

Tympanic membrane
Acoustic mechanisms: canal wall-up versus canal wall-down mastoidectomy (Whittemore Jr et al). 1998;118:751-61
Analysis of protease activity in human otitis media (Avidano et al). 1998;119:346-51
Congenital cholesteatoma of the tympanic membrane (Kim and Haupert). 2002;127:359-60 (Clin. photo.)
Creating a stable tympanic membrane perforation using mitomycin C (O'Reilly et al). 2001;124:40–5

Dehiscence of the tympanic segment of the facial nerve (Park et al). 2000;123:522 (Clin. photo.)
Effect of increased inner ear pressure on middle ear mechanics (Murakami et al). 1998;118:703-8
Hemangioma of the tympanic membrane (Bijelic et al). 2001; 125:272-3 (Case rep.)
Histopathology of human temporal bone after *cis*-platinum, radiation, or both (Hoistad et al). 1998;118:825-32
Laser therapy for refractory myringitis in children (Fechner et al). 2002;127:163-8
Neurotologic complications associated with deployment of airbags (Cunningham et al). 2000;123:637-8 (Case rep.)
Prospective study of tympanic membrane retraction, hearing loss, and multifrequency tympanometry (Li et al). 1999;121:514-22
Results of a humanitarian otologic and audiologic project performed outside of the United States: lessons learned from the "Oye, Amigos!" project (Barrs et al). 2000;123:722-7
Results of tympanoplasty with titanium prostheses (Wang et al). 1999;121:606-9
Thermal myringotomy for eustachian tube dysfunction in hyperbaric oxygen therapy (Potocki and Hoffman). 1999;121:185-9
Tympanic membrane and middle ear pathologic correlates in mucoid otitis media (Tekin et al). 2000;123:258-62
Tympanosclerosis: long-term hearing results after ossicular reconstruction (Teufert and de la Cruz). 2002;126:264-72
Use of mitomycin C for maintaining myringotomy patency (Estrem et al). 2000;122:8-10

Tympanic membrane perforation
Changes in external ear resonance after 3 types of surgery in the patients with chronic otitis media (Cho et al). 2001;125:364-9
Healing large tympanic membrane perforations using hyaluronic acid, basic fibroblast growth factor, and epidermal growth factor (Chauvin et al). 1999;121:43-7
Myringoplasty in children: factors influencing surgical outcome (Caylan et al). 1998;118:709-13
The otologic consequences of the Omagh bomb disaster (Miller et al). 2002;126:127-8
Tympanic membrane perforation repair using AlloDerm (McFeely et al). 2000;123:17-21
Tympanic membrane perforations in the diabetic rat: a model of impaired wound healing (Vrabec). 1998;118:304-8
Ventilation tube removal: does treatment affect perforation closure? (Schwartz et al). 2002;126:663-8
Ventilation tubes and persisting tympanic membrane perforations (Golz et al). 1999;120:524-7

Tympanometry; see Acousitc impedance tests

Tympanoplasty
Carbon dioxide laser and silver halide infrared transmitting fibers for tympanoplasty: an experimental animal model (Zilker et al). 2001;125:157-60
Improvement in bone conduction threshold after tympanoplasty (Tüz et al). 2000;123:775-8
Inlay butterfly cartilage tympanoplasty (Eavey technique) modified for adults (Lubianca-Neto). 2000;123:492-4
Preoperative hearing predicts postoperative hearing (Blakley et al). 1998;119:559-63
Surgical modification of the difficult mastoid cavity (Dornhoffer). 1999;120:361-7
Tympanoplasty results in patients with cleft palate: an age- and procedure-matched comparison of preliminary results with patients without cleft palate (Gardner and Dornhoffer). 2002; 126:518-23

Tympanostomy tube insertion. see Middle ear ventilation

Tympanostomy tubes. see Middle ear ventilation

U

Ultrasonic therapy
Ultrasound-guided fine-needle aspiration and thyroid disease (Newkirk et al). 2000;123:700-5

Ultrasonography
Three-dimensional ultrasound evaluation in the head and neck (Klimek et al). 1998;118:267-71
Vagus nerve imaging with ultrasound: anatomic and in vivo validation (Knappertz et al). 1998;118:82-5

Ultrasonography, Doppler
Prognostic assessment of sonography and tumor volumetry in advanced cancer of the head and neck by use of Doppler ultrasonography (Dietz et al). 2000;122:596-601

Umbo; see Tympanic membrane

Upper airway surgery
The effect of upper airway surgery on voice (Behrman et al). 2002;127:36-42

Urine
Head and neck squamous cell carcinoma: measurement of plasma parathyroid hormone-related protein and serum and urine calcium concentrations (Sellers et al). 2000;123:558-62

Utricle; see Saccule and utricle

Uvula
Comparison of postoperative pain between laser-assisted uvulopalatoplasty, uvulopalatopharyngoplasty, and radiofrequency volumetric tissue reduction of the palate (Troell et al). 2000; 122:402-9
Effect of uvulopalatopharyngoplasty and genial hyoid advancement on swallowing in patients with obstructive sleep apnea syndrome (Altman et al). 1999;120:454-7

Uvulopalatopharyngoplasty
Clinical staging for sleep-disordered breathing (Friedman et al). 2002;127:13-21
Is postoperative intensive care monitoring necessary after uvulopalatopharyngoplasty? (Mickelson and Hakim). 1998;119:352-6
Radiofrequency versus LAUP for the treatment of snoring (Blumen et al). 2002;126:67-73
Role of tongue base suspension suture with The Repose System bone screw in the multilevel surgical management of obstructive sleep apnea (Miller et al). 2002;126:392-8

Uvulopalatoplasty
Analysis of short-term outcome after office-based laser-assisted uvulopalatoplasty (Astor et al). 1998;118:478-80
Carbon dioxide laser surgery for snoring: results in 192 patients (Cheng et al). 1998;118:486-9
Efficacy of laser-assisted uvulopalatoplasty in obstructive sleep apnea (Pribitkin et al). 1998;119:643-7
Laser-assisted uvulopalatoplasty: short-term and long-term results (Neruntarat). 2001;124:90–3
Microdebrider-assisted uvulopalatoplasty (Tarabichi). 1998;119: 131-3
Submucosal radiosurgical uvulopalatoplasty for the treatment of snoring: is the monitoring of tissue impedance and temperature necessary (Taliaferro). 2001;124:46–50

V

Vagus nerve
Intracapsular enucleation of vagus nerve-originated tumors for preservation of neural function (Fujino et al). 2000;123:334-6 (Case rep.)
Pharyngeal branch of the vagus nerve carries intraepithelial af-

ferent fibers in the cat pharynx: an elucidation of the origin and central and peripheral distribution of these components (Miyazaki et al). 1999;120:905-13

Vagal paraganglioma: the Jefferson experience (Miller et al). 2000;122:482-7

Vagus nerve imaging with ultrasound: anatomic and in vivo validation (Knappertz et al). 1998;118:82-5

Vancomycin

Vancomycin administration in continuous ambulatory peritoneal dialysis: the risk of ototoxicity (Gendeh et al). 1998;118:551-8

Vascular resistance

Cardiovascular effects of microgravity: evolution of understanding (Short). 1998;118:S52-4

Vascular surgical procedures

Endoscope-assisted microvascular decompression of the trigeminal nerve (Jarrahy et al). 2000;123:218-23

Vasculitis

Aural symptoms and hearing loss in patients with lupus (Sperling et al). 1998;118:762-5

Vasculitis, central nervous system

Unusual and instructive case of immune-mediated inner ear disease associated with central nervous system vasculitis. (Ruckenstein et al). 2000;122:109-11 (Case rep.)

Vasodilator agents

Effects of vasoactive topical agents on the survival of dorsal skin flaps in rats (Smith and Dolan). 1999;121:220-3

Vasopressins

Inappropriate secretion of antidiuretic hormone caused by the local regional recurrence of hypopharyngeal cancer (Suzuki et al). 1998;118:412-4 (Int. case rep.)

Velopharyngeal insufficiency

Complications of tonsillectomy and adenoidectomy (Randall and Hoffer). 1998;118:61-8

Posterior wall augmentation for treatment of velopharyngeal insufficiency (Gray et al). 1999;121:107-12

Sphincter pharyngoplasty for correction of stress velopharyngeal insufficiency (McVicar et al). 2002;127:248 (Case rep.)

Ventilation tubes; see Middle ear ventilation

Ventral approach

Ventral approach to the rat middle ear for otologic research (Pinilla et al). 2001;124:515–17

Verapamil

Effect of verapamil on cholesteatoma migration in vitro (Kountakis et al). 2000;122:91-5

Vertebral diseases

Retropharyngeal abscess associated with vertebral osteomyelitis and spinal epidural abscess (Jang and Rhee). 1998;119:705-8 (Int. case rep.)

Vertebrates

Evolutionary trends in the organization of the vertebrate crista ampullaris (Goldberg and Brichta). 1998;119:165-71

Vertigo

Battle's sign in temporal bone trauma (Alvi). 1998;118:908 (Clin. photo.)

Colloid cyst of third ventricle: a rare cause of episodic vertigo (Arunachalam and Johnson). 2002;126:450-2 (Case rep.)

Computerized dynamic posturography: What have we learned from space? (Black and Paloski). 1998;118:S45-51

Differentiating between peripheral and central causes of vertigo (Baloh). 1998;119:55-9

Hemostatic alterations in patients with acute, unilateral vestibular paresis (Fattori et al). 2001;124:401–7

Hemostatic alterations in patients with acute, unilateral vestibular paresis (Katsarkas) (Letter); (Fattori) (Reply). 2002;127:490-1

Internal auditory canal inflammation: a cause of sudden vertigo (Kondo et al). 1998;119:138-40 (Case rep.)

Intracranial tumors mimicking benign paroxysmal positional vertigo (Dunniway and Welling). 1998;118:429-36

Intratympanic dexamethasone, intratympanic gentamicin, and endolymphatic sac surgery for intractable vertigo in Meniere's disease (Becvarovski and Zappia) (Letter); (Sennaroglu) (Reply). 2002;127:490-1

Intratympanic gentamicin therapy for persistent vertigo after endolymphatic sac surgery (Marzo and Leonetti). 2002;126:31-3

Kinetics of gentamicin uptake in the inner ear of *Chinchilla langier* after middle-ear administration in a sustained-release vehicle (Balough et al). 1998;119:427-31

Sac-vein decompression for intractable Meniere's disease: two-year treatment results (Gianoli et al). 1998;118:22-9

Short- and long-term outcomes of canalith repositioning for benign paroxysmal positional vertigo (Nunez et al). 2000;122:647-52

Surgical labyrinthectomy in the older patient (Langman and Lindeman). 1998;118:739-42

Susac syndrome (Turner et al). 1998;118:866-7 (Case rep.)

The meaning of the word "vertigo" (Blakley and Goebel). 2001;125:147-50

Titration streptomycin therapy in Meniere's disease: long-term results (Balyan et al). 1998;118:261-6

Unrecognized benign paroxysmal positional vertigo in elderly patients (Oghalai et al). 2000;122:630-4

Vestibular autorotation testing in patients with benign paroxysmal positional vertigo (Belafsky et al). 2000;122:163-7

Vestibular diseases

Arachnoid cysts of the petrous apex in a patient with vestibular schwannoma (Falcioni et al). 2000;123:657 (Case rep.)

Comparison of optokinetic nystagmus elicited by full versus partial visual field stimulation: diagnostic implications (Kveton et al). 1999;121:52-6

Hearing preservation in solitary vestibular schwannoma surgery using the retrosigmoid approach (Moffatt et al). 1999;121:781-8

Intracochlear vestibular schwannoma: a potential source for recurrence after translabyrinthine resection (Green et al). 2000;123:281-2 (Case rep.)

Vestibular dysfunction in Gulf War syndrome (Roland et al). 2000;122:319-29

Vestibular function tests

Air caloric computer system application in monitoring vestibular function changes after cochlear implantation (Szirmai et al). 2001;125:631-4

Comparison of optokinetic nystagmus elicited by full versus partial visual field stimulation: diagnostic implications (Kveton et al). 1999;121:52-6

Effects of vestibular and cerebellar deficits on gaze and torso stability during ambulation (Crane et al). 2000;123:22-9

Influence of the multichannel cochlear implant on vestibular function (Ito). 1998;118:900-2

Interlaboratory variability of rotational chair test results II: analysis of simulated data (Furman et al). 2000;122:23-30

Measurement of peripheral vestibular blood flow in a gerbil model of endolymphatic hydrops (Reddy et al). 2000;123:97-100

Posturographic performance in patients with the potential for secondary gain (Gianoli et al). 2000;122:11-8

Use of a three-dimensional magnetic sensor in vestibular testing (Zeitouni et al). 1999;120:109-12 (Drug/device)
Vestibular autorotation testing in patients with benign paroxysmal positional vertigo (Belafsky et al). 2000;122:163-7

Vestibular nerve
Hemangioma of the intratemporal vestibular nerve (Raney et al). 1999;120:946-7 (Case rep.)
Influence of the multichannel cochlear implant on vestibular function (Ito). 1998;118:900-2
Myelin-sheath abnormalities in the vestibular nerves of chronically diabetic rats (Myers). 1998;119:432-8
Necrotizing granulomatous inflammation of the superior vestibular nerve mimicking an acoustic neuroma (Marple et al). 1998;118:862-5 (Case rep.)
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15
Vestibular nerve regeneration in the bullfrog, *Rana catesbeiana*: peripheral dendrites (Hernandez et al). 1998;119:244-54

Vestibular rehabilitation
Randomized controlled trial of vestibular rehabilitation combined with cognitive-behavioral therapy for dizziness in older people (Johansson et al). 2001;125:151-6

Vestibule
Air in the vestibule: computed tomography scan finding in traumatic perilymph fistula (Malis et al). 1998;119:689-90 (Case rep.)
Aminoglycoside ototoxicity: prevention in sight? (Schacht). 1998;118:674-7 (Review article)
Auricular composite grafting to repair nasal vestibular stenosis (Karen et al). 2000;122:529-32
Autonomic reaction to vestibular damage (Yates). 1998;119:106-12
Balance disorders in older persons: quantification with posturography (Baloh et al). 1998;119:89-92
Betahistine increases vestibular blood flow (Dziadziola et al). 1999;120:400-5
Cardiovascular effects of microgravity: evolution of understanding (Short). 1998;118:S52-4
Clinical use of three-dimensional video measurements of eye movements (Merfeld et al). 1998;118:S35-8
Computerized dynamic posturography: What have we learned from space? (Black and Paloski). 1998;118:S45-51
Countermeasures for vestibular dysfunction (Holt). 1998;118:S29-30
Differentiating between peripheral and central causes of vertigo (Baloh). 1998;119:55-9
Effects of estrogen and tamoxifen on growth of human vestibular schwannomas in the nude mouse (Stidham and Roberson). 1999;120:262-4
Effects of middle ear effusion on the vestibular system in children (Golz et al). 1998;119:695-9
Effects of otitis media with effusion on the vestibular system in children (Koyuncu et al). 1999;120:117-21
Efficacy of vestibular rehabilitation (Cowand et al). 1998;118:49-54
Evolution of adaptive neural networks: the role of voltage-dependent K+ channels (Alkon et al). 1998;119:204-11
Evolution of the vestibulo-ocular system (Fritzsch). 1998;119:182-92
Evolutionary trends in the organization of the vertebrate crista ampullaris (Goldberg and Brichta). 1998;119:165-71
From genes to behavior in the vestibular system (Baker). 1998;119:263-75
Germline screening of the NF-2 gene in families with unilateral vestibular schwannoma (Bikhazi et al). 1998;119:1-6
Hair cell recovery in the chinchilla crista ampullaris after gentamicin treatment: a quantitative approach (López et al). 1998;119:255-62
Hair cells in mammalian utricles (Eatock et al). 1998;119:172-81
Histopathologic changes in the vestibule after cochlear implantation (Tien and Linthicum). 2002;127:260-4
Historical ties between otolaryngology–head and neck surgery and aviation and space medicine (Alford and Atkins Jr). 1998;118:S2-4
Influence of the multichannel cochlear implant on vestibular function (Ito). 1998;118:900-2
Intratympanic gentamicin treatment for Meniere's disease (McFeely Jr et al). 1998;118:589-96
Molecules, motion, and man (Wackym and Balaban). 1998;118:S16-24
Noonan's syndrome with sensorineural hearing loss and vestibular abnormalities (Foster and Dyhrkopp). 1998;119:508-11 (Case rep.)
Noradrenergic influences on the cerebellar cortex: effects on vestibular reflexes under basic and adaptive conditions (Pompeiano). 1998;119:93-105
Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9
Ossicular chain dystopia and dilation of vestibules in branchio-oto-renal syndrome: a new phenotypic association? (D'Eredita and Marchi). 2002;126:206-8 (Case rep.)
Output-to-input approach to neural plasticity in vestibular pathways (Delgado-García). 1998;119:221-30
Physiologic basis for motor learning in the vestibulo-ocular (Lisberger). 1998;119:43-8
Physiological principles of vestibular function on earth and in space (Minor). 1998;118:S5-15
Posturography does not test vestibulospinal function (Evans and Krebs). 1999;120:164-73
Recording eye movements in mice: a new approach to investigate the molecular basis of cerebellar control of motor learning and motor timing (De Zeeuw et al). 1998;119:193-203
Role of the flocculus of the cerebellum in motor learning of the vestibulo-ocular reflex (Highstein). 1998;119:212-20
Role of vestibular adaptation in vestibular rehabilitation (Herdman). 1998;119:49-54
Sac-vein decompression for intractable Meniere's disease: two-year treatment results (Gianoli et al). 1998;118:22-9
Short-term vestibulo-ocular adaptation: influence of context (Kramer et al). 1998;119:60-4
Spaceflight influences on ocular counterrolling and other neurovestibular reactions (Young and Sinha). 1998;118:S31-4
Stapedectomy in military aircrew (Thiringer and Arriaga). 1998;118:9-14
Steps toward recovery of function after hemilabyrinthectomy in frogs (Dieringer and Straka). 1998;119:27-33
Surgical labyrinthectomy in the older patient (Langman and Lindeman). 1998;118:739-42
Synaptic changes in rat maculae in space and medical imaging: the link (Ross). 1998;118:S25-8
The transmastoid retrolabyrinthine approach in vestibular schwannoma surgery (Bento et al). 2002;127:437-41
Titration streptomycin therapy in Meniere's disease: long-term results (Balyan et al). 1998;118:261-6
Transforming growth factor-α with insulin induces proliferation in rat utricular extrasensory epithelia (Kuntz and Oesterle). 1998;118:816-24
Vestibular adaptation to space in monkeys (Dai et al). 1998;119:65-77

Vestibular adaptation: how models can affect data interpretations (Galiana and Green). 1998;119:231-43
Vestibular adaptation: part II—introduction (Honrubia). 1998; 119:164
Vestibular adaptation—introduction (Honrubia). 1998;119:26
Vestibular compensation in guinea pigs given intravenous lidocaine after unilateral labyrinthectomy (Hung et al). 1999;120: 12-6
Vestibular compensation revisited (Vidal et al). 1998;119:34-42
Vestibular dysfunction: lessons and legacies from space—forward (Black). 1998;118:S1
Vestibular function in the fetal sheep (Antonelli et al). 1998;118: 571-5
Vestibular nerve regeneration in the bullfrog, *Rana catesbeiana*: peripheral dendrites (Hernandez et al). 1998;119:244-54
Vestibular toxicity is unproven as the cause of Gulf War syndrome (Sartin) (Letter); (Roland et al) (Reply). 2001;124: 238–40
Vision and vestibular adaptation (Demer and Crane). 1998;119: 78-88

Vestibulocochlear nerve
Vestibular stimulation after cochlear implantation in common cavity deformity (Sennaroglu et al). 2001;125:408-10 (Case rep.)

Vestibulocochlear nerve diseases
Auditory brainstem implantation: the University of Verona experience (Colletti et al). 2002;127:84-96

Vestibulopathy
Hemostatic alterations in patients with acute, unilateral vestibular paresis (Fattori et al). 2001;124:401–7
Hemostatic alterations in patients with acute, unilateral vestibular paresis (Katsarkas) (Letter); (Fattori) (Reply). 2002;127:490-1

Vibrant Soundbridge System
Phase III clinical trial results with the Vibrant Soundbridge implantable middle ear hearing device: a prospective controlled multicenter study (Luetje et al). 2002;126:97-107

Vibration
Effect of increased inner ear pressure on middle ear mechanics (Murakami et al). 1998;118:703-8

Video recording
Clinical use of three-dimensional video measurements of eye movements (Merfeld et al). 1998;118:S35-8

Violence
Effects of terrorism on otolaryngology: a work in progress (Astor) (Letter). 2002;126:95-6
The otologic consequences of the Omagh bomb disaster (Miller et al). 2002;126:127-8

Virus activation
Viral titers and delayed facial palsy after acoustic neuroma surgery (Gianoli). 2002;127:427-31

Viruses
Sudden deafness: lack of evidence for systemic viral infection (Pitkäranta and Julkunen). 1998;118:397-9

Vision
Vision and vestibular adaptation (Demer and Crane). 1998;119: 78-88

Visual fields
Comparison of optokinetic nystagmus elicited by full versus partial visual field stimulation: diagnostic implications (Kveton et al). 1999;121:52-6

Vocal cord paralysis
Airway abnormalities in patients with Arnold-Chiari malformation (Choi et al). 1999;121:720-4
Completion thyroidectomy for differentiated thyroid carcinoma (Chao et al). 1998;118:896-9
Determination of the optimal conditions for laryngeal pacing with the Itrel II implantable stimulator (Zealear et al). 2001;125: 183-92
Diagnostic laryngeal electromyography: the Wake Forest experience (Koufman et al). 2001;124:603-6
Diplophonia in unilateral vocal fold paraiysis and intracordal cyst (Hong and Kim). 1999;121:815-9
Evaluation of expiratory effort on dysphonic patients on increasing vocal intensity (Makiyama et al). 1998;118:723-7
Guillain-Barré syndrome presenting as a neck mass (Yoskovitch et al). 2000;122:269 (Case rep.)
Impact of laryngeal paralysis and its treatment on the glottic aperture and upper airway flow characteristics during exercise (Beaty and Hoffman). 1999;120:819-23
Laryngeal paresis as a presenting feature of idiopathic brachial plexopathy (Hyde et al). 2001;124:575–6 (Case rep.)
Management of vocal fold paralysis: experience at the University of Athens (Segas et al). 2001;124:68–71
Outcome and changing cause of unilateral vocal cord paralysis (Ramadan et al). 1998;118:199-202
Quality-of-life assessment in patients with unilateral vocal cord paralysis (Spector et al). 2001;125:176-82
Role of motor unit number estimate electromyography in experimental canine laryngeal reinnervation (Peterson et al). 1999; 121:180-4
Surgery for vocal cord paralysis: a meta-analysis (Brigger and Hartnick). 2002;126:349-55
The histologic fate of autologous collagen injected into the canine vocal fold (Staskowski et al). 1998;118:187-90
Validation of a voice outcome survey for unilateral vocal cord paralysis (Gliklich et al). 1999;120:153-8

Vocal cords
A new laser treatment for vocal cord papilloma—585-nm pulsed dye (Valdez et al). 2001;124:421–5
Age- and gender-related elastin distribution changes in human vocal folds (Hammond et al). 1998;119:314-22
Analysis of cellular location and concentration in vocal fold lamina propria (Catten et al). 1998;118:663-7
Analysis of vocal fold vibration by x-ray stroboscopy with multiple markers (Kusuyama et al). 2001;124:317–22
Bilateral vocal fold paralysis caused by familial hypokalemic periodic paralysis (Rosen et al).1999;120:785-6
Biomechanical effects of hydration in vocal fold tissues (Chan and Tayama). 2002;126:528-37
Cause of hoarseness in elderly patients (Lundy et al). 1998;118: 481-5
Comparison of concentric needle versus hooked-wire electrodes in the canine larynx (Jaffe et al). 1998;118:655-62
Cough and paradoxical vocal fold motion (Altman et al). 2002; 127:501-11
Evaluation and management of bilateral vocal cord immobility (Hillel et al). 1999;121:760-5
Evaluation of expiratory effort on dysphonic patients on increasing vocal intensity (Makiyama et al). 1998;118:723-7
Functional differences between the two bellies of the cricothyroid muscle (Hong et al). 1998;118:714-22
Importance of hyaluronic acid in vocal fold mechanics (Chan et al). 2001;124:607-14
Incidence of abnormal laryngeal findings in asymptomatic singing students (Lundy et al). 1999;121:69-77
Medialization laryngoplasty (Dulguerov et al). 1999;120:275-8

Outcome and changing cause of unilateral vocal cord paralysis (Ramadan et al). 1998;118:199-202
Schwannoma of the true vocal cord. 1999;121:837-9 (Case rep.)
T3 glottic cancer: oncologic results and prognostic factors (Lassaletta et al). 2001;124:556–60
The association between laryngeal pseudosulcus and laryngopharyngeal reflux (Belafsky et al). 2002;126:649-52
The histologic fate of autologous collagen injected into the canine vocal fold (Staskowski et al). 1998;118:187-90
Unilateral true vocal fold paralysis: cause of right-sided lesions (Hughes et al). 2000;122:678-80
Vocal cord polypectomy with fiberoptic sinus endoscopes (Bhattacharya and Caputo). 1998;118:381-2 (Case rep.)
Vocal fold granulomas: successful treatment with botulinum toxin (Orloff and Goldman). 1999;121:410-3
Voice quality after narrow-margin laser cordectomy compared with laryngeal irradiation (Delsupehe et al). 1999;121:528-33

Vocal fold. see Vocal cords

Vocal fold paralysis
Vocal fold paresis (Koufman et al). 2000;122:537-41
XeCl laser surgery of the vocal cords: a histologic comparison with CO_2 laser in a porcine model (Wong et al). 1998;118:371-5

Voice
Acoustic analysis of the voice in phonatory fistuloplasty after total laryngectomy (Arias et al). 2000;122:743-7
Care of the Professional Voice: A management Guide for Singers, Actors and Professional Voice Users (Stasney). 2000;122:621 (Book rev.)
Current trends in laryngectomy rehabilitation: a survey of speech-language pathologists (Culton and Gerwin). 1998;118:458-63
Hyponasality caused by retronasopharyngeal air as a symptom of pneumomediastinum (Braverman et al). 1998;118:903-4 (Int. case rep.)
Long-term model of induced canine phonation (Paniello and Dahm). 1998;118:512-22
Otologic and laryngologic manifestations of mucopolysaccharidoses after bone marrow transplantation (Papsin et al). 1998;118:30-6
Quantitative and qualitative analysis of tracheoesophageal voice after pectoralis major flap reconstruction of the neopharynx (Deschler et al). 1998;118:771-6
The Clinical Trials Branch at the National Institute on Deafness and Other Communication Disorders (Gulya). 1998;118:289-90 (Editorial)
The effect of upper airway surgery on voice (Behrman et al). 2002;127:36-42
Using an endotracheal tube in difficult secondary tracheoesophageal puncture: a novel technique (Cannon). 2001;125:117-19 (Case rep.)
Validation of a voice outcome survey for unilateral vocal cord paralysis (Gliklich et al). 1999;120:153-8
Voice target time in Parkinson's disease: a preliminary report (Jiang et al). 1999;121:87-91

Voice disorders
A comparison of radiation-induced and presbylaryngeal dysphonia (Behrman et al). 2001;125:193-200
A review of outcome measurements for voice disorders (Hogikyan and Rosen). 2002;126:562-72
Cause of hoarseness in elderly patients (Lundy et al). 1998;118:481-5
Dysphonia and delayed food allergy: a provocation/neutralization study with strobovideolaryngoscopy (Dixon). 1999;121:418-29
Evaluation of expiratory effort on dysphonic patients on increasing vocal intensity (Makiyama et al). 1998;118:723-7
Histologic study of the recurrent laryngeal nerve in spasmodic dysphonia (Kosaki et al). 1999;120:129-33
Hypernasality after tonsillectomy without adenoidectomy in an adult (Wachtel et al). 2000;122:112 (Case rep.)
Management of common voice problems: committee report (Zeitels et al). 2002;126:333-48
Mechanical and dynamic aspects of voice production as related to voice therapy and phonosurgery (Isshiki) 2000;122:782-93
Muscle tension dysphonia as a sign of underlying glottal insufficiency (Belafsky et al). 2002;127:448-51
Percutaneous laryngeal collagen augmentation for treatment of Parkinsonian hypophonia (Kim et al). 2002;126:653-6
Prevalence of reflux in 113 consecutive patients with laryngeal and voice disorders (Koufman et al). 2000;123:385-8

Voice quality
Biomechanical effects of hydration in vocal fold tissues (Chan and Tayama). 2002;126:528-37
Comparative contrast of voice measurements (Klein et al). 2000;123:164-9
Diplophonia in unilateral vocal fold paralysis and intracordal cyst (Hong and Kim). 1999;121:815-9
Effects of sound pressure levels on fundamental frequency in tracheoesophageal speakers. (Deschler et al). 1999;121:23-6
Voice quality after narrow-margin laser cordectomy compared with laryngeal irradiation (Delsupehe et al). 1999;121:528-33

Vomiting
Behaviors of bulbar respiratory interneurons during fictive swallowing and vomiting (Nakazawa et al). 1999;120:412-8
Ondansetron versus droperidol or placebo to prevent nausea and vomiting after otologic surgery (Jellish et al). 1998;118:785-9

W

Waardenburg's syndrome
Atypical presentation of Waardenburg's syndrome type II (Knox et al). 1999;120:749 (Clin. photo.)

Warthin's tumor
Nasopharyngeal Warthin's tumor (Yeh et al). 1999;120:942-4 (Case rep.)

Water pollutants
Pollutants in our water: effects on human health and the environment (Hicks). 1998;119:502-5 (Review article)

Weber test
A qualitative explanation of the Weber test (Blakley and Siddique). 1999;120:1-4
Explaining the Weber test (Sichel et al) (Letter); (Blakley and Siddique) (Reply). 2000;122:465

Wegener's granulomatosis
Radiation therapy as an option for upper airway obstruction due to Wegener's granulomatosis (Neviani et al). 2002;126:195-6 (Case rep.)
Wegener's granulomatosis (Huang et al). 1999;120:922-3 (Clin. photo.)
Wegener's granulomatosis presenting in the sinus and orbit (Yucel et al). 2002;127:349-51 (Case rep.)

Weight loss
Predictors of weight loss during radiation therapy (Beaver et al). 2001;125:645-8

Western blot technique; see Blotting, Western

Women
Obstructive sleep apnea in women (Halvorson and Porubsky). 1998;119:497-501

World Wide Web
World Wide Webenbased temporal bone anatomic sections (Kavanagh). 2002;126:573-7
Wound healing
Choosing the optimal wound dressing for irradiated soft tissue wounds (Hom et al). 1999;121:591-8
Cochlear implantation in patients with compromised healing (Odabasi et al). 2000;123:738-41
Epidermal growth factor and transforming growth factor-a in middle ear effusion (Nassif et al). 1998;119:564-8
Factors affecting wound infection rates in head and neck surgery (Co,skun et al). 2000;123:328-33
Initial report on postoperative healing after endoscopic sinus surgery with the microdebrider (Bernstein et al). 1998;118:800-3
Postauricular myocutaneous flap in otologic surgery (Farrior). 1998;118:743-6
Preapplication of mitomycin C for enhanced patency of myringotomy (Estrem and Baker) 2000;122:346-8
Salvage of an infected hydroxyapatite cement cranioplasty with preservation of the implant material (Johnson et al). 2000;123:515-7 (Case rep.)
Secondary intention healing of exposed scalp and forehead bone (Charnock) (Letter); (Becker et al) (Reply). 2000;123:524-5
Secondary intention healing of exposed scalp and forehead bone after Mohs surgery (Becker et al). 1999;121:751-4
Tympanic membrane perforations in the diabetic rat: a model of impaired wound healing (Vrabec). 1998;118:304-8
Wound infection
Effects of topical oral antiseptic rinses on bacterial counts of saliva in healthy human subjects (Balbuena et al). 1998;118:625-9
Prognostic significance of postoperative wound infection on head and neck cancer (Rodrigo and Suárez). 1998;118:272-5
Wounds and injuries
Acute intracranial complications of temporal bone trauma (Alvi and Bereliani). 1998;119:609-13
Air in the vestibule: computed tomography scan finding in traumatic perilymph fistula (Malis et al). 1998;119:689-90 (Case rep.)
Ammonia capsule ingestion causing upper aerodigestive tract injury (Rosenbaum et al). 1998;119:678-80 (Case rep.)
Aural symptoms and hearing loss in patients with lupus (Sperling et al). 1998;118:762-5
Battle's sign in temporal bone trauma (Alvi). 1998;118:908 (Clin. photo.)
Caustic injury of the larynx (Soo and van Hasselt). 1998;119:425-6 (Clin. photo.)
Comparison of concentric needle versus hooked-wire electrodes in the canine larynx (Jaffe et al). 1998;118:655-62
Early diagnosis and treatment of laryngeal injuries from prolonged intubation in adults (Deeb et al). 1999;120:25-9
Neurotoxic effects of doxycycline sclerotherapy (Kirse et al). 1998;118:356-62
Otologic injuries caused by airbag deployment (McFeely et al). 1999;121:367-73
Use of the Endostitch device for closure of pharyngeal traumatic lacerations (Hardeman et al). 2000;122:942 (Clin. photo.)
XeCl laser surgery of the vocal cords: a histologic comparison with CO_2 laser in a porcine model (Wong et al). 1998;118:371-5
Wounds, gunshot
Tension pneumocephalus after frontal sinus gunshot wound (Gönül et al). 1998;118:559-61 (Int. case rep.)
Wounds, penetrating
Penetrating neck trauma in children: an urban hospital's experience (Kim et al). 2000;123:439-43
Wrinkles
Botulinum toxin type B (MyoBloc) in the management of hyperkinetic facial lines (Ramirez et al). 2002;126:459-67

X

Xanthogranuloma, juvenile
Juvenile xanthogranuloma of the tongue (Tanyeri et al). 2000;123:641 (Case rep.)
Xanthomatosis
Xanthoma of the maxillary sinus (Pitman et al). 2002;126:426-7 (Case rep.)
XeCl laser; see Laser surgery
Xenon
Xenon-enhanced computed tomography quantifies normal maxillary sinus ventilation (Leopold et al). 2000;122:422-4
X-rays
Analysis of vocal fold vibration by x-ray stroboscopy with multiple markers (Kusuyama et al). 2001;124:317–22
Utility of portable chest radiographs as a predictor of endotracheal tube cuff pressure (Valentino et al). 1999;120:51-6

Z

Zenker;s diverticulum
Endoscopic treatment of Zenker's diverticulum using CO_2 laser (Krespi et al). 2002;127:309-14
Management of Zenker's diverticulum and postlaryngectomy pseudodiverticulum with the CO2 laser (Lippert et al). 1999;121:809-14
Surgical treatment of Zenker's diverticulum: transcutaneous diverticulectomy versus microendoscopic myotomy of the cricopharyngeal muscle with CO2 laser (Zbären et al). 1999;121:482-7
Zygoma
Intraosseus zygomatic hemangioma (Konior et al). 1999;121:122-5 (Case rep.)
Zygomatic fractures
Experimental trauma to the malar eminence: fracture biomechanics and injury patterns (Rhee et al). 2001;125:351-5
